SPIN - 1996-06

From the concert stage to the dressing room, from the recording studio to the digital realm, SPIN surveys the modern musical landscape and the culture around it with authoritative reporting, provocative interviews, and a discerning critical ear. With dynamic photography, bold graphic design, and informed irreverence, the pages of SPIN pulsate with the energy of today's most innovative sounds. Whether covering what's new or what's next, SPIN is your monthly VIP pass to all that rocks.

Help! I'm Addicted - Rhyannon Styles 2021-10-21

'Invaluable' SUNDAY TIMES 'Beautifully written, utterly relatable' JUNO ROCHE 'An act of love' PLANNINGTOROCK My name is Rhyannon, and I'm an addict. In 2012, Rhyannon Styles began her gender transition, and attended her first 12-Step meeting - beginning two journeys which changed the course of her life. Using her personal narrative as a springboard for exploring addiction, recovery and LGBTQ+ mental health, Rhyannon writes with searing honesty about the complexity of her experiences. The book spans a range of addictions including alcohol, food, sex and relationships, the internet and narcotics, and highlights the

ways in which addiction and the transition process can overlap. A first-of-its kind narrative, and a powerful account of recovery, this book offers advice, hope and support for those struggling with addiction in its many forms.

Kiss & Tell - Lynn Tolliver 2005-03-22

The first Kiss & Tell book covered phone sex and genderless sex, violent sex and gay sex. I'm not really an expert on these areas, I just give you my thoughts and opinions on them. I talk about regular sex and S & M, fantasy sex and sex for three . I mention my views on oral sex and anal sex. Clean up on aisle 12 please. In Kiss and Tell 2, I look at sex with a single parent, rape - and I don't believe that rape is entertainment; it is one area of sex that exists, therefore I comment on it. There is a piece on adultery, sex with an obsession, and gold-diggers. Sex with a blind date and the one night stand. The witch theory, sexual addiction and more personal relationships. I enjoyed myself while I was writing this book. I hope you enjoy yourself as you read!

The Advocate - 2003-08-19

The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.

Unholy Craving - Lynn Burke 2021-11-16

Enjoy this steamy small-town forbidden interracial mm novel by contemporary romance author Lynn Burke... As a newly appointed youth pastor, I blindly walk by faith, stumbling without the promised light down God's chosen path. Until a young man resurrects the sinful nature I've rejected in my strive for purity. Isaac Van Dusen, my pastor's son. He's troubled. Rebellious. Off limits to my lonely heart, yet gives me breath when I feel I'm drowning and in need of a savior. Isaac's hunger for sin rivals mine, the kind that consumes. Burns like fire and brimstone. I'm determined to stay in a constant state of prayer, begging for delivery from temptation—all while dreaming of being on my knees for entirely different reasons. I want to submit to the unholy craving between us and worship the young man entrusted to my spiritual care. But acting on the lusts of the flesh ensures our fall from grace, and I can't allow him to be

the second one to pay the price for my sins. Even if it means living a lie for eternity. Unholy Craving is the first standalone novel in the forbidden gay romance Sinful Natures series which focuses on religious men learning to accept who they are. HEA guaranteed, this steamy LGBTQ romance contains religious undertones and homophobia in a small-town setting. Perfect for readers who enjoy interracial romance with a gay virgin set on satisfying his craving for his youth pastor. If you're a fan of Lucy Lennox, Ella Frank, J.R. Gray, Jacki James, Alessandra Hazard, Saxon James, and Baylin Crow you're going to love this forbidden gay romance novel! Keywords: gay love, gay sex, gay relationships, LGBT, m/m romance, queer fiction, romance, contemporary romance, male/male romance, MM, gay romance, forbidden romance, forbidden, contemporary forbidden romance, LGBTQ romance, gay first time, gay coming of age, gay interracial, gay interracial romance, gay interracial sex, gay male romance, gay lovers, gay virgin, gay taboo, interracial romance, small town romance, second chance romance, HEA

