**March** - Audrey Carlan 2015-08-03

"Be prepared for a serious book hangover as you embark on a year's worth of sexy heroes and wild rides!" -Meredith Wild, #1 NYT Bestselling Author of the Hacker Series Synopsis A fiancée. I'm going to Chicago to pretend to be some Italian Stallion's future wife. Why a massive hunk, boxer, and rich restaurateur needs a fake bride is beyond me. Then again, I'm not paid to know why. I'm paid \$100,000 to be his escort, or in this case, the woman he's supposedly "going" to marry. The moment I met Antony "Tony" Fasano, I thought I might have lost my ability to breathe. In my twenty four years of life, I'd not seen anything like him. Clad only in a small towel precariously dangling from his hips--water droplets streaming down every inch of his muscular frame--I knew right then and there, I'd finally seen male perfection in all its raw glory. What happened next blew me away. It was now abundantly clear why he needed me...a fake fiancée.

**Body** - Audrey Carlan 2014-10-11

Men ruin women. Especially men like Chase Davis. Good looking, intelligent, rich and powerful. I never stood a chance. I didn't want to want him. I didn't want to need him. I didn't want to fall for him. He wouldn't take no for an answer, and I let him consume me. Arrogant, confident, controlling, demanding ... intense. When he entered my life, I was finally healing after having barely survived the men of my past. My soul sisters told me to take a chance. To let someone in. I let him in, and he surrounded me with a light so bright I was blinded by the truth... Men don't ruin women. They devour them in every way that counts. Warning: This book is designed for audiences 18+ due to language, graphic sexual content, and themes that some may find disturbing. BODY is book 1 of a three-part trilogy. Book 1 has a "Happy for Now" type ending.

**Selling Happiness** - Ellen Johnston Laing 2004-08-31

From the early twentieth century until the Communist takeover in 1949, Shanghai commercial artists created thousands of colorful posters and black and white advertisements that formed an essential part of modern life in the city. This visually appealing and richly illustrated work describes the origin and evolution of modern commercial art in China, focusing on colorful advertisement calendar posters that featured distinctive feminine images. It makes clear how essential commercial art and its institutional backing were to the development of modern art and even modern society in China over the past century. *Selling Happiness* discusses not only advertising art but also the production and marketing of the calendar poster. These posters, like other advertisements, were rendered in a Western realistic technique and were wildly and widely popular. Ordinary people throughout China often acquired them to decorate their homes. Laing outlines how the Chinese commercial artist,

who rarely attended formal Western art classes, gained skills in Western representational art. In the final chapter of the book, she explains how the styles developed by the commercial poster artists during the 1920s and 1930s became the basis for certain types of propaganda art under the Chinese Communists in the 1950s and 1960s.

For Addison Fairchild, success is a guarantee. Groomed since childhood to run a division of Fairchild Enterprises, she takes her birthright seriously. Maybe a little too seriously if you ask her friends. But work is so much easier than the rest of her life. Her employees hate her, her best friend is worried about her, and her last date was hide-in-the-restroom awkward. If all that wasn't bad enough, she's stuck with a new cheerful-happy-annoyingly-morning-person assistant just when the head of FE is about to choose a successor—a job Addison wants so badly, she can taste it. For Katie Cooper, money has never been important. That is, until her father gets dementia and needs full time care. As the bills start to pile up, Katie takes a second job as a temporary personal assistant. Two minutes and one spilled cup of coffee later, she's sure she's not ready for Addison Fairchild—her hard head, her know-it-all attitude, or her gorgeous face. Forced to work together, Addison and Kate discover that opposites really do attract.

