Handbook of Clinical Sexuality for Mental Health Professionals

- Stephen B. Levine 2011-01-19

The field of clinical sexuality evolves in response to changing general cultural trends, scientific advances, shifting professional ideologies, and the personal maturation of its practitioners. In less than a decade, much seems to have changed in how we think about and offer care for sexual problems. These usually slight, occasionally dramatic shifts are the main reason for bringing out a second edition of this handbook. --

G-Gasm Method for Lesbian Lovers - Jani 2007-05-01

Discover... The Right (and the Wrong) Way to Make Her COME HARD Let me explain ... Do you want to make her orgasm and ejaculate? Inside

this informative work you'll get over your anxiety about pleasing her sexually.

Absolutely everything any woman (or man) needs to make her orgasm and ejaculate -

TONIGHT.s The blueprint for better sex includes four comprehensive sections and an appendix: Here's the stuff you need in order to satisfy her ...

Hidden G-spot secrets that even she doesn't fully understand (knowing how this super-sensitive area really works will put you head-and-shoulders above most lovers).

Uncomfortable, but true fact that explains why you will never discover the heights of her sexual satisfaction on your own. Two techniques for taking her out-of-this-world with pleasure and, more important, where to apply each tactic

(using the right technique in the wrong spot causes more pain than pleasure ... take that as a warning!) One finger will quickly and easily make her come over-and-over ... but you've probably never used it! Of the two types of orgasms, which one will you make sure she has first? (maybe you never give her either type of orgasm ...). How you will know when she experiences one of those ejaculatory orgasms (once you understand these signs you'll never have to wonder about her pleasure again). Female ejaculation...fact or fiction? FACT. Not every woman can do it but many more can than do . She paints the wall with ejaculate using this technique. Correct Kegel techniques for both you and her (imagine her able to grip your manhood so tight ... it's like having hot sex with a virgin!) There's a thin line between pain-and-pleasure. Crucial secrets behind the all-important "rest period" between her orgasms. Ecstasy through "Edging," the secret weapon of world-class lovers ... Once you go from

good-to-great with everything else in this book, master the mind-boggling advanced technique of edging ... Her multiple mind-blowing orgasms leave her trembling and shaking. Goodbye power tools - She can give herself a clitoral orgasm, but she can't give herself one of these.

Trembling, shaking and shock: how to handle her when she just orgasmed and ejaculated hard enough to scare herself. (Yes, it will happen...it does happen...once you know these secrets ... know how to deal with it). Much, much more...

Extended Massive Orgasm - Steve Bodansky 2013-03-12

Hunter House has a new year's resolution you can stick to: better sex! Published just in time for the new year, the second edition of Extended Massive Orgasm offers even more in-depth information on how to achieve great sexual pleasure, so that your goals for 2013 can include: 1. Longer and more intense orgasms 2. More pleasure 3. A deepened relationship The authors of this book reveal techniques that

How To Please A Woman Sexually On Her Period

everyone can use to give and receive extended massive orgasms. Readers will learn how to produce an extended orgasm manually, with fingers and hands touching the genitals in a precise way. With a strong focus on how to pleasure a woman, the authors also discuss pleasing men. They describe how satisfying your partner in this way is an ecstatic experience for both parties and can enhance your relationship. New updates in this edition include: new techniques for focusing on pleasure 14 new diagrams and drawings for understanding techniques new stroking techniques for the clitoris expanded section on the male orgasm expanded section on communication and relationships Additionally, the authors have re-written some of the original material, with insights gained from the decade of teaching sexual ecstasy that has passed since the first edition was published. Rewritten parts include: Positions for optimum orgasm Detailed training techniques

The nature of orgasm and the capabilities of the human nervous system The difference between sensuality and sexuality Safe sex practices Overcoming resistance to pleasure Understanding how both partners benefit from extended massive orgasm Filled with specific techniques, methods, ideas, and scientific and anatomical information phrased in an accessible and readable style, this book explores the nature of pleasure and why it is so difficult to achieve in our society. The authors discuss the differences and similarities between the sexes and how to exploit those to achieve a fantastic relationship. They also include information on how to seduce your partner, how to explore your own sexuality through learning how you enjoy being touched, and how to communicate your desires to your partner clearly and joyfully. The benefits to both partners of an extended massive orgasm are immeasurable. Women who thought they were unable to

experience orgasm at all have learned to become fully orgasmic through the techniques in this book. These women experienced such pleasurable intensity and sensation in their bodies for an extended time period that the preconceptions and limitations they had placed on themselves and their sexual potential were totally vanquished. And this is available to anyone who reads the book and applies and practices the methods described in Extended Massive Orgasm.