The Handbook of Magazine Studies - Miglena Sternadori 2020-04-21

A scholarly work examining the continuing evolution of the magazine—part of the popular Handbooks in Media and Communication series The Handbook of Magazine Studies is a wide-ranging study of the ways in which the political economy of magazines has dramatically shifted in recent years—and continues to do so at a rapid pace. Essays from emerging and established scholars explore the cultural function of magazine media in light of significant changes in content delivery, format, and audience. This volume integrates academic examination with pragmatic discussion to explore contemporary organizational practices, content, and cultural impact. Offering original research and fresh insights, thirty-six chapters provide a truly global perspective on the conceptual and historical foundations of magazines, their organizational cultures and narrative strategies, and their influences on society, identities, and lifestyle. The text addresses topics such as the role of advocacy in shaping and changing magazine identities, magazines and advertising in the digital age, gender and sexuality in magazines, and global magazine markets. Useful to scholars and educators alike, this

book: Discusses media theory, academic research, and real-world organizational dynamics Presents essays from both emerging and established scholars in disciplines such as art, geography, and women's studies Features in-depth case studies of magazines in international, national, and regional contexts Explores issues surrounding race, ethnicity, activism, and resistance Whether used as a reference, a supplementary text, or as a catalyst to spark new research, The Handbook of Magazine Studies is a valuable resource for students, educators, and scholars in fields of mass media, communication, and journalism.

Cruise Control - Robert Weiss 2010-11-26

Robert Weiss, director of the Sexual Recovery Institute in Santa Monica, California, avoids political and moral arguments and instead focuses on the clinical approach, asking the question, "Is your sexual behavior causing problems in other areas of your life?" Cruise Control leads men to a better understanding of the difference between sexual compulsion and non-addictive sexual behavior within the gay experience, and it explains what resources are available for recovery. A timely and important contribution to the body of recovery literature, Cruise Control provides understanding, empathy and encouragement to gay men seeking healthy sexual expression.

Cruise Control - Robert Weiss, MSW 2013-02-21

Cruise Control is the premiere book on the growing problem of sex addiction in gay men. This second edition explores how technology has impacted the instant ability to "meet up" and the implications of being in recovery in a committed relationship. Accessible resource for achieving sex addiction recovery including a "30 day test" and a dating plan.

Just by Looking at Him - Ryan O'Connell 2023-06-06

"From the first line of Just by Looking at Him, you'll know this story is so much more than boy meets boy. First, there's the humor. Elliot is a writer who spends his days navigating the back stabbing, the pressure, and the day to day snark of writing aggressively average television. In laugh out loud detail, we're immediately with him on his journey to try to get his lines onto the screen. But there's a deeper, and more poignant,

story beating at the heart of this would be rom com. Instead of the usual boy meets boy, the person you really fall in love, the one you're rooting for until the end, is the protagonist himself. As a gay man with cerebral palsy, Elliot has always searched for the one, and he thought he found that person in Gus, his doting boyfriend. And yet, he can't seem to stop cheating. Elliot falls into a rabbit hole of sex, drinking, and addiction, and ultimately learns that the person he truly needs to learn to accept is himself. As incisive commentary on gay life today, a heart centered, laugh out loud exploration of self and a rare insight into life as a person with disabilities who refuses to be a victim, critics and readers alike will fall in love with this story"--

I'm Addicted To Asian Guys: Online Interracial AMBW Dating Love Stories -

When I was 19 years old, my life changed. I stopped practicing my religion, had sex for the first time, and started dating Asian guys exclusively. Find Out How I Lost My Virginity, Almost Got Arrested, and Was Unknowingly a Mistress.

Men Like Us - Daniel Wolfe 2000

For nearly two decades, GMHC has provided vital support, education, and health information to gay men. Now, with "Men Like Us", their guidance -- and the insights of hundreds of gay men across America -- will help readers everywhere. Practical, down-to-earth, and accessible, this authoritative health resource covers such topics as: -- body basics -- exercise and diet-- relationships and intimacy-- sexual pleasure-- medical care -- prevention and healing-- mental health and therapy-- spirituality and community-- and much, much more Filled with expert advice -- from leading doctors, lawyers, therapists, and fitness instructors to "ordinary gay men" whose stories provide important voices of experience -- "Men Like Us" opens a window onto the ways gay men, in all their diversity, care for themselves and each other.

Is My Husband Gay, Straight, or Bi? - Joe Kort 2014-09-11

Jennifer can't believe it. Just married and pregnant, she discovers that her husband has been meeting Brad for sex. When confronted, Tom doesn't deny it, but he insists it's just "a thing" and he isn't gay.

