Beauty's Alien Beast Linda Mooney 2018-11-02 As an intergalactic cop gifted with psionic abilities, Maurra instinctively went to the Ellinod's defense when she saw the immense and bestial-looking alien being attacked by a group of vicious Kronners. Little did she know what the Kronners had planned for her and the Ellinod until she woke up naked in a cell inside their ship. And it wasn't long before she found out a translation device had been implanted against her spine, debilitating her and making her helpless with pain whenever she tried to use her psi powers. Neither she nor the Ellinod had any idea how twisted their captors were, but they soon discovered that she and the beast were at the mercy of someone who expected them to "entertain" his "customers", and entertain them well regardless of the consequences. (Note: This book was previously released as *Captive Surrender*. It has been restored to its original content, including more than 7K additional words, and re-edited.)

Just Joshua Jan Michael 2013-03-20 Until the whispers began, Joshua was like all the other village boys, helping out at the market, making a little money from the tourists, getting up to mischief. Is it true what everyone is saying -- that Joshua's father is a 'mountain man', one of the people feared and mistrusted by the villagers? When Joshua's life takes a surprising turn, he discovers that being different does matter. Maybe it's not enough to be just Joshua?

The Silver Swan Amo Jones 2017-03-07 Riddle me this... "I am neither dead, nor alive, and I'm not something little Madison can hide. But you will be dead, by the time this is done... the timer starts now, and the games have just begun..." Madison Montgomery comes from money and power, but when someone close to her commits the ultimate crime, Madison must live with her tainted name for the rest of her life. When she begins Riverside Preparatory Academy, the private school her father has swept her into in The Hamptons, she hopes for a fresh start. What she wasn't hoping for was the pack of bad boys who run the school; ten, to be exact. When Madison gains the attention of their leader, Bishop Vincent Hayes, a whole new world that she didn't think existed is exposed to her. A whole world that starts and ends with The Elite Kings Club and these boys, are about to flip her world upside down. Secrets are overflowing and family lies are about to be exposed. Is there more to Madison Montgomery than even she knows? About this book: I need to admit something right now. The Silver Swan is f**cked. It might be the most insane story I've ever written with equally insane characters. Who knew? You know, when I started this book, it was supposed to be YA. I wanted to write a book that my sisters could read. A book that won't have people look at my mum like "damn... what sort of messed up shit happened to your kid?." The angst, the assholiness, the games, the f**kery, the WHAT THE F**KING F**K ARE YOU DOING !!!... I cannot even.... anyway, this is a warning (and the only one I'll give you). It's crazy. I don't compare my work to my others, but this book is f**ked. It will most likely stomp all the f**k over people's hard limits (and not give a sh*t while it's doing it) and will make you second guess all the morals you thought you had. This most definitely is not looking like a love story right now... more like a..... I don't even.... anyway, I apologise now. You asked for it..

Mountain Desire Vanessa Vale 2020-01-23 When Dr. Samantha Smyth confuses the town's sexy mechanic for a patient, she gets a lesson she'll never forget... Being a child genius might have made Sam a doctor by twenty-two, but she's learned nothing about men. Her world is scalpels and scrubs, not silk and seduction. Sam is used to receiving attention for her brain, not her body, but when Mac and Hardin find out she needs tutoring between the sheets, they volunteer for the job. They're diligent in their task, ensuring she's an expert in pleasure... with them. Only them. Mac knows he is nothing the beautiful doctor deserves. He works with his hands. He's rough around the edges, tattooed and older, but he wants her anyway. So does his best friend, Hardin. They've spent years searching for a woman they can claim together. One taste of Sam and it's not just passion they feel for their woman. It's protectiveness. Possession. When they discover Sam might be targeted by a murderer on the loose, they won't let anything take her away. And their protective instinct reaches a new level when Hardin discovers he might just be related to the killer.

Duke of Manhattan Louise Bay 2017-05 I was born into British aristocracy, but I've made my fortune in Manhattan. New York is now my kingdom. Back in Britain my family are fighting over who's the next Duke of Fairfax. The rules say it's me--if I'm married. It's not a trade-off worth making. I could never limit myself to just one woman. Or so I thought until my world is turned upside down. Now, the only way I can save the empire I built is to inherit the title I've never wanted-- so I need a wife. To take my mind off business I need a night that's all pleasure. I need to bury myself in a stranger. The skim of Scarlett King's hair over my body as she bends over . . . The scrape of her nails across my chest as she screams my name . . . The bite of her teeth on my shoulder just as we both reach the edge . . . It all helps me forget. I just didn't bargain on finding my one night stand across the boardroom table the next day. She might be my latest conquest but I have a feeling Scarlett King might just conquer me. A sexy, standalone romance.

King of Wall Street Louise Bay 2022-08-08 THE KING OF WALL STREET IS BROUGHT TO HIS KNEES BY AN AMBITIOUS BOMBHELL. At work, I'm King of Wall Street. The heaviest hitters in Manhattan come to me to make money. They do whatever I say because I'm always right. I'm shrewd. Exacting. Some say ruthless. At home, I'm a single dad trying to keep his fourteen year old daughter a kid for as long as possible. If my daughter does what I say, somewhere there's a snowball surviving in hell. And nothing I say is ever right. When Harper Jayne starts as a junior researcher at my firm, the barriers between my worlds begin to dissolve. She's the most infuriating woman I've ever worked with. I don't like the way she bends over the photocopier-it makes my mouth water. I hate the way she's so eager to do a good job-it makes my dick twitch. And I can't stand the way she wears her hair up exposing her long neck. It makes me want to strip her naked, bend her over my desk and trail my tongue all over her body. If my two worlds are going to collide, Harper Jayne will have to learn that I don't just rule the boardroom. I'm in charge of the bedroom, too. The King of Wall Street is a sexy, stand alone, contemporary romance. Other stand-alone books in this series. They can be read in any order. Book 2. Duke of Manhattan (Ryder & Scarlett) Book 3. The British Knight (Alexander & Violet) Book 4. The Earl of London (Logan & Darcy) Book 5. Park Avenue Prince (Sam & Grace)
