How to Get a Girlfriend Dating Online -

Robert Belland 2011-02-01

The goal of this book is simple: to guide ANY guy through the process of picking out the BEST women to chat with, exactly what to say to them, and how to inspire these women to feel enough attraction and comfort to meet in person. What can YOU do slightly differently than the last 50 guys who tried emailing her that same day? Be

different (in a fun way) without seeming desperate, needy, or creepy. This book explains and explores the common mistakes men are making dating online AND explains, step-by-step, EXACTLY what to say in order to stand out and get dates. This book outlines the FOUR FOUNDATIONS of successful (online) dating: Attraction, Rapport, Leading, and Escalation. - ATTRACTION is about tension and her emotional response to you. - RAPPORT is about intimacy and her emotional connection with you. - LEADING is about challenging your fears and taking action while communicating sincerity through your actions. - ESCALATION is about consistently increasing the intensity of your relationship via attraction and rapport so that it goes where ever you want it to go. WHAT YOU'LL DISCOVER IN THIS BOOK: - Exactly to say in your first email so that she's MOST likely to respond to you. - 8 tragic but typical mistakes you should NEVER make when first chatting with her online. - 5 ways she's indicating she's

"ready" to meet you (but you might be missing.) - 10 things you SHOULD be doing to make or break your online profile. - 10 detailed examples of men's profiles, and what's good and bad about them. - Learn which types of photos make women click your profile, and which make her run for the hills! - MANY examples of the types of emails other men will be sending her so that YOU can learn how to avoid sounding like "just another creep." - How to be DIRECT in such a way that will invite her to desire you more. - 7 amazing openers that you can use anytime that I've tested and used to meet many amazing women online, and why they work so well. - Etc, etc, etc... Getting the girl online isn't rocket science. It's not black magic. It's not surprising or wierd. BUT it's almost universally misunderstood. What makes a girl reject the last 99 guys but respond to you? It's simple. Being different, being playful, and being attractive. The core teachings of my books. As a matter of fact it's EASIER to be different than the last 99 guys simply because

the last 99 guys are all saying the exact same things and all making the exact same mistakes. I wrote this book to help the average guy, like you and me, stand out from the online dating crowd in order to catch the girl we REALLY want, and ultimately deserve. She WANTS you to find her and attract her... now read this book and learn the fastest path to your first date!