"Fresh, fun, and unbelievably hot, Audrey Carlan's Calendar Girl series will have you falling in love over and over again and craving the next installment." ~ Meredith Wild, #1 NYT Bestselling Author It's really simple. I needed money. A lot of money. One million dollars to be exact. The amount didn't matter. All that mattered is that at the end of that price tag held my father's life. No money. No life. The time limit was one year. On January 1st I had to pay up or my Father was going to be killed. When you're faced with an ultimatum like this, you do whatever you have to do. And that's exactly what I did. The job...Exquisite Escorts. My role, serve as high priced arm candy to anyone that can afford the \$100,000 price tag for a month of my company. Sex is optional (for me) and a 20% increase on the price. Mia Saunders just barely escaped a paltry life back

home in Las Vegas until she gets the call that her Father has been beaten to within an inch of his life for not paying his gambling debt. Problem is, the lone shark is her lousy, ruthless ex-boyfriend. Another guy in a long line of men she'd fallen head over heels for. Not anymore. Mia's mission is simple. Serve as a high-priced escort for her Aunt's company and pay monthly against her Father's bad debt. A month with a rich man who she doesn't have to sleep with if she doesn't want to? Easy money. At least that's the way it was supposed to go. Warning: This book is designed for audiences 18+ due to language and graphic sexual content.

"Mia's whirlwind journey is a refreshing mix of adventure, soul-searching, and steaming hot physical intensity that packs an emotional punch." -Meredith Wild, #1 NYT Bestselling Author of the Hacker Series Synopsis A muse. Me. The motorcycle riding, ass-kicking, concert t-shirt wearing chick from Las Vegas, is a world-renowned French artist's muse. For a month. I had no idea when I took the escort job with Exquisite Escorts I would be standing naked in front of a blank canvas in a Seattle warehouse. "Love on Canvas" he calls his exhibit, a combination of

photographic stills and paint entwined to create the most awe-inspiring pieces the world will ever see. Except every last one of them features me and a moment in time where I was vulnerable. Alec Dubois played on those vulnerabilities, teaching me lessons about love and life that would stay with me through the rest of my days. \*\*\* Mia Saunders continues her mission to bail out her comatose father whose life is on the line to a dangerous loan-shark who happens to be Mia's ex-boyfriend. For this journey, she serves as a high-priced escort to French artist named Alec Dubois in Seattle, Washington. Each installment in the Calendar Girl Serial will release every month throughout 2015. The stories will feature Mia, told from her perspective as she continues her journey as an escort to twelve clients in twelve different locations. Warning: This book is designed for audiences 18+ due to language and graphic sexual content. *Calendar Girl* - Audrey Carlan (Novelist) 2016

**Soul** - Audrey Carlan 2015-03-28

I was a dead woman. I'd finally had a glimpse of true love, admiration, and the kind of devotion only your soulmate, your other half, could provide...until it was physically ripped away. Taken. My stalker had me, and there was little hope I'd be found. I knew Chase would use all his money and resources to search the ends of the Earth for me, but I knew the monster I was dealing with. Years of looking into the eyes of pure evil

gave me the unique experience to know that my situation was dire. If Chase didn't find me soon, I'd be gone forever. \*\*\* In the third and final novel in the erotic suspense, Trinity Trilogy, SOUL connects with the reader by providing the story through the eyes of Gillian, Chase, and the man that wants to own her soul but can't for she's already given it to another. Everyone is on the hunt to save Gillian from the arms of a killer. This book can be considered dark, erotic, and thrilling. As in Body (Trinity Trilogy Book 1) the issue of domestic violence plays heavily in the storyline, and Gillian experiences many disturbing flashbacks of the past alongside tragedy the stalker brings to the present. There is also a lot of love, devotion, and friendship. As with all my books, the characters will ultimately have their happily ever after. Warning: This book is designed for audiences 18+ due to language, graphic sexual content, and themes that some may find disturbing. SOUL is book 3 of a three-part trilogy. Body (Trinity Trilogy - Book 1) and Mind (Trinity Trilogy - Book 2) must be read prior to reading SOUL.

