Love stories don't always have a happy ending. You might fall for someone who doesn't return your phone calls or dates your best friend or

simply doesn't feel the same way you do. heartbreak won't stop you from moving on and pursuing new relationships. But before you get a happy fairytale ending, there's a chance you'll collect a few sad love stories along the way. Sorry to be a downer, you guys. But it's true. This book gives you a heartbroken story and messages to a cheating person. **Love Story** - Erich Segal 1988
The Phenomenal National Bestseller and Enduring Classic He is Oliver Barrett IV, a rich jock from a stuffy WASP family on his way to a Harvard degree and a career in law. She is Jenny Cavilleri, a wisecracking working-class beauty studying music at Radcliffe. Opposites in nearly every way, Oliver and Jenny immediately attract, sharing a love that defies everything ... yet will end too soon. Here is a love that will linger in your heart now and forever.

"Tradition and conservative culture serves as a backdrop for this beautifully heartwrenching tale of love and loss." (NEW YORK WEEKLY) "Broken shows flawed characters in a relatable way in today's modern age as the conversation on the ongoing battle between right and wrong gets harder to discuss..."

MUSLIMAHX MAGAZINE In this heartwrenching new novel from Award-winning author and poet, Fatima Bala, a connection sends two lovers with different ideologies on a search for redemption in places far from home. A story of imperfect love. Broken from the start; yet constant. Fa'iza Mohammed grew up very sheltered in a conservative Muslim home. Her otherwise sane life is thrust into turmoil when she finds herself falling for someone with a completely different set of values from hers when she comes to Toronto for University. She tries to fight it, but there's an undeniable attraction simmering between them. She

soon realizes that they are probably better apart - but can they stay away from each other? Ahmad Babangida believes everything is a construct. Society and religion condition people to be sheep, and he goes out of his way to live his life on his terms. His attraction to Fa'iza doesn't help as the lines between halal and haram start to become blurred. When a revelation breaks them apart, they hold a secret, one that could tear the seams of the Islamic upbringing their family holds in high regard. Five years later, is it too late for them, or is the road to redemption shut against them for crossing the lines into forbidden paths? As seen on London Post and New York Weekly.

My Broken-Love Story - Koro Crofoot 2006-08-01

engagement was to follow only four months later. Shortly after, we found that there was more to being a happy couple than saying, I love you. The hard times seemed to only get worse. Our relationship was on and off over the next two to three years. We struggled between fighting for what we thought we had, or moving on to find happiness with other people. I was torn. Do I remain strong by not giving up on everything I had promised my fiancé? Or should I be strong enough to allow myself to move on and free my heart? My book takes you through my days of heartache, confusion, and realization, showing all the things I learned about love and about myself.

The Bucket List to Mend a Broken Heart - Anna Bell

Desperate to stop the wedding, and heal her wounded heart, Evangeline strikes a deal with the charismatic, but wicked, Prince of Hearts. In exchange for his help, he asks for three kisses, to be given at the time and place of his choosing. But after Evangeline's first promised kiss, she learns that bargaining with an immortal is a dangerous game - and that the Prince of Hearts wants far more from her than she pledged. He has plans for Evangeline, plans that will either end in the greatest happily ever after, or the most exquisite tragedy . . . equal measure. To impress the girl he adored, he not only changed himself but dedicated his entire life to her. And finally one day, they fell deeply and madly in love with one another. But as they say, good time doesn't last forever. Their love fell prey to the machinations of a selfish love, and the relationship they had nurtured together for years, trembled and fell apart in seconds. What would you do if fate decides to turn the tables on you, and forces you away from your plans to take up a path which you never wanted to tread? If the dreams you envisioned and desired are broken in a matter of seconds, would you stay and fight against your ill luck, or run away from reality, or accept whatever is happening? This book aspires to comfort those who are heartbroken, and make them realize that the end of a relationship doesn't mean the end of the pure emotion of love itself. Life does not stop after a break - up. Rather, it immediately moves on, though, living a new life, without the

one we loved, can also seem akin to a walk through hell. This is not just a love story, but the success story of a boy who turned his pain into his strength, to reunite with the love of his life

Broken Love Story - Natasha Madison 2018-04-17

When one man's death exposes a complex web of lies, three couples discover the true meaning of love, loss and redemption. Samantha I had the perfect life; a husband who loved me, and two kids who were my world. Until someone else answered his phone and my perfect life shattered. When he died, I was left with answers he couldn't give me and a box full of lies. He left me broken. Blake I fell in love when I was fifteen, knowing she was the one. For five years, she was my everything-my every breath, every heartbeat, every thought. She made me promise to move on, promise to find love again, but I broke those promises because I can't move on. Two broken souls brought together by tragedy and heartbreak.

Perfect Love Story - Natasha Madison 2018-01-07

Hailey What do you do when you find out your whole life was a lie? That your husband really wasn't your husband but someone else's. That the vows you made to each other were simply empty promises. You pick up and move to the country to start fresh. When life hands you lemons, you make sure you have tequila because your life is about to get stirred up. Jensen Married to my high school sweetheart, the best thing she gave me was my baby girl. But we weren't enough for her. I wasn't enough for her. The last thing I expected on my birthday was a Dear John letter, but that's what I got when she upped and left. Now, it's just me and my girl against the world till the new girl moves in next door. Is there such a thing as a perfect love story?

In this true story of unlimited perseverance, you'll meet OG. After growing up in an abusive

household with a hustler for a father, she is at the crossroads of her life. Managing children, along with just trying to make it day by day has literally caused her to wear down. The way her life has been, doesn't make it any easier. Everything that happened wore her down to the point where OG's heart literally breaks and an artery tears open. Take a ride with OG as she talks about how life has been for her.

Notes on Heartbreak - Annie Lord 2022-06-23

'Arresting and vivid, raw and breathtaking...told with stunning originality' DOLLY ALDERTON 'Annie Lord tells us a story at once both specific and universal' SHON FAYE 'An electrifying debut' CAROLINE O'DONOGHUE Dark, fierce and raw, *Notes on Heartbreak* is a love story told in reverse... Reeling from a broken heart, Annie Lord revisits the past - from the moment she first fell in love, the shared in-jokes and intertwining of a long-term relationship, to the months that saw the slow erosion of a bond five years in the making.

Charting her attempts to move on, Annie explores the ups and downs of being newly single, from disastrous rebound sex to sending ill-advised nudes, stalking your ex's new girlfriend on Instagram and the sharp indignity of being ghosted. This stunning exploration of love and heartbreak from cult journalist and Vogue columnist Annie Lord, is so much more than a book about one singular breakup. It is an unflinchingly honest account of the simultaneous joy and pain of being in love that will resonate with anyone who has ever nursed a broken heart. It's a book about the

best and worst of love: the euphoric and the painful, the beautiful and the messy. Perfect for fans of *Everything I Know About Love*, *Conversations on Love and Three Women*.
