## **Win Your Breakup: How to Be The One That Got Away -**

Natasha Adamo 2022-01-11

You picked up this book because your breakup has been reduced to something that you feel you must "win" to emotionally survive and move on. This reduction can only take place if you were involved

with a toxic person. Toxic people are selfish, empathetically bankrupt, and have a limited relationship with reality. Anyone who feels validated by exploiting your hunger for theirs is toxic to your peace, your life, and your mental health. Breakups aren't won by game-playing or vilifying your ex. They're won by realizing that winning is losing a partner who has proven to be a dead end. A new life is waiting for you at the end of this journey. In *Win Your Breakup*, relationship and self-help coach Natasha Adamo presents the opportunity for a life with relationships that you don't have to tolerate and eggshell-walk your way through. It's a life in which your ex regrets the day they ever decided to breach your trust and break your heart; a

life in which those who took you for granted wish you could find a way back into theirs. In this life, you can choose to walk away from toxicity-no more trying to be the person someone may want, may commit to, may be honest with, and may treat with respect. This life is about to be your own.

*MIXED NUTS* - Rick Cormier 2016-04-21

"Highly irreverent, but filled with wisdom and infused with deep caring, *Mixed Nuts* is a memoir of a life working in psychotherapy." "Some people assume that all therapists are new-agey hand-holders who just listen and nod like bobbleheads, then suggest an

astrology reading, a gluten-free diet, and your choice of complimentary love flower or polished healing stone on your way out the door. That's not me. My job is to help fix what's broken." Speaking to the layperson and the practitioner alike, even Rick's signature humor can't hide his deep understanding of mental illness, his desire to help heal it quickly and effectively, and his pragmatic and often creative approach to treatment."

*Divorced Girl Smiling* - Jackie Pilossoph 2013-11-23

Smile! It's not just the end of your marriage, it's the beginning of your second chance! Missy Benson has a two and a half carat diamond engagement ring with color grade H, VS2 clarity and a value of \$36,000. It's absolutely gorgeous, practically flawless, and let's be honest, really big! But what the successful Chicago realtor doesn't have anymore is a husband. After 12 years of

marriage, her husband, Paul, a handsome, wealthy attorney has devastated her by breaking up their marriage for Priscilla Sommerfeld, a young, personal trainer, who according to Missy's sassy assistant, J.J., looks more like a Las Vegas stripper than a fitness expert. Not sure what to do with her ring, and with no financial issues to worry about, Missy decides to put it up for sale on Craigslist. The price: 99 cents! The catch: She gets to pick the buyer. In essence, she's looking for the perfect guy, but not for herself. Her hope is to regain faith that good men do exist, and that marriages can last forever. Now referring to herself as "the divorced girl," Missy interviews dozens of young men who are vying for the huge ring. It's a contest that includes outrageous characters, hilarious and sentimental stories, and two finalists, both of whom Missy adores and who she must choose between. Then there's Parker Missoni, the sexiest contestant by far, who drives her crazy with his brutal

honesty, and at the same time stops her heart with his deep brown eyes. *Divorced Girl Smiling* is the story of a woman's journey to do whatever it takes to heal herself from divorce. It's about acceptance, reflection, taking accountability for mistakes, and appreciating all of life's wonderful gifts. In other words, if you have the guts to put the past behind, admit your mistakes, embrace your future, and give love another chance, you will surely be a divorced girl smiling.

A WALL STREET JOURNAL BESTSELLER! "You can't really know anything if you just remember isolated facts. **Good Trouble** - Joe Biel

2016-03-15

In 1996, everything about Joe Biel's life seemed like a

mistake. He was 18, he lived in Cleveland, he got drunk every day, and he had mystery health problems and weird social tics. All his friends' lives were as bad or worse. To escape a nihilistic, apocalyptic worldview and to bring reading and documentation into a communal punk scene, he started assembling zines and bringing them in milk crates to underground punk shows. Eventually this became Microcosm Publishing. But Biel's head for math was stronger than his ability to relate to people, and it wasn't until he was diagnosed with Asperger's Syndrome that it all began to fall into place. This is the story of how, over 20 years, one person turned a litany of continuing mistakes and seeming wrong turns into a happy, fulfilled life and a thriving publishing business that defies all odds.
