Where I Come From - Vijay Agnew 2006-01-01

"Where do you come from?" When Vijay Agnew first immigrated to Canada people would often ask her "Where do you come from?" She thought it a simple, straightforward question, and would answer in the same simple, straightforward manner, by telling them where she had been born and where she grew up. But over the years she learned that many so-called third-world people resent being asked this question, because it implies that having a different skin colour (which is what usually prompts the question) makes a person an outsider and not really Canadian. This realization inspired her to look more closely at the question — and the answer. The result is this book. Where I Come From is a reflective memoir of an immigrant professor's life in a Canadian

university. It covers the period from 1967, when Canada was opened up to third-world immigrants, to the present. The book illustrates the ways in which identity is socially constructed by tracing some of the labels that were applied to the author at various stages during her thirty years in Canada — "foreign student," "Indian woman," "immigrant," "Indian feminist," and "third-world woman." She shows how each of these names has affected her relationships with other people and contributed to making her the woman she is now perceived to be: a feminist, anti-racist, activist professor. This multilayered story reveals the complex ways in which race, class, and gender intersect in an immigrant woman's life, and engages readers in a conversation that narrows the distance between them, showing not only what is different, but what is shared.

Anatomy of a Song - Marc Myers 2016-11-01

"A winning look at the stories behind 45 pop, punk, folk, soul and country classics" in the words of Mick Jagger, Stevie Wonder, Cyndi Lauper and more (The Washington Post). Every great song has a fascinating backstory. And here, writer and music historian Marc Myers brings to life five decades of music through oral histories of forty-five era-defining hits woven from interviews with the artists who created them, including such legendary tunes as the Isley Brothers' Shout, Led Zeppelin's Whole Lotta Love, Janis Joplin's Mercedes Benz, and R.E.M.'s Losing My Religion. After receiving his discharge from the army in 1968, John

Fogerty did a handstand—and reworked Beethoven’s Fifth Symphony to come up with Proud Mary. Joni Mitchell remembers living in a cave on Crete with the mean old daddy who inspired her 1971 hit Carey. Elvis Costello talks about writing (The Angels Wanna Wear My) Red Shoes in ten minutes on the train to Liverpool. And Mick Jagger, Jimmy Page, Rod Stewart, the Clash, Jimmy Cliff, Roger Waters, Stevie Wonder, Keith Richards, Cyndi Lauper, and many other leading artists reveal the emotions, inspirations, and techniques behind their influential works. *Anatomy of a Song* is a love letter to the songs that have defined generations of listeners and “a rich history of both the music industry and the baby boomer era” (Los Angeles Times Book Review).

**Find Your Perfect Partner** - Wayne C. Allen 2012-12-01

You've likely realized that the screwy relationships you have been in were the direct result of you not thinking about how to create an excellent one. Pretending the important, life-altering decision to relate is “a matter of the heart” is not only stupid, it doesn't work! Many moons ago, psychotherapist Wayne C. Allen made a clear decision about his “next” relationship. He decided that his brain (not just his heart) needed to be in charge of the process. He came up with a strategy for finding the person he wanted -- He called it...The List of 50. His strategy worked. He met his perfect partner (in 2017, they've been together 34 years!) Wayne began sharing the process with his clients -- soon, they demanded a book... and *Find Your Perfect Partner* is the result. Written by a therapist with over 30 years of experience, this book gives you the tools you need to actually think through what kind of person you want to be with. His clients have tested this process for the last 30 years, and now it's available to you! Here's a quote from a client: “When I showed my List of 50 to one friend he said, “Do you have a short list that us mere mortals could aspire to?” My answer was, “I had a short list and it got me my ex-husband. I'm being more particular now.” *Find Your Perfect Partner* is a guide to figuring out the whole attraction / dating / relationship thing. You'll discover: ~reasons for failed relationships and the high divorce rate ~how hormones get in the way ~how past relationships are great guides to getting the next one right ~why you need to think about what

works in your successful friendships ~which traits must be a match between you and your perfect partner This book examines what doesn't work, then helps you to map out what's been missing from your past relationships. It gives you an easy to follow strategy for re-setting your mental filters, so that the next person you meet is a much better fit. You'll have a better sense of why compatibility is so important, and have a time tested method for both opening your eyes to new possibilities, and for finding your perfect partner. Follow along with the text, work through the exercises, and put the book's insights into practice. You'll be amazed with the results. One more quote! “My list has been an active part of my relationship building since I drafted it. I have modified the list several times, based on how relationships worked out. It was also interesting to note, how few elements of my list my ex-wife matched, similar to what you said about your first marriage. I feel that using the process you recommend does improve the quality of the choices you make. Of course, building the other relating skills will complement this as well.”

