**Frankly in Love** - David Yoon 2019-09-12

Frank Li is a high school senior living in Southern California. Frank's parents emigrated from Korea, and have pretty much one big rule for Frank - he must only date Korean girls. But he's got strong feelings for a girl in his class, Brit - and she's not Korean. His friend Joy Song is in the same boat and knows her parents will never accept her Chinese American boyfriend, so they make a pact: they'll pretend to date each other in order to gain their freedom. Frank thinks fake-dating is the perfect plan, but it leaves him wondering if he ever really understood love - or himself - at all. David Yoon's debut novel is a quirky, authentic, heartbreaking romantic comedy and a refreshingly different take on race, immigrant communities, friendship and family.

**Love from A to Z** - S. K. Ali 2019-04-30

From William C. Morris Award Finalist S.K. Ali comes an unforgettable romance that is part *The Sun Is Also a Star* mixed with *Anna and the French Kiss*, following two Muslim teens who meet during a spring break trip. A marvel: something you find amazing. Even ordinary-amazing. Like potatoes—because they make French fries happen. Like the perfect fries Adam and his mom used to make together. An oddity: whatever gives you pause. Like the fact that there are hateful people in the world. Like Zayneb's teacher, who won't stop reminding the class how "bad" Muslims are. But Zayneb, the only Muslim in class, isn't bad. She's angry. When she gets suspended for confronting her teacher, and he begins investigating her activist friends, Zayneb heads to her aunt's house in Doha, Qatar, for an early start to spring break. Fueled by the guilt of getting her friends in trouble, she resolves to try out a newer, "nicer" version of herself in a place where no one knows her. Then her path crosses with Adam's. Since he got diagnosed with multiple sclerosis in November, Adam's stopped going to classes, intent, instead, on perfecting the making of things. Intent on keeping the memory of his mom alive for his little sister. Adam's also intent on keeping his diagnosis a secret from his grieving father. Alone, Adam and Zayneb are playing roles for others, keeping their real thoughts locked away in their journals. Until a marvel and an oddity occurs... **Marvel: Adam and Zayneb meeting. Oddity: Adam and Zayneb meeting.**

**I Think I Am In Friend-Love With You** - Yumi Sakugawa 2013-11-08

I have a confession to make. I think I am in friend-love with you. What's friend-love? It's that super-awesome bond you share with someone who makes you happy every time you text each other, or meet up for an epic outing. It's not love-love. You don't want to swap saliva; you want to swap favorite books. But it's just as intense and just as amazing. And it's this search for that connection that comic-book artist Yumi Sakugawa captures in *I Think I Am in Friend-Love with You*. It's perfect if you've ever fallen in friend-love and want to show that person how much you love them...in a platonic way, of course.

**NOT "Just Friends"** - Shirley Glass 2007-11-01

One of the world's leading experts on infidelity provides a step-by-step guide through the process of infidelity—from suspicion and revelation to healing, and provides profound, practical guidance to prevent infidelity and, if it happens, recover and heal from it. You're right to be cautious when you hear these words: "I'm telling you, we're just friends." Good people in good marriages are having affairs. The workplace and the Internet have become fertile breeding grounds for "friendships" that can slowly and insidiously turn into love affairs. Yet you can protect your relationship from emotional or sexual betrayal by recognizing the red flags that mark the stages of slipping into an improper, dangerous intimacy that can threaten your marriage.

**The Four Loves** - C. S. Lewis 2023-11-20

*The Four Loves* is a 1960 book by C. S. Lewis which explores the nature of love from a Christian and philosophical perspective through thought experiments. The book was based on a set of radio talks from 1958 which had been criticized in the U.S. at the time for their frankness about sex. C.S. Lewis examines storge or empathy love; philia, friendship love; eros, romantic love; and agape, or God love. Excerpt: "GOD is love," says St. John. When I first tried to write this book I thought that his maxim would provide me with a very plain highroad through the whole subject. I thought I should be able to say that human loves deserved to be called loves at all just in so far as they resembled that Love which is God."

**A Little Life** - Hanya Yanagihara 2016

Moving to New York to pursue creative ambitions, four former classmates share decades marked by love, loss, addiction, and haunting elements from a brutal childhood.

