Nice Girls Don't Get Rich - Lois P. Frankel 2009-10-31

With the same frank advice and empowering information that made Nice Girls Don't Get the Cover Office a New York Times bestseller, Lois Frankel tackles the 75 financial mistakes that

keep women from having the wealth they deserve. If you have outstanding balances on your credit cards...don't have assets in your own name...are saving instead of investing, then chances are you're not rich and not living the life you want. Without your awareness, behaviors learned as a girl are preventing you from becoming a woman who is financially independent and free to follow her dreams. Lois Frankel isolates the messages about money given to little girls that little boys never hear. Then she helps you discover the financial thinking that is keeping you stuck in old patterns, dependent relationships, and jobs where you earn less than you deserve. Once you get to the root of the problem, Frankel helps you solve it-with fabulous results. Her coaching tips help you take control of your finances and make more money than you ever thought possible. Do you make these "nice girl" mistakes? Mistake #4: Not playing to win. Being polite, quiet, and fair to a fault is playing the financial game "like a girl." Mistake #10: Choosing to remain financially illiterate. Knowledge is power. Learn to manage your major purchases, investments, and banking. Mistake #20: Spending as an emotional crutch. Understand your emotions; don't make purchases just to lift your spirits. Mistake #45: Saving instead of investing. Fear can keep your funds in low-interest accounts. Get educated about investing. Get wealthy. Frankel gives you the financial savvy to change negative behaviors, make smart money choices, and embrace the life you want sooner than you think.

[Nice Girls Don't Get the Corner Office](#) - Lois P. Frankel 2014-02-18

Before you were told to "Lean In," Dr. Lois Frankel told you how to get that corner office. The New York Times bestseller, is now completely revised and updated. In this edition, internationally recognized executive coach Lois P. Frankel reveals a distinctive set of behaviors--over 130 in all--that women learn in girlhood that ultimately sabotage them as adults. She teaches you how to eliminate these unconscious mistakes that could be holding you back and offers invaluable coaching tips that can easily be incorporated into your social and business skills. Stop making "nice girl" errors that can become career pitfalls, such as: Mistake #13: Avoiding

office politics. If you don't play the game, you can't possibly win. Mistake #21: Multi-tasking. Just because you can do something, doesn't mean you should do it. Mistake #54: Failure to negotiate. Don't equate negotiation with confrontation. Mistake #70: Inappropriate use of social media. Once it's out there, it's hard to put the toothpaste back in the tube. Mistake #82: Asking permission. Children, not adults, ask for approval. Be direct, be confident.
