Masters of the Shadowlands - Cherise Sinclair
2013-02

Club Shadowlands Her car disabled during a tropical storm, Jessica Randall discovers the isolated house where she's sheltering is a private bondage club. At first shocked, she soon becomes aroused watching the interactions between the Doms and their subs. But she's a professional woman—an accountant—and surely isn't a submissive ...is she? Master Z hasn't been so attracted to a woman in years. But the little sub who has wandered into his club intrigues him. She's intelligent. Reserved. Conservative. After he discovers her interest in BDSM, he can't resist tying her up and unleashing the passion she hides within. Dark Citadel After Kari breaks up with her date during Beginner's Night at Club Shadowlands, she's given the option to continue with an experienced dominant. Despite

her steamy fantasies about BDSM, the inexperienced schoolteacher plans to simply observe. Yet under the unyielding hands of Master Dan, she not only participates, but gives him everything he asks for. There is nothing she can hide from him. Not her passion or her love. Still mourning the death of his wife, Master Dan avoids getting involved with women and he never takes a sub twice. But this modest little beginner is such a sweetie, one night is far from enough. As he plumbs her responses, taking her ever deeper into the world of BDSM, the gentle submissive begins to show him how barren his life has become and what a dark citadel he's made of his heart. During their three nights together, the teacher will learn to submit...can she teach the master to love?

Beyond Eden - Kele Moon 2017-06-08
Three lifelong friends find themselves tangled in

a web of love, pain and dangerous secrets in this erotic Garden of Eden tale. Tall, dark and handsome Danny Carlow has always gotten whatever he wants except for the two he desires more than anything-his best friends, lovers Paul and Eve. Determined to claim what was never supposed to be his, Danny waits like a snake in the grass, poised for the right moment to offer them a temptation too delicious to resist. Artist Eve Everton made the painful decision to leave her true love Paul for the siren call of New York City. Now ten years later, with her life in shambles, she returns. When Paul's waiting arms aren't available, Eve falls for Danny's charm and finds herself a willing accomplice in the dangerous games Danny plays. Paul Matting is a successful attorney with a bright future ahead of him, but behind those brilliant blue eyes are secret desires for a taste of the forbidden. Will he play it safe or give in to Danny and Eve and bite the apple? Reader Advisory: Not for the faint of heart, the pain in this story is vivid and

real, the emotions even more so. Haunting and poignant, Beyond Eden presents a darker side of BDSM. You might gasp. You might cry. You might find yourself reading it again and again.

Shores of Tripoli: A Pirate Tale - Dirk Hessian
2016-03-01

Coming into his majority in the Boston merchant world of 1801 and having been brutally initiated into man sex during a roadside encounter, the merchant's son and printer's apprentice, Billy, begins a life of discovery of what he wants from another man. He thinks he wants-and deserves-rough taking and punishment, but not all of his lovers agree. The call of the sea and early linking up with a pirate chieftain lead him into a life where, though he is deemed too small and fair of looks to be trusted among common seaman, the men of the sea win through on finding their own purposes for him. Billy's story leads him from nominally prim Boston to hedonist Charleston and the slaves of a South Carolina rice plantation and then on across the

Atlantic to the Azores and the Mediterranean. The saga of Billy's sexual adventures and seekings are backdropped in Shores of Tripoli by piracy on the East Coast of the young United States, piracy on the Atlantic at the beginning of the nineteenth century, and American's engagement in the Barbary Coast antipiracy wars in the Mediterranean. The Barbary Coast wars, storming up on the shores of Tripoli, provided the first foreign land battles that the young United States engaged in as well as the first use of U.S. Marines-and our young Billy was there to see and experience it all. Billy's story is one of possession by a succession of naval chieftains-pirate and U.S. Navy alike, as well as randy and fit Marines and Arab potentates-and also of men who try to convince him that sex can be more equal and romance based. The question remains of what maturity and time leads him to believe and accept as the sexual experience he most wants. Warnings: BarbarianSpy Xtreme: contains erotic gay content, BDSM elements,

