**THE WAVES** Virginia Woolf 2017-12-06 The book is Virginia Woolf's most experimental novel, first published in 1931. It consists of soliloquies spoken by the book's six characters: Bernard, Susan, Rhoda, Neville, Jinny, and Louis. Also important is Percival, the seventh character, though readers never hear him speak through his own voice. The monologues that span the characters' lives are broken up by nine brief third-person interludes detailing a coastal scene at varying stages in a day from sunrise to sunset. As the six characters or "voices" alternately speak, Woolf explores concepts of individuality, self,

and community. Each character is distinct, yet together they compose a gestalt about a silent central consciousness. Bernard is a story-teller, always seeking some elusive and apt phrase Louis is an outsider, who seeks acceptance and success; Neville desires love, seeking out a series of men, each of whom become the present object of his transcendent love; Jinny is a socialite, whose Weltanschauung corresponds to her physical, corporeal beauty; Susan flees the city, in preference for the countryside, where she grapples with the thrills and doubts of motherhood; and Rhoda is riddled with self-doubt and anxiety, always rejecting and indicting human compromise, always seeking out solitude. Percival is the god-like but morally flawed hero of the other six, who dies midway through the novel on an imperialist quest in British-dominated colonial India. Although Percival never speaks through a monologue of his own in *The Waves*, readers learn about him in detail as the other six characters repeatedly describe and reflect on him throughout the book. The novel follows its six narrators from childhood through adulthood. Adeline Virginia Woolf (25 January 1882 – 28 March 1941) was an English writer who is considered one of the foremost modernists of the twentieth century and a pioneer in the use of stream of consciousness as a narrative device.

[The Perfect Christmas](#) Debbie Macomber 2021-09-28 For Cassie Beaumont, it's meeting her perfect match. Cassie, at thirty-three, wants a husband and kids, and so far nothing's worked. Not blind dates, not the internet and certainly not leaving love to chance. What other options are there? Well...she could hire a professional matchmaker. Simon Dodson has quite a reputation, but he's very choosy about the clients he takes on—and very expensive. Cassie considers him a difficult, acerbic know-it-all, and she's astonished when he accepts her as a client. Claiming he has her perfect mate in mind, Simon assigns her three tasks to complete before she meets this paragon. Three tasks that are all about Christmas: being a charity bell-ringer, dressing up as Santa's elf at a mall

and preparing a traditional turkey dinner for her neighbors (most of whom she happens to dislike). Despite a number of comical mishaps, Cassie does it all—and then she's finally ready to meet her match. But just like the perfect Christmas gift, he turns out to be a wonderful surprise!

Hilarious and fun, I found myself laughing out loud several times... I could not put this book down.' Goodreads Reviewer ☐ ☐

☐ ☐ ☐ Nina Bailey loves Christmas. Except this year she doesn't.

Because it turns out that her husband-to-be has been cheating on her - and her beautiful wedding ceremony in the snow is cancelled. She's not really in the mood to be jolly, sing carols, or go anywhere near gingerbread men - in fact, what Nina wants is to avoid the whole thing. So she's come to stay at her Aunt Dolly's cosy café to nurse her broken heart. Nina is determined to get through Christmas with no tinsel, no fuss - and definitely no flirting. So when she arrives and meets infuriatingly handsome Ryan Sadler, with his gorgeous forest-green eyes, she is not best pleased. And when Nina overhears him making fun of her, she is furious. (There might have been an incident with a koala onesie and a spilled bottle of milk, but that really wasn't her fault!) So despite the spark between them, and the fact that he can whip up a fabulous dinner faster than she can say Michelin star, romance and Christmas are off the menu this year. Unfortunately, Aunt Dolly hasn't quite got the message, going to great lengths to provide a proper British Christmas for her beloved niece: a true home away from home. With sparkling lights adorning every wall and a tree to equal the Rockefeller Center's and, yes, mistletoe above every doorway, can Nina resist the magic of Christmas - and stick to her no-romance rule? This heart-warming romantic comedy will have you reaching for eggnog, roasted chestnuts and gingerbread cookies! Mr. Miracle Debbie Macomber 2014-10-07 NEW YORK TIMES BESTSELLER • Includes a new story by Christina Skye Beloved author Debbie Macomber celebrates the most wonderful time of the year in this heartwarming Christmas novel of romance, hope, and the comforts of home—now a Hallmark Channel original movie! Harry Mills is a guardian angel on a mission: help twenty-four-year-old Addie Folsom get her life back on track—and, if the right moment strikes, help her find love. Posing as a teacher at a

local college in Tacoma, Washington, Harry is up to the task, but not even he can predict the surprises that lay in store. After trying to make it on her own, Addie has returned home to Tacoma for the holidays, but this time she plans to stay for good, enrolling in the local community college to earn her degree. What she doesn't plan to do is run into Erich Simmons. Addie and her next-door neighbor, Erich, are like night and day. Growing up, he was popular and outgoing while she was rebellious and headstrong, and he never missed an opportunity to tease her. Now she intends to avoid him entirely, yet when they're suddenly forced to spend Christmas together, Addie braces for trouble. Perhaps it's the spirit of the season or the magic of mistletoe, but Addie and Erich soon find they have more in common than they thought—and that two people who seem so wrong for each other may actually be just right. With a little prompting from a certain angelic teacher, the two are in for a holiday miracle they'll never forget. Praise for Mr. Miracle "Macomber's Christmas novels are always something to cherish.
