*All About Love* - bell hooks 2018-01-30

A New York Times bestseller and enduring classic, *All About Love* is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. *All About Love* reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in *All About Love*. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive

new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The Utne Reader declared bell hooks one of the "100 Visionaries Who Can Change Your Life." *All About Love* is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the

better.

*The History of Love* - Nicole Krauss 2012-06-28

Leo Gursky is a man who fell in love at the age of ten and has been in love ever since. These days he is just about surviving life in America, tapping his radiator each evening to let his upstairs neighbour know he's still alive, drawing attention to himself at the milk counter of Starbucks. But life wasn't always like this: sixty years ago in the Polish village where he was born Leo fell in love with a young girl called Alma and wrote a book in honour of his love. These days he assumes that the book, and his dreams, are irretrievably lost, until one day they return to him in the form of a brown envelope. Meanwhile, a young girl, hoping to find a cure for her mother's loneliness, stumbles across a book that changed her mother's life and she goes in search of the author. Soon these and other worlds collide in *The History of Love*, a captivating story of the power of love, of loneliness and of survival.

*501 Quotes about Love* - M. Prefontaine  
2015-11-27

Interviewer: Why do you love quotes? Author: Everybody loves quotes don't they? Words are what we use to think and the best quotes are the most effective way to express those thoughts. Interviewer: Are these quotes any use? Author: They have lots of uses. They can order our thoughts expressing an idea that we haven't managed to put into words before. They can be used in conversation or communications to succinctly express what you are trying to say. People often use them in speeches to provide amusement and to get across the point they are trying to make more effectively. People also use quotes to provide inspiration or motivate them to do a task which they are finding difficult. If you can capture why you are doing something in a single phrase then it can help you give purpose to what you are doing. In addition there is the personal kudos of providing succinct wisdom if you can find the right time to use them. People

may not mistake you for Albert Einstein or Oscar Wilde but some of the magic dust will rub off.

Interviewer: How do you pick quotes? Author: There are plenty to choose from. People are saying things all the time, some more memorably than others. Often I see quote books that are little more than a collection of words. When I am going through quotes I will often get one that zings and really resonates. It could be funny, it could be inspirational, it could be anything but what it has done is express something in a way that stops you and makes you think. That is what I have tried to collect in The Big Book of Quotes. I hope that some will resonate with the readers.

**The Love Hypothesis** - Ali Hazelwood  
2021-09-14

The Instant New York Times Bestseller and TikTok Sensation! As seen on THE VIEW! A BuzzFeed Best Summer Read of 2021 When a fake relationship between scientists meets the

irresistible force of attraction, it throws one woman's carefully calculated theories on love into chaos. As a third-year Ph.D. candidate, Olive Smith doesn't believe in lasting romantic relationships--but her best friend does, and that's what got her into this situation.

Convincing Anh that Olive is dating and well on her way to a happily ever after was always going to take more than hand-wavy Jedi mind tricks: Scientists require proof. So, like any self-respecting biologist, Olive panics and kisses the first man she sees. That man is none other than Adam Carlsen, a young hotshot professor--and well-known ass. Which is why Olive is positively floored when Stanford's reigning lab tyrant agrees to keep her charade a secret and be her fake boyfriend. But when a big science conference goes haywire, putting Olive's career on the Bunsen burner, Adam surprises her again with his unyielding support and even more unyielding...six-pack abs. Suddenly their little experiment feels dangerously close to

combustion. And Olive discovers that the only thing more complicated than a hypothesis on love is putting her own heart under the microscope.

Love and Other Words - Christina Lauren

2018-04-10

An uplifting and unforgettable read that will make you fall in love with life again . . . 'You can never go wrong with Christina Lauren!' Paige Toon 'A true joy from start to finish' Kristin Harmel Macy is settling into an ambitious if emotionally tepid routine: work hard as a new paediatrics resident, plan her wedding to an older, financially secure man, keep her head down and heart tucked away. But when she runs into Elliot - the first and only love of her life - the careful bubble she's constructed begins to dissolve. Once upon a time, Elliot was Macy's entire world - growing from her gangly teen friend into the man who coaxed her heart open again after the loss of her mother . . . only to break it on the very night he declared his love

for her. Told in alternating timelines between Then and Now, teenage Elliot and Macy grow from friends to much more - spending weekends and lazy summers together reading books and talking through their growing pains and triumphs. As adults, they have become strangers to one another until their chance reunion.

