[Just Love: Questions & Answers, Volume 2 - Paramahansa Sri Swami Vishwananda 2019-11-01](#)

Have you ever noticed that, for the mind, questions never cease? Fortunately, this second volume in the 'JUST LOVE: Questions & Answers' series contains 200 answers to questions posed to Paramahansa Sri

Swami Vishwananda between 2010 and 2013. His answers here cover a wide variety of topics, but most of all, He describes how to handle the mind. Paramahansa Vishwananda says that, on the spiritual path, the mind can either be our best friend or our worst enemy. That's why this book focuses particularly on how to

overcome the obstacles that the mind places between us and the goal of Life itself: Unconditional Divine Love. This is the only kind of love that will truly fulfill us, and Guruji's wisdom, recommendations, and spiritual practices all help us to transcend the limits the mind imposes.

Words of Love Volume 2 PB - Wayne McKamie 2018-08-15

This is the second of multiple volumes we plan to publish if the Lord is willing. As I began listening to the sermons and reading the transcripts for this volume, I began to realize the practicality and the focus of Wayne as he challenges his hearers to think and to consider their actions along life's pathway. Wayne has a way of always challenging his audience. I believe all who will read the sermons in this book will find many nuggets of spiritual nourishment and find themselves facing serious spiritual questions in living for Jesus Christ. The messages are truly inspiring!

Elizabeth Wade White Papers Catalog and Finding Aid, Vol 2 -

Telling about God Vol.2 - William A. Van Roo 1986

This second volume is entitled simply Experience, and that title calls for some explanation. Obviously, for the reasons which I shall set forth more fully in what follows, this volume does not contain Christian experience. This volume is meant to contribute to the second of three phases in a total process. The first

phase is understanding to some degree the potential of Christian experience: volume I is intended to assist in reaching such an understanding should continue to deepen as we live more fully the life to which we have been called: we are in the process of a dialectic, personal and interpersonal which should continue as long as we live. The second phase is actual Christian experience, increasing in fullness and richness as we continue to live the Christian Mystery. This present volume is intended to foster such continuing experience. The third phase is the deepening understanding which theologians have sought in the classical tradition of faith seeking understanding. Within Christian experience, for those who reflect on the Mystery, many questions arise concerning the kind of God in whom we believe, and whom we experience. Search for the answers to such questions is the proper task of the theologian. I hope to attempt to perform that task in my third volume

Just Love: The Essence of Everything, Volume 2 - Sri Swami Vishwananda 2019-12-27

JUST LOVE, Volume 2, is the second in a series of extraordinary spiritual books from an extraordinary spiritual Master. Although you may be familiar with the wisdom of the Holy Scriptures of both East and West, the concept of Love is described in this book in a refreshing new way. JUST LOVE is expressed by someone who knows about the all-pervading, life-sustaining force that forms the creation of the universe because He is completely one with it in every moment. This volume is a collection of 59 talks given around the world by Paramahansa Sri Swami Vishwananda where the simple yet profound message is clear: Love is all there is. Love is all you have to do. Just Love, and the rest will take care of itself.
