The Manipulated Man - Esther Vilar 2009-01-16

Esther Vilar's classic polemic about the relationship between the sexes caused a sensation on its first publication. In her introduction to this revised edition, Vilar maintains that very little has changed. A man is a human being who works, while a woman chooses to let a man provide for her and her children in return for carefully dispensed praise and sex. Vilar's perceptive, thought-provoking and often very funny look at the battle between the sexes has earned her severe criticism and even death threats. But Vilar's intention is not misogynous: she maintains that only if women and men look at their place in society with honesty, will there be any hope for change.

Woman, Don't Be Stoopid! - Armato 2009-09

Do not be unequally yoked together with unbelievers. For what fellowship has righteousness with lawlessness? And what communion has light with darkness?-2 Corinthians 6:14 From the beginning, Satan has declared war on the family. But now, Satan is stepping up his attack on the family to bring it down-with the help of Christian women. Satan has found that the best way for him to destroy the family is to start from its formation-by getting Christian women to date and marry men who are not true brothers in the Lord. In this endeavor, Satan is succeeding big time, and will continue to do so, unless Christian women everywhere wake up and realize what is happening. They also need to recognize who they are, and why they should not settle for anything less than a man who is a true brother in the Lord. This book will help in that endeavor, as well as expose Satan's plan for Christian women everywhere. Topics covered in this book include: - Reasons why Christian women choose to date and marry unsaved men. - The consequences Christian women will suffer for pursuing unsaved men. - The consequences their children and future husbands will suffer as well. - How Christian women misuse the Gospel of Jesus while dating unsaved men. - The excuses Christian women give to justify their disobedience. - How to heal from past ungodly relationships. - How to be the woman that a Christian man will want to pursue. James Joseph Armato is a graduate of Hofstra University and an Air Force veteran. He currently resides in Massapequa Park in Long Island, New York, while holding down two jobs as a restaurant server. He is a member of Bethpage Assembly of God church. This is his first book.
