**Redemptive Advice For Christian Men** - Darwin Tharnish 2021-07-25  
An affair offers pain to escape. In fact, they often make things worse. To recovery after infidelity, this book can save marriages and bring a positive view of love between men and women. Without proper guidance, men have little chance of restoring relationship trust, and women must suffer mental pains. This book brings familiar faith values and scripture to deepen the discussion of taking responsibility, rebuilding trust, and restoring intimacy. Underneath the hurt and betrayal, often there is still love. The author provides a path of redemption for the men who cheat and a possibility of healing for the women they hurt.

*24 Dating and Relationship Advice for Christians* - Zuri Sikia 2017-07-31  
You're about to Discover How to Date Within Your Christian Values and Faith. Do you know that as Christians, we have a responsibility to Our Faith? But this does not mean that our intimate bonds need to be sacrificed. There is a way to enjoy a blissful courtship through faith if you know how to go about it. From this book, you will gain adequate knowledge from twenty-four pieces of Advice for Relationships and Dating, all of which have been rooted in scripture, as well as from the discussion on the background and underlying principles of Christian Values and Principles. Relationships form an extremely important aspect of the human existence. But plenty of men and women these days engage in dating at a very early age. But without proper guidance, not to mention proper intentions, the entire journey becomes less desirable over time. From this book you will learn how to avoid some of the most common Dating and Relationship pitfalls: The kind that leaves persons often confused, hurt, or worse, eaten by the guilt of sin. [Christian Dating Rules for Men, Women, the Young & Old\(er\)](#) - Rhonda Habisreiter 2020-06-24

Christian Dating Rules are for men, women, young, and older who find themselves dating in the twenty-first century. Whether you're black, white, purple, or green with yellow polka dots, this is the way everyone should date. Although the title states "Christian," you do not need to be a Christian to read and follow the rules. Dating has changed a lot over the years and across the globe, and this book is designed to help those who are new to dating, already dating, or find themselves returning to the world of dating. If you don't have recent experience in dating or you find yourself disappointed in your previous attempts at dating, this book is designed to help you date differently than what has become common in the world today. The author uses personal experience she has gained over three decades, along with biblical scriptures, to guide readers in how people should date. No matter what your spiritual beliefs may be, if you want a true, honest, and wholesome dating life, with the hopes of

finding someone special to share your life with, this book is meant for you.

**Be Affected** - Riley Choquette 2018-06-07

Be Affected charges young men, especially in the Church, to embrace the value of dating as an aspect of divine image-bearing and offers practical advice on how to do it well. Written from the perspective of a young, single Christian man, this book offers a theological explanation of the importance and goodness of dating, highly-practical advice on asking for and planning effective dates, and honest encouragement for when things don't go as planned. From the Introduction: Books about dating all face one of two problems: either the author is married, or the author is single. In the first case, it's too easy to think 'Well sure, that approach worked for you, but that's just one story.' What if the married author has fallen out of touch, and he or she doesn't understand how things are these days? In the case of a single author, even more doubts arise: 'How can I be sure whether any of this works, if it hasn't worked out for you?' That kind of thinking assumes that the goal of dating is finding a spouse, which is true. However, even though the ultimate indicator of success in dating is marriage, there are plenty of ways to be successful without yet having found a spouse. This book will detail some of those ways. This very small book is meant as a practical guide to the early stages of dating. To maintain its usefulness, I will try to keep explanations brief and advice blunt. I write from my own experience and perspective--that of a young, single, Christian male--so this book is written primarily to young, Christian men. (That said, I feel non-Christians and females may still benefit from reading sections of this book.) I write as one who is still trying. Nobody wants to be good at first dates, because that means the dates aren't working! It's much better to get in the game, find who you're looking for, and get out, without having a lot of practice. But in terms of exploring compatibility with a number of women for whom I have much admiration and respect, I'd say I'm doing okay. I rarely avoid anyone out of embarrassment, and I have gained friendship with several awesome ladies. I can be honest, though, in saying I'd still prefer a wife over a number of new friends. With this being a book of mostly practical advice

