Caliban and the Witch - Silvia Federici
2021-07-29

'A groundbreaking work . . . Federici has become a crucial figure for . . . a new generation of feminists' Rachel Kushner, author of *The Mars Room* A cult classic since its publication in the early years of this century, *Caliban and the Witch* is Silvia Federici's history of the body in the transition to capitalism. Moving from the peasant revolts of the late Middle Ages through the European witch-hunts, the rise of scientific rationalism and the colonisation of the Americas, it gives a panoramic account of the often horrific violence with which the unruly human material of pre-capitalist societies was transformed into a set of predictable and controllable mechanisms. It is a study of indigenous traditions crushed, of the enclosure of women's reproductive powers within the nuclear family, and of how our modern world was forged in blood. 'Rewarding . . . allows us to better understand the intimate relationship between modern patriarchy, the rise of the nation state and the transition from feudalism to capitalism' Guardian

Cringeworthy - Melissa Dahl 2018-05-17

Have you ever said goodbye to someone, only to discover that you're both walking in the same direction? Or had your next thought fly out of your brain in the middle of a presentation? Or accidentally liked an old photo on someone's Instagram or Facebook, thus revealing yourself to be a creepy social media stalker? Melissa Dahl, New York magazine's "Science of Us" editor, has experienced all of those awkward situations, and many more. Now she offers a thoughtful, original take on what it really means to feel awkward. She invites you to follow her into all sorts of mortifying moments, drawing on personal experience and in-depth psychological research to answer questions you've probably pondered at some point, such as: * Why are

situations without clear rules most likely to turn awkward? * Are people really judging us as harshly as we think they are? * Does anyone ever truly outgrow their awkward teenage self? If you can learn to tolerate life's most awkward situations -- networking, difficult conversations, hearing the sound of your own terrible voice -- your awkwardness can be a secret weapon to making better, more memorable impressions. When everyone else is pretending to have it under control, you can be a little braver and grow a little bigger.

Cleanness - Garth Greenwell 2020-01-23

Cleanness revisits and expands the world of Garth Greenwell's beloved debut, *What Belongs to You*, declared 'an instant classic' by the New York Times Book Review. In exacting, elegant prose, Greenwell transcribes the strange dialects of desire, cementing his stature as one of our most vital living writers. 'This is an exceptional work of fiction, which places Greenwell among the very best contemporary novelists.' - Independent Sofia, Bulgaria, a landlocked city in southern Europe, stirs with hope and impending upheaval. Soviet buildings crumble, wind scatters sand from the far south, and political protesters flood the streets with song. In this atmosphere of disquiet, an American teacher navigates a life transformed by the discovery and loss of love. As he prepares to leave the place he's come to call home, he grapples with the intimate encounters that have marked his years abroad, each bearing uncanny reminders of his past. A queer student's confession recalls his own first love, a stranger's seduction devolves into paternal sadism, and a romance with a younger man opens, and heals, old wounds. Each echo reveals startling insights about what it means to seek connection: with those we love, with the places we inhabit, and with our own fugitive selves. Chosen as a book of

Erotica Anal Crowding Multiple Partners Too Big To Fit Double Entry Erotic Free Romance Of Adult Short Sex

the year in the New Yorker, Daily Telegraph, Observer and Irish Times.

[Erotic Faculties](#) - Joanna Frueh 2022-03-25

The erotic and the intellectual come together to create a new kind of criticism in the lushly written work of Joanna Frueh. Addressing sexuality in ways that are usually hidden or left unsaid, Frueh—a noted performance artist and art historian—explores subjects such as aging, beauty, love, sex, pleasure, contemporary art, and the body as a site and vehicle of knowledge. Frueh's language is explicit, graphic, fragmented. She assumes multiple voices: those of lover, prophet, daughter, mythmaker, art critic, activist, and bleeding heart. What results is an utterly original narrative that frees us from the false objectivity of traditional critical discourse and affirms the erotic as a way to ease human suffering. Through personal reflection, parody, autobiography, and poetry, Frueh shows us what it means to perform criticism, to personalize critical thinking. Rejecting postmodern, deconstructed prose, she recuperates the sentimental, proudly asserts a romantic viewpoint, and disrupts academic and feminist conventions. *Erotic Faculties* seeks to free the power of our unutilized erotic faculties and to expand the possibilities of criticism; it is a wild ride and a consummate pleasure. This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1996.

