The Honeymoon Effect Bruce H. Lipton 2014-04-01 From the bestselling author of *The Biology of Belief* Discover the secret to manifesting and maintaining the Honeymoon Effect—a state of bliss, passion, energy, and health in the early stages of a great love—throughout your entire life Think back on the most spectacular love affair of your life—the Big One that toppled you head over heels. For most, it was a time of heartfelt bliss, robust health, and abundant energy. Life was so beautiful that you couldn't wait to bound out of bed in the morning to experience more Heaven on Earth. It was the Honeymoon Effect that was to last forever. Unfortunately for most, the Honeymoon Effect is frequently short lived. Imagine what your planetary experience would be like if you could maintain the Honeymoon Effect throughout your whole life. Bruce H. Lipton, Ph.D., best-selling author of *The Biology of Belief*, describes how the Honeymoon Effect was not a chance event or a coincidence, but a personal creation. This book reveals how we manifest the Honeymoon Effect and the reasons why we lose it. This knowledge empowers readers to create the honeymoon experience again, this time in a way that ensures a happily-ever-after relationship that even a Hollywood producer would love. With authority, eloquence, and an easy-to-read style, Lipton covers the influence of quantum physics (good vibrations), biochemistry (love potions), and psychology (the conscious and subconscious minds) in creating and sustaining juicy loving relationships. He also asserts that if we use the fifty trillion cells that live harmoniously in every healthy human body as a model, we can create not just honeymoon relationships for couples but also a "super organism" called humanity that can heal our planet.

Soul Signs in Love Diane Eichenbaum 2001-04-13 Do you believe that the key to finding your soul mate is only in your stars? That you and your partner must have compatible Sun signs if romance is going to thrive? Not so! The truth is that many couples who seem ideally matched astrologically don't sustain a loving relationship. While most astrology books may tell you that true love is a matter of fate, Diane Eichenbaum's *Soul Signs in Love* shows you that you have the freedom to create the

relationship that's right for you. Eichenbaum reveals that relationships involve a combination of factors: destiny, an understanding of each partner's sign, and the willingness to work through the highs and lows of love's natural progression. Each of the twelve signs of the Zodiac corresponds to a phase of a romance, from passionate court-ship, represented by fiery Aries, to the commitment and soul bonding of watery Pisces. Each Sun sign has its gifts (the discernment of Virgo or the enthusiasm of Sagittarius, for example) and its corresponding challenges (the self-doubt of Taurus or the unpredictability of Aquarius) that it brings to a relationship. By understanding that the choice to love and grow with your partner is yours and yours alone, *Soul Signs in Love* shows you how to enjoy and revel in the unfolding process of discovery and revelation that underlies lasting love.

Pure enjoyment! Jalel Sager, Hanoi, Viet Nam ***** You see, when we knew we were a serious

couple, we made an agreement, a solemn oath, to make sure we found the personal and spiritual lessons, the hidden blessings . . . in our differences . . . and of course what that really meant was in any conflict that we would inevitably get into. That's how we discovered the magic in our differences . . . Just like they exist in your differences . . . Oh, Yes they do! You see, when we had to resolve our conflicts so both of us benefitted . . . Cause that's what it means when you love someone . . . you can't want to wipe someone out and emotionally clobber them . . . and call it love . . . No way! So through practicing healthy conflict resolution that's how we realized the very real magic in our differences, the real-life magic that continues to help us reach further and further for the truth . . . Far beyond our nutty, unconscious blind spots that were responsible for most if not all of the conflicts we've gotten into. We're also committed to the joy of affection across those differences . . . and that's opened up a whole new powerful world of "Small Kindnesses" That creates an atmosphere of playful sweetness between us all the rest of the time that we call The Joy of Small Kindnesses. There's something more about our differences that's been majorly important . . . and we know it's hugely important to you. You see, it's been in those differences that we've also discovered the romantic power, the sweet little passions in what we call "Small Kindnesses" . . . the tiny little endearments that rekindle romance and keep love ready to move you forward. You know yourself that you always want to be remembered . . . you want to know that you're still special in the eyes and heart of the one you love . . . So, that's why Small Kindnesses are so important. And in "Living Your Love Every Day" you'll get to read about how we weave them into our everyday life. You see this book isn't an academic or psychological text. It's not even your typical self-help book. You might have been expecting that because we've been teaching singles and couples about real love and sweet romance in seminars, keynotes, newsletters . . . you name it . . . for decades and we have 4 books out there on the subject . . . Even if you have a pretty good relationship, you still want to know how to make it better, how to make it more passionate, more fun, more . . . well, you know . . . It's waiting for you. It really really is. Find out now how to create it in your everyday life. We show you how.

