Confessions of a Mask - Yukio Mishima 1958

The story of a man coming to terms with his homosexuality in traditional Japanese society has become a modern classic.

The Confessions of Frannie Langton - Sara Collins 2019-04-04

'Deep-diving and elegant' Margaret Atwood
'Takes the gothic genre by the scruff of the neck'
Bernadine Evaristo ---- 'They say I must be put to death for what happened to Madame, and they want me to confess. But how can I confess what I don't believe I've done?' 1826, and all of London is in a frenzy. Crowds gather at the gates of the Old Bailey to watch as Frannie Langton, maid to Mr and Mrs Benham, goes on trial for their murder. The testimonies against

her are damning - slave, whore, seductress. And they may be the truth. But they are not the whole truth. For the first time Frannie must tell her story. It begins with a girl learning to read on a plantation in Jamaica, and it ends in a grand house in London, where a beautiful woman waits to be freed. But through her fevered confessions, one burning question haunts Frannie Langton: could she have murdered the only person she ever loved? A haunting tale about one woman's fight to tell her story, The Confessions of Frannie Langton leads you through laudanum-laced dressing rooms and dark-as-night alleys, into the heart of Georgian London. [Confessions of an Alleged Good Girl](#) - Joya
Goffney 2022-05-03

The hotly anticipated second book from Joya
Goffney, author of the 2021 YA romcom Excuse
Me While I Ugly Cry. Monique lives a perfect life
- a preacher's daughter and the girlfriend of the
town's golden boy. But it's not that simple. She's
torn between her parents who want the pure
virginal daughter, and her boyfriend, Dom, who
wants to explore the more intimate side of their
relationship. Tired of waiting, her boyfriend
breaks up with her, spurring Monique to
discover she has a medical condition that makes
her far from perfect and she concocts a plan to
fix her body and win him back. With the help of
her frenemy, Sasha, the overly zealous church
girl Monique's mum pushes her to hang out

with, and Reggie, the town's bad boy, Monique
must go on trips to unknown and uncomfortable
places to find the treatment that will help her.
But in doing so, she must face some home
truths: maybe she shouldn't be fixing her body to
please a boy, maybe Sasha is the friend she
needed all along and maybe Reggie isn't so bad
at all. This is a powerful story about the journey
towards loving yourself, told with heart, humour
and a delicious love triangle. Contains explicit
references to sex and sexual health.

Confessions of a Good Christian Girl - Tammy
Maltby 2008-01-01

You already know the women you'll meet in this
book. They may sit beside you in the pew . . . or
join you at small group . . . or touch your heart
from a speaker's podium. They have all been
saved. They all love the Lord. And yet . . . One
struggles with suicidal despair Another is
involved with adultery, pornography, or a same-
sex attraction Another endures regular beatings
- or worse - by someone who claims to love her

Another is divorced . . . or thinking about it This one drinks secretly or "doctor shops" for pain pills That one wrestles with depression or bipolar disorder And many others feel they can never be thin enough, beautiful enough, successful enough . . . or Christian enough to be loved or accepted They're all good Christian girls who have been broken by sin - their own and others. They all needed the honest, life-giving truth at the heart of this book. Do you? Tammy Maltby addresses issues that aren't discussed much in church circles - private sins that she and other women have battled.

Dirty Girl - W. E. Harrison 2017-10-04

Ruth has to confess to three men what she really wants. It shouldn't be that hard to do, but she has gone her whole life keeping things secret. Can she now reveal what her heart desires? Will they give her what she asks for? Ruth found a love and then turned him down, now she has a second chance and maybe a third and fourth chance as well. Will she make the right choice

this time around? 24,600+ words,
M/F/M/M...HEA.

Autumn Love - A.A. 2021-10-22

Mia is a girl from a small town who lost her mother at a young age. She is now an adult, but her father still babies her. When her father left for a business trip, he invited a neighbor to stay with her. While he went on a business trip, she never expected that she would be falling in love with Sam. Does Sam feel the same? Will Mia confess her feelings to Sam? Guess you have to read Autumn Love to find out!

has taught her one thing it is this: forget conventional rules and follow your heart's desires. When she hits her late twenties people start hassling her to settle down. But she treats this pressure to find a soulmate as a great excuse to test-drive a load of hot men. While she satisfies her constant sexual hunger, she begins to wonder what her ultimate destiny is. Her love-life is a rollercoaster ride of hot sex and heartbreak. But is the true path to 'happy ever after' channelled through lifelong monogamy or unbridled hedonism?

