Confessions of a Happily Married Man Joshua L. Rogers 2019-12-17 Discover God in the messiness of your marriage, as popular marriage and family columnist Joshua Rogers offers spouses hope with real-life stories from his own marriage and helps you see how God is at work in the ordinary and extraordinary of your relationship. Confessions of a Happily Married Man is a husband's painfully honest account of his first ten years of marriage. It offers a window into the perspective of a man who went from "hello" to "I do" in nine months and then figured out how hard marriage could be. When Joshua Rogers thought back on the marriage books he had read or sermons about marriage he had heard, it occurred to him that he could only remember one thing about them: the stories. That's why this book is anchored by stories that other couples will relate to and can easily learn from. The stories are cringe-worthy, humorous, inspiring, heart-breaking, and full of wisdom--but the author isn't telling the reader what to do with that wisdom. He's letting the reader learn along with him as he's gradually becoming more self-aware, increasingly grateful for his wife, and surprised to discover what God is doing in the middle of it all.

Statistics show that for every single man there are several available women. In some countries there are ten or twenty available women to every single man. In reality women have to fight to get a good man. They have serious competition to win the heart of an eligible bachelor. 2. Age is no barrier. In comparison to their female counterparts, men in their later years who are of good character are much sought after. A good man can get a woman in any age group. Unfortunately, women fade quicker than men do. Often, their looks as well as their figure-shape diminish with age. How many books have been written on how to get or seduce a woman quickly? Many hundreds I would imagine-but what a waste of time! The secret formula for a successful man in the dating world is to become that good, attractive and desirable man. So, Let's Decode this Formula. Every woman likes good qualities in a man's personality, including confidence, honesty, power, generosity, as well as being resourceful and masculine. Also a sense of humor, the ability to lead with a combination of gentleness and kindness, and the ability to love and demonstrate commitment-yes, commitment-will attract most women. Even contemporary professional or businesswomen who have focused on their careers throughout their lives want love and devotion. As evidenced in the movie Sex and the City, here is a good example of how, eventually, even "loose" women would have only one man in their lives, to be loved and be faithful to him alone. In addition, it is important to understand what a woman needs from a relationship, and what she values in a male. What qualities attract her to particular men, and what standards does she have? What does

a man need to do to be delicately attuned to her ideals? One important element for any happy relationship (when a man chooses a woman) is that looks count, but his personality is what makes the woman stick around. The reality of attraction is finding out what works with different women. What draws women to a particular man and why do they choose to create a relationship with him? Another criteria for successful outcomes in dating for men is an ability to understand what qualities he is looking for in a woman when developing a relationship, and what level of commitment each party is prepared to invest in the relationship. Invest? Yes, creating a healthy relationship takes time, energy, affection, emotions, feelings and other resources. Some people fall in love many times throughout their lives. They become attracted to the opposite sex initially through appearance, but over time, they develop a loving relationship based on qualities of character and personality as well as values. Despite the fact that we all have our preferences when trying to attract the opposite sex, you have to remember, it is a male's personality and character traits that draw women like a magnet. Even money or a handsome appearance cannot help to build a good relationship with a desirable woman if the man is abusive, mean, or unfaithful. To become effective in dating, you may need to learn new behavior skills and develop a new attitude that will catch the attention of desirable women. By knowing the fundamental principles of what attracts females, you can then focus on becoming an attractive male yourself

Honoring her mother’s promise, Tiffany reluctantly travels west to meet her estranged father and his enemy’s eldest son, rancher Hunter Callahan. Once the Warrens and the Callahans are united by marriage, both clans will stop squabbling over a disputed strip of land.
