More Brilliant than the Sun Kodwo Eshun 2020-02-04 The classic work on the music of Afrofuturism, from jazz to jungle *More Brilliant than the Sun: Adventures in Sonic Fiction* is one of the most extraordinary books on music ever written. Part manifesto for a militant posthumanism, part journey through the unacknowledged traditions of diasporic science fiction, this book finds the future shock in Afrofuturist sounds from jazz, dub and techno to funk, hip hop and jungle. By exploring the music of such musical luminaries as Sun Ra, Alice Coltrane, Lee Perry, Dr Octagon, Parliament and Underground Resistance, theorist and artist Kodwo Eshun mobilises their concepts in order to open the possibilities of sonic fiction: the hitherto unexplored intersections between science fiction and organised sound. Situated between electronic music history, media theory, science fiction and Afrodiasporic studies, *More Brilliant than the Sun* is one of the key works to stake a claim for the generative possibilities of Afrofuturism. Much referenced since its original publication in 1998, but long unavailable, this new edition includes an introduction by Kodwo Eshun as well as texts by filmmaker John Akomfrah and producer Steve Goodman aka kode9.

Holy Cow, I Sure Do Love You! Amy Krouse Rosenthal 2016-09-20 An illustrated love note filled with moo-ving declarations by one adorable cow, from the New York Times–bestselling duo. HEY, U UP? (For a Serious Relationship) Emily Axford 2018-02-13 Humorous dating advice from two married comedians, former *CollegeHumor* writers and stars of the *Hot Date* tv series. Who better to write a very humorous manual about evolving modern relationships than two *CollegeHumor* veterans and viral-video stars who happen to be a real-life husband-and-wife team? With candor, bite, and charm, *HEY, U UP?* takes readers on an eight-chapter journey through the trials of hooking up to the foibles of marriage, and combines the authors’ prescriptive advice with the unfolding story of their own relationship. *HEY, U UP?* tackles all the milestones of relationships today—both glorious and embarrassing—with sections ranging from “How to Ask Someone Out After You’ve Slept with Them” all the way to “Establish Your Family as the Christmas Family by Turning Your Significant Other Against Their Own Parents.” In addition to the laugh-out-loud essays, lists, questionnaires, and even flowcharts further enliven the pages.

Plant a Kiss Amy Krouse Rosenthal 2020-02-04 From the beloved New York Times bestselling author of *Dear Girl*, Amy Krouse Rosenthal, a simple and timeless celebration of the power of love. Little Miss planted a kiss... One small act of love blooms into something bigger and more dazzling than Little Miss could have ever imagined in this epic journey about life, kindness, and giving. Amy Krouse Rosenthal and Peter H. Reynolds team together to share a message of hope and to remind us all of the joys to be gained from being open and unselfish. *Plant a Kiss* works to spark the imagination of the youngest readers, but it will also resonate with anyone, such as a new graduate, who responds to the power of planting a kiss.

Getting to Maybe Richard Michael Fischl 1999-05-01 Professors Fischl and Paul explain law school exams in ways no one has before, all with an eye toward improving the reader’s performance. The book begins by describing the difference between educational cultures that praise students for “right answers,” and the law school culture that rewards nuanced analysis of ambiguous situations in which more than one approach may be correct. Enormous care is devoted to explaining precisely how and why legal analysis frequently produces such perplexing situations. But the authors don’t

stop with mere description. Instead, *Getting to Maybe* teaches how to excel on law school exams by showing the reader how legal analysis can be brought to bear on examination problems. The book contains hints on studying and preparation that go well beyond conventional advice. The authors also illustrate how to argue both sides of a legal issue without appearing wishy-washy or indecisive. Above all, the book explains why exam questions may generate feelings of uncertainty or doubt about correct legal outcomes and how the student can turn these feelings to his or her advantage. In sum, although the authors believe that no exam guide can substitute for a firm grasp of substantive material, readers who devote the necessary time to learning the law will find this book an invaluable guide to translating learning into better exam performance. "This book should revolutionize the ordeal of studying for law school exams... Its clear, insightful, fun to read, and right on the money." — Duncan Kennedy, Carter Professor of General Jurisprudence, Harvard Law School "Finally a study aid that takes legal theory seriously... Students who master these lessons will surely write better exams. More importantly, they will also learn to be better lawyers." — Steven L. Winter, Brooklyn Law School "If you can't spot a 'fork in the law' or a 'fork in the facts' in an exam hypothetical, get this book. If you don't know how to play 'Czar of the Universe' on law school exams (or why), get this book. And if you do want to learn how to think like a lawyer—a good one—get this book. It's, quite simply, stone cold brilliant." — Pierre Schlag, University of Colorado School of Law (Law Preview Book Review on The Princeton Review website) Attend a *Getting to Maybe* seminar! The Story of the Thirteen Colonies H. A. Guerber 2019-11-22 This work is a history book of the original Thirteen Colonies of the United States. They were originally a group of British colonies on the Atlantic coast of North America, who fought the American Revolutionary War and formed the United States of America by declaring full independence. Just prior to declaring independence, the Thirteen Colonies in their traditional groupings were: New England (New Hampshire; Massachusetts; Rhode Island; Connecticut); Middle (New York; New Jersey; Pennsylvania; Delaware); Southern (Maryland; Virginia; North Carolina; South Carolina; and Georgia).

