When You're Ready, This Is How You Heal - Wiest 2022

Solution Squared - Mike Fontenot 2012-12-01
 "...in this business, at some point, everyone dies." Carl Santos CIA Station Chief, Istanbul
 Twin sisters Courtney and Whitney spent their entire adult lives traveling an inherently dangerous path - sometimes together sometimes apart. It's a path that inexorably leads to a destiny that only they - together- can fulfill. Over the years, they've made friends, and enemies - sometimes both in the same person. Even those they work against, respect their abilities. They now find themselves forced to work with what the world believes is their biggest adversary - the SVR - and its Director. What the world - and those in power in both countries - aren't aware of, is that over the years, Courtney Whitman and Andrei Gryzlov have become as close as friends, as they are diligent adversaries. This small detail will eventually prove extremely beneficial for the Russian government. A program - one that directly involved two of the twin's closest associates - was never terminated as was reported. In fact, not only was it seen through to completion, but the subjects are now being gathered to complete a mission - but it's not the mission they were created for. In the end... the price of success will be far higher than any of them could have ever imagined. THE FINAL EQUATION is the last chapter in the lives of Courtney and Whitney Bergstrom, and all those who have joined them over the years, on the extraordinary path that leads to their ultimate destiny.

Get Over Yourself! - Patti Novak 2008-12-30
 True love doesn't just happen, notes professional matchmaker Patti Novak. You have to work for it-and want it. Forget eight-minute speed dates or online dating sites with twenty-page questionnaires that promise a scientifically calculated perfect match. The fact that you both like golf, stamp collecting, and pizza with anchovies is great, but it won't mean a thing if

you don't feel that zing. But before there can be sparks, there have to be dates. And before the first date, you need to get over yourself! Taking a tough-love approach, and in her signature straight-shooting style, Patti will show you how to fix what needs to be fixed, reach your core, and identify who you are and what you want in a partner. She uses a three-part common-sense formula: • *Getting Over What?* Assess your dating weaknesses, recognize what's not working, and adjust your expectations. Delve into your personal history and past relationships, and pinpoint the issues that have been holding you back. • *Almost Over It* Fine-tune your attitude, your look, and your behavior to maximize your dating chances. Novak lays out strategies to help you deal with the brutal dating monsters you find along the way. • *Over It* Learn the do's and don'ts of the first date, the second date, and beyond. Remember, it's not a job interview or therapy session. Pretend you're meeting a new friend, not a prospective husband or wife. Finding your one and only isn't about having the right shoes or a flat stomach. It's about being true to yourself, being vulnerable, and being ready for love. Whether you're new to the dating scene, divorced and looking, or just trying to reach that second date, *Get Over Yourself!* will help you get the love you've always wanted and deserve.

Face to the Reality - Laurent Lokwa Tshimbeka
2016-01-25

I think that there is a need for this book because through this, I believe I have a message to transmit in the world. A brief outline of my book relevant. The book Face to the Reality is a romance that tells the story of a people who

suffer in his own country. It is a complicate and unfortunate story that relates the author through the journey of a young man named Abibu, who, from his childhood until his adulthood, was victim of unfortunate realities of his country. This book is written also in French because by writing this book, I expect Frenchmen and Englishmen, so that's why I tried to write in two languages. It means this book is a bilingual book. If you accept my proposition to publish it like a bilingual book, it will have around two hudnred pages. If it will not be possible to publish it like a bilingual book but only like monolingual, meaning in English only, it will have around one hundred pages. Even for my first readers or the persons you will consult in confidence, they don't speak English well even if they try.

Stop Telling Women to Smile - Tatyana Fazlalizadeh 2020-02-04

The debut book from a celebrated artist on the urgent topic of street harassment Every day, all over the world, women are catcalled and denigrated simply for walking down the street. Boys will be boys, women have been told for generations, ignore it, shrug it off, take it as a compliment. But the harassment has real consequences for women: in the fear it instills and the shame they are made to feel. In Stop Telling Women to Smile, Tatyana Fazlalizadeh uses her arresting street art portraits to explore how women experience hostility in communities that are supposed to be homes. She addresses the pervasiveness of street harassment, its effects, and the kinds of activism that can serve

to counter it. The result is a cathartic reckoning with the aggression women endure, and an examination of what equality truly entails.
