

# How To Get A Body Like Female Kpop Idols

*Idology in Transcultural Perspective* - Aoyagi Hiroshi  
2021-12-10

This edited volume expands on what Aoyagi Hiroshi intended in the first decade of the new millennium to establish as a subfield of symbolic anthropology called “idology.” It brings together case studies of popular idolatry in Japan, but goes further to provide a transcultural perspective to guide anthropological investigations in different places and times. In proposing an integrated paradigm for the growing body of literature on idols, the volume redirects recurrent questions to more fundamental points of sociocultural inquiry. Contributions from scholars conducting ethnographic fieldwork, as well as those engaged in theoretical and

historical analyses, facilitate comparative reading and critical thought. Exceeding a narrow focus on human idols, the chapters shed new light on virtual idols and YouTubers, cartoon characters and voices, robot idols and cybernetic systems. Science and technology studies thus comes together with theories of animation and anthropological work on life in more-than-human worlds.

**Korean Masculinities and Transcultural Consumption** - Sun Jung 2010-11-01

This book investigates transcultural consumption of three iconic figures ù the middle-aged Japanese female fandom of actor Bae Yong-Joon, the Western online cult fandom of the thriller film *Oldboy*, and the Singaporean fandom of the pop-star Rain. Through these

three specific but hybrid context, the author develops the concepts of soft masculinity, as well as global and postmodern variants of masculine cultural impacts. In the concluding chapter, the author also discusses recently emerging versatile masculinity within the transcultural pop production paradigm represented by K-pop idol boy bands.

*The Holistic Pine: Volume 2, Issue 5 - Writers' Kalam*

"The Holistic Pine is India's first independent international monthly lifestyle journal " Sanskar News Authenticity, Brevity, and Clarity We experience information overload, the moment we search something online, especially when this search is regarding courses and careers. What guarantee do we have that the information we receive online is genuine or not? How many hours should we dedicate to sift through the data available? How could we identify the authenticity of information? Instead of spending hours and hours of

time and energy, The Holistic Pine is making it easier for the reader to get authentic information within a short period of time. This is one of the reasons educational institutions are moving massively towards The Holistic Pine, where you get Authenticity, Brevity, and Clarity. There is still another reason. Most academic journals subscribed by college/school libraries do not create readers out of students. Most students avoid them. However, The Holistic Pine is unique in its appeal. That's where The Holistic Pine becomes different. It has created a bridge between the magazine culture and journal culture, offering in each issue a highly stylized reading material that attracts students and scholars. The Holistic Pine, thus, becomes an academic asset in educational institutions, scholars, UPSC, PSC, and Civil Service or IAS aspirants, and general readers.

## How To Get A Body Like Female Kpop Idols

---

Readers' Choice Awards 2015, English (Children) Category Amos Lee and family were off on their first family holiday ever, to Seoul, South Korea! But everyone was caught up in their own thing: Dad kept checking his work emails. Mum and Grandma were chasing down K-pop stars. Whoopie only cared about growing long eyelashes. And Everest was set to win a Choco Pie eating contest. As for Amos, he just wanted to win the Instagram Prize for Popular Youth! But when Grandpa went missing, the family holiday became a living nightmare. Grandpa was lost in a city of TEN MILLION people—how were they going to find him?

**Kim Jiyoung, Born 1982** - Cho Nam-Joo 2020-02-20 A GUARDIAN 'ONE TO LOOK OUT FOR 2020' A RED MAGAZINE 'CAN'T WAIT TO READ' BOOK OF 2020 THE MULTI-MILLION-COPY SELLING SOUTH KOREAN SENSATION THAT HAS GOT THE WHOLE WORLD TALKING Kim Jiyoung is a girl born to a mother whose in-laws

wanted a boy. Kim Jiyoung is a sister made to share a room while her brother gets one of his own. Kim Jiyoung is a female preyed upon by male teachers at school. Kim Jiyoung is a daughter whose father blames her when she is harassed late at night. Kim Jiyoung is a good student who doesn't get put forward for internships. Kim Jiyoung is a model employee but gets overlooked for promotion. Kim Jiyoung is a wife who gives up her career and independence for a life of domesticity. Kim Jiyoung has started acting strangely. Kim Jiyoung is depressed. Kim Jiyoung is mad. Kim Jiyoung is her own woman. Kim Jiyoung is every woman. Kim Jiyoung, Born 1982 is the life story of one young woman born at the end of the twentieth century and raises questions about endemic misogyny and institutional oppression that are relevant to us all. Riveting, original and uncompromising, this is the most important book to have emerged from South Korea since Han Kang's The

