Maybe He Just Likes You - Barbara Dee

2019-10-01

A 2020 ALA Notable Children's Book A

Washington Post Best Children's Book of 2019

Barbara Dee explores the subject of #MeToo for the middle grade audience in this heart-wrenching—and ultimately uplifting—novel about experiencing harassment and unwanted attention from classmates. For seventh-grader Mila, it starts with some boys giving her an unwanted hug on the school blacktop. A few days later, at recess, one of the boys (and fellow trumpet player) Callum tells Mila it's his birthday, and asks her for a "birthday hug." He's just being friendly, isn't he? And how can she say no? But Callum's hug lasts a few seconds too long, and feels...weird. According to her friend, Zara, Mila is being immature and overreacting. Doesn't she know what flirting looks like? But the boys don't leave Mila alone. On the bus. In the halls. During band practice—the one place Mila could always escape. It doesn't feel like flirting—so what is it? Thanks to a chance meeting, Mila begins to find solace in a new place: karate class. Slowly, with the help of a fellow classmate, Mila learns how to stand her

ground and how to respect others—and herself. From the author of *Everything I Know About You*, *Halfway Normal*, and *Star-Crossed* comes this timely story of a middle school girl standing up and finding her voice."

Major Crush - Jennifer Echols 2008-06-16
Marching to the beat of a different drum... Tired of the beauty-pageant circuit, Virginia Sauter tosses her tiara, pierces her nose, and auditions for the most unlikely of roles -- drum major of the high school marching band. Virginia wins, but is forced to share the title with Drew, whose family has held the position for generations. Sure, Drew is hot, but because of his superior attitude, he and Virginia are constantly arguing. That is, until they share more than just their half-time salute... But as the drum major's heated competition turns to sizzling romance, explosive rumors threaten everything -- including the band's success. Love seemed to be a sure hit, but Virginia and Drew may be marching straight into disaster.

[Tell Me Again How A Crush Should Feel](#) - Sara

Farizan 2014-10-07

With the heart of Judy Blume and wit of Alison Bechdel, Sara Farizan brings the authenticity

and humour that distinguished her debut novel, *If You Could Be Mine*, to her second work of fiction for teens *Leila* has made it most of the way through high school without having a crush on anyone, which comes as something of a relief. Her Persian heritage makes her different enough; if word got out that *Leila* liked girls, life would be twice as hard. And what would her parents think? It's bad enough she's not even going to become a doctor. But when a sophisticated, beautiful new girl, *Saskia*, shows up, *Leila* starts to take risks she never dreamed of, especially when it looks as if the attraction between them is mutual. Struggling to sort out her growing feelings and *Saskia*'s confusing signals, *Leila* confides in her old friend, *Lisa*, and grows closer to *Tomas*, whose comments about his own sexuality are frank, funny, wise and sometimes painful. Gradually, *Leila* begins to see that almost all of her classmates are more complicated than they first appear to be, and many are keeping fascinating secrets of their

Reapers - Duane L. Martin 2023-05-18

When the reaper drones showed up at the party to kill Diedre so they could reclaim her energy and take it back to Purgatory, she and Logan had go on the run, hopping from dimension to dimension in an effort to try to stay one step ahead of them while the folks back home work on a way to rectify the situation without leaving all of the energy forms on Purgatory stranded there for all eternity. In their search for answers however, they make some incredible discoveries, not only about the dimension of Purgatory itself, but also about the root cause behind Diedre's psychotic behavior in her former life. Also, when Derek pays himself a visit from the future, he learns that their attempts at finding a solution to the Diedre situation appeared to have worked at first, but things ended really bad for them shortly thereafter. Now they have to think outside the box to come up with a new and unique way of solving the problem that they

wouldn't have otherwise considered, because if they don't, then some people that they care very deeply about are going to end up dead, while others will have a falling out that will cause them to go their separate ways. Finally, while out on the run from the Reaper drones, Logan and Diedre's feelings for one another continue to grow, but can Logan resist temptation so that he doesn't end up hurting Darla and destroying their marriage? Derek isn't so sure, and every time that Logan returns and the others fail to catch him so they can swap out who's protecting Diedre, his anger continues to grow. When he starts taking that anger out on the family however, Jarrod is forced to give him a harsh reality check to bring him back to his senses. Reapers is book 19 of the Unseen Things series. *Make Him Yours* - Mark Rosenfeld 2019-12-12 How much more time will you waste with the wrong men? you're like the majority of other good women out there who have had a run of men who don't respect you, don't care for you or don't put effort into you, then this book is absolutely for you. Deep down you know true, fulfilling love is out there for you. But after enough low-value relationships or dates, who's to blame you for starting to doubt it will ever happen for you. The result is you spend nights stuck in your head wondering if there is something wrong with you. You linger about why men can't or won't see your value. You look around and see all your friends in relationships while you are perpetually single, even when you have so much going for you. Mark Rosenfeld has coached thousands of women across the world. His life-changing videos have received over 50,000,000 views and he has become Australia's leading dating and relationship coach for one reason - he gets results. Whether its confidence, clarity, or a genuine, connected soulmate, women the world over look to Mark as a progressive, honest and

