Decadence and Literature - Jane Desmarais 2019-08-22

Decadence and Literature explains how the concept of decadence developed since Roman times into a major cultural trope with broad explanatory power. No longer just a term of opprobrium for mannered art or immoral behaviour, decadence today describes complex cultural and social responses to modernity in all its forms. From the Roman emperor's indulgence in luxurious excess as both personal vice and political control, to the Enlightenment libertine's rational pursuit of hedonism, to the nineteenth-century dandy's simultaneous delight and distaste with modern urban life, decadence has emerged as a way of taking cultural stock of major social changes. These changes include the role of women in forms of artistic expression and social participation formerly reserved for men, as well as the increasing acceptance of LGBTQ+ relationships, a development with a direct relationship to decadence. Today, decadence seems more important than ever to an informed understanding of contemporary anxieties and uncertainties.

Enema Stories - Stonefox 2012-01-01

More Than Two - Franklin Veaux 2014-09-02

Can you love more than one person? Have multiple romantic partners, without jealousy or cheating? Absolutely! Polyamorous people have been paving the way, through trial and painful error. Now there's the new book *More Than Two: A practical guide to ethical polyamory to help you find your own way.*

Forbidden Flowers - Nancy Friday 2014-02-06

A collection of women's intimate erotic thoughts by the #1 New York Times bestselling author of *The Secret Garden* and "liberator of the female libido" (Newsday). The publication of the groundbreaking expose on women's sexual fantasies, *My Secret Garden*, ushered in a revolution in women's sexual freedom of expression. In *Forbidden Flowers*, Nancy Friday reveals even more erotic, wild, and explicit fantasies expressed by women all over the world, from all ethnic and socioeconomic backgrounds. Like *My Secret Garden* before it, *Forbidden Flowers* is a celebration of the depth, potency, and imaginative breadth of women's inner erotic lives. By giving female readers a glimpse into the ordinary and often extraordinary fantasies of other women, it offers to some an exhilarating freedom from the guilt and shame so often associated with sexual fantasy—and to others, provides fascinating insight into the psychology of female sexual response. "The author whose books about gender politics helped redefine American women's sexuality." —The New York Times

Time Like a Furrow - James Hearst 1981

Women's Experimental Cinema - Robin Blaetz 2007-10-16

This volume offers introductions to the work of fifteen avant-garde American women filmmakers.

Clinical Case Studies for the Family Nurse Practitioner - Leslie Neal-Boylan 2011-11-28

Clinical Case Studies for the Family Nurse Practitioner is a key resource for advanced practice nurses and graduate students seeking to test their skills in assessing, diagnosing, and managing cases in family and primary care. Composed of more than 70 cases ranging from common to unique, the book compiles years of experience from experts in the field. It is organized chronologically, presenting cases from neonatal to geriatric care in a standard approach built on the SOAP format. This includes differential diagnosis and a series of critical thinking questions ideal for self-assessment or classroom use.

Marquis de Sade - Iwan Bloch 2013-10

This is a new release of the original 1948 edition.

A Little Life - Hanya Yanagihara 2016

Moving to New York to pursue creative ambitions, four former classmates share decades marked by love, loss, addiction, and haunting elements from a brutal childhood.

Dictionary of the British English Spelling System - Greg Brooks 2015-03-30

This book will tell all you need to know about British English spelling. It's a reference work intended for anyone interested in the English language,

especially those who teach it, whatever the age or mother tongue of their students. It will be particularly useful to those wishing to produce well-designed materials for teaching initial literacy via phonics, for teaching English as a foreign or second language, and for teacher training. English spelling is notoriously complicated and difficult to learn; it is correctly described as much less regular and predictable than any other alphabetic orthography. However, there is more regularity in the English spelling system than is generally appreciated. This book provides, for the first time, a thorough account of the whole complex system. It does so by describing how phonemes relate to graphemes and vice versa. It enables searches for particular words, so that one can easily find, not the meanings or pronunciations of words, but the other words with which those with unusual phoneme-grapheme/grapheme-phoneme correspondences keep company. Other unique features of this book include teacher-friendly lists of correspondences and various regularities not described by previous authorities, for example the strong tendency for the letter-name vowel phonemes (the names of the letters) to be spelt with those single letters in non-final syllables.

