Maybe Someday - Colleen Hoover 2014-03-18

When she discovers that her boyfriend is cheating on her, Sydney, a 22-year-old college student, must decide what to do next, especially when

she becomes captivated by her mysterious neighbor Ridge.

Romanov - Nadine Brandes 2019-05-07

My name is Anastasia. The history books say I died. They don't know the

half of it. Anastasia “Nastya” Romanov was given a single mission: to smuggle an ancient spell into her suitcase on her way to exile in Siberia. It might be her family’s only salvation. But the leader of the Bolshevik army is after them, and he’s hunted Romanov before. Nastya’s only chances of saving herself and her family are either to release the spell and deal with the consequences, or to enlist help from Zash, the handsome soldier who doesn’t act like the average Bolshevik. Nastya has only dabbled in magic, but it doesn’t frighten her half as much as her growing attraction to Zash. She likes him. She thinks he might even like her. That is, until she’s on one side of a firing squad . . . and he’s on the other. Praise for Romanov: "I am obsessed with this book! A magical twist on history that will have Anastasia fans wishing for more. I loved every detail Brandes wrote. If you love magic and Imperial Russia, you want Romanov on your shelf!" —Evelyn Skye "Romanov will cast a spell on readers and immerse them in a history anyone would long to be a part of." —Sasha Alsberg "If you think you know the story behind Anastasia Romanov, think again! The perfect blend of history and fantasy, Romanov takes a deeper look at the days leading up to the family’s tragedy, while also exploring the possibilities behind the mysteries that have long intrigued history buffs everywhere. Brandes weaves a brilliant and intricate saga of love, loss, and the power of forgiveness. Prepare to have your breath stolen by this gorgeous novel of brilliant prose and epic enchantment." —Sara Ella Full-length historical fantasy Includes discussion questions for book clubs Paperback contains special bonus chapter

Finding Perfect - Colleen Hoover 2022-06-21

"This novella focuses on characters in both Finding Cinderella and All Your Perfects. This will make more sense once you've read both of the novels that this novella ties together. For the best reading experience, the correct order is Hopeless, Losing Hope, Finding Cinderella, All Your Perfects, and then Finding Perfect. Please note that All Your Perfects can also be read as a standalone."--Note to the Reader, page vii.

The Only Girl in the World - Maude Julien 2017-12-07

For readers of *Damaged* and *Running with Scissors*, a chilling exploration of psychological control that ends with a glorious escape. Maude still remembers the sound of the gate being locked behind her. She was three years old when they moved into the secluded manor and in the coming years, she would only be allowed out a handful of times. Her parents belonged to a fanatical Masonic order. She followed a strict schedule of study, hard labour and endless drills designed to ‘eliminate weakness’, such as holding an electric fence without flinching and sitting in a rat-infested cellar. But despite their chilling psychological control, her parents could not control her inner life. Befriending animals on the lonely estate and characters in the books she read, Maude nurtured in herself the compassion and love her parents forbade.

The Runaround - Sylvie Stewart 2019-10-28

Men are good for two things: orgasms and reaching the wine glasses on the top shelf. ARI: I’ve always said boyfriends are like martinis; they’re lots of fun at first, but the longer you indulge the bigger headache they’ll give you. With career goals to crush and more than a few balls in the air, there’s no place in my life for the messy complications of love. Jax Crosby thinks he can tempt me to lose control and he’s using his daughter to reel me in. He’d be dangerously easy to fall for, but there are more important things in life than love, aren’t there? JAX: I like to stay two steps ahead; that way, I’m never surprised. But even I didn’t see this one coming. Congratulations to me—I’m a freakin’ dad. Now I’ve got a teenage daughter who hates me, an ex who wants to cut things off my body I’m not ready to part with, and an attraction to a curvy songbird that couldn’t have come at a worse time. But I’ve never met a situation I couldn’t handle, and I’ve never let a female get the best of me. So why do

I have the feeling Ariana Amante might be one more thing I never saw coming? Grab THE RUNAROUND and get your hot single dad fix tonight!

Parent on Purpose - Amy Carney 2018-10-10

In this book, you'll learn how to better: LEAD: Embrace your parental authority. LOVE: Cultivate a strong and connected family culture. LAUNCH: Prepare your child for adulthood"--Amazon.com.

Happy Hour - Marlowe Granados 2021-09-07

With the verve and bite of Ottessa Moshfegh and the barbed charm of Nancy Mitford, Marlowe Granados's stunning debut brilliantly captures a summer of striving in New York City Refreshing and wry in equal measure, *Happy Hour* is an intoxicating novel of youth well spent. Isa Epley is all of twenty-one years old, and already wise enough to understand that the purpose of life is the pursuit of pleasure. She arrives in New York City for a summer of adventure with her best friend, one newly blond Gala Novak. They have little money, but that's hardly going to stop them from having a good time. In her diary, Isa describes a sweltering summer in the glittering city. By day, the girls sell clothes in a market stall, pinching pennies for their Bed-Stuy sublet and bodega lunches. By night, they weave from Brooklyn to the Upper East Side to the Hamptons among a rotating cast of celebrities, artists, Internet entrepreneurs, stuffy intellectuals, and bad-mannered grifters. Resources run ever tighter and the strain tests their friendship as they try to convert their social capital into something more lasting than precarious gigs as au pairs, nightclub hostesses, paid audience members, and aspiring foot fetish models. Through it all, Isa's bold, beguiling voice captures the precise thrill of cultivating a life of glamour and intrigue as she juggles paying her dues with skipping out on the bill. *Happy Hour* is a novel about getting by and having fun in a world that wants you to do neither.

