Study Guide to God, Sex and Marriage John Richardson 1997

God Made Men Too John Dykers 2019-06-19 This is not a "easy" read. The subject and the style require the reader to make broad connections about the individual relationships between men and women, and even broader connections between that relationship and other relationships. Trying to create a mathematical scaffold for pregnancy prevention and climate change is difficult enough. When we must stretch that connection to include our capacity to organize ourselves, our economics, our religions and our cultures, we are required to put our hearts and brains to work. However, when some of these switches click, we may gain insights that make our individual and our political lives make more sense. Preventing unintended pregnancies may be more useful than building seawalls, but this book challenges us to evaluate both in a more useful way for our survival as a species. Are we worth it?

God and Sex Mark Whitwell 2019 "God and Sex: the two most powerful and misunderstood words in the English language. The presumed separation between God and Sex has vulgarized both and made them painful, anxiety inducing, and useless to our lives. Lucid, radical and gentle, this long-awaited book from globally beloved teacher Mark Whitwell clarifies the old cultural division of the sacred and the profane and how it has affected all of our lives, whether we are religious or no, and charts a way through the mess. What if I were to tell you that you can fully participate in both God and Sex? By bringing them together into clear association, each purifies the other, and both can be made profoundly useful to your life. Life is Sex. The pollen in the air is the Sex of plants. The flowers and the sounds of animals are the Sex of nature. No matter how convoluted the human mind becomes, we are still this condition. We do not need to 'become' anything in order to have a free and healthy life. There is nothing to be liberated from. This book is for any sincere religious person conflicted about Sex, and any secular modern person trying to find a positive and enriched sexuality. It's for anyone who thinks they have to give up Sex to get to God, and anyone who thinks they have to give up God in order to enjoy Sex. It is for both men and women, for those in same-sex or opposite-sex partnerships, for those looking for partnership, and for those happily by themselves. It is for anyone wondering "What is intimacy?" and wanting a framework to understand the damage done to our lives by the belief systems that suggested God was above and Sex was below. It's for anyone dissatisfied or bored by relationship drama and the normal definitions of God and Sex-God as 'other,' Sex as something sleazy, effortful, hard to get, or fundamentally disappointing. It is for those who wish to turn their sexual life into the heart's activity, participation in God, and for those who wish to turn their religious life into the heart's activity, participation in profound intimacy with their breath, their body, and relationship of every kind. We have all been affected by the dysfunctional separation of sacred and profane. This writing is transmission that will dismiss the absurd idea that you can have God or Sex, but not both, and enable you to realise that you are, in fact, the power of the cosmos, arising as pure intelligence and utter beauty"--silversnakepress.com.

Taking God to Bed With You John Adam Kovin 2007-07 If the Bible were correctly categorized it would be found in the fiction section of our local book store. If Pinocchio or Cinderella were considered to be true accounts of history, imagine how insane it would be to believe in them. Thus you have an accurate comparison of the insanity of accounts noted in the Bible. God created our sexuality for us to enjoy as well as use for procreation, therefore, it is a God given gift as well. This book is intended to brainwash you into knowing the truth about God, the evil behind organized religion and the falsehood of sexual shame. We all need a good brainwashing since our brains have been so polluted from the information that has been taught to us by church and state. Someday we will look back at ourselves and realize that we are now living in the dark ages. I hope you read this book with an open mind and learn to decide for yourself what God you choose to believe in and use the knowledge that I have provided to help you enjoy your sex powers and invite God into your life, as well as your bedroom.