[Wicked Lust](#) - Sawyer Bennett 2016-01-05

Cain Bonham is as big and bad as they come. After serving in the Marines, he's returned home to Wyoming and now works as head of security at the exclusive sex club, The Wicked Horse. His job is to protect not only the patrons, but to zealously guard the secret existence of the club itself. Sloane Preston is all about discovering secrets. As an undercover reporter, she's determined to reveal the truth behind the facade of The Wicked Horse and expose it for all the world to see. She just didn't count on her pathway into the club coming at the hands of

~~one gorgeously scarred and bad ass bouncer~~ who manages to easily possess her body and soul. While Cain's not looking for anyone to catch his eye, Sloane did it all the same, and he's not bemoaning the fact that she's as wickedly kinky as he is. As both get caught up in the sinful fantasies that only The Wicked Horse can create, secrets and loyalties will be tested and hearts will risk being broken.

[Gaia and the New Politics of Love](#) - Serena Anderlini-D'Onofrio 2010-08-31

***WINNER, 2010 Nautilus Silver Book Award - Cosmology/New Science Gaia theory argues that the flora and fauna of the planet operate in a self-regulating web that keeps the world livable. According to the theory, humankind is the most powerful species in this web and also its biggest threat. This provocative book explores ways to minimize and ultimately eliminate this threat with love and intimacy. Controversial Italian author Serena Anderlini-D'Onofrio has authored the first global ecology study based on an analysis of human health. Anderlini-D'Onofrio identifies her remedy within the context of Gaia theory, re-envisioning it as a more inclusive philosophy that positively impacts not only relationships, but world ecology under duress. The author links human sexuality to the global ecosystem, claiming that freedom from fear will stimulate a holistic health movement powerful enough to heal relationships and restore planetary balance. *Gaia and the New Politics of Love* is bracing in its range, weaving together issues of human and global health; the relationship of politics, sexuality, and ecology; practices and styles of love; the changing roles of eroticism and gender in our lives; and polyamory, bisexuality, and the AIDS reappraisal movement. Clarification Statement from the Author The argument of this book emphasizes the arts of loving as a way to help humanity make peace with our hostess Gaia, the third planet. Some of these arts involve sharing emotional resources and amorous partners. Often, the arts of loving require the use of barriers: mechanical protections such as condoms. At times they do not because only tantric energies are exchanged. The author of this book is persuaded that barriers are recommendable when sexual practices result in the exchange of deep body fluids, unless

Erotica Anal Crowding Multiple Partners Too Big To Fit Double Entry Erotic Free Romance Of Adult Short Sex

previous fluid-bonding arrangements have been made. The author is also persuaded that good practices of holistic health contribute to strengthening the immune systems of those who engage in the arts of loving. Safety practices are important in making the arts of loving healthy regardless of what factors are involved in the syndromes most prevalent today, including AIDS and other conditions in the STD spectrum. Historically, disagreement has moved knowledge forward: Today's science is the result of yesterday's disagreements and controversies. The author believes in critical thinking and she respects dissidence in science today, including Gaia science, reappraisals of AIDS, and holistic medicine. She hopes her readers will be open to hearing more than one side of a story. This statement and the contents of this book do not constitute medical advice in any way. Readers are invited to consult their own healers and health care providers. Serena Anderlini-D'Onofrio, PhD Author of Gaia and the New Politics of Love Cabo Rojo, Puerto Rico, March 2010 Blog: <http://polyplanet.blogspot.com/> From the Trade Paperback edition.