The Mindf*ck Series - S. T. Abby 2019-04-03

This is the entire series put into one book. Paperback edition. They took too much. Left too little. I had nothing to lose...until him.*****~Lana~I didn't expect him. I didn't want to fall in love. But I can't let him go. Logan Bennett makes the world a safer place. He's brilliant. He's a hero. He locks away the sick and depraved. But while he's saving

lives, I'm taking them. Collecting the debts that are owed to me. Ten years ago, they took from me. They left me for dead. They should have made sure I stayed dead. Now I'm taking from them. One name at a time. I've trained for too long. I've been patient. I can't stop now. Revenge is best served cold... They never see me coming, until I paint their walls red. Logan doesn't know how they hurt me. He doesn't know about the screams they ignored. He doesn't know how twisted that town really is. He just knows people are dying. He doesn't know he's in love with their killer. No one suspects a dead girl. And Logan doesn't suspect the girl in his bed. They're looking for a monster. Not a girl who loves red. Not a girl in love. I'm a faceless nightmare. At least until I tell them the story they've pretended never happened. But in the end, will Logan choose them? Or will we watch them burn together? **Graphic** Adult language **Some triggers could be too much for the easily disturbed reader** Sexual content **Fucked up

Watch and Learn - K C Wells 2021-05-24

Neither Zac nor Chris want a relationship. It sort of sneaks up on them. And then the lines become blurred. Zac likes to watch. Lucky for Zac that Chris can help him with that. In fact, Chris can blow Zac's mind. But somewhere along with the way, something changes, and Zac wants more. But Chris doesn't - does he? They're not in a relationship, right? Yeah, right.

Man, Play, and Games - Roger Caillois 2001

According to Roger Caillois, play is an occasion of pure waste. In spite of this - or because of it - play constitutes an essential element of human social and spiritual development. In this study, the author defines play as a free and voluntary activity that occurs in a pure space, isolated and protected from the rest of life.

Intersex - Tiffany Jones 2016-02

Sex is complex. Humans are simultaneously more similar in their sex development, and more diverse, than is commonly appreciated or understood. Females and males are not made of

wildly different ingredients. The potential to have intersex variations-to be born with atypical sex characteristics-exists for all humans in the first few weeks of their prenatal development. 1.7% of people actually go on to be born intersex. However, most of us know little about intersex variations. This is only partly due to their occasional invisibility. Intersex people have historically faced deep social stigma-the assumption that they were simply bizarre aberrations from the human norm. Furthermore, intersex infants have been widely subjected to systematic institutional mistreatment, particularly within medical settings. Finally, some people with intersex variations have simply tried to integrate themselves unnoticed into the socially accepted categories of male and female. Drawing on stories and statistics from the first national study of intersex the book argues for a distinct 'Intersex Studies' framework to address intersex issues and identity-foregrounding people with intersex variations' own goals,

perspectives and experiences. Collected in 2015 and arranged in thematic chapters, the data presented here on 272 individuals gives a penetrating account of historically and socially obscured experience. This book is an important and long-overdue contribution to our understanding of human sexuality and a must-read for people with intersex variations, health practitioners, psychologists, advocacy groups, students, and anybody interested in knowing more about our diverse human make-up.

A Crime So Monstrous - E. Benjamin Skinner
2013-03-22

Two hundred years after Parliament passed the Abolition of the Slave Trade Act, over 27 million people worldwide languish in slavery, forced to work, under threat of violence, for no pay. In Africa, hundreds of thousands are considered chattel, while on the Indian subcontinent millions languish in generational debt bondage. Across the globe, women and children, sold for sex and labour, are already the second most

lucrative commodity for organised crime. Through eviscerating narrative, *A Crime So Monstrous* paints a stark picture of modern slavery. Skinner infiltrates trafficking networks and slave sales on four continents, exposing a flesh trade never before portrayed with such vivid detail. From mega-harems in Khartoum to illicit brothels in Bucharest, from slave quarries in India to urban child markets in Haiti, he lays bare a parallel universe where lives are bought, sold, used and discarded. The personal stories related here are heartbreaking but in the midst of tragedy Skinner also discovered a quiet dignity that leads some to resist and aspire to freedom. He bears witness for them and for the millions that are held in the shadows - all victims of what is the greatest human-rights challenge facing our generation.