[How Is This My Life: Confessions of a Sane Single Woman](#) - J. R. Mason 2020-07-23

Men are so quick to tell us that if a woman reaches a certain age and isn't married that she is the problem, not them. I am here to heavily debate that theory. You're about to embark upon a true misadventure about one normal woman's savage search for a soulmate. It is me. I am "one normal woman." These unbelievable dating experiences have thoroughly convinced me that

this man either doesn't exist or is stuck in a tree somewhere. This ideal man is not missing front teeth. He is someone I can take out in public who understands that "The Chicken Joint" doesn't fall into the category of "fine dining." His breath doesn't make my eyes water and he knows how to use dental floss. These twisted, dysfunctional tales about my quest for love are chronicled as told to my life-long friends, quirky colleagues, and erratic family - though you'll come to realize that many of those relationships are equally as disturbed as my dating experiences. While taking this comical stroll down memory lane, I fall over a cliff reliving the details of these outrageously unlikely dating scenarios and sensual slip-ups, along with my lively but borderline psychotic living situation.

Confessions of an Introvert offers you practical advice, interspersed with real-life stories, that will help you overcome your shyness and find ways to have a satisfying future in the corporate world. Packed with valuable insights and personal anecdotes, Confessions of an Introvert will teach you: Why business networking is the key to professional growth and how even the shyest person can learn how to network That a little self-promotion goes a long way in showing others how good a businessperson you are How to communicate with people in a way that is comfortable to you but still gets the results you need That being an introvert is just a part of who you are and not a serious roadblock to your success Confessions of an Introvert is a must-read for any introvert

seeking to excel in business and get the most out of life. Meghan Wier is known for melding her professional style, keen business sense, and desire to share her work and life experiences with others. An introvert/forced-extrovert, her relationship-building savvy and strong marketing skills have made her a recognized expert in building through networking. Ms. Wier is an influential authority on business networking and marketing. From ForeWord Magazine (12/10/08): Networking is a big buzzword these days. People are joining networking Web sites and networking groups in the hopes of improving their career or social status, or simply expanding their social circle. Confessions of an Introvert: The Shy Girl's Guide to Career, Networking, and Getting the Most of Out Life helps women for whom networking and self-promotion don't come naturally. "[E]xtroverts gain energy from other people and introverts feel like they just get the energy sucked out of them by other people," author Meghan Wier

writes. She is an expert on marketing and networking, and a self-proclaimed introvert. Wier insists that introverts can become charismatic speakers and great leaders. She helps readers along the way with sections on identifying sources of anxiety, building confidence in tough situations, becoming an expert in one's field, and organization. In order to make public speaking easier, she recommends that readers write down everything they dislike about speaking and why, then come up with actions that will offset each item.

Hard to Love - Briallen Hopper 2019-02-05

A sharp and entertaining essay collection about the importance of multiple forms of love and friendship in a world designed for couples, from a laser-precise new voice. Sometimes it seems like there are two American creeds, self-reliance and marriage, and neither of them is mine. I experience myself as someone formed and sustained by others' love and patience, by student loans and stipends, by the kindness of

strangers. Briallen Hopper's *Hard to Love* honors the categories of loves and relationships beyond marriage, the ones that are often treated as invisible or seen as secondary--friendships, kinship with adult siblings, care teams that form in times of illness, or various alternative family formations. She also values difficult and amorphous loves like loving a challenging job or inanimate objects that can't love you back. She draws from personal experience, sharing stories about her loving but combative family, the fiercely independent Emerson scholar who pushed her away, and the friends who have become her invented or found family; pop culture touchstones like the Women's March, John Green's *The Fault in Our Stars*, and the timeless series *Cheers*; and the work of writers like Joan Didion, Gwendolyn Brooks, Flannery O'Connor, and Herman Melville (*Moby-Dick* like you've never seen it!). *Hard to Love* pays homage and attention to unlikely friends and lovers both real and fictional. It is a series of

love letters to the meaningful, if underappreciated, forms of intimacy and community that are tricky, tangled, and tough, but ultimately sustaining.