The Wretched of the Earth - Frantz Fanon 2019-12-23

A distinguished psychiatrist from Martinique who took part in the Algerian Nationalist Movement, Frantz Fanon was one of the most important theorists of revolutionary struggle, colonialism, and racial difference in history. Fanon's masterwork is a classic alongside Edward Said's *Orientalism* or *The Autobiography of Malcolm X*, and it is now available in a new translation that updates its language for a new generation of readers. *The Wretched of the Earth* is a brilliant analysis of the psychology of the colonized and their path to liberation. Bearing singular insight into the rage and frustration of colonized peoples, and the role of violence in effecting historical change, the book incisively attacks the twin perils of postindependence colonial politics: the disenfranchisement of the masses by the elites on the one hand, and intertribal and interfaith animosities on the other. Fanon's analysis, a veritable handbook of social reorganization for leaders of emerging nations, has been reflected all too clearly in the corruption and violence that has plagued present-day Africa. *The Wretched of the Earth* has had a major impact on civil rights, anticolonialism, and black consciousness movements around the world.

Cosima's Club Owner Daddies - Honey Meyer 2021-05-12

How many daddies does it take to heal a broken little girl? Cosima Valtolina has been trapped in a living hell for eight long years, held hostage by a man she thought would be her savior but who turned out to be a monster. One fateful night frees her from her nightmare come true but also leaves her beaten and bloody in a ditch. Ian Galbraith, Hudson Lindberg, and Ryker Donahue have been looking for a little to love together for two decades. They never expected their best prospect to turn up half-dead on their doorstep. Hudson falls hard from the start for sweet and submissive Cosima, and Ian's not far behind, but the enigmatic Ryker isn't interested in risking his heart again for anything. The owners of Clover City's favorite fetish club can help Cosima's body mend, but can they heal and win her heart? Or will ghosts and demons from their pasts keep them from their happily ever after? *Cosima's Club Owner Daddies* is a standalone novel in the *Clover City Littles* series. It features a damaged but determined little girl in need of a guardian angel—or three—and a trio of protective and devoted best friends who have vowed to share everything, even love.

Bdsm at the Enema Longue (Complete Series) & Back Room BdsM (Complete Series) - Sarah Hung 2018-07-12

BDSM at the Enema Longue Kiley finds herself joining a secret sex club where enemas, BDSM, group sex, cum swaps, and an assortment of other wild fetishes are everyday occurrences. To her surprise, she meets Veronica, the world's sweetest slut, and learns that the Mistress is actually a tranny. While undergoing extreme sexual changes, she inadvertently drags along a co-worker, Devon, first to a threesome with her new found romantic interest Veronica and later to teach him the ways of "The Enema Lounge." *Back Room BdsM* Jennifer is a submissive in the dungeon of Mistress Susan. Allowing herself to be tortured, enjoyed, toyed, strapped and bonded, and even filled with an enema,

she's in for a wild time as she continues deeper into the territory of punishment and pleasure.

CAPTAIN BILLY'S WHIZ BANG - W. H. FAWCETT 2021-01-01

CAPTAIN BILLY'S WHIZ BANG You may have heard of Captain Billy's Whiz Bang from the musical lyrics of "The Music Man", now find out why the kids of River City told jokes from this hilarious slice of Americana! Written by Captain Billy Fawcett, a veteran of the Spanish-American War and World War I, this complete facsimile edition of the November 1921 issue of Captain Billy's Whiz Bang featuring a collection of humorous prose, poetry, and essays on the carefree life was the racy magazine for libertines in its day. With jokes littered with the situations, slang, and bigotries of the day, this book serves as a fascinating time capsule of what great great grandpa's world was like. Entertaining and educational, Captain Billy's Whiz Bang is a lively piece of pop culture history, living up to both its masthead description as "America's Magazine of Wit, Humor, and Philosophy" and its cover motto, "Explosion of Pedigreed Bunk." CAPTAIN BILLY'S WHIZ BANG

Bullied - Jonathan Alexander 2021

What happens when the defining moment of your life might be a figment of your imagination? How do you understand -- and live with -- definitive feelings of having been abused when the origin of those feelings won't adhere to a singular event but are rather diffused across years of experience? In *Bullied: The Story of an Abuse*, Jonathan Alexander meditates on how, as a young man, he struggled with the realization that the story he'd been telling himself about being abused by a favorite uncle as a child might actually just have been a "story" -- a story he told himself and others to justify both his lifelong struggle with anxiety and to explain his attraction to other men. Story though it was, Alexander maintains that some form of abuse did occur. In writing that is at turns reflective, analytic, and hallucinatory, Alexander traces what it means to suffer homophobic abuse when such is diffused across multiple actors and locales, implicating a family, a school, a culture, and a politics -- as opposed to a singular individual who just happened to be the only openly gay man in young Alexander's life. Along the way, Alexander reflects on Jussie Smollett, drug abuse, MAGA-capped boys, sadomasochism, Catholic priests, cruising, teaching young adult fiction about rape, and a host of other oddly but intimately related topics.