The Science of Orgasm - Barry R. Komisaruk 2006-11-26

This award-winning book "offers a thorough compilation of what modern science, from biomechanics to neurochemistry, knows about the secrets of orgasm" (Publishers Weekly). The coauthor of the international best-selling book *The G Spot and Other Discoveries about Human Sexuality*, Beverly Whipple joins neuroscientist Barry R. Komisaruk and endocrinologist Carlos Beyer-Flores to view orgasm through the lenses of behavioral neuroscience along with cognitive and physiological sciences. Covering every type of sexual peak experience in women and men from intense to phantom, this fascinating and comprehensive work illuminates the hows, whats, and wherefores of orgasm. The authors explain how and why orgasms happen, why they fail to happen, and what brain and body events are put into play at the moment of orgasm. They also describes the genital-brain connection, how the brain produces orgasms, how aging affects orgasm, and the effects of prescription medication, street drugs, hormones, disorders, and diseases. Winner of the 2007 Bonnie and Vern L. Bullough Book Award, given by the

Foundation for the Scientific Study of Sexuality
CliffsQuickReview Sociology - George D Zgourides 2000-07-24

CliffsQuickReview course guides cover the essentials of your toughest classes. Get a firm grip on core concepts and key material, and test your newfound knowledge with review questions. CliffsQuickReview Sociology provides you with an in-depth review of the principles of sociology — the scientific study of human groups and social behavior. Because sociology examines how social relationships influence people's attitudes and how societies form and change, sociology has an incredibly broad scope. This guide boils sociology down to easy-to-understand terms and concepts, and as you work your way through this reference, you'll be ready to tackle such concepts as The sociological perspective and research methods Cultures and societies, and socialization Social groups and organizations Deviance, crime, and social control Social and global stratification Race and ethnicity, and sex and gender Economics, politics, education, marriage, family, and alternative lifestyles Religion, health, medicine Social change and movements CliffsQuickReview Sociology acts as a supplement to your textbook and to classroom lectures. Use this reference in any way that fits your personal style for study and review — you decide what works best with your needs. You can read it from cover to cover, or just use it when you need important information and put it back on the shelf for later. With titles available for all the most popular high school and college courses, CliffsQuickReview guides are a comprehensive resource that can help you get the best possible grades.

Female Masculinity - Judith Halberstam 1998
Masculinity without men. In *Female Masculinity* Judith Halberstam takes aim at the protected status of male masculinity and shows that female masculinity has offered a distinct alternative to it for well over two hundred years. Providing the first full-length study on this subject, Halberstam catalogs the diversity of gender expressions among masculine women from nineteenth-century pre-lesbian practices to contemporary drag king performances. Through detailed textual readings as well as empirical research, Halberstam uncovers a hidden history of female masculinities while arguing for a more nuanced

Erotica Anal Crowding Multiple Partners Too Big To Fit Double Entry Erotic Free Romance Of Adult Short Sex

understanding of gender categories that would incorporate rather than pathologize them. She rereads Anne Lister's diaries and Radclyffe Hall's *The Well of Loneliness* as foundational assertions of female masculine identity. She considers the enigma of the stone butch and the politics surrounding butch/femme roles within lesbian communities. She also explores issues of transsexuality among "transgender dykes"--lesbians who pass as men--and female-to-male transsexuals who may find the label of "lesbian" a temporary refuge. Halberstam also tackles such topics as women and boxing, butches in Hollywood and independent cinema, and the phenomenon of male impersonators. *Female Masculinity* signals a new understanding of masculine behaviors and identities, and a new direction in interdisciplinary queer scholarship. Illustrated with nearly forty photographs, including portraits, film stills, and drag king performance shots, this book provides an extensive record of the wide range of female masculinities. And as Halberstam clearly demonstrates, female masculinity is not some bad imitation of virility, but a lively and dramatic staging of hybrid and minority genders.

