Deborah, Awake Rod Mills 2011-09-29 Based on the biblical story of Judge Deborah, "Deborah Awake" is the account of a young Burger King manager, who was also a divorced mother of two, and how this unlikely woman brought down the billion dollar corporation, Chariots, inc. In her role as a teen Sunday school teacher at the behemoth 10,000 member Kedish Community Church, Deborah was alarmed at the unhealthy identification her students nurtured with the Chariots line of immodest apparel, their chain of 900 Chariot mall outlets coast to coast, and her Christian student's fascination with the immoral "Chariots The Magazine." To Deborah's astonishment, she learned that John Sisera, the manager of the local Chariots store, not only contributed heavily to the Kedish Community Church youth department, was good friends with Pastor Randy the youth minister, and that John Sisera was also a prominent member of the Kedish Community Church council. Senior Pastor Barrak was unaware of the vile philosophy of the Chariots corporation, and of John Sisera's heavy influence on Pastor Randy and the youth department. The Sisera's, in Barak's opinion, were a fine Kedish Community Church family, and was unconcerned with the moral storm brewing in the youth department. God called on Deborah to do something about it, and to recruit Pastor Barak in the Battle.

The 48 Laws of Power Robert Greene 2000-09-01 Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control - from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed "beguiling" and "fascinating," Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by

drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence ("Law 1: Never Outshine the Master"), others teach the value of confidence ("Law 28: Enter Action with Boldness"), and many recommend absolute self-preservation ("Law 15: Crush Your Enemy Totally"). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

The Guyde Howie Reith 2016-11-19 *The Guyde* is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. *The Guyde* is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of *The Guyde* deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well

as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

Mind Transformation. Theory & Practice Dr. Erkin 2022-01-09 Life, as you know, is not a honey cake. It consists of a series of ups and downs, joys and disappointments, black and white stripes. This book is about how, like Baron Munchausen, to pull yourself out of the quagmire of life's turmoil, gain confidence, abilities, and again, take the way to success. The author did a titanic work - he processed a ton of valuable information, systematized and conceived it, and issued this action guide. From real stories (including from his life), he derived basic principles that can help a person choose and create themselves, and at the same time, not scatter into dozens of small "what-I-losers." We really can choose how we live; we make this choice ourselves. Indeed, sometimes we don't even suspect what we are capable of at one or another moment of our life. I like this book because it is immediately clear; the author experienced all these ups and downs. The author chose very vivid and original examples from his life precisely, as they say, by subject. Clearly, he chose his life path himself, his path to success, without knowing what awaits him at the time of choice. The main and perhaps the principal postulate of the book is to show courage right now. Erkin says, "Choose yourself from a thousand options," and he explains how to do it. Therefore, do not delay for later; choose yourself right now! Absolutely true: you are the only one who holds you in place. A miracle does not come by itself; we must accomplish it. If you do this, you certainly won't understand how to change the world; you won't even notice you are changing it. But here's what's for sure: if you don't take it yourself and as a bold decision for you necessary as air, no one will do this for you. And sadly, life will pass by. We are all unique in our way; everyone has their own life and way. However, there is no single true way, and every way begins from this moment. Have you chosen yourself at this moment? Do you feel the fear? Do you have doubts? You can, despite everything, show courage. Then move forward, without fear and doubt! Believe, and then all paths will lead to a happy ending.

What Are You Waiting For? Allison Knight 2015-09-27 What are you waiting for is not a book about how to be that perfect single girl or how to fix all the mistakes that you are making in your life. It is not about how to catch the right guy or how to make your crush notice you. Instead, it is my journey about how God changed me and my perspective on what it really means to be single. This is a quest that I have had to take to discover the real answers to the question that echoed in my mind, "Are you guys really stupid and worth dating?", "Do I really need a boyfriend to make me happy?" or "What is my purpose for my singleness?". The question still remains, "What am I waiting for?" So come as you are: single, not perfect and searching for answers, because God is waiting, he is waiting on you to start your journey.

Saved By the Crush's Brother Maggie Dallen 2020-07-06 Avery's plan? Snag her crush's attention, by any means necessary. She gets someone's attention, all right, it's just...the wrong brother. The plan... Avery's not a fan of unrequited love. This crush on Alex Luven? It's gotten old. She's over it. In fact, this hopeless romantic is finally ready to take matters into her own hands, and the first step is to find some common ground. A mutual activity they can bond over, perhaps. What better way to bond than over their precious fake baby? The reality... This is no ordinary baby. It's a demon in disguise. Surely real babies never cry this much. The stupid doll keeps her up all night and drives her crazy with its neediness all day, and the worst part? Alex is a total flake. When exhaustion reaches critical mass, she caves. Cristian's not exactly excited to be at his family home on his college break. His father's an overbearing tyrant, his brother is an egomaniacal jerk, and now... Well, now it seems he's babysitting his perfect brother's fake baby and kissing the girl of his dreams. So, not all bad then...right? Except that the girl of his dreams has a crush on his Prince Charming brother. And much as Cristian can't stand his brother, Cristian's not about to get in their way. Right?
