The Winter Duke - Claire Eliza Bartlett 2020-03-03
She survived the curse. Now she must survive the throne. All Ekata wants is to stay alive—and the chance to prove herself as a scholar. Once Ekata's brother is finally named heir to the dukedom of Kylma Above, there will be nothing to keep her at home with her murderous family. Not her books or her experiments, not her family's icy castle atop

a frozen lake, not even the tantalizingly close Kylma Below, a mesmerizing underwater kingdom that provides her family with magic. But just as escape is within reach, her parents and twelve siblings fall under a strange sleeping sickness, and no one can find a cure. In the space of a single night, Ekata inherits the title of duke, her brother's captivating warrior bride, and ever-encroaching challengers from without—and within—her ministry. Nothing has prepared Ekata for diplomacy, for war, for love . . . or for a crown she has never wanted. If Kylma Above is to survive, Ekata must seize her family's magic and power. And if Ekata is to survive, she must quickly decide how she will wield them both. The Winter Duke is an enchanted tale of intrigue by Claire Eliza Bartlett, author of the acclaimed young adult fantasy novel *We Rule the Night*.

Misrule - Heather Walter

The Dark Grace is dead. Feared and despised for the sinister power in her veins, Alyce has spent 100 years wreaking her revenge on the kingdom that made her an outcast. Once a realm of decadence and beauty, Briar is now wholly Alyce's wicked domain. No one escapes the consequences of her wrath. Not even the one person who holds her heart. Princess Aurora saw through Alyce's thorny facade, earning a love that promised the dawn of a new age. But that love came with a heavy price: Aurora now sleeps under a curse that even Alyce's vast power cannot seem to break, and their dream of the world they would have built together is nothing but ash. Alyce vows to do anything to wake the woman she loves, even if it means descending into the monster Briar believed her to be. But could Aurora ever love the villain Alyce has become? Or is true love only for fairy tales? "

Princess Aurora saw through Alyce's thorny facade, earning a love that promised the dawn of a new age. But that love came with a heavy price: Aurora now sleeps under a curse that even Alyce's vast power cannot seem to break, and their dream of the world

her father cut out her heart and replaced it with one of glass. When she moves to Whitespring Castle and sees its king for the first time, Mina forms a plan: win the king's heart with her beauty, become queen, and finally know love. The only catch is that she'll have to become a stepmother. Fifteen-year-old Lynet looks just like her late mother, and one day she discovers why: a magician created her out of snow in the dead queen's image, at her father's order. But despite being the dead queen made flesh, Lynet would rather be like her fierce and regal stepmother, Mina. She gets her wish when her father makes Lynet queen of the southern territories, displacing Mina. Now Mina is starting to look at Lynet with something like hatred, and Lynet must decide what to do—and who to be—to win back the only mother she's ever known...or else defeat her once and for all. Entwining the stories of both Lynet and Mina in the past and present, *Girls Made of Snow and Glass* traces the

relationship of two young women doomed to be rivals from the start. Only one can win all, while the other must lose everything—unless both can find a way to reshape themselves and their story.

We Were Promised Spotlights -

Lindsay Sproul 2020-03-24

The Miseducation of Cameron Post meets Everything Leads to You in this queer young adult novel. Hopuonk, Massachusetts, 1999 Taylor Garland's good looks have earned her the admiration of everyone in her small town. She's homecoming queen, the life of every party, and she's on every boy's most-wanted list. People think Taylor is living the dream, and assume she'll stay in town and have kids with the homecoming king--maybe even be a dental hygienist if she's super ambitious. But Taylor is actually desperate to leave home, and she hates the smell of dentists' offices. Also? She's completely in love with her best friend, Susan. Senior year is almost over, and everything seems perfect. Now Taylor just has to figure out how to throw it all away. Lindsay Sproul's debut is full of compelling introspection and painfully honest commentary on what it's like to be harnessed to a destiny you never wanted.

L. Moody 2020-08-18

A royal young adult epic fantasy novel with fae, magic, and enemies to lovers. Faerie wasn't supposed to be real. Tricked by a fae prince, Elora is stuck in the Faerie realm far from her young sisters who depend on her for survival. Under the terms of her bargain, she can't go home to the mortal world until Prince Brannick becomes the next High King. Or until he's taken out of the running... Sabotaging Brannick's chance at the crown will be much faster than helping him win. The fae prince may be charming, powerful, and wickedly handsome, but that won't stop Elora from selling his secrets to the highest bidder. By day, she uses her master sword skills to train the prince. By night, she conspires with a rival king in a nearby court whose plans could destroy half of Faerie. Soon, lives are at stake that she never expected. She'll have to choose who to save: her beloved sisters or half the

[On Doing Nothing](#) - Roman Muradov 2018-04-24

In an age of obsessive productivity and stress, this illustrated ode to idleness invites you to explore the pleasures and possibilities of slowing down. Beloved author and illustrator Roman Muradov weaves together the words and stories of artists, writers, philosophers, and eccentrics

who have pursued inspiration by doing less. He reveals that doing nothing is both easily achievable and essential to leading an enjoyable and creative life. Cultivating idleness can be as simple as taking a long walk without a destination or embracing chance in the creative process. Peppered with playful illustrations, this handsome volume is a refreshing and thought-provoking read.