(with some theology thrown in to back it all up), I think of it as an "80%" book: it will work for about 80% of the intended audience about 80% of the time. "But," you say, "I don't want an '80%' relationship! I want something special!" My expectation is that what makes a relationship special is how it sneaks up and surprises you, and how it changes what makes sense to you and what doesn't. Even walking intentionally toward a dating relationship, I fully expect to be surprised by love. This book will attempt to cover part of the walking. There can be no pride in writing from a place where I'm still walking. I'm merely trying to make more peace for people like me. I see a lot of trouble and conflict in my generation from avoidable mistakes in dating. I see just as much trouble and conflict, if not more, from a fear of dating, especially among young people in the Church. I have hope that sharing my little experience may add to someone's peace and make life simpler for my young friends and for me. In truth, you have probably already heard much of the wisdom contained in this book. It's a lot of common sense. The advice contained in this book is mostly simple, but I'm not foolish enough to call it easily-executed. Dating is hard! It takes guts, and work, and planning. It takes vulnerability and effort, and even effort to be vulnerable. But we don't want dating to be easy, we want dating to be worth it. I see the difficulty in dating firsthand on a somewhat regular basis, and for now, I see that difficulty as a very good thing. I hope that in addition to a book of advice, this would be an encouragement to my friends to face the difficulty of dating, to date boldly and to date well.

*The Peaceful Wife* - April Cassidy 2016-01-27

"This book walks each of us through the reality checks we need in order to have the marriage we want!" —Shaunti Feldhahn, social researcher and best-selling author of *For Women Only* In today's workplace, women are often rewarded for having type A personalities: driven, demanding, ambitious, and strong. Yet when it comes to their marriages, those same traits can backfire. After all, no one goes into marriage hoping for a promotion. What is a wife to do? April Cassidy knows this struggle firsthand. She thought she was a great Christian wife and begged God to make her passive husband into a more loving, involved, godly leader. Instead, God opened her eyes to changes that she needed to make, such as laying down her desire for control and offering genuine, unconditional respect—not just love—to her husband. Cassidy's conclusions may be as startling to readers as they were to her, but *The Peaceful Wife* shares how she and many others have learned to reorient their lives to biblical commands—resulting in healthier, happier marriages. In the end, you'll find *The Peaceful Wife* a powerful path to God's design for women to live in full submission to Christ as Lord.

True Love Dates - Debra K. Fileta 2013-10-08

It is possible to find true love through dating. In True Love Dates, Debra Fileta encourages singles not to "kiss dating goodbye" but instead to experience a season of dating as a way to find real love. Through powerful, real-life stories and Fileta's personal journey, this book offers profound insights from the expertise of a professional counselor. Christians are looking for answers to finding true love. They are disillusioned with the church that has provided little practical application in the area of love and relationships. They're bombarded by Christian books that shun dating, idolize courting, fixate on spirituality, and in the end, offer little real relationship help. True Love Dates provides honest help for dating by providing a guide into vital relationship essentials.

Debra is a professional Christian counselor who reaches millions with her popular blog, [Truelovedates.com](http://Truelovedates.com), and her book offers sound advice grounded in Christian spirituality. She delivers insight, direction, and counsel when it comes to entering the world of dating and learning to do it right the first time around. Drawing on the stories and struggles of hundreds of young men and women who have pursued the search for true love, Fileta helps readers bypass unnecessary pain while focusing on the things that really matter in the world of dating.

**The Man God Has For You** - Stephan Labossiere 2017-07-27

YOU DESERVE AN AMAZING MAN! So, where is he? Does he even exist? I can tell you that he does and that he is out there, chosen by God Himself and waiting for you to experience an amazing relationship with him. But there are things to consider in order to recognize and receive this man, and that's where *The Man God Has for You: 7 Traits to Help You Determine Your Life Partner* comes in. Inside these pages is a guide not just to help you determine if the man of your interest is the right one, but also to help you get to the underlying issues that may prevent you from recognizing if he is truly the one for you. This guide will tackle 3 key points: - Address the misconception of not enough men - Give 7 essential traits to determine if the man you seek is the one God intended for you - Provide guidance on how to heal from your past and be open to the possibilities of embracing love This is not another "how to get a man" guide. This book goes deeper to remove any excess baggage, as well as assess the ways you've gone about seeking the man who is for you. A compliment to *GOD Where's My Boaz*, this dating and relationship book will help you prepare and position yourself to receive the man who is waiting to receive you. Don't get caught up in a relationship with the man God never intended you to be with...read *The Man God Has for You* now and get ready to recognize and receive the right one.