The Hite Report - Shere Hite
2011-01-04

A reproduction of the classic text, unavailable now for more than a decade, with a new introduction by the author. The Hite Report, first published in 1976, was a sexual revolution in six hundred pages. To answer sensitive questions dealing with the most intimate details of women's sexuality, Hite's innovation was simple:

she asked women, a lot of them, everything--and published the results. One hundred thousand women, ages fourteen to seventy-eight, were asked what they do and don't like about sex; how orgasm really feels, with and without intercourse; how it feels not to have an orgasm during sex; the importance of clitoral stimulation and masturbation; and to name the greatest pleasures and frustrations of their sexual lives, among many other questions. The Hite Report declares that orgasm is easy and strong for women, given the right stimulation; that most women have orgasm most easily during masturbation or clitoral stimulation by hand; that sex as we define it is a cultural institution, not a biological one; and that attitudes must change to include the stimulation women desire.

A Musical View of the Universe - Ellen B. Basso
2017-11-15

A Musical View of the Universe is a study of the relationships

between spoken myth and musical ritual in a native Brazilian community, the Carib-speaking Kalpalo of the Upper Xingu Basin. The book focuses on the meanings created and expressed through performance of artistic processes in which sound symbols provide a unifying interpretive matrix. Through sound symbols, Kalpalo ideas about types of beings, their relationships, and activities of mind are conceived, represented, and rendered apparent. The book includes the first collection of South American Indian narratives translated directly from the original language from taped performances. Ellen B. Basso's translations take into account the interaction among participants in the storytelling situation and the qualities of narrative performance that result.

Gender and Sexuality in the Middle Ages - Martha A.

Brozyna 2005-03-21

Perceptions about gender and sexuality have shaped the lives of men and women in every

known culture and in every period of history. To study these perceptions one must delve into the underlying religious, social, philosophical and scientific influences. Understanding gender and sexuality during the Middle Ages requires an examination of the ideas, laws and institutions of the time--for example, the regulations of the Christian church, the anatomical studies of the medieval medical community, the chronicles of the time and the social criticism found in medieval literature. This reader brings such documents from throughout the medieval world into one collection. Representing a diverse range of ethnic, geographic and religious backgrounds, documents of the late Roman, Germanic, Anglo-Norman, Mediterranean, Byzantine, Slavic, Jewish and Islamic identities are all included. The book's chapters are organized according to nine areas--the Bible; Christian thought; chronicles; law; biology, medicine and science;

literature; witchcraft and heresy; Judaism; and Islam--allowing for comparative examination of different societies and periods of the Middle Ages.

great many positions a woman's body can be in to receive this specialized and very sexually arousing breast massage. For this example though, let's have her sitting up and at least topless. Do note however that as she gets more and more aroused, she'd probably prefer to be naked so one or both of you can access her pubic area while she's getting Extreme Pleasure Breast Massage. 4) The Funniest BDSM Personal Ads Here are some samples from this entertaining kinky, BDSM book: * I have a full service dungeon, the best in town, you'll be honored to be beaten there. * I am a one girl kinda girl. * My Dom ties me up and forces me to listen to country music. * Spread legs not lies. * 28 year old female sub ready for a meat and greet. * I'm not fat, I'm cuddly. * Experienced Dom rejoining the lifestyle. I lost my way and got married. * I'm a very young 72. * Sometimes only a spanking will do the job. 5) Master and submissive or slave BDSM Contract This extensive

sexually charged Master-slave contract book is set up so Master and submissive/slave can agree on the great number of BDSM topics that can come up in their relationship. Master and slave can add and amend rules with a pen and update the contract at anytime. The 8.5 x 11" hardcopy version (sold separately) has a lot more room to make those additions and amendments. If you like what you read here, you'll likely want to get the 8.5 x 11" hardcopy edition for your actual contract copy. This book gives all the information that's in that hardcopy version but without as much room to make additions and amendments. It still is quite useable.

Publisher's Note: This book contains explicit sexual content and BDSM. All characters are of legal age. Hello everybody! Your opinion is very important! If you like this book please make sure to leave a review. Thank you!

