## **The Art of Asking** - Amanda Palmer 2014-11-11

Rock star, crowdfunding pioneer, and TED speaker Amanda Palmer knows all about asking. Performing as a living statue in a wedding dress, she wordlessly asked thousands of passersby for their dollars. When she became a singer, songwriter, and musician, she was not afraid to ask her audience to support her as she surfed the crowd (and slept on their couches while touring). And when she left her record label to strike out on her own, she asked her fans to support her in making an album, leading to the world's most successful music Kickstarter. Even while Amanda is both celebrated and attacked for her fearlessness in asking for help, she finds that there are important things she cannot ask for—as a musician, as a friend, and as a wife. She learns that she isn't alone in this, that so many people are afraid to ask for help, and it paralyzes their lives and relationships. In this groundbreaking book, she explores these barriers in her own life and in the lives of those around her, and discovers the emotional, philosophical, and practical aspects of The Art of Asking. Part manifesto, part revelation, this is the story of an artist struggling with the new rules of exchange in the twenty-first century, both on and off the Internet. The Art of Asking will inspire readers to rethink their own ideas about asking, giving, art, and love.

## Professor Kelli's Guide to Finding a Husband - M. S. W. Kelli Miller 2010-05-22

I know what you're thinking. You hate me. You got a glimpse of my ring and you're pissed. I know your kind because I was once your kind. Every time I saw a happy couple I could feel last night's dinner coming up. When I saw wedding magazines I wanted to take a blowtorch to each one of them. Engagement rings? The only way you could talk to me about OkaratsO was if you were going to feed one to your pet rabbit. Yes, I was

sick. Sick of set-ups, match-ups, and break-ups. I've been on blind dates and I've been on dates where I wish I were blind. But I finally did find Mr. Right. And I'm going to show you how. Through humor, empowerment, and basic common sense clinical social worker "Professor Kelli" instills confidence in women, makes them laugh at their situation (or the men they've dated), and teaches them the process of letting go and staying present. Sure, it's about finding a husband but it's more about finding you first.

**The Charisma Myth** - Olivia Fox Cabane 2013-03-26

What if charisma could be taught? The charisma myth is the idea that charisma is a fundamental, inborn quality—you either have it (Bill Clinton, Steve Jobs, Oprah) or you don't. But that's simply not true, as Olivia Fox Cabane reveals. Charismatic behaviors can be learned and perfected by anyone. Drawing on techniques she originally developed for Harvard and MIT, Cabane breaks charisma down into its components. Becoming more charismatic doesn't mean transforming your fundamental personality. It's about adopting a series of specific practices that fit in with the personality you already have. *The Charisma Myth*

shows you how to become more influential, more persuasive, and more inspiring.

**Get Over Yourself!** - Patti Novak 2008-12-30

True love doesn't just happen, notes professional matchmaker Patti

Novak. You have to work for it—and want it. Forget eight-minute speed dates or online dating sites with twenty-page questionnaires that promise a scientifically calculated perfect match. The fact that you both like golf, stamp collecting, and pizza with anchovies is great, but it won't mean a thing if you don't feel that zing. But before there can be sparks, there have to be dates. And before the first date, you need to get over yourself! Taking a tough-love approach, and in her signature straight-shooting style, Patti will show you how to fix what needs to be fixed, reach your core, and identify who you are and what you want in a partner. She uses a three-part common-sense formula: • **Getting Over What?** Assess your dating weaknesses, recognize what's not working, and adjust your expectations. Delve into your personal history and past relationships, and pinpoint the issues that have been holding you back. • **Almost Over It** Fine-tune your attitude, your look, and your behavior to maximize your dating chances. Novak lays out strategies to help you deal with the brutal dating monsters you find along the way. • **Over It** Learn the do's and don'ts of the first date, the second date, and beyond. Remember, it's not a job interview or therapy session. Pretend you're meeting a new friend, not a prospective husband or wife. Finding your one and only isn't about having the right shoes or a flat stomach. It's about being true to yourself, being vulnerable, and being ready for love. Whether you're new to the dating scene, divorced and looking, or just trying to reach that second date, *Get Over Yourself!* will help you get the love you've always wanted and deserve.
