**Why Men Marry Some Women and Not Others** - John T. Molloy 2008-12-14

A groundbreaking book--based on years of the same thorough research that made the "Dress For Success" books national bestsellers--about how women can statistically improve their chances of getting married.

[The Secrets of Happily Married Women](#) - Scott Haltzman 2010-12-21

From the authors of the best-selling *The Secrets of Happily Married Men* comes the much-anticipated follow-up book *The Secrets of Happily Married Women*. In their first book, Dr. Haltzman and his coauthor Theresa Foy DiGeronmio outlined a recipe for men about growing a happy marriage: treat marriage with the same sense of purpose, resolve, and single-minded devotion that they have for their job. Although that workplace formula works well for men, an entirely different set of criteria resonate with women. In *The Secrets of Happily Married Women*, Dr. Haltzman tells us stories from real women who are happy in their relationships. These women know how to get more out of their partners by doing less, by not trying so hard to make men perfect, not dragging them to couples therapy, not expecting them to think or behave like a woman. These are women from Dr. Haltzman's clinical practice and culled from thousands of contributors to his Web site [www.HappilyMarriedWomen.com](http://www.HappilyMarriedWomen.com). They have learned to understand how men really work and tap into men's powerful hard-wired desire to please women and "be a better man."

**ROMANSWERS** - Carl E. Pickhardt Ph.D. 2001-05-03

ROMANSWERS - Practical answers to common questions troubling relationships, romance, and marriage. by Carl Pickhardt Ph.D. In a fast changing, increasingly complex world, committed caring relationships seem harder to maintain than ever before, yet the desire for these unions remains strong, whether in dating, cohabitation, significant partnerships, or marriage. Although about half of marriages end in divorce, more than half divorced people elect to remarry. From answering questions about relationships over the internet for a year and a half (for Cox Interactive Media/Austin 360), certain abiding concerns kept recurring. Not only did people want answers; they also wanted instruction about the nature of certain problems built into the nature of chosen caring relationships, problems that in many cases won't go away. In response to this desire for help in managing these basic problems, ROMANSWERS was written. Each of the twenty-seven sections in the book is built around a topic of concern that is subjected to four questions, the answers to which provide understandings many people seek. A list of all the sections and questions that are answered follow.

**ABUSE** § "When I give everything to a man, and do everything he wants, why do I end up getting pushed around, demeaned, and cheated on?" § "When my boyfriend loses his temper, cuts me down in anger, later says he's sorry and didn't mean what he said, should I accept his apologies when he keeps doing it again?" § "Why does a man from a loving, healthy, and giving family background keep getting into relationships with women who turn out to be exploitive, even turning abusive when they don't get their way?" § "After two abusive wives, is it just a matter of time before I get over my hurt and general anger at women?"

**AFFAIRS** § "To regain my trust, should my husband be completely honest and describe the sexual details of his affair so we can get through this unhappiness and start moving on?" § "Is it the wife's fault when her husband has an affair, and how does the couple recover the marriage?" § "How am I ever going to get beyond superficial relationships with women after my fiancée, whom I love more than ever, broke off our engagement by having an affair?" § "When your wife comes back from a high school reunion having had a fling (not sexual) with an old flame, what needs to happen to make the marriage okay?"

**ATTRACTION** § "Why would a stunning, dynamic, confident, and high salaried woman put off the kind of men she wants to meet, and attract the kind she doesn't?" § "Although I would never cheat on someone I was involved with and still care about, do you think it's okay to date her best friend now that I've broken up with my ex?" § "When the woman I'm ready to marry says she wants a man who can offer her everything from A to Z, and some un-definable Z is lacking in me, what is missing in my attractiveness to her?" § "What should I do about a man I first met on the internet who, without asking me, is now planning a

future for us, a guy it turns out I don't really know, who doesn't really know me?"

**BREAKING UP** § "Since my girlfriend has broken up with me and I don't know why, is it worthwhile my finding out, or is it better to avoid further hurt and just let the relationship go?" § "How do you break up without causing the other person a lot pain, and then go from being romantic to just being good friends?" § "Why is breaking up so hard to do, and why would a man act so angry when he is really feeling hurt?" § "How do I recover my self-respect and remove a man from my life who convinced me I was crazy to doubt his word when he kept lying to me, and who won't let me go now that I've broken off with him?"

**CHANGE** § "Is it okay, once a couple becomes married, to change and take each other for granted, not acting romantic anymore?" § "Is my boyfriend going to continue his disg

**Diary of a Married Woman** - Etim Sam Ekong 2005-11-10

After her ten-year marriage begins to crumble, Amber Smith finds satisfaction in the arms of a mysterious Nigerian named Blessing. But when Blessing experiences a renaissance of his own with another woman, Amber must follow a new path. Which direction will she take? The idea that Mike was having an affair didn't bother me that much. It was ironical that his own indiscretion if it was true, would be so close to home as well. It wasn't really that I still loved him because, I didn't. It wasn't also that I was jealous because, I wasn't. It was just that I'd never thought of him as one who would have affair. Could this be true, I kept thinking? My thought went back to Blessing, how I wished he was here to share the moment with me and watch the rain fall. I thought about the way he usually talks to me, look at me and the way he touches me. These thoughts are not strange to me at all because at night, whenever I'm lonely, I often think about him. Whenever I feel disenchanting, which is often these days, I think of him. And most importantly, whenever I needed to remind myself how good a man could make me feel, I think about him.