Gender Bias in Mystery and Romance Novel Publishing -

Anna Faktorovich 2015-04-27 Examines gender bias from the perspective of readers, writers and publishers, with a focus on the top two bestselling genres in modern fiction. It is a linguistic, literary stylistic, and structurally formalist analysis of the male and female “sentences” in the genres that have the greatest gender divide: romances and mysteries. The analysis will search for the historical roots that solidified what many think of today as a “natural” division. Virginia Woolf called it the fabricated “feminine sentence,” and other linguists have also identified clear sexpreferential differences in AngloAmerican,

Swedish and French novels. Do female mystery writers adopt a masculine voice when they write mysteries? Are female-penned mysteries structurally or linguistically different from their male competitors', and vice versa among male romance writers? The first part can be used as a textbook for gender stylistics, as it provides an indepth review of prior research. The second part is an analysis of the results of a survey on readers' perception of gender in passages from literature. The last part is a linguistic and structural analysis of actual statistical differences between the novels in the two genres, considering the impact of the author's gender.

The Women Orgasm - Dr

Catherine F Ennis 2023-02-05

Women are really passionate about having sex. It is one thing they can do to improve their mental health. After a sexual experience, a lady feels content. A remarkable sexual encounter makes a lady feel like a real woman. A woman will go to great extent to cling

to and admire a man who can sexually satisfy her, which is one explanation for this. You must understand a woman's nature in order to understand how she experiences orgasms. You must comprehend why "Sexuality is a woman. You may learn everything there is to know about sexually satisfying a lady in this book." It involves more than just placing your penis in her vagina. You need to know how to get a woman's attention. Before going any further, comprehend why "sex is a woman." It's crucial to learn how to arouse a lady for an extended period of time. To contribute to the woman's sexual pleasure and happiness, you must be able to handle the complexities of her physical composition. You must first comprehend the causes of quick ejaculation during sex with a girl in order to effectively control it and prolong your stay in her hungry vagina. As you read this book, *The Woman Orgasms*, you will discover all of these things. Hurry now and place an order. [Swooning Beauty](#) - Joanna

Frueh 2006-03-01

When her parents died and her marriage disintegrated within the span of a few months, art historian and performance artist Joanna Frueh entered a painful period of grief and mourning. This book is about how she healed herself and in the process explored the range of her potential as a woman. *Swooning Beauty* is an intimate memoir of discovery and healing. Frueh's path to recovery lay through a profound examination of her intuitions, desires, fantasies, dreams, and emotions, her capacity for pleasure—visual, sensual, intellectual, gastronomic, and erotic—and her sense of her own heroic female identity. Hers is the passionate voice of a creative, intelligent woman scrutinizing the nature of love in all its forms and the ways of being that make us free, flexible, more fully real and more fully human. The result is an engaging view into the rich and colorful inner life of a woman at the threshold of middle age, of the blossoming of mind and

spirit that comes after suffering and self-realization. Pleasure, she concludes, "is the absence of lack. Self-love is a necessary plenitude. Vigilance in love brings us freedom. Freedom is not an absolute whose attainment is humanly impossible. Yogis say that the self that is not ego is free. That self is the spacious heart, the spacious mind." Frueh offers us wisdom and comfort for the journey into middle age, and the deep pleasure of encountering a generous, lively spirit and a remarkably spacious mind.

Please Select Your Gender -
Patricia Gherovici 2011-01-19

"I have the worst birth defect a woman can have: I was born with a penis and a pair of testicles." Thus we meet Hera, who shares her reason for starting psychoanalysis and whose statement embodies the debate over transgenderism, rigorously dissected in *Please Select Your Gender*. Is it a mental disorder, as some would claim, or a matter of sexual identity? An orientation or a life choice? Despite differing

opinions, transgenderism has lost much of its stigma over the past decade or so – though perhaps none of its shock value. Nevertheless, the door is open for a reformulation of the hysterical question, "Am I a man or a woman?" Utilizing rich clinical vignettes and elements of Lacanian theory, Patricia Gherovici demonstrates how the transgender discourse has both reoriented psychoanalytic practice and reframed debates about gender in American society at large. She traverses historical, theoretical, and clinical grounds to explore what has been termed the "democratizing of gender" – for what could be more democratic than the choice of one's own gender, now able to be changed on demand? Arguing for the depathologization of transgenderism, *Please Select Your Gender* aims to revise current notions of human sexuality in general. In doing so, it challenges the theory and practice of psychoanalysis with questions typically addressed only indirectly, but which are

themselves transforming how analysis is done, advancing new ideas for the clinic that can be extrapolated to social and intellectual contexts in an effort to engage the broader dialogues of gender and sexuality.

