*Exposed to You* - Beth Kery 2012-11-06

From the author of the unforgettable *Because You Are Mine...* Losing control is just the beginning... "What would you do if the sexiest man in the world was bent on bringing you unbearable pleasure again and again? Joy Hightower wasn't sure she could survive the experience...or live without it." It's not often you're hired to paint a body tattoo—and what a body—on a total stranger at a Hollywood film set. A reserved and careful art teacher, Joy would never forget it. In a rare fit of raw desire she gave herself completely, knowing she'd never see him again, or ever repeat such a shameless, naked impulse. Little did she know, the man with whom she shared that lightning bolt of lust was star Everett Hughes. For Everett, women and sex came as easily as fame. But how could he hope to convince the guarded Joy that beneath the hard body and sexy façade of celebrity was a real man who wanted only one, real woman? In the heat of an intoxicating affair, Everett endeavors to break down her barriers, gain her trust, and expose himself as the real deal. But can Joy do the same, and reveal to him the vulnerable woman who longs to be loved, wanted, and desired forever?

*The Dangerous Passion* - David M. Buss 2000-02-14

Why do men and women cheat on each other? How do men really feel when their partners have sex with other men? What worries women more -- men who turn to other women for love or men who simply want sexual variety in their lives? Can the jealousy husbands and wives experience over real or imagined

infidelities be cured? Should it be? In this surprising and engaging exploration of men's and women's darker passions, David Buss, acclaimed author of *The Evolution of Desire*, reveals that both men and women are actually designed for jealousy. Drawing on experiments, surveys, and interviews conducted in thirty-seven countries on six continents, as well as insights from recent discoveries in biology, anthropology, and psychology, Buss discovers that the evolutionary origins of our sexual desires still shape our passions today. According to Buss, more men than women want to have sex with multiple partners. Furthermore, women who cheat on their husbands do so when they are most likely to conceive, but have sex with their spouses when they are least likely to conceive. These findings show that evolutionary tendencies to acquire better genes through different partners still lurk beneath modern sexual behavior. To counteract these desires to stray -- and to strengthen the bonds between partners -- jealousy evolved as an early detection system of infidelity in the ancient and mysterious ritual of mating. Buss takes us on a fascinating journey through many cultures, from pre-historic to the present, to show the profound evolutionary effect jealousy has had on all of us. Only with a healthy balance of jealousy and trust can we be certain of a mate's commitment, devotion, and true love.

**Partners In Passion** - Mark Michaels 2014-02-11

Most of us long for intimate relationships, and though texting and emailing may keep us superficially connected, it ultimately cannot create the kind of intimacy necessary to sustain a deep, fulfilling, and lasting partnership. With the divorce rate reaching a staggering 50 percent in 2013 and the breakup rate among unmarried long-term couples even higher, it appears that the more we tweet, the more disconnected we become. So many of us believe that new is better, hotter, and more intense, but love at first sight isn't really love, it's chemistry. Developing the connections and intimacy that everyone craves takes time and skill. In *Partners in Passion*, Michaels and Johnson provide readers with a fun, step-by-step guide to discovering true, loving, and romantically sexual relationships that will last for decades. Comprehensive and inclusive, *Partners in Passion* is original and provocative, drawing on a variety of sources: cutting-edge science, psychology, the authors' background in tantra, and personal experiences as teachers and as a couple. *Partners in Passion* invites couples to design their relationships and to choose consciously, and is replete with how-to suggestions and exercises, including interviews with couples from diverse backgrounds, relationship styles, and orientations who are enjoying erotically vibrant partnerships.

**Downpour** - Nick Holmes 2019-09-07

The follow up to *TIME SPENT FALLING*. Comprised of pieces spanning many years, centered around the joy of desire as well as the fear of loss, this collection expounds upon the humanity of lust, the catalysts for passion, love, sex, and all the sordid gaps between.A collection of poems in nine chapters.

**The 6 Hearts of Intimacy** - Bob Moeller 2018-09-11

Understanding the way your spouse gives and receives love will bring depth and new fulfillment to your love life. *The 6 Hearts of Intimacy* is a "Love Languages" for sex in marriage. Rather than focusing on sexual techniques, it unlocks the secret to true sexual fulfillment by revealing the unique way each spouse gives and receives love. Various books describe the distinct ways in which people express and accept love, but this idea has never before been specifically applied to intimacy in marriage. Marriage experts Bob and Cheryl Moeller present biblically based and proven ways to enhance your relationship with your spouse as they describe the Romantic Heart, the Giving Heart, the Guardian Heart, the Companion Heart, the Worshipping Heart, and the Ecstatic Heart. They also expose the "counterfeit hearts" that are present in many people's marriages, leaving their sexual relationship self-focused and empty. Many couples spend a lifetime attempting to express their love yet fail to achieve true intimacy. Sensitively written with practical advice and humor, *The 6 Hearts of Intimacy* shows husbands and wives how to successfully resolve conflicts in their sexual relationship and how to care daily for their spouse's unique heart of sexual love. Discussion

questions are included at the end of each chapter.