“Whimsical, clever, and companionable . . . *On Doing Nothing* provides a much-needed correction to our distracted, anxiety-ridden, and increasingly disembodied culture. Muradov has written and illustrated a kind of Situationist, Oulipian *Ways of Seeing*—a manual for clarity and presence, a book which issues a call to attention; a call to pay attention. The smart yet approachable philosophical reflections unfold like a leisurely stroll through a beautiful and unfamiliar city, provoking thoughtfulness and eliciting in the reader a spirit of discovery.” —Peter

Girl, Serpent, Thorn -

Melissa Bashardoust

2021-06-01

Melissa Bashardoust's *Girl, Serpent, Thorn* is a captivating fantasy about a princess cursed to be poisonous to the touch, and who discovers what power might lie in such a curse. There was and there was not, as all stories begin, a princess cursed to be poisonous to the touch. But for Soraya, who has lived her life hidden away, apart from her family, safe only in her gardens, it's not just a story. As the day of her twin brother's wedding approaches, Soraya must decide if she's willing to step outside of the shadows for the first time. Below in the dungeon is a demon who holds knowledge that she craves, the answer to her freedom. And above is a young man who isn't afraid of her, whose eyes linger not with fear, but with an understanding of who she is beneath the poison. Soraya thought she knew her place in the world, but when her choices lead to

consequences she never imagined, she begins to question who she is and who she is becoming...human or demon. Princess or monster. *The Princess Will Save You* - Sarah Henning 2020-07-07 DON'T MESS WITH THE CROWN... When her father dies, Princess Amarande is given an ultimatum: marry the leader of a neighboring kingdom, or lose her crown—and possibly her life. To force her hand, her beloved, the stableboy Luca, is kidnapped. But Amarande was raised to be a warrior, not a sacrifice. And nothing will stop her from saving her true love. *The Kingdoms of Sand & Sky Trilogy Book 1: The Princess Will Save You Book 2: The Queen Will Betray You Book 3: The King Will Kill You* (forthcoming) Praise for *The Princess Will Save You* "Everything we love about YA fantasy, complete with first love, sweeping adventure, and a fierce heroine who holds her own. There's something for everyone in this book."—Adrienne Young, *New*

York Times bestselling author of *The Sky in the Deep* “An action-packed adventure with a fierce heroine that is sure to enthrall! Sarah Henning has created a fantasy narrative that weaves together love and betrayal, pirates and swordplay. Sure to please anyone who grew up loving tales of princesses.”—Emily Lloyd-Jones, author of *The Bone Houses* “Full of inconceivable wit, daring adventure, and cunning political machinations...It’s as if Sarah Henning looked into my soul that yearned for a book like *The Princess Bride* and said—as you wish. And yes, this is a kissing book.”—Ashley Poston, author of *Heart of Iron* “A breakneck fantasy adventure.... Swoony romance, sword fights, a great cast of characters and some clever parallels to a story about another princess who won’t be made a bride makes *The Princess Will Save You* a strong contender for my favorite novel of the year.”—Emily Hall Schroen, *Main Street Books*, St. Charles, Missouri At the

2021-08-17

The hotly anticipated epic and phenomenal West-African inspired finale to the New York Times bestselling YA fantasy *Raybearer*. For the first time, an Empress Redemptor sits on Aritsar's throne. To appease the sinister spirits of the dead, Tarisai must now anoint a council of her own, coming into her full power as a *Raybearer*. She must then descend into the Underworld, a sacrifice to end

all future atrocities. Tarisai is determined to survive. Or at least, that's what she tells her increasingly distant circle of friends. Months into her shaky reign as empress, child spirits haunt her, demanding that she pay for past sins of the empire. With the lives of her loved ones on the line, assassination attempts from unknown quarters, and a handsome new stranger she can't quite trust, Tarisai fears the pressure may consume her. In this finale to the *RAYBEARER* duology, Tarisai must learn whether to die for justice . . . or to live for it.
