Family Ideas for Ministry with Young Teens - Carole Goodwin
2000

Family Ideas for Ministry with Young Teens is a collection of twenty-two strategies that focus on family life and parent-teen relationships. The collection includes ideas for prayer, service, communication, sharing faith, and having fun. The strategies are grouped into three categories: strategies for gatherings of families, strategies for individual families at home, and strategies for young teens in

peer-group settings.

The Case for Marriage -

Linda Waite 2002-03-05

A groundbreaking look at marriage, one of the most basic and universal of all human institutions, which reveals the emotional, physical, economic, and sexual benefits that marriage brings to individuals and society as a whole. The Case for Marriage is a critically important intervention in the national debate about the future of family. Based on the authoritative research of family sociologist Linda J. Waite, journalist Maggie Gallagher, and a number of other scholars, this book's findings dramatically contradict the anti-marriage myths that have become the common sense of most Americans. Today a broad consensus holds that marriage is a bad deal for women, that

divorce is better for children when parents are unhappy, and that marriage is essentially a private choice, not a public institution. Waite and Gallagher flatly contradict these assumptions, arguing instead that by a broad range of indices, marriage is actually better for you than being single or divorced- physically, materially, and spiritually. They contend that married people live longer, have better health, earn more money, accumulate more wealth, feel more fulfillment in their lives, enjoy more satisfying sexual relationships, and have happier and more successful children than those who remain single, cohabit, or get divorced. The Case for Marriage combines clearheaded analysis, penetrating cultural criticism, and practical advice for strengthening the institution of marriage, and provides clear, essential guidelines for reestablishing marriage as the foundation for a healthy and happy society. "A compelling defense of a sacred union. The Case for Marriage is well

written and well argued, empirically rigorous and learned, practical and commonsensical." -- William J. Bennett, author of The Book of Virtues "Makes the absolutely critical point that marriage has been misrepresented and misunderstood." -- The Wall Street Journal

Love Remembers - Kathe Ambrose Goodwin 2022-06-07
Alzheimer's is a merciless thief, but it can't steal love. Dementia is a terrifying disease, snatching away memory and independence from those close to our hearts. Early-onset Alzheimer's takes even more, stealing whole chapters of people's lives. But love and hope do not have to fall victim to the disease. In Love Remembers, Kathe Ambrose Goodwin shares how her family has coped with her husband Steve's battle with early-onset Alzheimer's, from the first signs something was wrong to living with the final stages of the disease with dignity, peace, and even joy. Kathe lays bare the pain and frustration of their journey and how her family's love and faith

shine through, giving meaning and hope to even the darkest days.

The Covenant Retreat - Steven McGlaun 2005-08

The Covenant Retreat affirms that each of us is called into a covenant with God. Through this retreat experience, high school seniors begin to identify their unique relationship with God, as an individual and as part of the larger Church. The leader's guide includes material to help teachers and leaders bring the experience into the classroom for weeks before and after the retreat. Leaders will find detailed directions for implementing the retreat; lesson plans, prayers, and handouts; material to help use the student component, Answering God's Call to Covenant, after the retreat; and suggested models for liturgical celebrations to bring the retreat to a close. It also includes suggestions on how to celebrate the retreat with the entire school through graduation and other activities. Answering God's Call to Covenant helps older

adolescents consider where they want to go in life before they encounter the crossroads of young adulthood. Students address seven key questions and write their own covenant statements, which will help guide them through life's many challenges. The student text also helps seniors reflect, pray, and discern on their own after graduation.

Love and Fury - Samantha Silva 2021-05-25

A Best Novel of Summer (New York Times Book Review) From the acclaimed author of Mr. Dickens and His Carol, a richly-imagined reckoning with the life of another cherished literary legend: Mary Wollstonecraft - arguably the world's first feminist August, 1797. Midwife Parthenia Blenkinsop has delivered countless babies, but nothing prepares her for the experience that unfolds when she arrives at Mary Wollstonecraft's door. Over the eleven harrowing days that follow, as Mrs. Blenkinsop fights for the survival of both mother and

newborn, Wollstonecraft recounts the life she dared to live amidst the impossible constraints and prejudices of the late 18th century, rejecting the tyranny of men and marriage, risking everything to demand equality for herself and all women. She weaves her riveting tale to give her fragile daughter a reason to live, even as her own strength wanes. Wollstonecraft's urgent story of loss and triumph forms the heartbreakingly brief intersection between the lives of a mother and daughter who will change the arc of history and thought. In radiant prose, Samantha Silva delivers an ode to the dazzling life of Mary Wollstonecraft, one of the world's most influential thinkers and mother of the famous novelist Mary Shelley. But at its heart, Love and Fury is a story about the power of a woman reclaiming her own narrative to pass on to her daughter, and all daughters, for generations to come.

the choices we make in midlife can become distilled and irreversible by the time we reach our last years. Having worked intimately and rewardingly with countless people in the last years of their lives, psychological counselor and ordained minister Sallirae Henderson offers a practical plan for healing in middle age so we can avoid elderly regret, unexpressed grief, and unresolved spiritual issues before it's too late. In a culture that ranks the fear of living in a nursing home above the fear of death, this book serves as a reminder that the end of life is also an organic part of life. It is an indispensable guide for those seeking to grow old gracefully, with a sense of meaning and purpose. Breaking new ground in the literature on aging, this powerful book teaches six emotional and spiritual skills necessary for finding purpose and contentment in our later years: BEFRIENDING YOURSELF LEARNING TO GRIEVE RECOGNIZING THAT YOU ALWAYS MAKE A

DIFFERENCE MAINTAINING A SENSE OF PERSONAL EVOLUTION FINDING A LARGER CONTEXT FOR YOUR LIFE ACCEPTING THE HELP OF OTHERS Sallirae Henderson combines her vast personal and professional experience with a wide range of anecdotes guaranteed to strike a chord with readers from all walks of life. A Life Complete also serves as an excellent reference tool for analysts, psychotherapists, and both personal and professional caregivers. It is a remarkably timely book.

We Are Fire! Resource Manual - Cheryl Miller
Drivdahl 2000

Music is the heartbeat of a teen's life, and it can open doors to complex subjects when nothing else can. The twelve sessions in the We Are Fire! resource manual complement The Catholic Youth Bible by exploring biblical themes through the songs of popular Catholic musicians. Each session plan offers a complete learning experience with an icebreaker or introduction, a Scripture reading, activities, discipleship challenges, and a closing prayer. Themes include God's call, sin and forgiveness, discipleship, covenant, and justice. It's a different, high-energy approach that will help you bring fun and innovative ideas to your next youth group meeting, prayer service, or retreat. The compact disc includes songs by some of the world's finest Christian musicians. The CD insert includes lyrics, Scripture references, and references to relevant articles in The Catholic Youth Bible.