Passion Pursuit - Linda Dillow 2013-07-22

A Bible study about sex for women? Now that's different! This new study, *Passion Pursuit: What Kind of Love Are You Making?*, lets God's Word speak about sex as being holy and erotic, blessed by God, and satisfying far beyond what the world can even imagine. Picture that as a headline on the cover of *Cosmopolitan*! By using scripture throughout the Bible, *Passion Pursuit* not only urges women to pursue passion but details how God has given them permission to do so. Though there is fun to be had along the way in this study, it hits hard on the questions women have but are hesitant to ask, like: What does God say is okay and not okay in the bedroom? I'm 54 years old; how can my husband still be attracted to me? Why did God make men and women so different? This audaciously bold study combines the psychological expertise of Dr Juli Slattery, formerly of Focus on the Family, along with moving stories from trusted Bible teacher and best-selling author Linda Dillow. The groups who have already done this study have seen their marriages come alive, whether they've been married four months or forty years; be next!

Passion and Purity - Elisabeth Elliot 2002

I have deep feelings for this guy, but he says I'm like a sister to him. What should I do?" "Why should a man still be expected to initiate romance?" "Isn't it okay to spend time together if we're just friends?" "If I never marry, will God take that desire away?" These are some of the many questions posed in letters to Elisabeth Elliot by readers of her bestselling book *Passion and Purity*. In this beautifully repackaged edition of *Quest for Love*, she responds with sound, biblical guidance, dusting off "antiquated" concepts such as commitment, integrity, honor, and servanthood, and showing how they still apply to dating and singleness today. Intertwined are hopeful true stories of discovering love through God's direction.

**Jesus, Lover of My Soul** - Julian Hardyman 2020-11-19

Do you long for a closer, deeper walk with God? Would you like to know more about what the Bible says about spiritual intimacy? We say we know about God's love in our heads, but has it really percolated through to our hearts? The Bible employs the metaphor of Christ, the Lover, and believers, his beloved. Yet this rich relationship potential is relatively unexplored in modern popular books, and we are the poorer for it. Using Song of Songs and other Bible sources, the author explores the dynamics of our relationship. We come to understand more fully what it is for Christ to love us and for us to love him. This portrayal of the living dynamics of a believer's relationship with Christ cannot fail to transform our devotional life profoundly.

Passion and Purity - Elisabeth Elliot 2021-03-16

In her classic book, Elisabeth Elliot candidly shares her love story with Jim Elliot through letters, diary entries, and memories. She is honest about the temptations, difficulties, victories, and sacrifices of two young people whose commitment to Christ took priority over their love for each other. These revealing personal glimpses, combined with relevant biblical teaching, will remind readers that only by putting their human passion and desire through His fire can God purify their love. In a culture obsessed with dating, sex, and intimacy, the need for Elliot's freeing message is greater than ever. This beautifully repackaged edition will appeal to today's young people.

**The Passion Book** - Gendun Chopel 2018-04-18

The *Passion Book* is the most famous work of erotica in the vast literature of Tibetan Buddhism, written by the legendary scholar and poet Gendun Chopel (1903-1951). Soon after arriving in India in 1934, he discovered the Kama Sutra. Realizing that this genre of the erotic was unknown in Tibet, he set out to correct the situation. His sources were two: classical Sanskrit works and his own experiences with his lovers. Completed in 1939, his "treatise on passion" circulated in manuscript form in Tibet, scandalizing and arousing its readers. Gendun Chopel here condemns the hypocrisy of both society and church, portraying sexual pleasure as a force of nature and a human right for all. On page after page, we find the exuberance of someone discovering the joys of sex, made all the more intense because they had been forbidden to him for so long: he had taken the monastic vow of celibacy in his youth and had only recently renounced it. He describes in ecstatic and graphic detail the wonders he discovered. In these poems, written in beautiful Tibetan verse, we hear a voice with tints of irony, self-deprecating wit, and a love of women not merely as sources of male pleasure but as full partners in the play of passion.

Love as Passion - Niklas Luhmann 2014-12-08

In this important book Niklas Luhmann - one of the leading social thinkers of the late 20th century - analyses the emergence of 'love' as the basis of personal relationships in modern societies. He argues that, while family systems remained intact in the transition from traditional to modern societies, a semantics for love developed to accommodate extra-marital relationships; this semantics was then transferred back into marriage and eventually transformed marriage itself. Drawing on a diverse range of historical and literary sources, Luhmann retraces the emergence and evolution of the special semantics of passionate love that has come to form the basis of modern forms of intimacy and personal relationships. This classic book by Luhmann has been widely recognized as a work of major importance. It is an outstanding contribution to social theory and it provides an original and illuminating perspective on the nature of modern marriage and sexuality.