**Divorced Girl Smiling** - Jackie Pilossoph 2013-11-23

Smile! It's not just the end of your marriage, it's the beginning of your second chance! Missy Benson has a two and a half carat diamond engagement ring with color grade H, VS2 clarity and a value of \$36,000. It's absolutely gorgeous, practically flawless, and let's be honest, really big! But what the successful Chicago realtor doesn't have anymore is a husband. After 12 years of marriage, her husband, Paul, a handsome, wealthy attorney has devastated her by breaking up their marriage for Priscilla Sommerfeld, a young,

personal trainer, who according to Missy's sassy assistant, J.J., looks more like a Las Vegas stripper than a fitness expert. Not sure what to do with her ring, and with no financial issues to worry about, Missy decides to put it up for sale on Craigslist. The price: 99 cents! The catch: She gets to pick the buyer. In essence, she's looking for the perfect guy, but not for herself. Her hope is to regain faith that good men do exist, and that marriages can last forever. Now referring to herself as "the divorced girl," Missy interviews dozens of young men who are vying for the huge ring. It's a contest that includes outrageous characters, hilarious and sentimental stories, and two finalists, both of whom Missy adores and who she must choose between. Then there's Parker Missoni, the sexiest contestant by far, who drives her crazy with his brutal honesty, and at the same time stops her heart with his deep brown eyes. *Divorced Girl Smiling* is the story of a woman's journey to do whatever it takes to heal herself from divorce. It's about acceptance, reflection, taking accountability for mistakes, and appreciating all of life's wonderful gifts. In other words, if you have the guts to put the past behind, admit your mistakes, embrace your future, and give love another chance, you will surely be a divorced girl smiling.

**Make Love Whenever Possible When Married with Children** - Leslie Kaplan 2009-09

"Make Love Whenever Possible When Married With Children" is playful and poignant with spirited vignettes like "Seduce your spouse with humor," "Be a flasher," and "Experience the post-vasectomy sexual renaissance." Leslie Mancillas and Peg Melnik teamed up to write the book based on the following prescription program for staying sane within the madness of family life: 1. Be an opportunist. Make love whenever possible. 2. Date your spouse. Don't put off dating for two decades until your kids are conveniently in college. 3. Tend to your spouse. Even adults need to be nurtured. 4. Plan for chaos. 5. Become a top-flight negotiator. Marriage is one long, unwieldy negotiation. Keep closing the deal. 6. Keep close to your spirit. Find ways to nurture yourself. The co-authors firmly believe couples are living their most challenging years when they have children under their roof. Parents inhabit a different world than do those without children, one ruled by the needs of small people. The sheer responsibility that comes with parenthood can, over time, complicate even the healthiest marriage. While the divorce rate in America is at an astonishing 62 percent, staying happily married with children is not an insurmountable challenge as long as you realize it requires a kind of vigilance. It requires perspective, insight and, most importantly, the energy to keep a strong connection with your spouse. The authors use wisdom and wit to detail valuable tips drawn from their own experiences both positive and negative. The book is broken into six chapters, with a series of vignettes approximately one to three pages in length. Some of the more visual scenes from the book include playing hooky with your spouse, renewing marriage vows at Notre Dame and absent-mindedly driving to work with a plateful of cookies flying off the roof of the car, littering the road. Mancillas and Melnik's 100-page survival guide will no doubt be a compelling read, the best-selling bible for the married-with-kids crowd.

*How to Fall in Love with Anyone* - Mandy Len Catron 2018-02-01

In 2014, 33-year-old Mandy Len Catron went on a date with an acquaintance. They decided to try an experiment: inspired by a study designed to create romantic feelings, Mandy and Mark spent the evening asking each other 36 increasingly intimate questions, wondering if it would lead to them falling in love. In *How to Fall in Love with Anyone*, this experiment is Catron's starting point for investigating what it means to love someone and to be loved, and how we present our love to the world. What makes love last? Can love ever work the way it seems to in films, books and social media? Is there a "right" way to fall in love? In these candid, charming and wise essays, Catron blends memoir with cultural and social commentary on the psychology, biology, history and literature of love. *How to Fall in Love with Anyone* is a deeply personal, yet

universal investigation into the one thing we all want—or think we want—more than anything. Includes “To Fall in Love with Anyone, Do This”, one of the most popular essays to appear in the New York Times’ “Modern Love” column “In our age of total romantic confusion, Mandy Len Catron is a voice of good sense, warm humor, and consoling wisdom. Through the lens of her own relationships, she teaches us—with a deft, convincing intelligence—some of the vital moves in the art of love.” —Alain de Botton, internationally bestselling author of *How Proust Can Change Your Life* and *The Course of Love* MANDY LEN CATRON lives in Vancouver, British Columbia. Her writing has appeared in the New York Times and the Washington Post. She writes about love and love stories at The Love Story Project, and teaches English and creative writing at the University of British Columbia.

Thank you for being brave enough to share your life through this book. Know that you have impacted me in a great way. You have confirmed and reiterated my position about relationships. The poetry alone brings insight and triumph to your spirit!" --J. Murrell, Florida "Though I have read many books, I really enjoyed reading this book by Mia Montgomery. I felt that the author really paid attention to some of the main reasons and the points as to why many women who are single. She dealt with issues that need to be corrected and addressed (reversing what mama told you) and how to function within a relationship without losing yourself. The author used evidence of her life and the lives of her friends in order to make her points clear. Her evidence was convincing because I felt as if I were walking in her shoes, but mostly I felt as if, the pages were answering questions to topics I wanted answers to but didn't know how or who to ask." "There are many books in bookstores that talk about being single, but I've yet to read a book where the author totally puts themselves, their experiences, and their reputation on the pages, in hopes that you will learn from their mistakes and not repeat them. The information is unique and it offers fresh insight to single women that will help to empower us and build us up. I think the author was very successful in carrying out the purpose of the book. This is a book that will uplift and build women, during their season of being single." -- L. Heriscar, Orlando, FL
