**The Divided Mind of the Black Church** Raphael G Warnock 2013-12-06 A revealing look at the identity and mission of the Black church What is the true nature and mission of the church? Is its proper Christian purpose to save souls, or to transform the social order? This question is especially fraught when the church is one built by an enslaved people and formed, from its beginning, at the center of an oppressed community's fight for personhood and freedom. Such is the central tension in the identity and mission of the Black church in the United States. For decades the Black church and Black theology have held each other at arm's length. Black theology has emphasized the role of Christian faith in addressing racism and other forms of oppression, arguing that Jesus urged his disciples to seek the freedom of all peoples. Meanwhile, the Black church, even when focused on social concerns, has often emphasized personal piety rather than social protest. With the rising influence of white evangelicalism, biblical fundamentalism, and the prosperity gospel, the divide has become even more pronounced. In *The Divided Mind of the Black Church*, Raphael G. Warnock, Senior Pastor of the historic Ebenezer Baptist Church, the spiritual home of the Rev. Dr. Martin Luther King, Jr., traces the historical significance of the rise and development of Black theology as an important conversation partner for the Black church. Calling for honest dialogue between Black and womanist theologians and Black pastors, this fresh theological treatment demands a new look at the church's essential mission.

**The View from Rock Bottom** Stephanie Tait 2019-08-06 I had found my rock bottom, and instead of pulling me out, the God of the universe met me there in the rubble. What is your response when your life turns upside down? When you lose your job? When you receive a difficult diagnosis? Do you blame God or beg Him for a way out of your suffering? In more than a decade of misdiagnoses and debilitating treatments, Stephanie Tait admits she did plenty of both before hearing the two words that had drastically altered her life: Lyme disease. Yet she has discovered it's in her pain that Jesus is most present. Through personal stories and biblical examples, you will learn that suffering connects you to God as He meets you in your moment of pain strengthens your community when you allow others to comfort you in your sorrow gives you greater appreciation for life's goodness as you gain an eternal perspective Even if the healing never comes, there is something sacred in the suffering. It's from holy rubble that God makes all things new.

**Why I Hate Religion** Dr. Creflo Dollar 2015-09-01 Pastor Creflo Dollar offers ten compelling reasons why God hates religion -- but loves for people to have real relationships with Christ. Religion has broken churches, fueled wars, and driven people away from the true Gospel of Jesus. *Why I Hate Religion* is a clarion call for people to ditch religion and embrace relationship as it explores the top ten reasons why God hates religion, such as: Religion makes people try to earn their way into heaven -- but Christ offers grace. Religion says God uses calamity to teach his people -- but Christ comforts us. Religion blames problems on God -- but Christ helps people learn from their mistakes. Religion makes prayer a powerless "form of godliness" -- but Christ hears every word. *Why I Hate Religion* offers an empowering understanding of true Christianity, one that transforms church into full, authentic, meaningful relationship with Jesus.

**Anointing to Live** Creflo A. Dollar 1997

Searching for Zion Emily Raboteau 2013-01-08 From Jerusalem to Ghana to Katrina-ravaged New Orleans, a woman reclaims her history in a "beautifully written and thought-provoking" memoir (Dave Eggers, author of *A Hologram for the King* and *Zeitoun*). A biracial woman from a country still divided along racial lines, Emily Raboteau never felt at home in America. As the daughter of an African American religious historian, she understood the Promised Land as the spiritual realm black people yearned for. But while visiting Israel, the Jewish Zion, she was surprised to discover black Jews. More surprising was the story of how they got there. Inspired by their exodus, her question for them is the same one she keeps asking herself: have you found the home you're looking for? In this American Book Award-winning inquiry into contemporary and historical ethnic displacement, Raboteau embarked on a ten-year journey around the globe and back in time to explore the complex and contradictory perspectives of black Zionists. She talked to Rastafarians and African Hebrew Israelites, Evangelicals and Ethiopian Jews—all in search of territory that is hard to define and harder to inhabit. Uniting memoir with cultural investigation, Raboteau overturns our ideas of place, patriotism, dispossession, citizenship, and country in "an exceptionally beautiful . . . book about a search for the kind of home for which there is no straight route, the kind of home in which the journey itself is as revelatory as the destination" (Edwidge Danticat, author of *The Farming of Bones*).

**A to Z of Marriage** Kingsley Okonkwo 2017-03-04 *A to Z of Marriage* is a matter of fact and very precise manual, alphabetically arranged for convenience to help men and women better understand their needs for a better marriage. **For the Souls of Black Folks** Cari Jackson 2013-05-21 *For the Souls of Black Folks* examines the impact of black religious culture in shaping the ethical values and sociopolitical condition of U.S. blacks. The book reviews the nexus of theological traditions and historical factors that have formed black churches as environments where preachers serve as the moral compass for black churchgoers. *For the Souls of Black Folks* builds upon the work of sociologist W. E. B. Du Bois, who highlighted the presence of a double consciousness in the collective psyche of blacks stemming from racial oppression. The book explores the ways in which that double consciousness, often reflected in black preaching, socializes black Christians to subordinate their own moral authority to that of black preachers. The central argument is that this socialization to submit to preachers greatly underserves black churchgoers in developing and exercising their own power and authority as social agents, and thus significantly impedes the full sociopolitical liberation of all blacks. The book offers important new preaching strategies that more effectively facilitate the empowerment of blacks as critical agents of social transformation and healing in the twenty-first century.