---

Vegetarian. Praise for Kim Jiyoung, Born 1982 'It describes experiences that will be recognisable everywhere. It's slim, unadorned narrative distils a lifetime's iniquities into a sharp punch.' The Sunday Times 'A ground-breaking work of feminist fiction' Stylist 'Along with other socially critical narratives to come out of Korea, such as Bong Joon-ho's Oscar-winning film Parasite, her story could change the bigger one.' TheGuardian 'This witty, disturbing book deals with sexism, mental health issues and the hypocrisy of a country where young women are "popping caffeine pills and turning jaundiced" as they slave away in factories helping to fund higher education for male siblings.' The Independent 'Enthralling and engaging.' Sunday Express 'Cho's moving, witty and powerful novel forces us to face our reality, in which one woman is seen, pretty much, as interchangeable with any other. There's a logic to Kim Jiyoung's shape-shifting: she

could be anybody.' Daily Telegraph  
*Hello, I Love You* - Katie M. Stout 2015-06-09  
Grace Wilde is running—from the multi-million dollar mansion her record producer father bought, the famous older brother who's topped the country music charts five years in a row, and the mother who blames her for her brother's breakdown. Grace escapes to the farthest place from home she can think of, a boarding school in Korea, hoping for a fresh start. She wants nothing to do with music, but when her roommate Sophie's twin brother Jason turns out to be the newest Korean pop music superstar, Grace is thrust back into the world of fame. She can't stand Jason, whose celebrity status is only outmatched by his oversized ego, but they form a tenuous alliance for the sake of her friendship with Sophie. As the months go by and Grace adjusts to her new life in Korea, even she can't deny the sparks flying between her and the KPOP idol. Soon, Grace

realizes that her feelings for Jason threaten her promise to herself that she'll leave behind the music industry that destroyed her family. But can Grace ignore her attraction to Jason and her undeniable pull of the music she was born to write? Sweet, fun, and romantic, Katie M. Stout's *Hello, I Love You* explores what it means to experience first love and discover who you really are in the process.

### *Straight Korean Female Fans and Their Gay Fantasies -*

Jungmin Kwon 2019-02-15

"This study is about ardent Korean female fans of gay representation in the media, their status in contemporary Korean society, their relationship with other groups such as gay men, and, above all, their contribution to reshaping the media's portrayal of gay people, as well as the public attitude toward sexually marginalized groups. Kwon calls the female fandom of gay portrayals "FANTasy culture" and argues that it enables the present growing visibility of the gay body in

Korean mainstream media. She also argues that fandom has functioned as a catalyst to ameliorate a harsh reality for a marginalized group. The FANTasy subculture started forming around text-based media, such as yaoi (or "boys' love" manga, a Japanese genre), fan fiction, and U.S. gay-themed dramas, and has been influenced by diverse social, political, and economic conditions, such as the democratization of Korea, an open policy toward foreign media and cultural products, the diffusion of consumerism, government investment in Korean culture, the Hollywoodization of the film industry, and the popularity of Korean culture abroad. While much scholarly attention has been paid to the female fans of homoerotic cultural texts in other countries, Kwon explores both the understudied Korean case and another aspect of the subculture that has been relatively neglected: its location in and influence on the society at large"--

**Polish K-Pop Fandom** - Julia

Trzcińska 2018-01-01

This book was written for people who would like to learn more about Polish K-Pop fandom, but it can also be of

## How To Get A Body Like Female Kpop Idols

---

help for those who are looking for some basic information about fan studies or K-Pop in general. Korean music has only recently started to gain popularity in Poland (as well as in other European countries). Some may affiliate K-Pop with Psy's Gangnam Style, a track which was virtually inescapable in the summer of 2012, but around that time the European K-Pop fandom was already well-developed, as evidenced by the Korean group Big Bang winning MTV European Music Award in 2011, or the flashmob fans organized in front of the Louvre museum that forced one of the biggest Korean entertainment companies to organize one more concert of their artists in the same year. Nevertheless, K-Pop's international popularity peak is often being connected to BTS' success, when they were awarded the Top Social Artist Award and successfully performed during the Billboard Music Awards in 2017. It would be difficult to say how many K-Pop fans there are in Poland now and how the number

changed over the years, but it is still undoubtedly growing. [K-Pop Revolution](#) - Stephan Lee 2022-04-05

