Legendborn Tracy Deonn 2020-09-15 An Instant New York Times Bestseller! Winner of the Coretta Scott King - John Steptoe for New Talent Author Award Filled with mystery and an intriguingly rich magic system, Tracy Deonn's YA contemporary fantasy Legendborn offers the dark allure of City of Bones with a modern-day twist on a classic legend and a lot of Southern Black Girl Magic. After her mother dies in an accident, sixteen-year-old Bree Matthews wants nothing to do with her family memories or childhood home. A residential program for bright high schoolers at UNC-Chapel Hill seems like the perfect escape—until Bree witnesses a magical attack her very first night on campus. A flying demon feeding on human energies. A secret society of so called “Legendborn” students that hunt the creatures down. And a mysterious teenage mage who calls himself a “Merlin” and who attempts—and fails—to wipe Bree's memory of everything she saw. The mage's failure unlocks Bree's own unique magic and a buried memory with a hidden connection: the night her mother died, another Merlin was at the hospital. Now that Bree knows there's more to her mother's death than what's on the police report, she'll do whatever it takes to find out the truth, even if that means infiltrating the Legendborn as one of their initiates. She recruits Nick, a self-exiled Legendborn with

his own grudge against the group, and their reluctant partnership pulls them deeper into the society's secrets—and closer to each other. But when the Legendborn reveal themselves as the descendants of King Arthur's knights and explain that a magical war is coming, Bree has to decide how far she'll go for the truth and whether she should use her magic to take the society down—or join the fight.

Speak: The Graphic Novel Laurie Halse Anderson 2018-02-06 The critically acclaimed, award-winning, modern classic *Speak* is now a stunning graphic novel. "Speak up for yourself—we want to know what you have to say." From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the nonsense of high school. She is friendless—an outcast—because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. Through her work on an art project, she is finally able to face what really happened that night: She was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. With powerful illustrations by Emily Carroll, Laurie Halse Anderson's *Speak: The Graphic Novel* comes alive for new audiences and fans of the classic novel. This title has Common Core connections.

Two years ago Eva Khatchadourian's son, Kevin, murdered seven of his fellow high-school students, a cafeteria worker and a popular teacher. Fearing that her own shortcomings may have shaped what her son has become, she confesses to a deep, long-standing ambivalence about both motherhood in general and Kevin in particular. How much is her fault? When did it all start to go wrong? Or was it, in fact, ever 'right' at all? The Guyde Howie Reith 2016-11-19 The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll

learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

charisma myth is the idea that charisma is a fundamental, inborn quality—you either have it (Bill Clinton, Steve Jobs, Oprah) or you don't. But that's simply not true, as Olivia Fox Cabane reveals. Charismatic behaviors can be learned and perfected by anyone. Drawing on techniques she originally developed for Harvard and MIT, Cabane breaks charisma down into its components. Becoming more charismatic doesn't mean transforming your fundamental personality. It's about adopting a series of specific practices that fit in with the personality you already have. The Charisma Myth shows you how to become more influential, more persuasive, and more inspiring.

Forget eight-minute speed dates or online dating sites with twenty-page questionnaires that promise a scientifically calculated perfect match. And before the first date, you need to get over yourself! Taking a tough-love approach, and in her signature straight-shooting style, Patti will show you how to fix what needs to be fixed, reach your core, and identify who you are and what you want in a partner. She uses a three-part common-sense formula: • Getting Over What? Assess your dating weaknesses, recognize what's not working, and adjust your expectations. Delve into your personal history and past relationships, and pinpoint the issues that have been holding you back. • Almost Over It Fine-tune your attitude, your look, and your behavior to maximize your dating chances. Novak lays out strategies to help you deal with the brutal dating monsters you find along the way. • Over It Learn the do's and don'ts of the first date, the second date, and beyond. Lilith Ada Langworthy Collier 2018-06-20 This edition of Lilith: The Legend of the First Woman contains illustrated depictions of the mythic Lilith, in her role within the garden of Eden. Collier uses poetry to detail an account of Lilith as an alternative narrative of the Book of Genesis. Originating from Rabbinic circles, the notion of Lilith was as Adam's first wife, with her expulsion taking place before God created Eve as her replacement. Drawing upon aspects of Jewish, Christian and Islamic law, Collier ably details Lilith's characteristics - she appears not as a malevolent demon or temptress, but as an intelligent being with a great capacity for affection. Owing to the interpretation being in verse form, we may observe an aesthetic description of the Garden of Eden and the circumstances of Lilith's arrival there. A fascinating interpretation of ancient myths, Lilith: The Legend of the First Woman is a worthwhile and intriguing read for those interested in Old Testament lore and Lilith as legend.

Smart and Abandon Me "Girl In Pieces is like the friend you wish you had by your side for every hard choice and every time you've felt lost or alone. It's fearless and uncompromising, but overflowing with heart and wisdom." Anthony Breznican, author of Brutal Youth. "Dark, frank, and tender, Girl in Pieces keeps the reader electrified for its entire journey. You're so uncertain if Charlie will heal, so fully immersed in hoping she does." Michelle Wildgen, author of Bread and Butter and You're Not You "Girl in Pieces has the breath of life; every character in it is fully alive. Charlie Davis' complexities are drawn with great understanding and subtlety." Charles Baxter, author of National Book Award finalist The Feast of Love "Charlie Davis has been damaged and abused after several years of living on the streets, but she is fiercely resilient. Though it will appeal to readers of Ellen Foster, Speak, and Girl, Interrupted, Girl in Pieces is an entirely original work, compulsively readable and deeply human." Julie Schumacher, author the New York Times bestseller Dear Committee Members "In this sharp and beautiful portrait of eighteen-year-old Charlie Davis, Kathleen Glasgow illuminates not only the anxiety of youth but the vulnerability and terror of life in general. What a shock it is to engage with such a sensitive, sad, rage-filled soul: Glasgow's rendering of experience and emotion is so succinct and honest that I kept catching my breath in recognition, and admiration for her sensibility and empathy which glows on every page. Girl in Pieces hurts my heart in the best way possible." Amanda Coplin, author of the New York Times bestseller The Orchadist "Charlie Davis' voice is diamond-beautiful and diamond-sharp which, when strung together by a delicious story and memorable characters, creates a rare and powerful read. Kathleen Glasgow's Girl in Pieces is a treasure of a novel." Glasgow has a terrific ear for dialogue and an enviable gift for creating vivid characters, and her narrator-eighteen-year-old Charlie Davis-brings a backstreet eloquence to bear on a wrenching subject. Wise, unflinching, and balm for the kind of heartbreak that can't ever be fully mended, *Girl in Pieces* is a very, very good novel." Summer Wood, author of *Arroyo* and *Raising Wrecker*
