

Confessions Of Sexual Mania

Slutever - Karley Sciortino 2018-02-06

"Slut" is a great word. It just sounds perfect-so sharp and clear and beautiful. It's one of those satisfying four letter words, like cunt and fuck. Slut also happens to be an anagram for lust, which is one of those divine coincidences that makes you wonder if God actually exists. We're lucky that slut is such a great word, because it's safe to say that almost every woman will be called a slut at least once in her lifetime. Despite a slowly shifting sexual double standard, it's still taboo to be a woman who's openly sexual-let alone one who sleeps around. Now Vogue columnist Karley Sciortino is on a mission to reclaim the word "slut" to represent a person who seeks out visceral experiences through sex,

and who isn't ashamed about it. Sluts are special. Sluts are radical. And sluts are skilled at time management, because they can handle multiple partners on rotation, plus their jobs and their blogs and their beauty routines. Not everyone is qualified for this coveted position. SLUTEVER is a call-to-arms, a confessional memoir, a slut manifesto, as told by a sex-radical hedonist in a pink PVC mini dress. It's a thoughtful, first-person account of a modern woman, navigating sex, love, casual hookups, open relationships,, bisexuality, BDSM, breakups, sex work, sex parties, and the power of sexual agency, as told from the front lines. Real Sex - Lauren F. Winner 2006-07-01
 SEX. Splashed across magazine covers, billboards, and computer screens--sex is casual, aggressive, and absolutely everywhere. And everybody's doing it, right? In Real Sex, heralded young author Lauren F. Winner speaks candidly to Christians about the difficulty--and the importance--of sexual chastity. With honesty and wit, she talks about her struggle to live a celibate life. Never dodging tough terms like "confession" and "sin," Winner grounds her discussion of chastity first and foremost in Scripture. She confronts cultural lies about sex and challenges how we talk about sex in church. Her biblically grounded observations and suggestions will be especially valuable to unmarried Christians struggling with the sexual mania of today's culture. Real Sex is essential reading for Christians grappling with chastity and a valuable tool for pastors.

The Nympho and Other Maniacs - Irving Wallace 2019-04-28

In this exciting and provocative book, Irving Wallace, one of America's most famous novelists, turns to nonfiction to tell the candid stories of more than thirty women of the last two centuries who defied the social standards of their times—sexually, politically, intellectually—rebellious against conventional behavior or ideas to go their own ways. These ladies, by intention or unwittingly, gave succeeding generations of women new freedoms—freedoms the very mention of which scandalized their contemporaries but which led, ultimately, to today's Women's Liberation Movement. With a gift of narrative rare in nonfiction, Irving Wallace describes the lives of Ninon de Lencios, who founded a School of Lovemaking in France; of Emma Hamilton, who became pregnant by England's greatest naval hero without her husband's noticing it; of Napoleon's sister, Pauline Bonaparte, whose intense sexual activity was the despair of her gynecologist; of Napoleon's mistress, Maria

Walewska, who was asked to sacrifice her virtue to the Emperor to save Poland from his wrath... Perhaps nobody has ever done such justice to Lord Byron's reckless females—among them, the sensuous Teresa Guiccioli, who left her titled husband for Byron, the unhappy Caroline Lamb, who pursued Byron with such passion as to nearly drive him and her husband mad, and the unfortunate Claire Clairmont who gave Byron both a daughter and a hellish time. Certainly no one has ever written so entertainingly about such extraordinary tales as Victoria Woodhull, who ran for president of the United States in 1872 on a platform advocating free love, short skirts, vegetarianism, birth control, and world government (she also made a fortune as the first lady stockbroker, with the backing of her good friend Commodore Vanderbilt), or Lady Jane Eleenborough, who enjoyed thirty-six renowned lovers (three of them kings) and four husbands (the last an Arab sheik). *The Nympho and Other Maniacs* is a magnificent tour de force, a book

that goes far beyond the amusing and incredible adventures of the uninhibited ladies themselves to make some wise and unexpected points about life, love, marriage, and women.

[Stalinist Confessions](#) - Igal Halfin 2009-08

During Stalin's Great Terror, accusations of treason struck fear in the hearts of Soviet citizens-and lengthy imprisonment or firing squads often followed. Many of the accused sealed their fates by agreeing to confessions after torture or interrogation by the NKVD. Some, however, gave up without a fight. In *Stalinist Confessions*, Igal Halfin investigates the phenomenon of a mass surrender to the will of the state. He deciphers the skillfully rendered discourse through which Stalin defined his cult of personality and consolidated his power by building a grassroots base of support and instilling a collective psyche in every citizen. By rooting out evil (opposition) wherever it hid, good communists could realize purity, morality, and their place in the greatest society in history.

