*The Unknown History of Jewish Women Through the Ages* - Rachel Elijor 2023-05-22

The Unknown History of Jewish Women—On Learning and Illiteracy: On Slavery and Liberty is a comprehensive study on the history of Jewish women, which discusses their absence from the Jewish Hebrew library of the "People of the Book" and interprets their social condition in relation to their imposed ignorance and exclusion from public literacy. The book begins with a chapter on communal education for Jewish boys, which was compulsory and free of charge for the first ten years in all traditional Jewish communities. The discussion continues with the striking absence of any communal Jewish education for girls until the late

nineteenth and early twentieth century, and the implications of this fact for twentieth-century immigration to Israel (1949-1959) The following chapters discuss the social, cultural and legal contexts of this reality of female illiteracy in the Jewish community—a community that placed a supreme value on male education. The discussion focuses on the patriarchal order and the postulations, rules, norms, sanctions and mythologies that, in antiquity and the Middle Ages, laid the religious foundations of this discriminatory reality.

**Land for a Lost Generation** - Michael J Richards 2022-02-10

Three middle-class sixth-form girls leave their independent boarding school in the summer of

1918, having been told by the headmistress that their marriage prospects have been weakened through military losses incurred during the Great War. Land for a Lost Generation follows their progress over the next two decades. The first-person narrative is controlled by one of the girls, Vera, who takes an unexpected opportunity to marry a wounded army officer from a tenant-farming family shortly after the Armistice. Obligated to purchase their farm at the top of the market or risk losing it, the couple's struggle through the ensuing agricultural depression provides a central focus for the novel. The novel covers one of the most fascinating periods of British history, embracing political and socio-economic upheaval against a backdrop of technological advance, particularly in the countryside. Always overshadowing these developments in the wake of the Great Depression, however, is the fascist menace, which is leading inexorably towards another conflagration.

**Burial of the Vine** - Petru Popescu 1975

*The Tree and the Vine* - Dola De Jong 1996  
A lesbian love story set during the Nazi occupation in Holland.

*Love, Marriage, and Family in Jewish Law and Tradition* - Michael Kaufman 1996-02-01  
Love, Marriage, and Family in the Jewish Law and Tradition is everything you wanted to know about the Jewish view on marriage, sexuality, and child bearing in clear and concise language. This comprehensive book looks to inform the reader about all the Jewish laws concerning family, marriage, procreation, and child rearing.  
[Nashville's Jewish Community](#) - Lee Dorman 2010

Nashville's Jewish community traces its beginning to 1795 with the birth of Sarah Myers, the first Jewish child born here. Her parents, Benjamin and Hannah Hays Myers, were both from prominent pre-Revolutionary War families in New England and stayed in Nashville just one year before moving to Virginia. The next few settlers--Simon Pollock, a doctor, in 1843; the Frankland family in 1845; Andrew Smolniker and Dr. H. Fischel, a dentist, in 1848; and E. J. Lyons in 1849--stayed only a few years before moving on to Memphis, New Orleans, or elsewhere. The first to stay and achieve prominence was Isaac Gershon (later changed to Garritsen), who in 1849 opened his home on South Summer Street for High Holy Day services and in 1851 formed the Hebrew Benevolent Burial Association, purchasing land that still serves as Nashville's Jewish cemetery. The first Jewish congregation, Mogen David, followed in 1854. The Jewish population of Nashville, which began with five families and eight young men in

1852, today numbers about 7,500.

**The Art Journal** - 1851

**Jewish Women in Comics** - Heike Bauer  
2022-04-15

In this groundbreaking collection of essays, interviews, and artwork, contributors draw upon a rich treasure trove of Jewish women's comics to explore the representation of Jewish women's bodies and bodily experience in pictorial narratives. Spanning national, cultural, and artistic borders, the essays shine a light on the significant contributions of Jewish women to comics. The volume features established figures including Emil Ferris, Amy Kurzweil, Miriam Libicki, Trina Robbins, Sharon Rudahl, and Ilana Zeffren, alongside works by artists translated for the first time into English, such as artist Rona Mor. Exploring topics of family, motherhood, miscarriages, queerness, gender and Judaism, illness, war, Haredi and Orthodox family life, and the lingering impact of the Holocaust, the

*by guest*

contributors present unique, at times intensely personal, insights into how Jewishness intersects with other forms of identity and identification. In doing so, the volume deepens our understanding of Jewish women's experiences.

*Black Roses* - Jane Thynne 2013-03-28

Terrifying secrets, torn loyalties, love versus duty, the gripping story of a young actress caught up in highly dangerous events in 1930s Berlin... Berlin, 1933. Warning bells ring across Europe as Hitler comes to power. Clara Vine, an attractive young Anglo-German actress, arrives in Berlin to find work at the famous Ufa studios. Through a chance meeting, she is unwillingly drawn into a circle of Nazi wives, among them Magda Goebbels, Anneliese von Ribbentrop and Goering's girlfriend Emmy Sonnemann. As part of his plan to create a new pure German race, Hitler wants to make sweeping changes to the lives of women, starting with the formation of a Reich Fashion Bureau, instructing women on what to wear and how to behave. Clara is invited

to model the dowdy, unflattering clothes. Then she meets Leo Quinn who is working for British intelligence and who sees in Clara the perfect recruit to spy on her new elite friends, using her acting skills to win their confidence. But when Magda Goebbels reveals to Clara a dramatic secret and entrusts her with an extraordinary mission, Clara feels threatened, compromised, desperately caught between her duty towards - and growing affection for - Leo, and the impossibly dangerous task Magda has forced upon her.

