The Charisma Myth - Olivia Fox Cabane 2013-03-26

What if charisma could be taught? The charisma myth is the idea that charisma is a fundamental, inborn quality—you either have it (Bill Clinton, Steve Jobs, Oprah) or you don't. But that's simply not true, as Olivia Fox Cabane reveals. Charismatic behaviors can be learned and perfected by anyone. Drawing on techniques she originally developed for Harvard and MIT, Cabane breaks charisma down into its components. Becoming more charismatic doesn't mean transforming your fundamental personality. It's about adopting a series of specific practices that fit in with the personality you already have. The Charisma Myth shows you how to become more influential, more persuasive, and more inspiring.

[Fake Geek Girls](#) - Suzanne Scott 2019-04-16

Reveals the systematic marginalization of women within pop culture fan communities When Ghostbusters returned to the screen in 2016, some male fans of the original film boycotted the all-female adaptation of the cult classic, turning to Twitter to express their disapproval and making it clear that they considered the film's "real" fans to be white, straight men. While extreme, these responses are far from unusual, with similar uproars around the female protagonists of the new Star Wars films to full-fledged geek culture wars and harassment campaigns, as exemplified by the #GamerGate controversy that began in 2014. Over the past decade, fan and geek culture has moved from the margins to the mainstream as fans have become tastemakers and promotional partners, with fan art transformed into official merchandise and fan fiction launching new franchises. But this shift has left some people behind. Suzanne Scott points to the ways in which the "men's rights" movement

and antifeminist pushback against "social justice warriors" connect to new mainstream fandom, where female casting in geek-nostalgia reboots is vilified and historically feminized forms of fan engagement—like cosplay and fan fiction—are treated as less worthy than male-dominant expressions of fandom like collection, possession, and cataloguing. While this gender bias harkens back to the origins of fandom itself, Fake Geek Girls contends that the current view of women in fandom as either inauthentic masqueraders or unwelcome interlopers has been tacitly endorsed by Hollywood franchises and the viewer demographics they selectively champion. It offers a view into the inner workings of how digital fan culture converges with old media and its biases in new and novel ways.

The Dating Playbook for Men - Andrew Ferebee 2015-07-06

Is It Worth \$15 To Learn How To Meet, Attract and Keep the Women You Most Desire? Is it worth \$15 to have access to a proven strategy that can help turn even the shyest man into an attractive social man capable of dating the women he really wants. Is it worth \$15 to learn how to turn your biggest obstacle (fear of rejection and not being enough) into your #1 asset? To eliminate your approach anxiety, increase your social confidence, and to develop the single most important trait (no it's not what you think) required to improve your dating life and relationships. Unlike the other "dating advice" books on the market, the Dating Playbook For Men isn't packed with fluff and filler content that leaves you even more confused before you picked up the book. No games. No rah rah motivation. No weird seduction tactics. It's just raw, actionable content designed to turn you into the strongest version of yourself capable of dating the women you truly desire. It's worked for 1000s of men already so there is no reason why it cannot work for you too. One word of warning: If you expect a magic "push of a button" formula that will require no effort on your part then you are completely mistaken and you may want to exit this page. What you will receive is a mindset shift and a Proven 7 Step Strategy that will give you the courage to take action and change not only your dating life - but who you are as a man, which will positively affect every other aspect of your life as a bonus. Inside this action packed book you're about to learn: How to deepen your masculine polarity to become a stronger Grounded Man. How to understand what women really want and desire at their core from men. How to build an adventurous social life that women can't get enough of. How to go out, meet women and get them to chase you without being needy. How to go from getting her phone number to the setting up the first date. How to have a perfect first, second and third date - and beyond. How to naturally transition from dating and into a relationship. How to have a happy and loving relationship and be the Grounded Man that she'll want to be with and won't cheat on. Now let me ask you a question... Where will you be in 30 days? Will you be in the same old situation, scared of talking to women, desiring the girl you saw at the coffee shop or gym, but being crippled by your approach anxiety. Or will you be a man of purpose. A man who doesn't hesitate when he sees a woman he desires, and has a calendar filled with exciting dates with beautiful women who are fighting for your attention? It's up to you. If you spent \$15 and all it did was finally... Make you a confident grounded man who goes after what he wants in life.... Would it be worth it? Help you overcome your fear of approaching women... Would it be worth it? Have weekends packed with adventurous social activities with fun and beautiful women.... Would it be worth it? Stop you from experiencing a heart wrenching breakup that steals years away from your life.... Would it be worth it? Join Andrew Ferebee now on the greatest adventure you'll ever have and one that every man must fully commit to at least once in their lives. This is your time. You're going to like the man you become after reading this book. 1000s of men live by it.

How to Attract Women If You're Not That Attractive - Enrique Voltaire 2017-04-13

What is the Best Way to Approach an Attractive Lady? How do you get her attention? What should you say? How do you ask for her phone number? Some guys are so good-looking that girls naturally flock to them. Other guys, who are not as genetically blessed, have to use courage, humor, intelligence, psychology, and resiliency to attract beautiful women. How to Attract Women if You're Not That Attractive answers everything you need to know about attracting women if you do not look like Prince Charming.

Thoughtrave: An Interdimensional Conversation with Lady Gaga - Lady Gaga 2016

Thoughtrave is the immediate and most detailed archive of Lady Gaga's emotional, intellectual, philosophical, and spiritual evolution, a reclaiming of her art (and humanity) from within the center of her celebrity during one of the most difficult transitions of her career: Summer 2013-Fall 2014. Lady Gaga: I don't like being used to make money. I feel sad when I am overworked and that I just become a money making machine and that my passion and my creativity take a backseat. That makes me unhappy. So, what did I do? I started to say no. Not doing that. I don't want to do that. I'm not taking that picture. Not going to that event. Not standing by that because that's not what I stand for.

Thoughtrave marks perhaps the most important (and unconditional, unpublished, unencumbered) insights into the music industry, the personal battles that accompanied her transition from Stefani to Gaga. "It's one of those rare moments in life when you ask a question of someone you've admired for many years and receive the most honest of answers leading both people into a relationship that was and remains one of the most important of my life," says Baum, a professor, producer, composer, writer, editor, and activist for adjunct professors. As Baum explains to Stefani in one of the many interviews published here for the first time, Robert Craig Baum: It's uncanny for me to look back at 2008-2011 - when I was intensely meditating on the problem "Why is there any being at all?" - to find evidence of your intervention here with me...to find you, back then...before I knew you. It was almost as if I was playing the Bruce Willis character in *Twelve Monkeys*, overshooting my mark in time/space, aiming for this particular conversation but speaking through Ereignis (life gives) to a moment I (and many others) call "headphones on." As George Elerick writes in his Introduction to the book, "In Hand-to-Hand Battle for the Users," "The book you hold in your hands easily falls into the category of a transgression. It's as though we are breaking into somewhere we are not meant to be (like a rave) and are invited into the mind of one of today's musical geniuses. Maybe we can even equivocate the experience to that of being a member of the paparazzi. Their whole mode of employment is based on breaking social codes and entering into the lives of everyday-people-turned-rock-stars. That's what this book is, a disruptive invitation to break into the life and mind of Lady Gaga, the person, not just the persona."
