From Slavery to Freedom: Narrative Of The Life, Incidents in the Life of a Slave Girl, Up From Slavery, The Souls of Black Folk. Illustrated Frederick Douglass 2021-01-08 African American history is the part of American history that looks at the past of African Americans or Black Americans. Of the 10.7 million Africans who were brought to the Americas until the 1860s, 450 thousand were shipped to what is now the United States. Most African Americans are descended from Africans who were brought directly from Africa to America and became slaves. The future slaves were originally captured in African wars or raids and transported in the Atlantic slave trade. Our collection includes the following works: Narrative Of The Life by Frederick Douglass. The impassioned abolitionist and eloquent orator provides graphic descriptions of his childhood and horrifying experiences as a slave as well as a harrowing record of his dramatic escape to the North and eventual freedom. Incidents In The Life Of A Slave Girl by Harriet Jacobs. Powerful by portrayal of the brutality of slave life through the inspiring tale of one woman's dauntless spirit and faith. Up From Slavery by Booker T. Washington. Washington rose to become the most influential spokesman for African Americans of his day. He describes events in a remarkable life that began in slavery and culminated in worldwide recognition. The Souls of Black Folk by W. E. B. Du Bois. W. E. B. Du Bois was an American sociologist, socialist, historian, civil rights activist, Pan-Africanist, author, writer and editor. Contents: 1. Frederick Douglass: Narrative Of The Life 2. Harriet Ann Jacobs: Incidents in the Life of a Slave Girl 3. Booker Taliaferro Washington: Up From Slavery 4. W. E. B. Du Bois: The Souls of Black Folk

The Land of Flickering Lights Michael Bennet 2019-06-04 The Colorado Senator offers “a sweeping diagnosis of the nation’s political ills . . . stitched together with assurances that room for redemption still exists” (New York Times Book Review). In *The Land of Flickering Lights*, Senator Michael Bennet lifts a veil on the inner workings of Congressional politics to reveal, in his words, “a series of actual stories—about the people, the politics, the motives, the money, the hypocrisy . . .” each of which demonstrates “the pathological culture of the capital and the consequences for us all.” Bennet unfolds the dramatic backstories behind the highly politicized confirmation battles over judicial nominations at all levels; the passage of the Trump tax law; the shredding of the Iran nuclear deal; the pervasive corruption unleashed by the influence of “dark money”; and the sabotage by a congressional minority of the “Gang of Eight’s” bi-partisan deal to reform America’s immigration policies. With frankness and refreshing candor, Bennet pulls the machinations behind these episodes into full public view, shedding vital new light on today’s political dysfunction. Arguing that each of us has a duty to act as a founder, he calls on Americans of all political persuasions to demand that the “winners” of our political battles be all the American people, nor one party or the other.

Satchel Larry Tye 2009-06-09 NEW YORK TIMES BESTSELLER • The superbly researched, spellbindingly told story of athlete, showman, philosopher, and boundary breaker Leroy “Satchel” Paige “Among the rare biographies of an athlete that transcend sports . . . gives us the man as well as the myth.”—The Boston Globe Few reliable records or news reports survive about players in the Negro Leagues. Through dogged detective work, award-winning author and journalist Larry Tye has tracked down the truth about this majestic and enigmatic pitcher, interviewing more than two hundred Negro Leaguers and Major Leaguers, talking to family and friends who had never told their stories before, and retracing Paige’s steps across the continent. Here is the stirring account of the child born to an Alabama washerwoman with twelve young mouths to feed, the boy who earned the nickname “Satchel” from his enterprising work as a railroad porter, the young man who took up baseball on the streets and in reform school, inventing his trademark hesitation pitch while throwing bricks at rival gang members. Tye shows Paige barnstorming across America and growing into the superstar hurler of the Negro Leagues, a marvel who set records so eye-popping they seemed like misprints, spent as much money as he made, and left tickets for “Mrs. Paige” that were picked up by a different woman at each game. In unprecedented detail, Tye reveals how Paige, hurt and angry when Jackie Robinson beat him to the Majors, emerged at the age of forty-two to help propel the Cleveland Indians to the World Series. He threw his last pitch from a big-league mound at an improbable fifty-nine. (“Age is a case of mind over matter,” he said. “If you don’t mind, it don’t matter.”) More than a fascinating account of a baseball odyssey, Satchel rewrites our history of the integration of the sport, with Satchel Paige in a starring role. This is a powerful portrait of an American hero who employed a shuffling stereotype to disarm critics and racists, floated comical legends about himself—including about his own age—to deflect inquiry and remain elusive, and in the process methodically built his own myth. “Don’t look back,” he famously said. “Something might be gaining on you.” Separating the truth from the legend, Satchel is a remarkable accomplishment, as large as this larger-than-life man.

Saint Justice Mike Grist 2021-08-19 They stole his truck. Big mistake. CIA black-ops legend Christopher Wren pulls over on a Utah highway after three weeks on the road. An arbitrary decision he's about to regret. A biker gang attacks Wren, leaves him for dead and steals his truck. Now he's going to get it back. From a secret warehouse in the desert. Ringed with fences. Filled with human cages. As the body count mounts and a shocking national conspiracy unravels, one thing is for certain. Justice will be done.