Why Wait ROSE PUBLISHING. 2001-06 Why Wait? is a best-selling abstinence education booklet for Christians. It discusses one of the biggest challenges among teens and singles: pre-marital sexual activity. This bestselling full-color pamphlet presents 24 reasons--12 biblical and 12 medical and emotional--to think twice before risking health and happiness on sex outside of marriage. Although many public school students receive sex education in school, Christians have a distinct view of the sacredness of sex that is usually not presented in a classroom setting. This Why Wait Pamphlet is a very basic abstinence education overview from a Christian stance that presents a Christian viewpoint on human sexuality in a simple 1-2 hour discussion. The reality is that many students today have experienced sexual contact already. Some have been taken advantage of. Others were pressured or coerced. Some have simply been naive. This grace-filled pamphlet also helps those who want to be assured of God's constant love and good plan no matter what they have experienced. It is never too late to treat yourself with respect and expect others to do the same. Abstinence Education from a Christian Point of View Teens and single adults ask themselves, Why Wait? Why does God care if I have sex? Everyone else is doing it. In fact, these many people are often surprised to discover that God does have very good reasons for us to wait for sex until marriage. The pamphlet presents 12 of God's compelling reasons to wait, but also provides ideas for those who have not, as well as an encouraging section on "second-time virginity." Sources for the Medical Information in this Abstinence Education Booklet All of the medical information on this pamphlet is from nationally known health organizations or researchers, such as the Centers for Disease Control, the Alan Guttmacher Institute, the National Institutes for Health, the Kaiser Family Foundations, and Johns Hopkins Medical School.

Why Does God Care Who I Sleep With? Sam Allberry 2020-03 Answers one of the biggest barriers to belief. Christians are increasingly seen as outdated, restrictive and judgmental when it comes to sex before marriage, cohabitation and homosexuality. In fact for many people, this issue is one of the biggest barriers for them considering Christianity. Sam Allberry, author of many books including Is God Anti-gay sets out God's good design for the expression of human sexuality, showing that God himself is love and that only he can satisfy our deepest desires. It is a great reminder of the Bible's positive blueprint for love, sex and marriage and ideal

for giving away to people who may see this as a stumbling block for belief.

Marriage Christopher Ash 2003 The 'way of a man with a maiden' was too wonderful for the writer of Proverbs to understand. Preoccupying so many thoughts and dreams, the subject of countless songs, films and fairytales, the love between a man and a woman has always been a profound and perplexing mystery. And yet we do not live happily ever after. Four out of ten marriages will end in divorce. Couples now choose to live together rather than marry, and those relationships are even less likely to last. People are having fewer children, later, and with a succession of partners. Ironically, just when so much is expected of love, Western societies are witnessing lower levels of public commitment in sexual relationships than ever before. The scale of this change amounts to a revolution, a major historical paradigm shift. The statistics mask a depth of pain that every pastor and counsellor knows only too well. We must face the inevitable questions: if faithfulness is no longer esteemed, why get married at all? What is marriage? What did God intend when he gave us marriage? Christopher Ash argues that our modern idolization of the sexual relationship contains within itself the seeds of its own destruction. To begin to rebuild a biblical confidence in marriage, we need to understand that the primary blessing and purpose of marriage is not sexual intimacy, but rather serving God in partnership. This in turn leads to the blessings of love, friendship, children, and order in society, and will help us to rediscover that faithfulness which is the heart of marriage.

God Loves Sex and Money Sia Alexander-Brume 2014-03-01 It is no secret that we as human beings have a love/hate relationship with sex and money. In, *God Loves Sex and Money: 7 Secret Reasons Why You Should Too*, a new way of looking at the relationship between God, sex and money is posited, in an effort to free readers from psycho-spiritual inner conflict. The goal is to liberate, heal and enlighten the mass consciousness on these three seemingly antithetical concepts.

God and Sex Michael Coogan 2010-10-01 An examination of sex and the Bible by one of the leading biblical scholars in the United States. For several decades, Michael Coogan's introductory course on the Old Testament has been a perennial favorite among students at Harvard University. In *God and Sex*, Coogan examines one of the most controversial aspects of the Hebrew Scripture: What the Old Testament really says about sex, and how contemporary understanding of those writings is frequently misunderstood or misrepresented. In the engaging and witty voice generations of students have appreciated, Coogan explores the language and social world of the Bible, showing how much innuendo and euphemism is at play, and illuminating the sexuality of biblical figures as well as God. By doing so, Coogan reveals the immense gap between popular use of Scripture and its original context. *God and Sex* is certain to provoke, entertain, and enlighten readers.

