Teachers Act Up! Creating Multicultural Learning Communities Through Theatre -
Melisa Cahnmann-Taylor 2015-04-17

If teachers want to create positive change in the lives of their students, then they must first be able to create positive change in their own lives. This book describes a powerful professional development approach that merges the scholarship of critical pedagogy with the Theatre of the Oppressed. Participants "act up" in order to explore real-life scenarios and rehearse difficult conversations they are likely to have with colleagues, students, administrators, and parents. The authors have practiced the theatrical strategies presented here with pre- and in-service teachers in numerous contexts, including college courses, professional

How to Lose Your Cookie Money - Valerie Wilson Wesley 2005

When good-hearted third-grader Willimena spends her Girl Scout cookie money on lunch for some friends in need, she tries to creatively earn back the money she spent; ultimately she must face the consequences of not being responsible with the money.

Smart Cookies - 2013

Each year thousands of Girl Scouts sell cookies to friends family, and neighbors to raise money for their troops and local councils. Lauded as the largest girl-led financial literacy program, the annual Girl Scout cookie sale not only teaches girls important business and leadership skills but also prepares girls for their roles as American women in a neoliberal and capitalist

society. Girls learn the importance of 'giving' through multiple spaces of the cookie sale. Scouts learn to give and care for others under the veil of market capitalism, neoliberalism, and American nationalism, which seeks to reproduce hegemonic gender roles regarding labor, education, and citizenship. Based on a two-year study on the Girl Scout cookie sale, using qualitative methods and rooted in feminist methodologies, this project seeks to understand how 'spaces of giving' emerge in the cookie sale and how these spaces shape social constructions of gender, citizenship, and national identity.

Willimena and the Cookie Money - Valerie Wilson Wesley 2001

When seven-year-old Willimena spends all the money she earned selling Girl Scout cookies, her big sister Tina helps her come up with a plan to earn the money back.