Hysteria: A Victorian Medical Exam Erotica - Kelli Wolfe

This machine was the Professor's ultimate achievement. No woman who had lain on this table had yet been able to withstand it. Lord Elliston is at his wit's end with his daughter Emily. Nothing he tries seems to make the slightest impact on her deplorable behavior, and when she is caught stealing a handkerchief he knows that it is time for desperate measures. One name comes up again and again—Professor George E. Feversham. The founder of Feversham's Academy of Young Women's Correctional Education has a reputation for reforming troubled young women of the lower classes, and his treatments for praefocatio matricis—female hysteria—are renowned in scientific circles. It seems that the Professor is his last, best hope for regaining control of his daughter. But what will the treatments mean for Emily? Keywords: short sex stories, erotica short stories, free erotica books, older man younger woman, historical erotica, domestic discipline, doctor patient erotica, female hysteria, multiple partners, enema play, first time erotica, virgin erotica, medical play, free erotia, free erotica, sex erotic medicine experiment dubcon domination submission humiliation punishment humiliated punished bondage spanked spanking vibrator dildo breeding bareback freebie story ebooks series steamy schoolgirl young teen girl teenager examination nurse traditional

A History of Celibacy - Elizabeth Abbott 2001

Joan of Arc was one. So was Sir Isaac Newton. A monk vows to be one. A prisoner has no choice. History tells of many avowed celibates, and today's society reflects a renewed interest in celibacy. But what causes people to give up sex, the very activity that drives, fascinates, troubles,

and delights so many of the rest of us? Elizabeth Abbott's exploration of celibacy debunks the traditionally held notion that celibacy is a predominantly religious concept of little concern to the secular world. Chosen or imposed for myriad reasons, celibacy actually is a practice that reveals a host of telling insights about our sexual desires and drives, as well as our changing attitudes toward religion, gender, and physical health. *A History of Celibacy* humanises celibacy through the ages, from the vestal virgins of ancient Rome who were entombed alive if they broke their vows, to contemporary athletes who conserve semen to enhance their game. While most people associate institutional celibacy with Catholicism, Abbott shows how virtually every culture and religion through history has incorporated it in some form. Her examples range from Judaism's rules regarding abstinence during menstruation to Hinduism's forced celibacy for widows. Written from a feminist perspective, the book paints a dual portrait of celibacy as both emancipator and enslaver of women and the poor. Yet the book's focus is not solely on women. It recounts for instance the forced castration of Italy's young male sopranos, and tells why impoverished Chinese boys and men became eunuchs for the Emperor. The extremes to which people will go to abstain from sexual activity or to prevent others from having sex is an intriguing thread through a serious book.

Starfish - Peter Watts 2014-09-16

A huge international corporation has developed a facility along the Juan de Fuca Ridge at the bottom of the Pacific Ocean to exploit geothermal power. They send a bio-engineered crew--people who have been altered to withstand the pressure and breathe the seawater--down to live and work in this weird, fertile undersea darkness. Unfortunately the only people suitable for long-term employment in these experimental power stations are crazy, some of them in unpleasant ways. How many of them can survive, or will be allowed to survive, while worldwide disaster approaches from below? *Starfish*, the first installment in Peter Watts' *Rifters Trilogy* At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Women on Top - Nancy Friday 2014-02-07

A classic work on how women think about sex, from the New York Times--bestselling author of *My Secret Garden* and *My Mother/Myself*. Nancy Friday's groundbreaking books such as *Forbidden Flowers* offered an unprecedented honest look at the inner fantasy lives of ordinary women. In *Women on Top*, Friday returns to this topic, collecting detailed sexual fantasies from over 150 contemporary women from diverse backgrounds. Based on intimate personal interviews and letters, this book updates the conversation started in her earlier works on women's sexual fantasies, detailing how women's erotic lives have changed—and remained the same. "This absorbing, titillating and empowering feminist book is also a ribald bedside companion."

—Publishers Weekly

The Carry On Films - Steven Gerrard 2016-11-03

Saucy, rude and vulgar—the 31 Carry On films remain an important part of the history of British cinematic and low brow comedy. In this book, Gerrard discusses the Carry On roots in the music halls of the Victorians and the saucy seaside postcards of Donald McGill. Made in post-war Britain, these films reflect a remarkable period of social change as the British Empire faded and a nation learned to laugh at itself. Nothing was sacred to the Carry On team. James Bond and Cleopatra were mercilessly lampooned, Miss World competitions and toilet factories came in for a cinematic pasting, while Sid James' laugh, Barbara Windsor's wiggle, Kenneth Williams' flared nostrils and Charles Hawtrey's "Oh, hello!" became synonymous with laughter, merriment and fun. Gerrard's work examines the Carry On films as part of a wider canvas linking both their heritage and tradition to the contextual world they mirrored. *The Carry On Films* is an essential read for Carry On fans the country through. "div>Ding dong! Carry On!/div
