Sometimes Your Husband Isn't Enough Raven Merlot 2018-02-11 Sometimes your husband is not enough. Hopefully he understands this, and supports you in getting the pleasure you need. This is the sweet kind of cuckolding. With a husband who loves you and wants you to be sexually satisfied, even if it isn't with him. These bedtime stories are for those times when you want to be physically taken care of by a man who knows exactly what your body needs while being loved by a man who is committed to you no matter what. These six sweet but raunchy sexual romps are just what you need before bed, or any other time of day for that matter. They tell the stories of women finding passion and excitement in the embrace of other men. They seek it because their marriages have become dull, because they need an encounter with an aggressive alpha male, because they want to get pregnant, because they need to feel what it's like to have multiple strange men use them at the same time, and because their husbands know that a wife's pleasure has to come first. Real life cuckoldress Raven Merlot and her collaborator, Alexandra Noir, are proud to give you a peek into the exciting lifestyles that they enjoy. Don't worry! We understand your hidden desires and your secrets are safe with us. In *Cuckolded by Her Stepbrother*, Lana has been secretly lusting after her step-brother for years. As a teenager she accidentally walked in on him in the shower and no other man since has "measured up." No matter how hard her husband tried, he just couldn't be the man that she'd dreamed about. Finally, Lana hatches a plan over Thanksgiving to make her cuckolding fantasy come true. In *My Wife Submits to Him*, Jake is determined to see his wife Stella become a submissive sex puppet but he knows that he isn't the man for the job. He's fantasized about another man making his wife into a sex slave for years and he's finally hatched a plan to make sure it happens. In *Taken By My Husband's Boss*, Kenny has already come to terms with his wife Eva's slutty ways. He's figured that she could have a waiter or a bartender here and there if it made her truly happy. What he never reckoned with was Eva deciding that Kenny's boss, Marco, was next on her list. She'd always had her eye on him and now that Kenny is in line for a promotion Eva sees this as the perfect to cuckold Kenny for his own good. Her husband would never admit it but the thought of being one-upped by his boss might just be the cuckolding fantasy that he'd always dreamed of. In *My Husband Doesn't Satisfy Me*, Jenny and Stan are newlyweds, barely out of the

honeymoon stage. But something was missing. Every time they were out and about her eyes would linger over the bodies, the eyes, the breasts of other women. There was an ache deep inside of her for the touch of another woman. She'd had girlfriends before but had hoped she'd left her bisexuality behind her when she got married. Regardless of her hopes she becomes infatuated with Lila, and it doesn't take much convincing for Lila to get in on the game. Before long she's calling the shots in the bedroom and both Stan and Jenny quickly learn to love it. The story continues in *Craving Dark Chocolate*. Stan is just getting used to his new normal of sharing Jenny with women when Lila has to move away. Now that there's less excitement in their bedroom Jenny worries that Stan thinks she isn't attracted to men anymore but she has a plan to convince him that everything is alright. Jenny decides to bring a dark-skinned bull back to their bedroom to show Stan how much she likes men and how much of a man she can take. In *High Tide*, Josh and Kendra have been vacationing on a tropical island when a hurricane shuts down the entire area. They take up shelter with mysterious local named Philippe. This offers a perfect chance for them to indulge in their favorite hobby, Kendra getting taken by a well endowed stranger, and Josh watching approvingly.
