

How To Convince A Woman To Give You A Chance

Kiss My Tinsel - Melissa Schroeder 2021-12-02

I have a confession to make: I have hated all things tinsel-related for years. Yeah, I know, most people have a right to hate things, but I don't. I'm Nick Kristoff, CEO of the biggest department store chain that specializes in the holidays. Hating a holiday I plan to promote all year long is kind of like living in hell. But that all changed the moment a bundle of sparkly energy hits me. And by hits me, I mean she rams into me, knocks me over, then lands on top of me. In that one moment, my life changed. The second I look into her hazel eyes, I know she's the woman for me. But first, I have to convince the Christmas-loving woman to give me a chance, even if that means letting my hang-ups about the holiday go. I am up for that challenge. Because this Christmas, the only thing I'm asking Santa for is the sweet sugarplum who knocked me off my feet. Author Warning: This books includes elves(duh), jingle bells(another duh), a sweet woman who falls for the grump, a little light stalking, and a man so head over heels for a woman who is his complete opposite it will make you melt. Hot chocolate and cookies recommended while reading.

The summer Josh and I got together, we agreed to keep things strictly physical. And it was. Until our casual hookups stopped feeling casual. Having sex with him stopped being just about sex. And the thought of calling a halt to it left me feeling empty and cold. But Josh doesn't "do" relationships, so I called it quits before I started to fall. Luckily, I was able to move on from the experience completely unscathed, my heart fully intact. Or so I thought. Until I saw him again. His arm was wrapped around her. And unlike me, she isn't a hookup or a "booty" call. No, she's the girlfriend he told me he didn't want. And she's getting from him everything he'd said he couldn't give any girl. So it turns out that Josh isn't averse to being in a relationship after all. He simply hadn't wanted to be in a relationship with me. Other Books in the Series: *The Trap Trapped Burned* - TBA

How to Get Your Ex Girlfriend Back - C. Powell 2012-01-24

The answer to the question 'can i get my girlfriend back?' is yes... probably. You see if your girl still loves you, no matter how much you've messed up in the past, she will more than likely be receptive to you if you can prove to her that she won't be wasting her time and that she won't get hurt again. No one wants to be hurt and no one wants to set themselves up to be hurt by trusting someone who has already proven they can't be trusted. For this reason you will probably be able to win her back but you had better expect an uphill climb. The first step is to give her a little time and space. Don't rush her or expect everything to happen quickly. It takes a lot longer to rebuild trust than it took to tear it apart. More than likely by the time you've gotten to this point you've let her down more than once. Please don't think that all that past hurt and all those mistakes will go away and she'll forget about them just because you say 'I'm sorry' or you tell her that 'I've changed'. She'll probably need to see some proof that that is true. It's important for you to concentrate on yourself instead of just trying to convince her you've changed. It will take you time to truly change the person that you are and you don't want to make the mistake of thinking you can somehow 'trick' her into believing you are a different man.