"Sinfully delicious from start to finish! Sexy, smart, and so unique! I was completely immersed in Mia's journey." -Katy Evans, NYT Bestselling Author Synopsis Baseball, beer, and a hot boy. Nothing can beat that. Until I meet Mason "Mace" Murphy the next "it" pitcher for the Boston Red Sox and my client. He's immature, arrogant, sexy as sin, and the last

man that's going to get into my panties. He's not used to hearing the word no from women, so I'm going to spell it out for him. N = Not going to happen. O = Out of your league buddy. I was hired to cuddle up to the annoying, beautiful athlete, and give prospective advertisers and fans a different view of this hot-shot professional baller. Only he's everything I detest in a man all wrapped into a dream package. Baseball player, talented, athletic body, sculpted face, and ass you can bounce quarters off of. Unfortunately, he also believes he's God's gift to women, a man-whore, throws money around like it grows on trees, and conceited. The challenge for him, to break down my defenses and get in there. My challenge, avoid hopping in the sack with him at all costs. \*\*\* Mia Saunders continues her mission to save her comatose father from her dangerous, loan-shark ex-boyfriend. This month, she serves as a high-priced escort to a professional baseball player named Mace Murphy in Boston, MA. Each installment in the Calendar Girl Serial will release every month throughout 2015. The stories will feature Mia's journey as an escort to twelve clients in twelve different locations. "Damn, Audrey did it again! Made me smile, made me laugh & made me cry with her beautiful words! I am in love with these books." -Hooks & Books Blog Synopsis Politics, phallic statues, and pretty women. Literally everywhere you look, you see an old man and a gold-digging, cling-on wrapped around their wrinkly arms. Looks as though my hot streak ended when Warren Shipley, one of the nation's wealthiest men, hired me to play arm-candy to save face with the other one percenters he did business with. At least that's what I thought when I arrived in Washington, DC, until I was met by old man Shipley's debonair and insanely handsome son. The Senator from California, Aaron Shipley. Youngest senator in the history of politics, single, beyond rich, and the face of every political magazine around the US. Women everywhere

wanted a taste of that power. Me, I'd always thought politics were boring...boy was I wrong. Democracy had never been more exciting. \*\*\* In the sixth book of the Calendar Girl serial, Mia is sent to our nation's capital, Washington, DC. Still on her mission to save her father, she embraces the life of a gold-digging mistress in order to get a life-saving project off the ground. Each installment in the Calendar Girl Serial will release every month throughout 2015. The stories will feature Mia's journey as an escort to twelve clients in twelve different locations. Warning: This book is designed for audiences 18+ due to language and graphic sexual content.

Mind - Audrey Carlan 2015-12-18

I'm a magnet for evil and controlling men. Chase, my big business tycoon and love of my life, thinks he can protect me...he can't. No one can. It became clear far too late how serious my stalker was, that his threats weren't idle. He proved more than once that he would do what it takes, that there were no stakes too high to his sick and twisted games and delusions of worship. We should have been better prepared. The roses, images, lingerie soaked in his seed, even his calling card written in blood didn't penetrate. I had faith that my love could make it go away, that eventually he'd be caught. I was wrong. \*\*\* In the second highly anticipated erotic suspense novel in the Trinity Trilogy, MIND digs deep into the heart and psyche of Gillian and her stalker through dueling POVs. While Chase and Gillian plan their wedding, follow them and the entire gang as the stalker acts out his revenge and plots his attack on Gillian, Chase, and their friends. This book can be considered dark, erotic, and thrilling. As in Body (Trinity Trilogy Book 1) the issue of domestic violence plays heavily in the story line, and Gillian experiences many disturbing flashbacks of the past, alongside tragedy the stalker brings to the present. There is also a lot of love, devotion, and friendship. Warning: This book is designed for audiences 18+ due to language, graphic sexual content, and themes that some may find disturbing. MIND is book 2 of a three-part trilogy. Body (Trinity Trilogy - Book 1) must be read prior to reading MIND.