**God Loves You** Dr. David Jeremiah 2012-10-04 That God loves us is the most profound truth in the universe. Experiencing this love has the potential to answer every question, solve every problem, and satisfy the deepest yearnings of the heart. So why are many people who believe this still unable to fully utilize the power of God's love in their personal lives? In this probing book, Dr. David Jeremiah reveals that not fully understanding and appreciating every critical dimension of God's love can lead to missed opportunities to experience His love. He explains how even the so-called negative dimension of God's actions—hell, prohibitive commandments, pain and suffering in the world—can only be rightly understood by viewing them in light of God's true love. *GOD LOVES YOU* will enable readers to know God in a way that will consciously connect them with the healing power of His grace so they can experience the life of love they were created to enjoy.

**Divine Order of Faith** Creflo A. Dollar 1993-09

Health, Wealth, and Happiness David W. Jones 2017-07-25 Be faithful in your giving and God will reward you financially. It's not always stated that

blatantly but the promises of the Prosperity Gospel--or the name-it-and-claim-it gospel, the health-and-wealth gospel, the word of faith movement, or positive confession theology--are false. Yet its message permeates the preaching of well-known Christian leaders: Joyce Meyer, T. D. Jakes, Joel Osteen, Creflo Dollar, Kenneth and Gloria Copeland, and many more. The appeal of this teaching crosses racial, gender, denominational, and international boundaries. Why are otherwise faithful Christians so easily led astray? Because the Prosperity Gospel contains a grain of biblical truth, greatly distorted. For anyone who knows that Prosperity Gospel theology is wrong but has trouble articulating and refuting the finer points, this concise edition contains all the robust arguments of the hard-hitting original edition in a shorter, more accessible form.

*Beyond Christianity* Darnise C. Martin 2005-03-01 Beyond Christianity draws on rich ethnographic work in a Religious Science church in Oakland, California, to illuminate the ways a group of African Americans has adapted a religion typically thought of as white to fit their needs and circumstances. This predominantly African American congregation is an anomalous phenomenon for both Religious Science and African American religious studies. It stands at the intersection of New Thought doctrine, characterized by personal empowerment teachings, and a culturally familiar liturgical style reminiscent of Black Pentecostals and Black Spiritualists. This group challenges oversimplified concepts of the Black church experience and broadens the concept of Black religion outside the boundaries of Christianity—raising questions about what it means to be an African American congregation, and about the nature of blackness itself. Beyond Christianity adds a new dimension to the scholarship on Black religion.

*Law of Confession* Bill Winston 2012-01-03 Just like natural laws, there are spiritual laws with cause and effect. God set the universe in motion with the power of His words and established the law of confession, but many believers have suffered needlessly by misunderstanding the power of their words. Dr. Bill Winston, pastor, Bible teacher, and host of the national television program Believer's Walk of Faith broadcast to over 100 million homes, reveals scriptural examples and vital teaching on the importance of the spoken word. Believers will uncover the enemy's deceptive plan to use their own words against them and what they can do to turn their situation around. 'One of the best things that ever happened to me, my family, and my church, was the revelation of the law of confession - we learned that the moment we win the battle over our words, we win the battle!' Dr. Bill Winston Controlling your words is one of the biggest challenges anyone will face in this life; the Bible reveals that the power of life and death are in the words you say. As you begin to change the words you speak, you will rewrite their future and revolutionize your life.

*Rhetoric of the Protestant Sermon in America* Eric C. Miller 2020-01-20 In Rhetoric of the Protestant Sermon in America: Pulpit Discourse at the Turn of the Millennium, ten scholars analyze notable sermons from the fifty-year span between 1965 and 2015, during which the Protestant sermon has undergone significant change in the United States. Contributors examine how this turbulent time period witnessed a variety of important shifts in the arguments, evidences, and rhetorical strategies employed by contemporary preachers. Because religious practice is inextricably tangled in the culture, politics, and economy of its historical situation, the public expression of a faith is certain to move with the times. In their treatment of race, sex, gender, class, and citizenship, sermons apply ancient texts to current events and controversies, often to revealing effect. This collection, thoughtfully edited by Eric C. Miller and Jonathan J. Edwards, demonstrates how the genre of the Protestant sermon has evolved—or resisted evolution—across the years. Scholars of religion, rhetoric, communication, sociology, and cultural studies will find this book particularly useful.

**Count It All Joy** Missionary Paula 2015-06-17 We are all accountable for our own sins and we can't stand before God and put the blame on someone else. There is no small sin or big sin and God doesn't hold our past against us like we do to some people. Regardless of what you do in life, if you sincerely come before God and ask Him for Forgiveness He will give it to you.
