Capricorn - Mr. Ambition Tiana Laveen 2018-01-14 PLEASE NOTE: This book contains adult content. Welcome to the "Zodiac Lovers Series" - The 12 Signs of Love. This is a series which features a hunky hero for each zodiac sign of the year! All novels in this series are standalone, so you can purchase any or all of them as you wish, without missing a beat. Each Hero embodies typical characteristics of their zodiac sign, but please bear in mind, this is simply for fun and not intended to mean that men of any sign mentioned will act as described. Each unique tale chronicles the life of the hero and heroine's quest for love and romance. Some of the heroes are serious and brooding, others capricious and fun-loving. Some of the tales will feel like a modern-day fairytale while others will take a more serious tone. Some of these stories may lie somewhere in between. This series is written from the heart and gathered from the stars. Enjoy! Chancellor Hartmann has no time for fun and games. He is the CEO of "Fountain Lite," a successful company offering special lighting appliances for pools and irrigation systems. Chancellor wakes up at 4:05 a.m. every morning, goes out for his daybreak jog, then gets ready and drives to work with nothing but business on his mind. The employees fear his no-nonsense approach. His callous way of cutting to the chase, and his failure to mince words have given him quite the reputation. When he leaves his office, often in the wee hours of the morning, he returns to an empty house. Women are delightful creatures to regard from afar, and for short periods of time... Chancellor garners female attention wherever he goes with his distinguished looks and sex appeal. Yet, his aloofness keeps them at arm's length, sending a message to any potential lover not to get attached for he has no qualms whatsoever about breaking hearts. Nothing steers him from this path tailored around a vigorous schedule. That is, nothing until Bailey Hawthorn moves into his neighborhood... Bailey is a hands-on type of woman with an infectious laugh and magnetic personality. Her interesting career gives her a touch of whimsy, but she also carries a wisdom about her that exceeds her age. After a chance meeting, Chancellor learns that Bailey is not only drop dead gorgeous, but also single. Though he hates to admit it, she is now on his radar, and his thoughts are consumed with her. For one, she has him truly pegged, down to the bare bones, and this fascinates him. The once most eligible bachelor of the block is now faced with a life test he's never encountered before. The challenge? Living by the seat of his pants, facing the hard truth, experiencing fun and adventure. Chancellor has fallen head over heels for his polar opposite, but can he hold on to her, face unexpected crises, and pass the test of true love? Will he be able to release his stifling dogma and let go of the rules and regulations that have slowed

him down once and for all? Read "Mr. Ambition - Capricorn" to find out!

The Cold Heart of Capricorn Martha C. Lawrence Now Elizabeth Chase returns in a case more dangerous than ever: An increasingly violent rapist has been terrorizing San Diego, but the lack of physical evidence at the scenes gives the police very little to go on. Skeptical but desperate as the rapist edges ever closer, the cops turn to Elizabeth for paranormal assistance. Her first step is to hypnotize the victims, hoping to unearth clues buried in their subconscious memories. But when her interpretations have devastating results, she tries to back off the case—only to find herself drawing nearer and nearer to the deadly conclusion. "Martha Lawrence's parapsychologist detective cast a spell on me: I couldn't put the novel down." —Linda Barnes, author of *Hardware*

Parties in Congress Colette Moody 2011-02-01 They say politics makes strange bedfellows... Elated to secure her first paid political staff position, Bijal Rao is eager to focus her efforts on the election of her candidate to U.S. Congress. However, Bijal's first unforeseen obstacle is her profound and unexpected attraction to their opponent—incumbent Congresswoman Colleen O'Bannon—who is outspoken, charismatic, and openly lesbian. An even greater hurdle is the subterfuge and pretense that prevades the climate in Washington, D.C., where small missteps are readily painted as major gaffes, and lies are explained away as "in the public's best interest." During the heated campaign, both Bijal and Colleen struggle not to cross the lines of propriety—and perhaps more importantly, their party lines.

If that's ever crossed your mind, and if you know there's more to life than what you've been living, this book is for you. It sucks to acknowledge that you are what's keeping you from the life you want. You sacrifice what you want most for what you want in the moment. You know everything you're supposed to do, and yet you feel stuck--limited by your past, overwhelmed by your future--in a purgatory of your own behavior. After decades of feeling trapped by this mindset, Elizabeth Benton shifted her whole life by proving her own stories wrong. In this book, Elizabeth will help you live a new story, in which you can, you will, and you already have everything you need to make it happen.

Aquarius Descending Martha C. Lawrence Torn McGowan, Elizabeth's cop boyfriend asks her to take on a case that seems to be more in her line of work than in his. The father of Tom's ex-fiancée has come to him in desperation: He fears a mysterious package he's just received means that his daughter, who has disappeared into The Bliss Project, must be dead or in terrible trouble. Although Elizabeth is not too keen on the idea of accepting a case so close to home—she didn't even know Tom had an ex-fiancée, and The Bliss Project's efforts at mind control threaten to wreak havoc on her finely attuned senses—she agrees to investigate. But infiltrating a cult is no easy matter, especially one that seems to have as many secrets as this one, and soon Elizabeth finds herself in a life-and-death battle that will lead to a shocking conclusion. “Just when you think you’ve seen everything, something new comes . . . and astounds you.”—The Dallas Morning News

You Can Never Satisfy a Woman Robert Gonzalez 2022-04-08 You Can Never Satisfy A Woman is about many things in a woman's life that happens. The story is about a woman the way she thinks, speaks and do things. These experiences, thoughts and research I have learned growing up to adulthood about woman or women. A woman mind can change anytime, so you have to be ready.