Sexuality and Its Discontents - Jeffrey Weeks
2002-05-03

Few topics evoke so much anxiety and pleasure, pain and hope, discussion and silence as sexuality. Throughout the Christian era it has been a major moral preoccupation. Since the eighteenth century it has also been the focus of 'scientific' exploration and political activity. But, despite this obsessive concern, we are still as baffled as our predecessors about the 'true' meaning of sex. In this book Jeffrey Weeks unravels the dense web of historical, theoretical and political forces that have culminated in the contemporary crisis of sexual meanings and values. The book begins with a powerful evocation of our present discontents and their potent signs: the rise of the New Right, the retreat of progressive forces and a wave of moral panics around sex. It argues that this crisis is rooted in a tradition which has ascribed an inflated importance to sexuality, whilst claiming a privileged access to truth. The author then examines radical debates of recent years, and asks whether they contain the potentiality for taking us beyond the existing boundaries of

sexuality. From this analysis emerges a controversial 'radical pluralist' approach to sexuality built on an acceptance of diversity and choice. By linking our present discontents to a clear understanding of the past, Jeffrey Weeks presents a rational, optimistic and challenging vision of a realizable future.

Masculinities - R. W. Connell 2005

This is an exciting new edition of R.W. Connell's ground-breaking text, which has become a classic work on the nature and construction of masculine identity. Connell argues that there is not one masculinity, but many different masculinities, each associated with different positions of power. In a world gender order that continues to privilege men over women, but also raises difficult issues for men and boys, his account is more pertinent than ever before. In a substantial new introduction and conclusion, Connell discusses the development of masculinity studies in the ten years since the book's initial publication. He explores global gender relations, new theories, and practical uses of masculinity research. Looking to the future, his new concluding chapter addresses the politics of masculinities, and the implications of masculinity research for understanding current world issues. Against the backdrop of an increasingly divided world, dominated by neo-conservative politics, Connell's account highlights a series of compelling questions about the future of human society. This second edition of Connell's classic book will be essential reading for students taking courses on masculinities and gender studies, and will be of interest to students and scholars across the humanities and social sciences.

Forbidden Flowers - Nancy Friday 2014-02-06

A collection of women's intimate erotic thoughts by the #1 New York Times-bestselling author of *The Secret Garden* and "liberator of the female libido" (Newsday). The publication of the groundbreaking expose on women's sexual fantasies, *My Secret Garden*, ushered in a revolution in women's sexual freedom of expression. In *Forbidden Flowers*, Nancy Friday reveals even more erotic, wild, and explicit fantasies expressed by women all over the world, from all ethnic and socioeconomic backgrounds. Like *My Secret Garden* before it, *Forbidden Flowers* is a celebration of the depth, potency,

Erotica Anal Crowding Multiple Partners Too Big To Fit Double Entry Erotic Free Romance Of Adult Short Sex

and imaginative breadth of women's inner erotic lives. By giving female readers a glimpse into the ordinary and often extraordinary fantasies of other women, it offers to some an exhilarating freedom from the guilt and shame so often associated with sexual fantasy—and to others, provides fascinating insight into the psychology of female sexual response. "The author whose books about gender politics helped redefine American women's sexuality." —The New York Times

The Brain That Changes Itself - Norman Doidge
2008-08-07

An introduction to the science of neuroplasticity recounts the case stories of patients with mental limitations or brain damage whose seemingly unalterable conditions were improved through treatments that involved the thought re-alteration of brain structure.

Delta of Venus - Anaïs Nin 2004

Conjuring up a cascade of sexual encounters, this book evokes the essence of female sexuality in a world where only love has meaning. Among these provocative stories, a Hungarian adventurer seduces wealthy women then vanishes with their money; a veiled woman selects strangers from a chic restaurant for private trysts; and a Parisian hatmaker named Mathilde leaves her husband for the opium dens of Peru.