Have Him at Hello - Rachel Greenwald
2010-03-09

There's a reason the media has dubbed matchmaker Rachel Greenwald as "The Wife Maker." Yes, she's responsible for over 750 marriages, but more importantly, she has solved perhaps the biggest dating mystery of all time: when you finally meet Mr. Right (or even Mr. Potential), what really compels him to call back (or not) after a date? Armed with her Harvard MBA, Rachel embarked on a fascinating ten-year research project to decipher this puzzle. In *Have Him at Hello*, she applies her business savvy to the dating world by conducting in-depth "exit interviews" with 1,000 single men, asking why they called back one woman, but not another. By refusing to accept the post-date brush-off like "There wasn't any chemistry..." or the excited,

but equally vague evening recap, "We hit it off!" Rachel extracted unabashedly honest and raw details. It turns out there are clear, tangible, consistent reasons why marriage-minded men either fall for you or disappear. The surprising "Top 5 Date Makers" and "Top 10 Date Breakers" revealed in this book can actually change your fate when Mr. Right finally comes along. Rachel's goal isn't for you to pretend to be someone you're not, but rather to keep the ball in your court. By using her innovative research and tips as a guide, more men will ask to see you again ; then you can do the selecting, rather than wondering if they'll call. Because information is power, this book will make your first hello a lasting one.

[Pretty Guilty Women](#) - Gina LaManna

2019-09-03

"This is the perfect summer beach read."—Publishers Weekly *Pretty Guilty Women*

is the summer thriller for any fan of *Big Little Lies* looking for beautiful views, romantic escapes, and a surplus of murder suspects. Something has gone terribly wrong to turn the Banks wedding into a murder mystery. Four different women rush to offer confessions, each insisting that they committed the crime—alone. Ginger is holding her family together by a thread. Kate is used to buying her way out of everything. Emily's drowning her whole vacation in a bottle. Lulu's been getting rid of men for years—and has the ex-husbands to prove it. Four women, holding their friends close and their secrets closer. Four confessions. One murder. Only these women know what really happened—and they're not telling. A suspenseful twist on the classic beach read, *Pretty Guilty Women* is page-turning thriller perfect for fans of Liv Constantine and Liane Moriarty.

the number one suspect. On the night Malcolm and Maud Angel are murdered, their daughter, Tandy, knows just three things: 1. She was one of the last people to see her parents alive. 2. She and her brothers are the only suspects. 3. She can't trust anyone - maybe not even herself. Having grown up under their parents' intense perfectionist demands, none of the Angel children have come away undamaged. Tandy decides that she will have to solve the crime on her own, but digging deeper into her powerful parents' affairs is a dangerous game. As she uncovers haunting secrets and slowly begins to remember flashes of disturbing past events buried in her memory, Tandy is forced to ask: What is the Angel family truly capable of? Returning to the genre that made him the world's bestselling author, James Patterson introduces a teen detective on a mission to bring her parents' killer to justice, even if it means uncovering her family's darkest secrets - and confessing some of her own.

Confessions of a Sane Single Woman - J. R. Mason 2020-08-02

Girl meets Boy. Boy wants to release LIVE crickets in her house to entertain her cat. Girl meets another Boy. Boy's rancid breath causes Girl sinus damage. Girl meets yet another Boy. Boy wants to date her AND his current wife - because they're "just friends." Girl becomes slowly convinced that someone has peed in the dating pool and that every man she meets should be studied by scientists. Men are so quick to tell us that if a woman reaches a certain age and isn't married, that she is the problem, never them. I am here to heavily debate that theory. This is not your typical "boy meets girl and sweeps her off her feet" love story; it's more of a "bad romance" in which that broom is used to sweep (more like shove) me off of a very high ledge! These unbelievable dating experiences have thoroughly convinced me that my ideal mate either doesn't exist, is stuck in a tree somewhere, or walking in a circle in a Wal-mart

parking lot. Take a comical stroll with me down memory lane as I re-live the twisted, dysfunctional tales about my quest for love and a few sensual slip-ups, along with my lively but slightly psychotic living situation. *Mature Content "My wife read this... she loved it. She loved it so much I got to play video games without her complaining, loved it so much the kid and I got to order out for dinner. This doesn't happen often folks so it must have been a pretty great read. She told me to give it 5 stars." - Pipsquack "This book had me rolling from page 1 to the very last!!! This is a must have for sane single women who struggle to deal with insane single men." - Destiny Mae "I laughed so uncontrollably hard reading the other night I woke up my partner. This is book provides a unique glimpse into dating as an adult and leaves you wondering how the dating pool got so polluted." - Anthony L.