What Every Woman Wished She Had Known at 15 Carol A. Hill 2017-01-05 A biographical account of how one woman came to understand that God's plan of keeping the marriage bed pure is preferable to having casual sex outside of marriage. It is the authors hope that honor can be restored to the sanctity of marriage and how God sees us as His precious jewels, with a price far above rubies. Statistics show that 1 of 3 women have suffered sexual abuse, often as children, and offers hope for those who have been verbally or physically abused. Abuse is the darkness behind sexual promiscuity; and full restoration is available through the blood of Jesus. God, Sex, and Your Marriage Juli Slattery 2022-06-07 Many Christian books talk about sexual issues within broader works on marriage, but few resources comprehensively and biblically guide couples specifically on sexual intimacy. *God, Sex, and Your Marriage* challenges the common assumptions couples have about sexuality and presents the richer biblical narrative of sex as a metaphor of God's covenant love. Dr. Juli Slattery applies that biblical framework to the practical challenges in sexual intimacy. Godly sexuality extends far beyond sexual purity and calls us to sexual integrity. God invites every couple to view their sexual relationship, including their greatest struggles, as an avenue to learn about the nature of His covenant love. It's God desire to make us more like Himself and sex within marriage is often a powerful training ground for godly character. That desire gives purpose and context to addressing pornography, healing from past wounds, sexual incompatibility, pursuing pleasure together, and forgiveness.

We have never seen more hurt and lonely people anywhere than on this planet at the moment. You are all in such a state that we have come from far and wide, from different times and places, to teach you how to relieve the deep suffering you are in. Sex God Rob Bell 2010-01-02 Sex. God. You know the two subjects are connected; you just don't have the words for how they are connected. And they cannot be separated. Where the one is, you will always find the other. When you actually live and feel and engage, you discover that the physical things around us are like windows into more. And when you talk about sexuality, you quickly end up in the spiritual--because 'this' is always about 'that.' Something deeper. Something behind it all. You can't talk about sexuality without talking about how we were made. About how we relate to each other. About how we were made to relate to each other. And that will inevitably lead you to who made us. At some point you have to talk about God. To make sense of the one, we have to explore the other. That is what this book is about.

Sex and the Single Girl Dr. Juli Slattery 2017-08-01 A study on sex that goes beyond "just don't do it." Sexuality is a hot topic these days, and opinions are all over the place. A resource offering simple "do's and don'ts" won't cut it. *Sex and the Single Girl* fills the gap by providing a broader, more comprehensive understanding of what it means to honor God with our sexuality. This resource will equip single women to understand their sexuality, trust the Lord for redemption and healing, and stand against the cultural trends that marginalize and compromise God's design for sex. Juli Slattery is a clinical psychologist, cofounder of Authentic Intimacy, and author of several popular books, including *25 Questions You're Afraid to Ask About Love, Sex, and Intimacy*. She has devoted the last five years to equipping women with God's truth about sexuality, and here she drives home the truth that every sexual choice is also a spiritual choice. The six-week study is broken down into five days for each week, covering: Why Sexuality Matters: The connection between spirituality and sexuality Embracing a Grand Design: God's design and the beauty of living according to His wisdom. Sexuality and Your Character: How sexuality is part of worship and Christian identity. Sexual Boundaries: A very practical chapter providing a biblical grid for matters like masturbation, oral sex, and how far is too far to go in a dating relationship. Battling Temptation: A peak at "the enemy's playbook," helping women anticipate, prepare for, and stand against sexual temptation. Restoring Intimacy with God: How God can tear down the wall of sexual sin, shame, and confusion through forgiveness and redemption. This study has been tested through pilot groups with college women and other 20somethings. Revised according to their feedback, it is primed and ready to help any single woman think biblically about sexuality, live accordingly, and experience the joy and freedom of doing so. *Sex and the Single Girl* is especially relevant today. One of the greatest threats to the modern church and emerging adults is the distortion of sexual design. Study after study has documented the proliferation of porn use (among both men and women), sexual exploitation on college campuses, experimentation with homosexuality and bi-sexuality, and the acceptability of multiple sexual partners. The average single Christian has received very little teaching on the purpose of sexuality, and a simple "just wait until you're married" approach won't cut it. Christian singles need to be equipped with a biblical worldview of sexuality and practical tools for talking it out. This study, which Slattery created with two women familiar with curriculum development, is ideal for college campuses and small groups. It will prompt discussions on practical topics like sexual temptation, sexual conduct, and responding to cultural thinking on gender issues and sexual autonomy. It is designed to challenge women to examine the assumptions underlying their sexual behaviors and beliefs. The ultimate goal of this resource is to introduce women to an intimate relationship with God who cares about every aspect of her life.