Confessing to trumped-up charges, comrades made willing sacrifices to their belief in socialism and the necessity of finding and making examples of its enemies. Halfin focuses his study on Leningrad Communist University as a microcosm of Soviet society. Here, eager students proved their loyalty to the new socialism by uncovering opposition within the University. Through their meetings and self-reports, students sought to become Stalin's New Man. Using his exhaustive research in Soviet archives including NKVD records, party materials, student and instructor journals, letters, and newspapers, Halfin examines the transformation in the language of Stalinist socialism. From an initial attitude that dismissed dissent as an error in judgment and redeemable through contrition to a doctrine where members of the opposition became innately wicked and their reform impossible, Stalin's socialism now defined loyalty in strictly black and white terms. Collusion or allegiance (real or contrived, now or

in the past) with “enemies of the people” (Trotsky, Zinoviev, Bukharin, Germans, capitalists) was unforgivable. The party now took to the task of purging itself with ever-increasing zeal.

Drawing Power - Diane Noomin 2019-09-17
 Inspired by the global #MeToo Movement, *Drawing Power: Women's Stories of Sexual Violence, Harassment, and Survival* is a collection of original, nonfiction comics drawn by more than 60 female cartoonists from around the world. Featuring such noted creators as Emil Ferris, Aline Kominsky-Crumb, MariNaomi, Liana Finck, and Ebony Flowers the anthology's contributors comprise a diverse group of many ages, sexual orientations, and races—and their personal stories convey the wide spectrum of sexual harassment and abuse that is still all too commonplace. With a percentage of profits going to RAINN, *Drawing Power* is an anthology that stokes the fires of progressive social upheaval, in the fight for a better, safer world.

Hammer Complete - Howard Maxford

2019-11-08

Think you know everything there is to know about Hammer Films, the fabled "Studio that Dripped Blood?" The lowdown on all the imperishable classics of horror, like *The Curse of Frankenstein*, *Horror of Dracula* and *The Devil Rides Out*? What about the company's less blood-curdling back catalog? What about the musicals, comedies and travelogues, the fantasies and historical epics--not to mention the pirate adventures? This lavishly illustrated encyclopedia covers every Hammer film and television production in thorough detail, including budgets, shooting schedules, publicity and more, along with all the actors, supporting players, writers, directors, producers, composers and technicians. Packed with quotes, behind-the-scenes anecdotes, credit lists and production specifics, this all-inclusive reference work is the last word on this cherished cinematic institution.

2000-07

Sunny Jim was the love child of doting parents. Exceptionally bright, he was twice promoted to a higher grade level. Among older, more sexually aware boys, he was teased for his ignorance of sex. Sunny made it his goal to learn more than the older boys. At age nineteen, Sunny became employed by Ma Bell of Canada, choosing that job because of all the female telephone operators. On his first day at a suburban telephone station, the chief operator invited herself to be his weekend companion. The chief operator used Sunny for sexual experimentation, then tricked him into donating a dowry for her daughter's wedding. Sunny married twice, but marriage didn't keep him from seeking sex with other women. A special thrill for Sunny was the Christmas he spent with a countess who wanted him as her consort, an ex-sister-in-law who had issued an open invitation to share her bed, Sunny's wife, and an orphan he had trained in sexual arts. Sunny invented a method of sending

a cardiogram by telephone, but couldn't have invented a stranger life than his own. Though his love died with his beloved Mindy, Sunny became the love of a homeless and unattractive woman's life.

I Confess! - Thomas Waugh 2019-11-21

In the postwar decades, sexual revolutions – first women's suffrage, flappers, Prohibition, and Mae West; later Alfred Kinsey, Hugh Hefner, and the pill – altered the lifestyles and desires of generations. Since the 1990s, the internet and its cataclysmic cultural and social technological shifts have unleashed a third sexual revolution, crystallized in the acts and rituals of confession that are a staple of our twenty-first-century lives. In *I Confess!*, a collection of thirty original essays, leading international scholars such as Ken Plummer, Susanna Paasonen, Tom Roach, and Shohini Ghosh explore the ideas of confession and sexuality in moving image arts and media, mostly in the Global North, over the last quarter century. Through self-referencing or

autobiographical stories, testimonies, and performances, and through rigorously scrutinized case studies of "gay for pay," gaming, camming, YouTube uploads, and the films *Tarnation* and *Nymph()maniac*, the contributors describe a spectrum of identities, desires, and related representational practices. Together these desires and practices shape how we see, construct, and live our identities within this third sexual revolution, embodying both its ominous implications of surveillance and control and its utopian glimmers of community and liberation. Inspired by theorists from Michel Foucault and Gilles Deleuze to Gayle Rubin and José Esteban Muñoz, *I Confess!* reflects an extraordinary, paradigm-shifting proliferation of first-person voices and imagery produced during the third sexual revolution, from the eve of the internet to today.