Nauti Intentions - Lora Leigh 2011

Since he saw Janey Mackay taking a dip in her bikini, Major Alex Jansen has had to quell the fire she ignites in him. Even touching her would

mean death at the hands of the Mackay men. Until now, the girl of his dreams - and fantasies - has lived in a vacuum of affection, shying away from the danger she thinks men represent. Alex sets out to prove her wrong, with his tortuously slow caresses. With her abusers dead, Janey thinks she's safe, but when someone starts leaving spine-chilling notes, Alex won't rest until she's completely safe - and completely his.

Sinfully Sexy - Linda Francis Lee 2004-09-28

In this enchanting contemporary romance, sure to delight readers of Rachel Gibson and Susan Elizabeth Phillips, a close encounter of the sexy kind leads a plain Jane to discover her wild side. Chloe Sinclair has never been bad . . . until she stumbles—literally—into the arms of a gorgeous stranger. To make matters worse, the morning after, her world is rocked completely off its axis when the sensual dreamboat turns out to be the man brought in to save the TV station where she works. Sterling Prescott is hard-driven, gorgeous as hell, and determined to turn the struggling

KTEX into a success. But all bets are off when the shameless wildcat that disappeared on him last night walks back into his life—acting like a squeaky-clean librarian. Life gets truly complicated, however, when Sterling decides to win more than the station—and to show Chloe that being sexy isn't a sin. **BONUS:** This edition includes an excerpt from Linda Francis Lee's *Simply Sexy*.

Alpha's Temptation - Renee Rose 2021-04-08

MINE TO PROTECT. MINE TO PUNISH. MINE. I'm a lone wolf, and I like it that way. Banished from my birth pack after a bloodbath, I never wanted a mate. Then I meet Kylie. My temptation. We're trapped in an elevator together, and her panic almost makes her pass out in my arms. She's strong, but broken. And she's hiding something. My wolf wants to claim her. But she's human, and her delicate flesh won't survive a wolf's mark. I'm too dangerous. I should stay away. But when I discover she's the hacker who nearly took down my company, I

demand she submit to my punishment. And she will. Kylie belongs to me. Publisher's Note: Alpha's Temptation is a stand-alone book in the Bad Boy Alphas series. HEA guaranteed, no cheating.

Normal People - Sally Rooney 2019-04-16
 NOW AN EMMY-NOMINATED HULU ORIGINAL SERIES • NEW YORK TIMES BESTSELLER • "A stunning novel about the transformative power of relationships" (People) from the author of Conversations with Friends, "a master of the literary page-turner" (J. Courtney Sullivan). ONE OF THE TEN BEST NOVELS OF THE DECADE—Entertainment Weekly TEN BEST BOOKS OF THE YEAR—People, Slate, The New York Public Library, Harvard Crimson AND BEST BOOKS OF THE YEAR—The New York Times, The New York Times Book Review, O: The Oprah Magazine, Time, NPR, The Washington Post, Vogue, Esquire, Glamour, Elle, Marie Claire, Vox, The Paris Review, Good Housekeeping, Town & Country Connell and

Marianne grew up in the same small town, but the similarities end there. At school, Connell is popular and well liked, while Marianne is a loner. But when the two strike up a conversation—awkward but electrifying—something life changing begins. A year later, they're both studying at Trinity College in Dublin. Marianne has found her feet in a new social world while Connell hangs at the sidelines, shy and uncertain. Throughout their years at university, Marianne and Connell circle one another, straying toward other people and possibilities but always magnetically, irresistibly drawn back together. And as she veers into self-destruction and he begins to search for meaning elsewhere, each must confront how far they are willing to go to save the other. Normal People is the story of mutual fascination, friendship and love. It takes us from that first conversation to the years beyond, in the company of two people who try to stay apart but find that they can't. Praise for Normal People "[A] novel that