The Belly Book Amy Krouse Rosenthal 2006-03 A gorgeous 9-month journal for a mother-to-be.

Textbook Amy Krouse Rosenthal Amy Krouse Rosenthal 2016-08-09 The bestselling author of *Encyclopedia of an Ordinary Life* returns with a literary experience that is unprecedented, unforgettable, and explosively human. Ten years after her beloved, groundbreaking *Encyclopedia of an Ordinary Life*, #1 New York Times bestselling author Amy Krouse Rosenthal delivers a book full of her distinct blend of nonlinear narrative, wistful reflections, and insightful wit. It is a mighty, life-affirming work that sheds light on all the ordinary and extraordinary ways we are connected. Like she did with *Encyclopedia of an Ordinary Life*, Amy Krouse Rosenthal ingeniously adapts a standard format—a textbook, this time—to explore life's lessons and experiences into a funny, wise, and poignant work of art. Not exactly a memoir, not just a collection of observations, *Textbook Amy Krouse Rosenthal* is a beautiful exploration into the many ways we are connected on this planet and speaks to the awe, bewilderment, and poignancy of being alive. "...a groundbreaking new twist on the traditional literary experience... *Textbook* is a delightful collection of interesting scenarios that directly point to life lessons. Rosenthal manages to spotlight grand moments and everyday moments with equal curiosity, proving that it can be both a privilege — and petrifying — to peek into one's humanity." —Associated Press "Rosenthal is a marvel... a talented storyteller with an experimental flair for formatting... This engaging, playful, and clever glimpse into one woman's life offers lots of photographs, graphic illustrations, and diagrams, resulting in a book that will make readers smile as their notions of story delivery expand." —Booklist

The OK Book Amy Krouse Rosenthal 2010-12-07 From the team that created the bestselling *I Wish You More*, this is a motivational picture book for exceptionally OK children! In this clever and visual play on words, OK is turned sideways, upside down, and right side up to show that being OK can really be quite great. With spare yet comforting illustrations and text, bestselling duo Amy Krouse Rosenthal and Tom Lichtenheld celebrate the real skills and talents children possess, encouraging and empowering them to discover their own individual strengths and personalities. Whether OK personifies an OK skipper, an OK climber, an OK lightning bug catcher, or an OK whatever there is to experience, OK is an OK place to be. And being OK just may lead to the discovery of what makes one great.

Angry Little Girls in Love Lela Lee 2023-03-18 "Angry Little Girls in Love" is re-released in larger size! *Angry Little Girls in Love*, is definitely not a cuddly, lovely-dovey, mushy love book. This book starts with the promising first date of Kim and Bruce who then find themselves in a dysfunctional boyfriend-girlfriend relationship. Their friends offer help and advice along the way. Featuring vengeful, sarcastic, and hopeless love cartoons, anyone who has been in a relationship or is trying to make sense of their love life, will surely get a laugh out of this book.

The Battle for Castle Cockatrice Gerald Durrell 1999-06-04 What do you get when you cross a bunch of odious toads and ornery fire-breathing birds with one parrot, a distressed dragon, a group of weasels, a troop of mermaids, a herd of unicorns, a band of gryphons, and three children? When Penelope, Simon, and Peter go to the beach, they get a surprise they'll never forget. A package washes ashore and begins to speak! The children open it up to reveal a talking parrot and spider who were kidnapped and sent away. Their home is Mythologia, where sunrise takes place all day long and magical creatures like Mooncalves and Will-o'-the-Wisps lived peacefully—until the evil Cockatrices decided to take over. And now the new rulers are threatening to turn it into a land of cruelty and fear. It's only a matter of time before the Cockatrices become all powerful. So with the help of a counterspy toad, Penelope, Simon, and Peter decide to do everything they can to help overthrow the wicked birds. But will they be able to

survive a trip to Mythologia's scariest places and defeat the evil Cockatrices? For Penelope, Simon, and Peter, a day at the beach is the beginning of an unforgettable adventure. A big brown package washes ashore and begins to speak! Imprisoned inside are Parrot and his companion Ducibelle, a spider, exiles from the land of Mythologia, where magical creatures like unicorns, dragons, and mermaids live together happily until the villainous cockatrices (half serpent, half rooster) take over and enslave the entire population. Can the children help defeat the evil cockatrices and restore peace to Mythologia? A charming, whimsical tour-de-force, *The Battle for Castle Cockatrice* is a classic story that fantasy readers will welcome back into print. A marvelously created fantasy. The Horn Book

Moo-Moo, I Love You! Tom Lichtenheld 2020-09-22 From the bestselling team behind *I Wish You More* comes a moo-ving ode to the love between parent and child—now in board book. The New York Times bestselling pair Tom Lichtenheld and Amy Krouse Rosenthal present utterly perfect expressions of affection to share between any cow and calf: I love you no matter your moo-d. I love giving you a big s-moo-ch. My love for you is as big as . . . a MOO-SE! With a universal message and warm, funny text that families will read and reread together, this exuberant book from two children's book superstars at their best is a moo-velous choice for gifts year-round, especially for fans of *I Love You to the Moon and Back* and *Guess How Much I Love You*.