Preternatural: My God-Given Manic Mind -
Phil Edwards 2021-11-27

I learned much about myself writing this book. It

is why the first subtitle is, "a journey of self-discovery," including confessions of my "sex addiction," significant enough to rate the second subtitle. I reveal truths about myself that no one knew about me, including me — until I had to accept them to be able to publicly admit them. To write this took a lot of gut-wrenching soul-searching. You will read in the preface that I dictated my book because I can't type due to my stroke, employing the amazing Dragon (Nuance) naturally speaking speech recognition software, and I list the other factors enabling the me to write it.

San Francisco Noir - Domenic Stansberry
2005-10-01

This anthology of "genuinely haunting noir fiction" set in the Golden City features new stories by Jim Nisbet, Alejandro Murguía, Michelle Tea and others (Publishers Weekly). Oscar Wilde once quipped that anyone who disappears is said to be seen in in San Francisco. With its famous fog, winding streets, and

hazardously steep hills, it is certainly an ideal place for getting lost. It's also an ideal setting for noir fiction. From Fisherman's Warf and The Golden Gate Bridge to The Haight-Ashbury, Chinatown, and Russian Hill, fifteen authors explore the sordid side of the City by the Bay in this sterling collection. San Francisco Noir features brand-new stories by Barry Gifford, Robert Mailer Anderson, Michelle Tea, Peter Plate, Kate Braverman, Domenic Stansberry, David Corbett, Eddie Muller, Alejandro Murguía, Sin Soracco, Alvin Lu, John Longhi, Will Christopher Baer, Jim Nisbet, and David Henry Sterry.

Maniac Eyeball - Salvador Dali 2009-01-31
The frank and uncensored confessions of Salvador Dal, from his childhood and first adolescent sexual experiences to his emergence as a painter, Surrealist, and eventually the most

famous and possibly richest artist of modern times. These inspired tracts, covering art, love, sex, money, death, fame, science, his famous friends and enemies, and his extraordinary creative genius, reveal the intricate workings of Dals mind. Illustrated throughout, Maniac Eyeball also includes a complete chronology of Dals life. It is the third and most comprehensive volume of autobiography. His art and writings remain amongst the most unique and important bodies of work of the 20th Century. Solar Art Directives features the most innovative artists of the 20th century

Fight Your Own War - Jennifer Wallis
2016-09-14

Power electronics is a genre of industrial or 'noise' music that utilises feedback and synthesizers to produce an intense, loud, challenging sound. To match this sonic excess, power electronics also relies heavily upon extreme thematic and visual content — whether in lyrics, album art, or live performance. The

result is a violent, ecstatic, and potentially consciousness-altering spectacle, and a genre that often invites strong reactions from both listeners and critics. FIGHT YOUR OWN WAR is the first English-language book primarily devoted to power electronics. Written by artists, fans, and critics from around the world, its essays and reviews explore the current state of the genre, from early development through to live performance, listener experience, artist motivation, gender and subcultures such as 'Japanoise'. In considering this 'spectacle' of noise, how far can we simply label power electronics as a genre of shock tactics or of transgression for transgression's sake?

Bunny Sex: the Collection (Stories 1 To 4) - Sophie Sin 2012-08-16

This is a four story collection that follows Mixi and her sexual conquests within the town that she lives in. No actual bunnies were hurt in this e-book. All stories are 10,000 words in length or close enough to. ***** Bunny Sex #1: Sexual Desires. Mixi likes boys. Unfortunately, she's going through a little dry spot and self satisfaction just isn't dampening her urges as much as it used to. With her bunny desires raging through her, she goes on a rampage of sex to find a lusty man that can fulfill her deepest, kinky desires. Girl-girl love and fat membered men await in a seedy tale of sex with a tail. ***** Bunny Sex #2: Robot Sex. Mixi is in real trouble. Professor Karen Daniels has invented the ultimate sex doll; however, there is