She thought that debuting in a K-Pop band was the finish line, but it was only the beginning. Because now it's not only her company judging her—it's the entire world. If K-Pop Confidential was about finding your voice, K-pop Revolution is about finding the courage to stand by your beliefs, even when powerful forces are trying to shame and silence you. In the sequel to K-Pop Confidential, Candace is a Rookie idol. Her life is suddenly filled with the fans, cameras, and glamor of stardom: She and her boyfriend, YoungBae, are a K-Pop power couple; she's a walking icon at Brandt Foreign School; and her new girl group, known simply as THE GIRLS, is poised to break records across the industry. With her status as the industry's K-Pop Warrior, she has all the clout at her disposal to make waves. Right? Her label, S.A.Y., promises to help make the sweeping

changes for the industry to become a more humane and compassionate place for artists. But what will happen when the road to a record-breaking debut isn't as smooth as they'd planned? When a rival girl group emerges to steal the spotlight, carrying the message of change better than Candace ever could, she'll have to decide what it'll cost her and her bandmates to stand up for their beliefs. And as the world turns against her, with online bullies scrutinizing her every word, there's only so much that one person can take. From the top of the world to the brink of disaster, Candace is going to have to figure out why the world is out to get her. And she's not going to be able to do it alone. How far does one girl need to be pushed to start a K-Pop Revolution?

*Globalization and Popular Music in South Korea* - Michael Fuhr 2015-06-12

This book offers an in-depth study of the globalization of contemporary South Korean idol pop music, or K-Pop, visiting K-Pop and its multiple

intersections with political, economic, and cultural formations and transformations. It provides detailed insights into the transformative process in and around the field of Korean pop music since the 1990s, which paved the way for the recent international rise of K-Pop and the Korean Wave. Fuhr examines the conditions and effects of transnational flows, asymmetrical power relations, and the role of the imaginary "other" in K-Pop production and consumption, relating them to the specific aesthetic dimensions and material conditions of K-Pop stars, songs, and videos. Further, the book reveals how K-Pop is deployed for strategies of national identity construction in connection with Korean cultural politics, with transnational music production circuits, and with the transnational mobility of immigrant pop idols. The volume argues that K-Pop is a highly productive cultural arena in which South Korea's globalizing and nationalizing

forces and imaginations coincide, intermingle, and counteract with each other and in which the tension between both of these poles is played out musically, visually, and discursively. This book examines a vibrant example of contemporary popular music from the non-Anglophone world and provides deeper insight into the structure of popular music and the dynamics of cultural globalization through a combined set of ethnographic, musicological, and cultural analysis. Widening the regional scope of Western-dominated popular music studies and enhancing new areas of ethnomusicology, anthropology, and cultural studies, this book will also be of interest to those studying East Asian popular culture, music globalization, and popular music.

### **Here Comes the Flood -**

Marcy L. Tanter 2022-03-15

This book breaks down the stereotypes often expected of Korean popular culture, showing how the lines of gender, sexuality, and

stereotype in Hallyu productions are often blurred to be palatable to Korean audiences or clarified to attract global audiences.

### **Korean Wave in South Asia -**

Ratan Kumar Roy 2022-06-28

This book is a systematic investigation of Korean cultural wave in South Asia, discovering and analysing the dynamics of fandom, mechanism of media industry and growing phenomena of Korean culture in this part of the world. This is one of the very first academic volumes in South Asia that examines cultural politics, language and literatures of Korea in a regional location when there might be some on examining the political and diplomatic relations divorced from socio-cultural interactions. It focuses on three major aspects: identity formation in the age of digital culture, fandom and aspiration in the wake of subculture, and transcultural flow in South Asia. Through these thematic indicators and empirical instances the volume explores the modes of transcultural flow

on 2020-06-30 by guest

vis a via the global cultural flow. The patterns and processes of identity construction transformed among the teenagers and youths in the realm of digital media and embodying the Korean cultural elements. The book will contribute in the area of media and cultural studies, global culture and politics, arts and humanities, social sciences and area studies. Chapter 1 is available open access under a Creative Commons Attribution 4.0 International License via [link.springer.com](http://link.springer.com).