Although their memories are obscured by the agony of what happened that night so many years ago, Elliot will come to understand the truth behind Macy's decade-long silence, and will have to overcome the past and himself to revive her faith in the possibility of an all-consuming love. The heart-breaking and heart-warming read from No. 1 international bestselling author Christina Lauren, author of *The Unhoneymooners* and *The Soulmate Equation*. ### **Supersonic Love Quotes** - Steve Abraham

2020-02-09

Do you want to express how much you love your partner but finding it difficult to come up with some hot and cute love quotes? The best and the worst thing about love is that it cannot be expressed in words. When you truly love

someone, it may be hard to express those emotions through words. In fact, real love may make you feel weak in the knees and unable to speak. Perhaps that's the best type of love - where the other person makes you fall so completely in love that you are unable to think properly. Though that can become a problem as well. Want to improve the way you express your deep love for someone you love dearly? Get better at expressing how you feel with these deep inspirational love quotes. Sometimes it's difficult for you to find the right words, but these "I love you quotes for her" and "I love you quotes for him" will help you find the perfect words for that special person in your life. Being in love can make you feel happier than you've ever been, sadder than you've ever been, and even angrier than you've ever been. It can elate you and deflate you at almost the same time. However, while most people can recognize the sensations they associate most closely with love fairly easily, finding just the right words to express

Ugly Love - Colleen Hoover 2014-08-05

From Colleen Hoover, the #1 New York Times bestselling author of *It Starts with Us* and *It Ends with Us*, a heart-wrenching love story that proves attraction at first sight can be messy.

When Tate Collins meets airline pilot Miles Archer, she doesn't think it's love at first sight. They wouldn't even go so far as to consider themselves friends. The only thing Tate and Miles have in common is an undeniable mutual attraction. Once their desires are out in the open, they realize they have the perfect set-up. He doesn't want love, she doesn't have time for love, so that just leaves the sex. Their arrangement could be surprisingly seamless, as long as Tate can stick to the only two rules Miles has for her. Never ask about the past. Don't expect a future. They think they can handle it, but realize almost immediately they can't handle it at all. Hearts get infiltrated. Promises get broken. Rules get shattered. Love gets ugly.

I Think I am in Love - Devanshi Sharma, 2019

The bond that is forged in an ice skating rink and made stronger over many tea and coffee breaks at work, eventually turns crazy when love sneaks in. Meera, the carefree and successful fashion blogger, falls in love with her khadoos best friend, Ishaan. Walking together, falling together, getting up together - somewhere they find their destination, only to realise that the journey itself was far better. I Think I am in Love is a story of finding friendship, chasing love, nurturing dreams, and striking a balance between all of them. A story of true love trying to find a way, narrated straight from the heart.

**Pierrot & Columbine (The Pierrot's Love Series)** - Ana Claudia Antunes 2014-11-24

Anne, a teenage girl who dreams of being a dancer suffers an obsession and becomes haunted by a ghost of a ballerina in the nineteenth century, who prefers to be called Tata, and who, like a rat, appears out of nowhere

and goes beyond, literally, in a blink of an eye, twerking, trolling and twisting facts and factions, and who insists into contacting her in every possible way (even by cell phone and text messages) to tell her story. So she decides to write her story in the form of a play giving vent to her artistic vein, before the ghost dancer make her wish to cutting the veins of them both, tormenting her from head to toe. As it were not enough many tangles and so many caveats and ties to be untied sneakers, here comes another ghost that looks like it came to torment her too. Giovanni, boyfriend and possible serial killer, and that also seems to have a deep relationship with the teenager proves to be helpful and kind to her, but everything seems to be just a clever way to conquer her world to dominate her and make she do everything he tells her to do, to insert her in their midst to be involved in the same case. Then he begins to tell the story from his point of view. Having two versions, in which one is she going to believe? And as she finishes

her own story, will she be able to convey? She hopes to resolve the issue as soon as possible, before they devour or engage her further in a tangle of misunderstandings. Or she will start to disbelieve her own ears and lose herself in the path of her own acquittal tied into an emotional imbalance that at first reveals a tough ancestor line to tread. For this she will need all her courage thus find heroin in her veins, to be able to go face her faith... Or her dreadful fate.

**Romeo and Juliet** - William Shakespeare 1973  
The tragedy of Romeo and juliet - the greatest love story ever.

**Love Her Wild** - Atticus 2017-07-11  
The first collection of poetry by the New York Times bestselling author of *The Dark Between Stars*. *Love Her Wild* is a collection of new and beloved poems from the poet Atticus, who has

captured the hearts and minds of hundreds of thousands of avid followers on his Instagram account @atticuspoetry, including superstars like Karlie Kloss and Shay Mitchell. Dubbed the “#1 poet to follow” by Teen Vogue and “the world’s most tattoo-able” poet by *Galore* magazine, in *Love Her Wild*, Atticus captures what is both raw and relatable about the smallest and the grandest moments in life: the first glimpse of a new love in Paris, skinny dipping on a summer’s night, the irrepressible exuberance of the female spirit, or drinking whiskey in the desert watching the rising sun. With honesty, poignancy, and romantic flare Atticus distills the most exhilarating highs and the heartbreaking lows of life and love into a few short lines, ensuring that his words will become etched in your mind—and will awaken your sense of adventure.