one problem: It wants to have sex with them both nonstop for over 10 hours! No hole could take such punishment. What are Mixi and the sexy professor going to do? From lab to lavatory, Mixi is going to get it in a no-holes barred sex session that will leave her stretched in every way imaginable! ***** Bunny Sex #3: Dick Girl. Mixi has a penis. Normally, that wouldn't be a problem, but BEING A GIRL, an extra unwanted appendage can cause problems. Thankfully, the professor, her lusty robot and a helpful friend of the family step in to help her fix the problem with the only cure: copious amounts of sex! There's no need for a band-aid when an orgasm will do the trick twice as well. Come explore the madness with Mixi! ***** Bunny Sex #4: Naughty Bunny. Famous people need sex too. Mixi is on the prowl and her prey is close. However, her partner in the hunt - the big breasted sex maniac Mindy - has sold their bodies for VIP tickets. Hence, it is going to be more challenging than Mixi thinks to get to the

five man band she desires. This is the story of one bunny's quest to fulfill her wet dreams. Come join in the orgy inside! ***** Additional Story? There is now a additional story available on Kindle - Bunny Sex #5: Famous Bunny. It is not available in this collection as it a side story that occurs after the main events and conclusion in Bunny Sex #4: Naughty Bunny. Stories 1 to 4 are the complete series with Famous Bunny being extra content available as a single story download for those that want more Mixi after reading this collection. ***** Note: This is paranormal erotica; however, it is not bestiality. All bunnies, dogs, horses, snakes, foxes, robots (yes, robots), cats and others engage in intercourse in human form - although they do have tails and ears. Additionally, 'real' humans (like you and me) do not exist in this world - except for a little running joke starting in book 2. Enjoy! ***** This e-book contains the first story in the Sex Party series. This promo story is 2,500 words in length.

Interpreting the Self - Diane Bjorklund

2000-04-15

In this ambitious study, Diane Bjorklund explores the historical nature of self-narrative. Examining over 100 American autobiographers published in the last two centuries, she discusses not only well-known autobiographies such as Mark Twain and Andrew Carnegie but also many obscure ones such as a traveling book peddler, a minstrel, a hotel proprietress, an itinerant preacher, a West Point cadet, and a hoopskirt wire manufacturer. Bjorklund draws on the colorful stories of these autobiographers to show how their historical epoch shapes their understandings of self. "A refreshingly welcome approach to this intriguing topic. . . . [Bjorklund's] extensive and systematic approach to her source material is impressive and enriches our understanding of this essential subject."—Virginia Quarterly Review "Bjorklund studies both famous and obscure writers, and her clear prose style and copious quotations

provide insight into the many aspects of the changing American self." —Library Journal

Murders and Acquisitions - Alzena MacDonald
2013-08-29

The 'serial killer' has become increasingly prevalent in popular culture since the term was coined by Robert Ressler at the FBI in the mid-1970s. Murders and Acquisitions explores the social and political implications of this cultural figure. The collection argues that the often blood-chilling representations of the serial killer and serial killing offered in TV series, films, novels and fan productions function to address contemporary concerns and preoccupations. Focusing on well-known popular culture texts, such as *The Wire*, *Kiss the Girls*, *Monster*, the *Saw* series, *American Psycho*, *The Strangers*, *CSI* and *Dexter*, this eclectic anthology engages with a broad spectrum of cultural theory and performs critical textual analysis to examine the sophisticated ways the serial killer is deployed to mediate and/or work through

Maniac Eyeball - Salvador Dali 2013-03-31

"Maniac Eyeball" contains the frank and uncensored confessions of Salvador Dalí, from his childhood and first adolescent sexual experiences to his emergence as a painter, Surrealist, and eventually the most famous - and possibly richest - artist of modern times. These inspired tracts, covering art, love, money, sex and death, fame, philosophy, science, his famous friends and enemies, and his extraordinary creative genius, reveal the intricate workings of Dalí's mind to create not only an unparalleled autobiography but also one of the key Surrealist

texts yet published. This special ebook edition contains colour illustrations.

British Comedy Cinema - I. Q. Hunter 2012

This work explores the history of British comedy from silent slapstick and satire to contemporary romantic comedy. The essays include case studies on prominent personalities, and exploration of production cycles and studio output. Films discussed in the work include Sing As We Go, The Ladykillers, Trouble in Stone, The Carry Ons, Till Death Us Do Part, Monty Python's Life of Brian, Notting Hill, and Sex Lives of the Potato Men.