Can I Sit on Your Lap While You're Pooping? Matthew Carroll 2016-03-08 A father shares hilarious quotations from his young daughter in this heartwarming compilation. Single father Matthew Carroll didn't always have someone to share in his frequent laughter and incredulity at the things said by his young daughter, Morgan. So he wrote down her best quotes to share with family and friends but soon discovered anyone could appreciate her pronouncements on topics such as sharing food, falling in love, growing up, where babies come from, and the dietary preferences of fairies. *Can I Sit on Your Lap While You're Pooping?* is the compilation of the hilarious, crazy, and touching things said by a little girl, but it's also the irresistible documentation of the love between a parent and child.

The Book of Eleven Amy Krouse Rosenthal 1998 This is a hip and outrageously funny text comprised of humorous Lists of Eleven. Forget about Letterman's Top Ten, Amy Krouse Rosenthal's random ponderings on quirky topics are refreshingly clever and zany. Her humor is of the great everyday observational type that everyone can relate to.

The Paper Tigers Allan David Ondash 2013-08-02 *The Paper Tigers* is a no holds barred account of traditional versus modern martial arts. It peers into the deepest corners of martial adeptness in a gallant effort to expose the most fraudulent practitioners and counterfeit claims. In the midst of its dark disparagements, it often abruptly turns on the light by instructing the reader in a step-by-step manner on the oldest known and most secretly reserved martial concepts and techniques. For the enthusiast and budding practitioner, it is a dictionary that defines every aspect of true martial arts, from the types of body language, power, speed and explosiveness utilized in achieving its most coveted physical goals, to the styles of mindfulness, breath control and awareness employed in the heightening of its spiritual presence. For many long-time practitioners, whether those from traditional backgrounds or those involved in sport-like styles such as kickboxing, MMA or UFC, the *Paper Tigers* blatantly challenges their idealisms, often forcing them to weigh their current methodologies against the traditional methodologies given so that they may determine once and for all not only which brands hold the highest amounts of physical, mental and spiritual content, but most importantly, which are fitting enough to actually be deserving of the name "martial arts." All in all, the *Paper Tigers* tends to lift the veil on martial arts in order to expose the unsentimental truth behind its inner workings.

Different Holy Cow I Sure Do Love You A Little Book Thats Oddly Moo Ving eBook Formats Explained

1. EPUB (Electronic Publication):

EPUB is one of the most common eBook formats, known for its versatility and compatibility across a wide range of eReaders and devices.

Features include reflowable text, adjustable font sizes, and support for images and multimedia.

EPUB3, an updated version, offers enhanced interactivity and multimedia support.

2. MOBI (Mobipocket):

MOBI was originally developed for Mobipocket Reader but is also supported by Amazon Kindle devices.

It features a proprietary format and may have limitations compared to EPUB, such as fewer font options.

3. PDF (Portable Document Format):

PDFs are a popular format for eBooks, known for their fixed layout, preserving the book's original design and formatting.

While great for textbooks and graphic-heavy books, PDFs may not be as adaptable to various screen sizes.

4. AZW/AZW3 (Amazon Kindle):

These formats are exclusive to Amazon Kindle devices and apps.

AZW3, also known as KF8, is an enhanced version that supports advanced formatting and features.

5. HTML (Hypertext Markup Language):

HTML eBooks are essentially web pages formatted for reading.

They offer interactivity, multimedia support, and the ability to access online content, making them suitable for textbooks and reference materials.

6. TXT (Plain Text):

Plain text eBooks are the simplest format, containing only unformatted text.

They are highly compatible but lack advanced formatting features.

Choosing the right Holy Cow I Sure Do Love You A Little Book Thats Oddly Moo Ving eBook format is crucial for a seamless reading experience on your device. Here's a quick guide to format compatibility with popular eReaders:

EPUB: Compatible with most eReaders, except for some Amazon Kindle devices. Also suitable for reading on smartphones and tablets using dedicated apps.

MOBI: Primarily compatible with Amazon Kindle devices and apps.

PDF: Readable on almost all devices, but may require zooming and scrolling on smaller screens.

AZW/AZW3: Exclusive to Amazon Kindle devices and apps.

HTML: Requires a web browser or specialized eBook reader with HTML support.

TXT: Universally compatible with nearly all eReaders and devices.