**Friends, Lovers and the Big Terrible Thing** - Matthew Perry 2022-11-01

'There's never been a more honest or raw memoir ... and it may just save lives' Daily Mail 'Funny, fascinating, compelling ... also a wonderful read for fans of Friends' The Times The beloved star of *Friends* takes us behind the scenes of the hit sitcom and his struggles with addiction in this candid, funny, and revelatory memoir that delivers a powerful

message of hope and persistence. 'Hi, my name is Matthew, although you may know me by another name. My friends call me Matty. And I should be dead.' So begins the riveting story of acclaimed actor Matthew Perry, taking us along on his journey from childhood ambition to fame to addiction and recovery in the aftermath of a life-threatening health scare. Before the frequent hospital visits and stints in rehab, there was five-year-old Matthew, who travelled from Montreal to Los Angeles, shuffling between his separated parents; fourteen-year-old Matthew, who was a nationally ranked tennis star in Canada; twenty-four-year-old Matthew, who nabbed a coveted role as a lead cast member on the talked-about pilot then called Friends Like Us. . . and so much more. In an extraordinary story that only he could tell - and in the heartfelt, hilarious, and warmly familiar way only he could tell it - Matthew Perry lays bare the fractured family that raised him (and also left him to his own devices), the desire for recognition that drove him to fame, and the void inside him that could not be filled even by his greatest dreams coming true. But he also details the peace he's found in sobriety and how he feels about the ubiquity of Friends, sharing stories about his castmates and other stars he met along the way. Frank, self-aware, and with his trademark humour, Perry vividly depicts his lifelong battle with addiction and what fuelled it despite seemingly having it all. Friends, Lovers, and the Big Terrible Thing is an unforgettable memoir that is both intimate and eye-opening - as well as a hand extended to anyone struggling with sobriety. Unflinchingly honest, moving, and uproariously funny, this is the book fans have been waiting for. 'An unflinching and often harrowing must-read for 90s pop culture fans' Guardian 'Written with Chandler's trademark sarcasm and self-deprecation' Telegraph 'A hopeful read ... I started to think of [it] not as a celebrity memoir about addiction, but as an addiction memoir written by a man who understands his own history through the prism of showbiz' Independent

**Everything I Know About Love** - Dolly Alderton 2018-02-01

THE SUNDAY TIMES BESTSELLER & MAJOR BBC ONE TV SERIES 'The book we will thrust into our friends' hands. Alderton feels like a best friend and your older sister all rolled into one and her pages wrap around you like a warm hug' Evening Standard 'Alderton is Nora Ephron for the millennial generation' Elizabeth Day Award-winning journalist Dolly Alderton survived her twenties (just about) and in Everything I Know About Love, she gives an unflinching account of the bad dates and squalid flat-shares, the heartaches and humiliations, and most importantly, the unbreakable female friendships that helped her to hold it all together. Glittering with wit, heart and humour, this is a book to press into the hands of every woman who has ever been there or is about to find themselves taking that first step towards the rest of their lives. 'Steeped in furiously funny accounts of one-night stands, ill-advised late-night taxi journeys up the M1, grubby flat-shares and the beauty of female friendships, as Alderton joyfully booze-cruises her way through her twenties' Metro 'Deeply funny, sometimes shocking, and admirably open-hearted and optimistic' Daily Telegraph 'A sensitive, astute and funny account of growing up millennial' Observer 'Alderton proves a razor-sharp observer of the shifting dynamics of long term female friendship' Mail on Sunday 'It's so full of life and laughs - I gobbled up this book. Alderton has built something beautiful and true out of many fragments of daftness' Amy Liptrot \*Winner of Autobiography of the Year at the National Book Awards 2018\* \*A Waterstones Paperback of the Year 2019\* \*A Sunday Times paperback of the year 2019\* \*Selected for Stylist's The Decade's 15 Best Books by Remarkable Women\* A Sunday Times bestseller, September 2022

*K is for Knifeball* - Avery Monsen 2012-09-14

An adult parody of children's alphabet books, offering horrible—but hilarious—advice, from the authors of All my friends are dead. In the humorous vein of Go the F\*\*k to Sleep comes a laugh-out-loud collection of bad advice that turns the children's alphabet book on its head. Adorable, illustrated characters lead readers down a path of poor decision-making, and alphabetical, rhyming couplets offer terrible life lessons. O is for opening things with your teeth, F is for setting Daddy's wallet on fire, and R is for Raccoon (but definitely not for rabies). With plenty of playfully disastrous choices lurking around every corner, this compendium of black humor may be terrible for actual children, but it's perfect for the common-senseless child in all adults. Plus, this is the fixed-format version, which looks nearly identical to the physical book. Praise for K is for Knifeball "Great fun for adults. The humorous illustrations, done in the style common in kids books, greatly add to the fun." —Geek Alerts