I am Making a U Turn in My Life Martha Anderson

Love, Peace & Reach Kirtish Suthar 2021-10-28 The purpose of this book is to help you make better decisions in life based on what you truly desire and live a happy life. No matter what you do, you are always choosing, you are constantly deciding, and whether you agree or not wherever you are today is the result of choices you made, including deciding not to do something. I don't blame you, we make the decisions based on the best information available to us at a given point, and there is no guarantee that the information will remain valid for the time you need to live with that decision, and that's where regret comes in life. I wish I had this new information before, or I wanted to check those details earlier. How did I miss it? So you will agree with me on this. Making a decision purely based on facts and information available to you is not enough. You need to add an x-factor in this decision-making process. Something which will not change over time, something which will remain consistent irrespective of the change in the information. So here it is the x-factor, the three parameters I use when making any decision *Love, Peace & Reach*

Unfortunately, when we get overwhelmed with duties, responsibilities, commitments, and obligations, we seem to place our own time for relaxation on the back burner. Ignoring our need for relaxation will result in burnout and stress. Creating Balance in a World of STRESS takes you through each part of your life and gives you ways to balance each area, what actions need to be taken and numerous ideas, tips, and techniques to get you where you want to be. The book explains the six key habits to avoid that will reduce stress and optimize health. The end result will leave you stress-free and empowered to establish inner peace, happiness, positive thinking, and healthy living.

Shift Tracy Latz 2008-02-21 Stuck = caught or held in a position from which it is impossible to move; not able to find a solution or way out of a situation Are you feeling stuck? In your circumstance? In your relationship? In your physical condition? In your life? Would you like to remove the obstacles in your path that prevent a more joyful flow in your life? Are you frustrated with an inability to put well-meaning concepts described in popular books and film to positive benefit in your life? This book is for anyone, like us, who has ever felt blocked in their ability to move forward, an inner restlessness, an emptiness, or a sense that there must be more to life than their experience up until this moment. Essentially, this book is for anyone who is interested in overcoming the hurdles which keep us stuck or prevent us from moving forward. The 12 Keys will give you the resources to understand why you are stuck and explain how you can make different choices to begin moving in your life.

20 Days of Inner Alchemy to Create the Close, Happy and Loving Relationship You Rhiannon Smith 2014-07-10 This book will help you to stop struggling and working on your relationship and instead create positive, lasting change at the source of all of relationship issues: you as a partner. This book will help you to become the kind of woman or man that has the relationship you desire by teaching you to: * shift your mindset and this will cause you to naturally act in new ways that will create a close and loving relationship. * to take control of your moods before you react * forgive quickly and return to good feelings * apologize in a way that will wipe the slate clean * reach a state of acceptance and unconditional love for your partner * see the best in your mate * inspire more love from your mate * bring out the best in him/her * experience more joy, play and laughter in your relationship * fall in love with yourself as you improve the relationship * quit the self defeating behaviors that destroy relationships * shine your lovable, authentic self instead of "shrinking" and becoming lost in your relationship * to decide what you truly want in a relationship and develop a plan to get it * adopt empowering beliefs that will help you to love and connect more deeply and have a relationship that is better on every level * remain aligned with a loving and joyful relationship on a daily basis by developing new, empowering habits * tap into your inner guidance and make the best decisions for yourself and your relationship The change this book will help you to stop struggling. People try to force ourselves (and the other person) to change their behaviors. There are two things wrong with this approach: first it is not sustainable and second, this will only create change on the surface. Although your behaviors are what ultimately create your relationship, you want to get to the source of your behaviors. Changing your behaviors without getting to the source is like trying to bail out a flooded boat without finding and fixing the leak. You'll struggle, and eventually give up. Imagine how amazing your relationship would be if you could align your thoughts, moods, beliefs, intentions and actions with love, joy, peace, passion and harmony until it becomes effortless. This is what this book offers instruction on. If you follow through and do the exercises in this book regularly, the results WILL be a joyful, close and loving relationship. The principals in this book are mental, emotional and spiritual and they will require a new way of thinking on your part. They will challenge you to go much deeper than you are likely accustomed to. This isn't about "getting" someone to fall in love with you, it's about becoming the kind of partner that sustains true love for a lifetime.