Elsewhere, John's wife, Karen, discovers that her husband likes to watch gay porn. John doesn't understand his wife's reaction. Why does she care what he watches if he's not unfaithful? In couple's therapy, Karen and Jennifer raise the same questions: Does this mean my husband is gay? Can my marriage survive? These and other stories illustrate the difficulties inherent when a wife or girlfriend finds out her man has had or wants to have sexual contact with other men. But many times, the man is not gay or even bisexual. Of course, some men with gay sexual interests are gay men in a process of self-discovery; they are "coming out." These desires may only reflect a different side of a man's sexuality or some response to childhood trauma or experiences they have not fully processed. Here Joe Kort and Alexander P. Morgan make the distinction between gay men and "straight men with gay interests" clearer to women who want to know how they can overcome these revelations. The authors explain the many reasons why straight men may be drawn to gay sex; how to tell whether a man is gay, straight, or bisexual; and what the various options are for these couples, who can often go on to have very fulfilling marriages. *Is My Husband Gay, Straight or Bi?* is intended to help couples understand how male sexuality can express itself in ways that may be difficult to understand. Many marriages have been hurriedly terminated when couples (and their therapists) have lacked the information they needed to understand their current situations. This book provides the clarity, describes the choices, and (in many cases) offers hope for relationships and marriages that have been brushed off as doomed.

Hope & Freedom for Sexual Addicts and Their Partners - Milton S. Magness 2009-08

A compassionate yet concise guide to beginning recovery from sexual addiction.

[His Turn to Submit \(Gay, BDSM, Discipline, Spanking\)](#) - S M Partlowe 2014-06-13

Reader Advisory: This story is for mature audiences only and features intensely erotic situations, bdsm play, spanking, humiliation, discipline, punishment, submission and dominance. All characters are 18 or older.

After a series of relationships sabotaged by his own controlling ways, Daniel returns to the man he remembers being happiest with, only to find him changed. Connor has learned a lot about himself and about the world since they were last together, and if Daniel wants to be with him now, he will be the one to surrender control. A fulfilling and charged relationship may await, but only after Connor has made Daniel suffer for his past transgressions and made it very, very clear who is the dominant and who is the submissive. Excerpt: "Now," he said. "Look in the mirror." I turned and saw myself, pale and feeling a little scrawny as I stood fully naked in this strange building and in this strange room. My face was flushed and my cock stood straight out pointing at me in the mirror's reflection. Next to me stood Connor, still in his suit and with his intense eyes alight. Though I didn't entirely understand why, it was incredibly arousing to see myself naked and vulnerable beside this man, handsome and powerful and well-clothed. "This is your uniform," he explained. "When you are in this room, this is how I expect you to present yourself. You are to be available to me in whatever way I deem necessary, whether for punishment or satisfaction or reward. Do you understand?" "Yes, sir," I said quietly. "Good. Then go and bring me that chair against the wall." I turned and noticed for the first time a grey folding chair propped against the wall. I went and brought it to him. The metal was cool against my fingers and my hip as I carried it. "Set it here," he instructed, indicating directly in front of him. I unfolded it and set it on the ground. He took a seat in it. "Now lie on my lap, here." I regarded him nervously, but when I hesitated his eyes rose to meet mine, coolly expectant. I took in a shallow breath and then bent over and draped myself awkwardly over his knees. My stomach brushed over the soft cloth of his pants and I rested my palms against the floor in front of my face. Lowering myself down, my stiff cock found its way into the space between his knees. My ass was pushed high in the air by the posture, becoming the most prominent part of my body. I stifled a gasp as I felt a hand caress my ass cheek and run down the back of my thigh. "This is going to be a simple atonement today," he said. "This is to make the nature of our relationship clear to you." I breathed deliberately, waiting for the pain to begin. "Danny, when

you are being punished or are about to be punished and I am speaking to you, I would like you to respond to me by saying 'yes, sir.' I want to be sure that you hear and understand me, and that you never become so pre-occupied by what we are doing that you cannot learn the lesson you are here to learn." "Yes, sir," I said to the floor, already partially distracted by the sensations of his fingers on my skin. "Thank you. You are learning very quickly. Don't think I do not recognize and appreciate that." I felt a small warmth of pride at his compliment. His hand was cupping my ass. "Now, I would like you to tell me what is about to happen is about to happen." "What do you mean?" I asked. "Sir?" "I would like you to tell me why you are being punished." His hand moved smoothly across my sensitive skin. The tight stiffness of my cock was almost painful. I did not entirely understand why I was so aroused.