The God of Sex Peter Jones 2006 A placard carried in the San Diego Gay Parade said it all: "He's your God. They're your rules. You go to Hell." Clearly, there is no longer any commonly held ultimate authority. So merely quoting Bible verses at gays and other "sexual sinners" to prove they are immoral is equally unsuccessful, if not destructive. For the sake of our young people, for the sake of our churches, for the sake of society and our world, Christians must understand the connection of spirituality and sexuality if we are to communicate relevantly to our postmodern culture. Jones gives an objective, honest appraisal of contemporary sexual trends and puts them up against God's clear (and beautiful) design for sex as a spiritual expression. Features and Benefits Helps Christians break out of typical parameters to help them understand and relevantly engage the culture. Nonbelievers will find this book objective and non-offensive, fairly representing postmodern worldviews. Thorough index and bibliography makes this book a powerful resource tool.

Picture that as a headline on the cover of *Cosmopolitan*! By using scripture throughout the Bible, *Passion Pursuit* not only urges women to pursue passion but details how God has given them permission to do so. Though there is fun to be had along the way in this study, it hits hard on the questions women have but are hesitant to ask, like: What does God say is okay and not okay in the bedroom? I'm 54 years old; how can my husband still be attracted to me? Why did God make men and women so different? This audaciously bold study combines the psychological expertise of Dr Juli Slattery, formerly of Focus on the Family, along with moving stories from trusted Bible teacher and best-selling author Linda Dillow. The groups who have already done this study have seen their marriages come alive, whether they've been married four months or forty years; be next!

Sex and Marriage Gaudenzia Piccio's 2022-09-08 Who told you that Christians aren't supposed to have sexual relationships? Who told you that if you're religious, you shouldn't have mind-blowing sex with your partner? What is marriage? When a man and a woman get married, they love each other and have amazing sex, which leads to having kids. God's love is like a sexual relationship for couples who are in love. Whoever told you that you are too old to have sex with your partner or that your body is too weak to ride a man hasn't read this book. Thank you for reading it before they do. Marriage is supposed to be full of love and mind-blowing sex that makes you forget about your problems. Gaudenzia Piccio's advice is bold and works. It will help you bring the spark back into your bedroom and your marriage. It is thought that one out of every three married couples has problems because their sexual desires don't match. Do you? If you want to stop fighting with your partner about sex and rekindle your love for each other, you need this book. Gaudenzia Piccio's book *Marriage and Sex* will help you understand why being blasé or angry about mind-blowing sex could hurt your relationship. *Sex and Marriage* covers every aspect of the sexual libido problem and is full of moving stories from couples who have dealt with a loss of sexual desire and rebuilt their passionate connection. If you're the more sexually active partner, you'll be relieved. Someone finally gets how you feel about the hole in your marriage. Find out why your pleas for touch have been ignored and why the way you handle lulls in your relationship could be a turnoff. Most importantly, you should find new ways to get your partner to care about your desire for more physical closeness. If you're a partner and your libido is low, you're not alone. You'll learn about the physical and mental things, like unresolved relationship problems, that may be making

your bedroom cold, as well as what you can do to warm it up. And if you're a man, you might be surprised to learn that a huge number of men, even those whose sexual organs work fine, also "get headaches." You and your partner will find the ideas, encouragement, and answers you need in Sex and Marriage.

Purposeful Sexuality Ed Shaw 2021-01-21 If God means for us to save sex for marriage, why doesn't he just zap us with sexuality on our wedding night? Why do most of us experience sexual feelings throughout our adult lives, not just in the safe confines of marriage? Is limiting marriage to the union of a man and a woman anything but outdated prejudice? What is our sexuality actually for? Today's culture overwhelmingly tells us that sex is essential for human flourishing. Far too often the church perpetuates the same message - as long as you are married. But far from being liberating, this idolising of sex leaves us even more sexually broken than before. With refreshing honesty and clarity, Ed Shaw calls on the church to rediscover its confidence in the Bible's teaching about our ability to experience or express sexual feelings. He points us to how God's word reveals that sexuality's ultimate purpose is to help us better know God and the full power of his passionate love. He shows us how this is surprisingly good news for all our joys and struggles with sexuality.