[A.M.F. Monthly](#) - 1897

**Sefer 'Oz Ve-hadar Levushah** - E. Falk 1998  
Tznius -- modesty -- is an integral facet of Jewish life. In a world where modesty is recognized more by its absence than by its presence, there has never been a greater need for a definitive work on this vital quality. But what precisely are the laws of modesty, what are its parameters, where are its applications? In this long-awaited

by guest

work, the laws and ideology of modesty are tackled in an exhaustive and comprehensive manner. All the laws of Tznius, whether in dress or behavior, speech and social interaction, are collated and explained in the clear and lucid manner that is characteristic of the author. -- Back cover.

Clarel: A Poem and Pilgrimage in the Holy Land - Herman Melville 1963

Who could possibly have foreseen that the author of "Typee" and "Omoo" would at last appear as the author of a poem of 18,000 lines, inspired by religious doubts, questions and aspirations? That Mr. Melville has a vein of native poetry in his nature was already manifested by some ballads which he published during the civil war; but it still remains an amazement that the hero of whaling and Polynesian adventures had become a theological mystic in his ripened years. The plot of Clarel has been constructed as a frame upon which to hang descriptions of the scenery of Palestine and

the theological discussions of a chance company of tourists. The principal characters are an American student, an English clergyman, a Jew, a Smyrniote Greek and a Jewish girl of whom we see little, as she dies in order to introduce a tragic element. The poem is divided into four parts, respectively entitled: Jerusalem, The Wilderness, Mar Saba and Bethlehem.

Faith and Beauty - Jane Thynne 2015-11-05  
Berlin, on the eve of war... As soldiers muster on the streets, spies circle in the shadows and Lotti Franke, a young woman from the Faith and Beauty Society - the elite finishing school for Nazi girls - is found in a shallow grave. Clara Vine, Anglo-German actress and spy, has been offered the most ambitious part she has ever played. And in her more secret life, British Intelligence has recalled her to London to probe reports that the Nazis and the Soviet Union are planning to make a pact. Then Clara hears of Lotti's death, and is determined to discover what happened to her. But what she uncovers is

*Downloaded from

by guest*

something of infinite value to the Nazi regime - the object that led to Lotti's murder - and now she herself is in danger. In a drama which traverses Berlin, Paris, Vienna and London, Clara Vine tries to keep her friends close, but finds her enemies are even closer. Praise for Jane Thynne's Clara Vine novels: 'An absolute cracker of a read...fast-paced and gripping from the start. Thynne expertly maintains the suspense, while evoking the tension of Berlin as the city gathers its strength for war' Sunday Times 'A thoroughly enjoyable read: fast-paced, atmospheric and genuinely suspenseful' Mail on Sunday 'Pre-war Germany's atmosphere of repression, terror and Nazi hubris is vividly evoked in a gripping but sad tale' Literary Review 'Terrific' Elizabeth Buchan 'The perfect fusion of history, suspense and high romance....the pace is relentless, the background brilliantly evoked and the sex gorgeously spiced with danger.' The Times 'A compelling story of love and betrayal in Hitler's

Berlin' Daisy Goodwin, author of The Last Duchess

**Jewish Communities in Exotic Places** - Ken Blady 2000

Jewish Communities in Exotic Places examines seventeen Jewish groups that are referred to in Hebrew as edot ha-mizrach, Eastern or Oriental Jewish communities. These groups, situated in remote places on the Asian and African Jewish geographical periphery, became isolated from the major centers of Jewish civilization over the centuries and embraced some interesting practices and aspects of the dominant cultures in which they were situated.

**Jewish Choices, Jewish Voices** - Elliot N. Dorff 2008-03-01

A collection of brief essays written by a diverse group of people, from political figures and journalists to scholars and artists, explore modern-day, critical moral issues concerning Jews and their bodies. Original.

*The JPS Guide to Jewish Women* - Emily Taitz  
2003-02-01

This is an indispensable resource about the role of Jewish women from post-biblical times to the twentieth century. Unique in its approach, it is structured so that each chapter, which is divided into three parts, covers a specific period and geographical area. The first section of the book contains an overview, explaining how historical events affected Jews in general and Jewish women in particular. This is followed by a section of biographical entries of women of the period whose lives are set in their economic, familial, and cultural backgrounds. The third and last part of each chapter, "The World of Jewish

Women," is organized by topic and covers women's activities and interests and how Jewish laws concerning women developed and changed. This comprehensive work is an easy-to-use sourcebook, synthesizing rich and diverse resources. By examining history and analyzing the dynamics of Jewish law and custom, it illuminates the circumstances of Jewish women's lives and traces the changes that have occurred throughout the centuries. It casts a new and clear light on Jewish women as individuals and sets women firmly within the context of their own cultural and historical periods. The book contains illustrations, boxed text, extensive endnotes, and indices that list each woman by name. It is ideal for women's groups and study groups as well as students and scholars.