**I Kissed Dating Goodbye** - Joshua Harris 2012-01-11

Joshua Harris's first book, written when he was only 21, turned the Christian singles scene upside down...and people are still talking. More than 800,000 copies later, *I Kissed Dating Goodbye*, with its inspiring call to sincere love, real purity, and purposeful singleness, remains the benchmark for books on Christian dating. Now, for the first time since its release, the national #1 bestseller has been expanded with new content and updated for new readers. Honest and practical, it challenges cultural assumptions about relationships and provides solid, biblical alternatives

to society's norm. Clear, stylish typeset, with user-friendly links to referenced Scripture.

**The Purity Principle** - Randy Alcorn 2009-02-19

For thirty years Randy Alcorn has been encouraging people-young and old-to pursue the rewards of sexual purity. Too often we settle for a compromised Christianity that's just a baptized version of the world's sad existence, rather than the abundant life to which God calls us. This book deals with - raising children to embrace sexual purity - providing an example of purity in the home - protecting purity in dating (at any age) - and maintaining purity in marriage. Biblical, practical, and concise, *The Purity Principle* is a one-stop handbook for individuals, families and churches. Some people have given up on purity. Some have never tried. Bestselling author Randy Alcorn shows us why, in this culture of impurity, the stakes are so high—and what we can do to experience the freedom of purity. Impurity will always destroy us; purity always leads to higher pleasures! Choose wisely. Let the insights of this amazing book—written for old and young, married and single—help you gain your footing on the path to truly lasting joy.

**Sex, Dating, and Relationships** - Gerald Hiestand 2012-02-29

Considering the pervasive immorality and high divorce rate of our contemporary Christian culture, we evidently need a biblically based, theologically compelling, practical understanding of sex, dating, and relationships. Pastors Gerald Hiestand and Jay Thomas counteract this problem with their paradigm-shifting view of purity and relationships—a view that challenges even the basic assumptions of evangelical subculture. Unlike most books on dating, this one cuts straight to the heart of dating relationships, asserting with confidence that the line must be drawn at “no sexual activity” whatever. Few have dared to define and apply the Bible’s understanding of purity in premarital relationships to this degree, but Hiestand and Thomas have done it. Furthermore, both authors are vocational pastors who communicate regularly with the target audience and have a proven ability to express biblical truth in a winsome and compelling manner. *Sex, Dating, and Relationships* adds a new, almost provocative voice to the conversation that, with

straightforward theological insight, pleads with Christians to get serious about honoring Christ with their sexuality.

**What Women Wish You Knew about Dating** - Stephen W. Simpson, Ph.D. 2008-06

With a unique blend of biblical principles, psychological insight, practical advice, and humor, this book shows the reader how to be a man, date like a man, and get that relationship off to a great start.

**The 12 Laws of Love, Sex and Dating** - Thompson Jakes 2017-08-28

For all Christian Singles in 2017, this book is a Godsent - Audrey Jakes, PhD. Single? Searching for your "soul mate"? Imagining that on the off chance that you met the right one everything would turn out right naturally? Reconsider. If you really don't want to end up in a marriage as the majority of what we have in marriages today, you must guard yourself against dating like the majority of daters date today. In *The 12 laws of Love, sex and dating*, Thompson Jakes investigates the difficulties, suppositions, and land mines related with dating in the twenty-first century. The best part is that she offers the most handy and uncensored counsel you will ever hear on this subject. Not for the swoon of heart, *The 12 laws of sex and dating* challenges single Christians to venture up and set another standard for this era!