Tell the Truth, Let the Peace Fall Where It May: How Authentic Living Creates the Passion, Fulfillment & Love You Seek Bryan Reeves 2016-04-20 Tell the Truth, Let the Peace Fall Where it May is about coming clean down to the roots of your being. It's about walking through the world, through your entire life, in the fullness of who you really are. You were born for greatness. But you can't build greatness on a foundation of bullshit. This book is about three essential things: (1) how and why most people live disconnected from their authentic truth everyday. (2) what that chronic disconnection costs in joy, intimacy, fulfillment, vitality and more. (3) what it could look like to live every moment in our authentic truth. Ultimately, this book outlines what it can look like to live confidently in your full, authentic truth, throughout your life, everyday, trusting that the inevitable consequence of living in truth is that "peace" will effortlessly wrap itself all over you and wherever else it may ... without you having to do anything else to make that happen.

Balancing Your Orbit Kathy Kerston 2008-09 Astrologer Kathy Kerston presents two profound principles in *Balancing Your Orbit*: the planets beam energies to Earth, and we can respond positively or negatively to these energies. Starting with the belief that your birth chart is a script you wrote, Kerston believes your chart's scenarios describe what you can choose to experience. By exercising free will, you can direct your life-but only when you choose to take on that responsibility. Planetary energy has a profound affect on our lives and is often based on our programmed belief systems. By starting with your charts and entering the realm of imagination, you can choose to draw to yourself into the positive energy of any planet. In a playful but powerful way, Kerston describes each known planets' personality using Greek mythological profiles. These profiles explain how to take control of your life by changing your belief systems. A beautiful read for anyone in a relationship they want to take higher." —Regena Thomashauer, New York Times bestselling author If left unresolved, sources of disconnect—from bad breath to infidelity—can lead to major rifts and smother the spark in a relationship. Authors CrisMarie Campbell and Susan Clarke bring over twenty years of experience in family and marriage counseling and relationship coaching to this book. Bible of the Light Sorin Cerin 2011-02-12 Some time ago I published The Theory of Universal Genesis in the book The Divine Light; this text became the first chapter in the Bible of the Light. It is a dialogue between myself and the Divine Light that appeared to me in a lucid dream and which inspired me to write all this. Bible of the Light is an anthology composed of several books published along the time as and new books which for the first time will be published. For many years I felt that I will receive these revelations from the Divine Light and that I will publish such a work entitled Bible of the Light. To those wishing to be healed through the holy breath of Divine Light, then I wish to they find the tranquility and peace through these pages. No matter how unhappy would be some, through Bible of the Light will understand that everything is just a passing cloud, and that the true eternal life is alongside the Divine Light that is the true God. Amen. This Bible will make the definitive peace between God and Satan, in the man soul, because Satan is the Evil without which the Good identified through God and would lose any luster. All churches of the world would disappear if would not more existed Satan! The spiritual peace between Satan and God lead for the first time to a healthy society, where the folly, pride, vanity and hypocrisy, alongside with many other evils will disappear and once with these and servants of a Good who can not understand the Evil. Here you will find out to whom and how should you pray if you necessarily want to do it. If is necessary to yourself pray or not. Who is God and what wants Him from us, but and who we are and what we want from God from inside us. Amen.