Deleuze and Guattari's Anti-Oedipus - Eugene W. Holland 2002-01-04

Eugene W. Holland provides an excellent introduction to Gilles Deleuze and Felix Guattari's *Anti-Oedipus* which is widely recognized as one of the most influential texts in philosophy to have appeared in the last thirty years. He lucidly presents the theoretical concerns behind *Anti-Oedipus* and explores with clarity the diverse influences of Marx, Freud, Nietzsche and Kant on the development of Deleuze & Guattari's thinking. He also examines the wider implications of their work in revitalizing Marxism, environmentalism, feminism and cultural studies.

Divine Solace - Joey W. Hill 2014-07-08

After too many failed relationships, Gen has settled into a quiet, acceptable life as a middle-aged single woman. But then she meets Mistress Lyda and her sexy male sub Noah, and the two of them give her a different view of "acceptable"-

as well as a renewed longing for the type of love and romance she thought had passed her by.

Gen has been Marguerite Winterman's employee at Tea Leaves for some time, and has a close relationship with the reserved, intimidating woman. It isn't until Mistress Lyda steps into her life that Gen understands why she's always felt safe under Marguerite's direction. And with the intriguing Noah guiding her in the world of Domination/submission, Gen's about to discover a new way to love-and live. Inside Scoop: Gen's journey includes references to male/male relationships and a beautifully erotic portrayal of two women falling in love within the menage.

Anti-Oedipus - Gilles Deleuze 2004-09-01

'A major philosophical work by perhaps the most brilliant philosophical mind at work in France today.' Fredric Jameson Gilles Deleuze

(1925-1995) was Professor of Philosophy at the University of Paris VIII. He was a key figure in poststructuralism, and one of the most influential philosophers of the twentieth century. Félix Guattari (1930-1992) was a psychoanalyst at the la Borde Clinic, as well as being a major social theorist and radical activist. *Anti-Oedipus* is part of Deleuze and Guattari's landmark philosophical project, *Capitalism and Schizophrenia* - a project that still sets the terms of contemporary philosophical debate. *Anti-Oedipus* is a radical philosophical analysis of desire that shows how we can combat the compulsion to dominate ourselves and others. As Michel Foucault says in his Preface it is an 'Introduction to Non-Fascist Living'. Preface by Michel Foucault. Translated by Robert Hurley, Mark Seem, and Helen R. Lane

Women's Experimental Cinema - Robin Blaetz
2007-10-16

This volume offers introductions to the work of fifteen avant-garde American women filmmakers.

Sex and Eroticism in Mesopotamian Literature - Dr Gwendolyn Leick 2013-01-11

Sex and Eroticism in Mesopotamian Literature is a new contribution to current debates about sex and eroticism. It gives an insight into Mesopotamian attitudes to sexuality by examining the oldest preserved written evidence on the subject - the Sumerian-Akkadian cuneiform sources - which were written between the 21st and the 5th centuries B.C. Using these long-

Erotica Anal Crowding Multiple Partners Too Big To Fit Double Entry Erotic Free Romance Of Adult Short Sex

neglected and often astonishing data, Gwendolyn Leick is able to analyse Mesopotamian views of prostitution, love magic and deviant sexual behaviour as well as more general issues of sexuality and gender. This fascinating book sheds light on the sexual culture of one of the earliest literate civilisations.

Women on Top - Nancy Friday 2014-02-07

A classic work on how women think about sex, from the New York Times–bestselling author of *My Secret Garden* and *My Mother/Myself*. Nancy Friday’s groundbreaking books such as

Forbidden Flowers offered an unprecedented honest look at the inner fantasy lives of ordinary women. In *Women on Top*, Friday returns to this topic, collecting detailed sexual fantasies from over 150 contemporary women from diverse backgrounds. Based on intimate personal interviews and letters, this book updates the conversation started in her earlier works on women’s sexual fantasies, detailing how women’s erotic lives have changed—and remained the same. “This absorbing, titillating and empowering feminist book is also a ribald bedside companion.” —Publishers Weekly