**My Little Garden of Eden** - Junior Mendez, PhD 2010-05-24

Some may read this book and find it straightforward and easy to comprehend, others may read this book with much incredulity and disbelief. This book, “My Little Garden of Eden” was written to enlighten

my brothers and sisters in Jesus Christ, you're my family and friends; we are all sons and daughters of the Most High; this book is for you. It is better to believe and have faith in something, rather than not believe and have faith in nothing.

Out from the Shadow - Maurice A. Butler 2012-09

This is a story about a man who came from humble beginnings and ended up at the crest of power in Washington and Moscow. The story takes us into the depths of a racially segregated South to the desperate streets of New York City where criminals and crime fighters fought for control and to an America reeling from the assassination of its political leaders. It is the story of the growth of America. It is the story of a man who kept scaling seemingly insurmountable walls as he fought for justice. This is the story of Charles LeRoy Gittens.

- Vincent Wilson 2008-10-01

John J. Robinette - George D. Finlayson 2003-09-01

John J. Robinette, Canada's greatest trial lawyer, was admired and respected by the bench and his fellow lawyers alike. A quiet, unassuming man outside the courtroom, he was a consummate performer when appearing before a judge and jury. Robinette became a household name as the defender of Evelyn Dick, who was charged with killing her husband and infant son in Hamilton in 1946, and of Steven Suchan, a member of the infamous Boyd Gang. He was Canada's pre-eminent lawyer from the 1930s to the 1980s, showing unparalleled versatility and virtuosity whether acting as counsel in criminal, civil, or constitutional cases, at both the trial and appeal levels. This is the story of a great man, of the maturing of the legal profession in Canada, and of Canada in the twentieth century.

**Cooking For My Gluten Free Girlfriend** - Chris Brown 2015-04-07

This book is a collection of gluten-free recipes from the 2013 year. Originally I was going to make a year's worth of recipes and the following year I would post them to an internet blog. Half way through the year I didn't like that idea anymore, I wanted to go right to the book. I came up with the idea of a 'book blog' which is more or less the same thing as a blog, just in book form rather than on the internet. A glorified Christmas Letter if you will, with recipes to accompany it. I did in the end, try to include as many different types of recipes as I could, with a good mix of breakfasts, lunches, dinners and deserts.

***Hustling Is Not Stealing*** - John M. Chernoff 2013-02-11

While living in West Africa in the 1970s, John Chernoff recorded the stories of "Hawa," a spirited and brilliant but uneducated woman whose insistence on being respected and treated fairly propelled her, ironically, into a life of marginality and luck as an "ashawo," or bar girl. Rejecting traditional marriage options and cut off from family support, she is like many women in Africa who come to depend on the help they receive from

one another, from boyfriends, and from the men they meet in bars and nightclubs. Refusing to see herself as a victim, Hawa embraces the freedom her lifestyle permits and seeks the broadest experience available to her. In *Hustling Is Not Stealing* and its follow-up, *Exchange Is Not Robbery*, a chronicle of exploitation is transformed by verbal art into an ebullient comedy. In *Hustling Is Not Stealing*, Hawa is a playful warrior struggling against circumstances in Ghana and Togo. In *Exchange Is Not Robbery*, Hawa returns to her native Burkina Faso, where she achieves greater control over her life but faces new difficulties. As a woman making sacrifices to live independently, Hawa sees her own situation become more complex as she confronts an atmosphere in Burkina Faso that is in some ways more challenging than the one she left behind, and the moral ambiguities of her life begin to intensify. Combining elements of folklore and memoir, Hawa's stories portray the diverse social landscape of West Africa. Individually the anecdotes can be funny, shocking, or poignant; assembled together they offer a sweeping critical and satirical vision.