Beyond Nature's Housekeepers - Nancy C. Unger 2012-10-18

This book highlights the unique and complex role women have played in the shaping of the American environment from pre-Columbian Native Americans to present day environmental justice activists.

Girl Online - Joanna Walsh 2022-05-10

What happens when a woman goes online? She becomes a girl. The unwritten contract of the internet, that a user is what is used, extends from the well-examined issue of data privacy and consent to the very selves women are encouraged to create in order to appear. Invited to self-construct as "girls online," vloggers, bloggers and influencers sign a devil's bargain: a platform on the condition they commodify themselves, eternally youthful, cute and responsibility-free, hiding offline domestic, professional and emotional labour while paying for their online presence with "accounts" of personal "experience." Told via the arresting personal narrative of one woman negotiating the (cyber)space between her identities as girl, mother, writer, and commodified online persona, *Girl Online* is written in a plethora of the online styles, from programming language to the blog/diary, from tweets to lyric prose, taking in selfies, social media, celebrity and Cyberfeminism.

You Look Like a Thing and I Love You - Janelle Shane 2019-11-05

As heard on NPR's "Science Friday," discover the book recommended by Malcolm Gladwell, Susan Cain, Daniel Pink, and Adam Grant: an "accessible, informative, and hilarious" introduction to the weird and wonderful world of artificial intelligence (Ryan North). "You look like a thing and I love you" is one of the best pickup lines ever . . . according to an artificial intelligence trained by scientist Janelle Shane, creator of the popular blog AI Weirdness. She creates silly AIs that learn how to name paint colors, create the best recipes, and even flirt (badly) with humans—all to understand the technology that governs so much of our daily lives. We rely on AI every day for recommendations, for translations, and to put cat ears on our selfie videos. We also trust AI with matters of life and death, on the road and in our hospitals. But how smart is AI really... and how does it solve problems, understand humans, and even drive self-driving cars? Shane delivers the answers to every AI

question you've ever asked, and some you definitely haven't. Like, how can a computer design the perfect sandwich? What does robot-generated Harry Potter fan-fiction look like? And is the world's best Halloween costume really "Vampire Hog Bride"? In this smart, often hilarious introduction to the most interesting science of our time, Shane shows how these programs learn, fail, and adapt—and how they reflect the best and worst of humanity. *You Look Like a Thing and I Love You* is the perfect book for anyone curious about what the robots in our lives are thinking. "I can't think of a better way to learn about artificial intelligence, and I've never had so much fun along the way." —Adam Grant, New York Times bestselling author of *Originals*

Girl Behind Dark Glasses - Jessica Taylor-Bearman 2019-09-04

From a darkened world, bound by four walls, a young woman called Jessica tells the tale of her battle against the M.E Monster. The severest form of a neuro immune disease called Myalgic Encephalomyelitis went to war with her at just 15 years old. From beneath her dark glasses, Jessica glimpses a world far different from the one she remembers as a teenage school girl. This true story follows her path as she ends up living in hospital for years with tubes keeping her alive. This harrowing story follows the highs and lows of the disease and being hospitalised, captured through her voice activated technology diary called 'Bug' that enables her to fulfil her dream of one day becoming an author. It provides a raw, real-time honesty to the story that would be impossible to capture in hindsight.

The Bear and The Nightingale - Katherine Arden 2020-01-30

_____ Beware the evil in the woods... In a village at the edge of the wilderness of northern Russia, where the winds blow cold and the snow falls many months of the year, an elderly servant tells stories of sorcery, folklore and the Winter King to the children of the family, tales of old magic frowned upon by the church. But for the young, wild Vasya these are far more than just stories. She alone can see the

house spirits that guard her home, and sense the growing forces of dark magic in the woods. . . Atmospheric and enchanting, with an engrossing adventure at its core, *The Bear and the Nightingale* is perfect for readers of Naomi Novik's *Uprooted*, Erin Morgenstern's *The Night Circus*, and Philip Pullman's *His Dark Materials*. _____

Now with over 100 5* reviews, readers are spellbound by this magical story: 'This book stayed with me, I didn't want it to end' 'A beautifully written story' 'An entrancing story, which swept me up from the very first chapter' 'Full of magic' _____

Make sure you've read all the books in the acclaimed *Winternight Trilogy* 1. *The Bear and the Nightingale* 2. *The Girl in the Tower* 3. *The Winter of the Witch*
The Connected Parent - John Palfrey 2020-10-06

An essential guide for parents navigating the new frontier of hyper-connected kids. Today's teenagers spend about nine hours per day online. Parents of this ultra-connected generation struggle with decisions completely new to parenting: Should an eight-year-old be allowed to go on social media? How can parents help their children gain the most from the best aspects of the digital age? How can we keep kids safe from digital harm? John Palfrey and Urs Gasser bring together over a decade of research at Harvard to tackle parents' most urgent concerns. *The Connected Parent* is required reading for anyone trying to help their kids flourish in the fast-changing, uncharted territory of the digital age.