Where Did My Libido Go? -

Rosie King 2010-12-01

Getting your sex life back on track! Low libido is the most common sexual problem experienced by women. In fact every woman will experience low sexual desire at some time in her life, either in the short term (after the birth of a baby, during a stressful life period, when her relationship is rocky) or in the long term. When a

woman's partner wants sex and she's no longer in the mood significant problems can occur in the relationship. Differing sex drives can lead couples down a path paved with frustration, resentment, misunderstanding and despair - a path that may lead to separation and divorce. This book will be helpful for women who: have lost of interest in sex have a partner who wants more sex than they do and it's creating a strain on their relationship would like to increase their level of sexual desire, sexual frequency and sexual pleasure In this book you will learn: how your sexual desire works how to maximise your libido how to increase your sexual enjoyment strategies that will help you to enjoy a regular, satisfying sex life with your partner

Soul Shattering Sex - John Laundre 2017-06-09

In his only advice on sex to the author, one rainy afternoon, his father commented on a friend's ongoing divorce where the wife contended that she, mother of eight children, had never had

an orgasm in 20 years of marriage. His father sadly shook his head and said that if a woman does not achieve an orgasm, it means that sex to her is just another sticky mess. From this rainy afternoon, came the foundation for this book: Sex has to be a two person journey where each partner in the journey should be committed to satisfying the other. Women have always met this commitment. Should not women expect the same commitment from men? And what does this mean practically? In six chapters and six areas the author reveals the techniques, attitudes and behaviors that separate good lovers from poor ones. He contends that these have to extend beyond the orgasm and beyond the bedroom - since how we treat each other out of bed, the other 99% of the time IS tremendously important to sexual satisfaction for both partners. How can you dramatically improve your chances of having mutually satisfying sexual encounters with your spouse, lover, one-

How To Please A Woman Sexually On Her Period

night-friend? You will know after reading in this book about the "complete love making" process that provides you with the missing links that enable you to have soul shattering experiences in bed ... every time! On the practical side, the book discusses disease and pregnancy, both of which can result in a woman having an even less satisfying experience than just a sticky mess between her legs. Principally, what is discussed is how to avoid disease and pregnancy, if desired, so that both partners can relax, a prerequisite to having truly satisfying sex, especially for the woman. The main chapter discusses in detail the attitude a man should have when engaging in sex with a woman. The goal should be her sexual enjoyment and ultimately her sexual satisfaction. Placing her needs ahead of ours, ours will not only be satisfied but will be even more enjoyable for us. The following chapter discusses the importance of good hygiene making sex an olfactory pleasant experience

... rather than just two pigs wrestling in the dirt. This is followed by a discussion of how men and women should treat each other, out of the bed. Sex only takes up a brief period of time and between those encounters both partners need to interact with each other, talk, do things. How we men as sensitive lovers treat women during these "off times" will have a huge impact on how satisfying our partner found the sex you just had and if she would want to engage in it again. The last chapter discusses how women can save some time by spotting jerks who will eventually lead to sexual disappointing encounters. In sum, this book is for men who wish to be better lovers, for women who no longer want to feel inadequate or guilty, and for young adults who with this book get a very practical directory into the adventure of a happy sex life - without too many sticky messes.

Chastity in Ancient Indian Texts - Oly Roy 2022-08-23

This book looks at the

representation and practice of chastity in selective ancient Indian texts. It studies how and when the concept originated and in what ways it was intertwined with the social, cultural, and economic notions of Indian society. Drawing on seminal Indian texts such as the MahāPurāṇas, Rāmāyaṇa, Mahābhārata, Sattasāi and the Jātakas, the volume delves into the social and reproductive rights of women through an examination of the norms of chastity, virginity, and Pātivratya, which were construed according to a patriarchal hierarchy of the society and implemented as a means of strengthening patriarchal authority. It also examines the interinfluence of various religious traditions that emerged on the very concept of chastity and the ideologies they later gave rise to. A comprehensive study of sexuality and gender in early India, the book will be indispensable to students, teachers, and researchers of gender studies, literature, women's studies, women's

rights, feminism, South Asian studies, and social history of Ancient India.