Pisces Rising Martha C. Lawrence "Just when you think you've seen everything, something new comes . . . and astounds you."—The Dallas Morning News I moved through the casino in a daze, my senses overloaded by lights, noise, and the discordant vibes of the gamblers. Their emotions—numbness, excitement, anxiety, ecstasy, love, loathing—clashed all around me.... I stopped at a game, and that's when it all started. I began to know things. It's an unpredictable gift, an ability I can't force to come about. Nor can I stop it once it's begun. I knew that the short-haired brunette at the end of the table would lose. In spite of her pretty white smile and positive attitude, I could see her defeat.... As for me, it was as if I'd already played my hands and seen their outcome. Tonight I was destined to win.... After seeing her fiancé gunned down at the end of her last investigation, psychic detective Elizabeth Chase is reluctant to go back to detective work. But when an old friend calls in a favor, Elizabeth finds her

unique talents pitted against her most brutal and baffling case yet—the pursuit of a vicious murderer wanted in connection with the scalping of a Native American casino owner. Elizabeth soon learns that the tranquil setting of the Temecu reservation belies a dangerous undercurrent of political scheming, racism, and pure human greed. As she struggles to figure out who can be trusted, Elizabeth must call upon all of her resources not only to solve the crime, but to restore her own spirit. The first three Elizabeth Chase mysteries have been widely acclaimed by readers, critics, and other writers alike: "With a refreshingly eccentric style, Martha C. Lawrence makes psychic investigator Elizabeth Chase immensely appealing and totally believable," says Diane Mott Davidson. Or, as Harlan Coben puts it, "You don't have to read the stars to see that Martha Lawrence is up there with the likes of Sue Grafton, Sara Paretsky, and Marcia Muller."

Astrology for Real Relationships Jessica Lanyadoo 2019-12-31 A modern, inclusive guide to astrology that uses the zodiac to illuminate your love life as well as your relationships with your family, your friends, and yourself. When it comes to friendship, family, and romance, we all want the same things: to love and be loved, to communicate, to fight fair, and to feel okay in our own skin. Illuminating and accessible, *Astrology for Real Relationships* includes a primer on basic zodiac knowledge—including the importance of your Sun, Moon, and the planets in your birth chart—before exploring how self-love and self-care affects all types of relationships. Once your mental health and spiritual and emotional wellness are balanced, you can be empowered in your relationships, including:

- Friends and chosen family: The Sun governs your identity and your will. Are you comfortable being yourself? Do your friends see you in the same ways that you see yourself?
- Hanging out and dating: The Moon governs your feelings and emotions. Are you honest with yourself about how you feel and what you really need from a partner?
- Long term relationships: Mars is the planet of conflict. Do you always seem to be attracted to the wrong people? Are women really from Venus and men from Mars? Full of real talk about attraction, dating, sex, frenemies, self-love, mental health, and how to deal with family, this book will help you build and maintain strong connections—with your crushes, your spouse, your boss, or your mom—and uncover and empower you to get what you really want in relationships, not what you think you should want.

All Signs Point to Paris Natasha Sizlo 2022-08-16 "This one brims with magic... An absolute page-turner and joy to read!— Jane Green, New York Times bestselling author A surprising astrology reading sends Natasha Sizlo—divorced, broke, freshly heartbroken, and reeling from her father's death—on an unexpected but magical journey to France, in pursuit of a man born on a particular date in a particular place: November 2, 1968 in Paris. It's the cusp of Natasha Sizlo's forty-fourth birthday. Still reeling from her disastrous divorce, she's navigating life as a single mom and doing her best to fake it till she makes it in the cutthroat world of LA real estate. In the meantime, her ex-husband is dating a Hollywood star, and she's just broken it off—for the hundredth and final time—with her devastatingly handsome but impossibly noncommittal French boyfriend. Just when it seems things can't get any worse, her beloved father is given months to live. So when she's gifted a session with LA's most sought-after astrologist,

Natasha—despite being a total skeptic—figures she has nothing to lose. The reading is eerily, impossibly accurate. As her misgivings give way, Natasha can't help but ask about her ex-boyfriend, the French man she can't seem to get over. To her surprise, the astrologist tells her that he is perfect for her. His birthday and birthplace—November 2, 1968, in Paris, France—lines up with her astrological point of destiny. The word husband comes up. Natasha is distraught. Panicked, even. Was he really The One? Was this all the big soul love she was destined for? Then, she has a lightning bolt of an idea: her ex wasn't the only man born on November 2, 1968, in Paris. Natasha's real soulmate is still out there—she just has to find him. Joined by her sister and two of her closest girlfriends and buoyed by her father's parting message to never give up on love, Natasha flies to the City of Light, determined to take destiny into her own hands. Propulsive, touching, and darkly funny, *All Signs Point to Paris* is the story of one woman's search for a second chance at love, with a dusting of astrological magic. Unforgettable and inspiring, Natasha's journey reveals what can happen when you ask the universe for what you want—and are brave enough to open your heart when the answer finally comes.