The Velvet Rage - Alan Downs 2012-06-05

This groundbreaking and empowering book examines the impact of growing up and surviving as a gay man in a society still learning to accept all identities. In *The Velvet Rage*, psychologist Alan Downs draws on his own struggle with shame and anger, contemporary research, and stories from his patients to passionately describe the stages of a gay man's journey out of shame and offers practical and inspired strategies to stop the cycle of avoidance and self-defeating behavior. *The Velvet Rage* is an empowering book that has already changed the public discourse on gay culture and helped shape the identity of an entire generation of gay men.

Playing It Straight - Milton E. Ford 2009-09-11

Playing It Straight: Gay Men and Heterosexual Marriage Milton E. Ford The words "gay men and straight marriage" raise many questions. Why would a man who knows he's gay marry a woman? Can a man discover he's gay after he marries? What is life like for a gay man in a marriage to a woman? Why, having married, would he get divorced? Why might he remain married? And what is the role of society, particularly religion, in this experience? *Playing It Straight* answers these and many other questions by examining common themes that emerge from interviews with men from many areas of the United States who are gay, or

predominantly gay, and who married women. In face-to-face taped interviews, the men talk about the way they see themselves now, what their childhood and teen years were like, their experiences leading up to marriage, what the marriages were like, and how those marriages are continuing or how they ended. The book looks at where the men are now and the meaning they now make of their marriages to women. The topical arrangement of the book makes it a valuable resource for anyone interested in a deeper understanding of the realities that often emerge for a gay man when he marries a woman.

The Bible of Gay Sex - Stephan Niederwieser 2013-03-19

Hallelujah! Finally there is a book that tells you ALL you need to know about gay sex. For let's be honest: Talking sex is only easy as long as you can play the part of the experienced lover. Stephan Niederwieser-author of various sex guides-informs you about everything you need to know, whether it's dating, health, the best ways to relax or the responsible use of stimulants. *The Bible of Gay Sex* is richly illustrated; it's a competent and entertaining book about everyone's favorite pastime.

Sexual Citizens - Brenda Cossman 2007

This book explores the relationship between sex and belonging in law and popular culture, arguing that contemporary citizenship is sexed, privatized, and self-disciplined. Former sexual outlaws have challenged their exclusion and are being incorporated into citizenship. But as citizenship becomes more sexed, it also becomes privatized and self-disciplined. The author explores these contesting representations of sex and belonging in films, television, and legal decisions. She examines a broad range of subjects, from gay men and lesbians, pornographers and hip hop artists, to women selling vibrators, adulterers, and single mothers on welfare. She observes cultural representations ranging from *Queer Eye for the Straight Guy* to *Dr. Phil*, *Sex in the City* to *Desperate Housewives*. She reviews appellate court cases on sodomy and same-sex marriage, national welfare reform, and obscenity regulation. Finally, the author argues that these representations shape the terms of belonging and governance, producing good (and bad) sexual citizens, based on the degree to which they abide by the codes of privatized and self-disciplined

sex.

Unnatural - Rachel Murr 2014-08-05

As a freshman in college, Rachel Murr found herself trying to decide which campus social group to join: the gay and lesbian advocacy group or the campus Christian fellowship. She knew it couldn't be both. For the next fifteen years she held onto the belief that she couldn't be both gay and Christian. When the pain involved in trying not to be lesbian called for a change in theology, she came out to her evangelical church. Conflict ensued. *Unnatural* is a collection of stories--not only of the harm religiously-inspired negative messages about homosexuality inflict, but also of redemption. Rachel uses her own story as well as personal interviews with ten other queer women and one female-to-male

transgender man to tell how they were judged, lectured, kicked out of homes and families, subjected to reparative therapies, and even assaulted. Some faced homelessness, depression, suicide attempts, and pervasive shame. Still, they fought to keep their faith alive. Each demonstrated an *Unnatural* ability to forgive, love, believe, advocate, and heal.

The Myth of Sex Addiction - David J. Ley 2014-07-10

In this controversial book, David Ley debunks the myth of sex addiction, showing how labeling it a disorder has wrested responsibility away from philandering men and excused their bad behavior as being out of their control. He takes on those who would label it a disease and ch...