**Diet Simple** - Katherine Tallmadge 2011-05-31  
The secret to losing weight and keeping it off for good is simple. It's the small, easy changes you make in eating that have the most dramatic and lasting results. Diet Simple is the only program that shows you exactly which changes to make and how much weight you can expect to lose. Learn how to replace fat-laden habits you'll never miss, make substitutions you'll relish, and retool your mind to view eating in a whole new way. All in a

style that's fresh, entertaining, and fun. Here's just a taste of what you'll discover inside:

How singing in the shower can help you lose 26 pounds. How visiting "Old MacDonald" can help your kids lose 10 pounds. How your alarm clock can help you lose 14 pounds. How "Batch" Recipes can help you lose 40 pounds.

XOXO - Axie Oh 2021-07-13  
Jenny's never had much time for boys, K-pop, or really anything besides her dream of being a professional cellist. But when she finds herself falling for a K-pop idol, she has to decide whether their love is worth the risk. A modern forbidden romance wrapped in the glamorous and exclusive world of K-pop, XOXO is perfect for fans of Jenny Han and Maurene Goo. Jenny didn't get to be an award-winning, classically trained cellist without choosing practice over fun. That is, until the night she meets Jaewoo. Mysterious, handsome, and just a little bit tormented, Jaewoo is exactly the kind of distraction Jenny would normally avoid. And yet,

she finds herself pulled into spending an unforgettable evening wandering Los Angeles with him on the night before his flight home to South Korea. With Jaewoo an ocean away, there's no use in dreaming of what could have been. But when Jenny and her mother move to Seoul to take care of her ailing grandmother, who does she meet at the elite arts academy she's just been accepted to? Jaewoo. Finding the dreamy stranger who swept you off your feet in your homeroom is one thing, but Jaewoo isn't just any student. Turns out, Jaewoo is a member of one of the biggest K-pop bands in the world. And like most K-pop idols, Jaewoo is strictly forbidden from dating anyone. When a relationship means not only jeopardizing her place at her dream music school but also endangering everything Jaewoo's worked for, Jenny has to decide once and for all just how much she's willing to risk for love. XOXO is a new romance that proves chasing your dreams doesn't have to mean sacrificing your

heart, from acclaimed author Axie Oh. Indigo Best Teen Books of 2021

**From Factory Girls to K-Pop Idol Girls** - Gooyong Kim  
2018-12-17

Kim combines historical contextualization with political economy of the media and critical textual analysis to investigate the socio-ideological effects of K-Pop in the existing networks of power and domination in gender relations. He examines K-Pop female idols' individualism and identity formation through the lens of Korea's cultural politics.

**I'll Be the One** - Lyla Lee  
2021-12-21

Diverse book recommended by The Today Show \* A Kirkus Reviews Best Book of 2020 The world of K-Pop has never met a star like this. Debut author Lyla Lee delivers a deliciously fun, thoughtful rom-com celebrating confidence and body positivity--perfect for fans of Jenny Han and Julie Murphy. Skye Shin has heard it all. Fat girls shouldn't dance. Wear bright colors. Shouldn't call attention to themselves. But

## How To Get A Body Like Female Kpop Idols

---

Skye dreams of joining the glittering world of K-Pop, and to do that, she's about to break all the rules that society, the media, and even her own mother, have set for girls like her. She'll challenge thousands of other performers in an internationally televised competition looking for the next K-pop star, and she'll do it better than anyone else. When Skye nails her audition, she's immediately swept into a whirlwind of countless practices, shocking performances, and the drama that comes with reality TV. What she doesn't count on are the highly fat-phobic beauty standards of the Korean pop entertainment industry, her sudden media fame and scrutiny, or the sparks that soon fly with her fellow competitor, Henry Cho. But Skye has her sights on becoming the world's first plus-sized K-pop star, and that means winning the competition--without losing herself.

K-Pop Confidential - Stephan Lee 2020-09-03

A Korean-American girl travels to Seoul in hopes of debuting in a girl group at the same K-pop company behind the most popular boy band on the planet, in this romantic coming-of-age novel perfect for K-pop fans everywhere! Candace Park knows a lot about playing a role. For most of her life, she's been playing the role of the quiet Korean-American girl who takes advanced classes and plays a classical instrument, keeping her love of K-pop to herself. But she has a secret that she's been keeping from the world: she can sing. Like, really sing. So when Candace enters a global audition held by the biggest K-pop label in the world, she doesn't expect to actually win. And convincing her parents to go against everything they believe in is nothing compared to what's next. Under the strict supervision of her instructors at the label's headquarters in Seoul, South Korea, Candace must hone her performance skills to within an inch of her life, learn to fluently speak