practical coach who leads them through the midst of uncertainty and doubt that modern dating can be, to shine through and attract the man they deserve. In 'Make Him Yours; Beating The Odds Of Modern Dating', you'll discover ...The 7 Non-Physical Attraction Triggers that make him decide if you're a 'casual date' or 'wife material'The 4-Boyfriend Benefits you're probably getting used for (hint: It's not sex)The 3-Step process to set standards that makes a man respect and WANT to complyThe Top 10 Places to meet men offline, and the simple OPEN mindset that gets hot guys talking to you anywhere, anytime (if that's what you want)The 7 Modern Dating Habits you can use in 2020 to swing the dating pendulum in your favour
The Boy Project - Kami Kinard 2012-01-01
For anyone who's ever felt that boys were a different species.... Wildly creative seventh grader Kara McAllister just had her best idea yet. She's going to take notes on all of the boys in her grade (and a few elsewhere) in order to

answer a seemingly simple question: How can she get a boyfriend? But Kara's project turns out to be a lot more complicated than she imagined. Soon there are secrets, lies, and an embarrassing incident in the boy's bathroom. Plus, Kara has to deal with mean girls, her slightly spacey BFF, and some surprising uses for duct tape. Still, if Kara's research leads her to the right boy, everything may just be worth it. . . . Full of charts and graphs, heart and humor, this hilarious debut will resonate with tweens everywhere.

Stephanie Rische 2016-01-01

Eight setups. Eight awkward dates. Eight things God tried to teach her along the way. (Some of which she's still trying to figure out.) Stephanie Rische was starting to feel invisible. All around her, her friends were getting married, and she found herself decidedly alone. Stephanie couldn't help but wonder if there was something broken in her—was she not pretty enough? Not fun enough? Not dateable enough (whatever that meant)? So she started praying in earnest for God to bring the right man into her life. And instead, He brought her matchmakers. Eight of them, to be precise. Beloved blogger Stephanie Rische debuts with this charming, vulnerable, and (who are we kidding?) often mortifying true story of a girl who tried really hard to find someone to fall in love with—even when she mostly just ended up falling flat on her face. But amid the most cringeworthy setups and awkward encounters, Stephanie found God's grace and love meeting her there in ways she

never could have imagined—once she opened her eyes to see.

Generation Dead - Daniel Waters 2010-05-27
All over the tri-state area, something strange is happening. Teenagers who die aren't staying dead. They are coming back to life, but they come back different - they stutter and their reactions to everything are slower. Termed 'living impaired' or 'differently biotic', there are lots of conspiracy theories to explain this new phenomenon. But as their numbers keep on growing, so does the discomfort of the living people in the community. When Phoebe falls for Tommy Williams, her best friend and star of the football team, Adam, has conflicting emotions. And when Tommy decides to try out for the football team, it sets off a chain of events that escalates into deadly violence.

There's a Boy in the Girls' Bathroom - Louis Sachar 2010-12-06

The wonderfully funny and richly warm novel by the bestselling, award-winning author of *Holes*. Meet Bradley Chalkers. He's the oldest child in the class. He tells ENORMOUS lies. He picks fights with girls. The teachers say he has 'serious behaviour problems'. And no one likes him ... Except Carla, the new school counsellor. She thinks Bradley is kind and generous, and she even enjoys his far-fetched stories. Carla

knows that Bradley could change, if only he weren't afraid to try. Sometimes the hardest thing in the world is believing in yourself. A heartwarming story of bravery and acceptance from Louis Sachar, the bestselling author of *Holes* and *Fuzzy Mud*.

By Accident - Susan Kelly 2011-09-01

A grieving mother finds solace from her son's death in a relationship that quickly blurs the line between friendship and intimacy. *By Accident* portrays a year in the life of a woman after the accidental death of her teenage son. Laura Lucas is numbed by the loss, a loss that is paralleled in the spate of upscale construction—and attendant destruction—in her starter-home neighborhood. It's about Laura's relationship with a young tree surgeon who slowly becomes a replacement for her son—but also an object of desire. The story reveals the delicate nexus where solace becomes sex; the role of men and women as unmarried friends; and examines grief in a marriage. It portrays the