No One Asked for This - Cazzie David 2020

From writer/director Cazzie David comes a series of comedic essays about anxiety, social media, generational malaise, and growing up in a famous family.

Finding Holy in the Suburbs - Ashley Hales 2018-10-23

Suburban life—including tract homes, strip malls, commuter culture—shapes our desires. More than half of Americans live in the suburbs. Ashley Hales writes that for many Christians, however: "The suburbs are ignored ('Your place doesn't matter, we're all going to heaven anyway'), denigrated and demeaned ('You're selfish if you live in a suburb; you only care about your own safety and advancement'), or seen as a cop-out from a faithful Christian life ('If you really loved God,

you'd move to Africa or work in an impoverished area'). In everything from books to Hollywood jokes, the suburbs aren't supposed to be good for our souls." What does it look like to live a full Christian life in the suburbs? Suburbs reflect our good, God-given desire for a place to call home. And suburbs also reflect our own brokenness. This book is an invitation to look deeply into your soul as a suburbanite and discover what it means to live holy there.

Winger - Andrew Smith 2014-06-04

Ryan Dean West is a fourteen-year-old boy at a boarding school for rich kids. He's living in Opportunity Hall, the dorm for troublemakers, and rooming with the biggest bully on the rugby team. And he's madly in love with his best friend Annie, who thinks of him as a little boy. With the help of his sense of humour, rugby buddies, and his penchant for doodling comics, Ryan Dean manages to survive life's complications and even find some happiness along the way. But when the unthinkable happens, he has to figure out how to hold on to what's important, even when it feels like everything has fallen apart. Filled with hand-drawn illustrations and told in a pitch-perfect voice, this realistic depiction of a teen's experience strikes an exceptional balance of hilarious and heartbreaking. -

Publishers Weekly Best Books of 2013 - Amazon's Top 20 YA Books of 2013 - Publishers Weekly Top 10 Summer Reads of 2013 - ALA/YALSA nominee for "Best Fiction for Young Adults 2014" - 2014 Rainbow List Nominee Andrew Smith knew ever since his days as editor of his high school newspaper that he wanted to be a writer. After graduating college, he experimented with journalistic careers - writing for newspapers and radio stations - but found it wasn't the kind of writing he'd dreamed about doing. Andrew Smith has always wanted to be a writer. After graduating college, he wrote for newspapers and radio stations, but found it wasn't the kind of writing he'd dreamed about doing. Born with an impulse to travel, Smith, the son of an immigrant, bounced around the world and from job to job, before settling down in Southern California. There, he got his first 'real job', as a teacher in an alternative educational program for at-risk teens, married, and moved to a rural mountain location where he lives with his wife, two children, two

horses, three dogs, three cats and one irritable lizard named Leo.

Consumers, Society and Marketing - Dilip S. Mutum 2023-10-09
Environment and social responsibility are paramount for any modern business strategy, and the field of marketing is adapting itself to the new focus on sustainability. The study of the interface between consumers, society, and marketing is crucial for understanding the complex interactions between individuals and the products and services they consume and the resulting implications. In this book, the authors delve into the latest research and theories on the subject, providing insight into the various factors that shape consumer behavior and the broader impacts of marketing on society. Whether you are a student, professional, or simply curious about the topic, this book will provide a valuable resource for your learning and exploration. Instead of treating ethical foundations and critical marketing perspectives separately, this book merges them and takes a broader sustainability perspective. It examines the various ways in which businesses are incorporating sustainability into their marketing strategies, and the impact these efforts are having on consumers, the economy, and the planet. Topics covered in this book include: Evolution of marketing thought Critique of marketing Sustainable marketing Social marketing Evolving consumer representations and roles, and many more

The Upside of Falling - Alex Light 2020-02-18

A fun, flirty teen debut from Wattpad phenom Alex Light about a fake relationship and real love. Perfect for Jenny Han fans. It's been years since seventeen-year-old Becca Hart believed in true love. But when her former best friend teases her for not having had a boyfriend, Becca impulsively pretends she's been secretly seeing someone. Brett Wells has it all. As captain of the football team and one of the most popular guys in his school, he should have no problem finding someone to date, but he's always been more focused on his future than who to bring to prom. When he overhears Becca's lie, Brett decides to step in and be the mystery guy. It's the perfect solution: he gets people off his back for not having a meaningful relationship and she can keep up the ruse that she's got a boyfriend. Acting like the perfect couple isn't easy, though, especially

when you barely know the other person. But with Becca still picking up the pieces from when her world was blown apart years ago and Brett just barely holding his together now, they begin to realize they have more in

common than they ever could have imagined. When the line between what is pretend and what is real begins to blur, they're forced to answer the question: Is this fake romance the realest thing in either of their lives?
