Curves for Wolves - Zoey Thames 2018-11-28
A billionaire alpha, a lone-wolf cowboy, and the curvy chauffeur taking them for a wild ride...
Cindy Taylor, a chauffeur for Mirage Confidential, is racing a blizzard to pick up billionaire Dalton Kincaid. Dalton amuses

himself by extreme skiing down Rocky Mountain slopes, and if she's on time, he'll pay a generous bonus. A bonus she could really use this year. But the storm blows in faster than anyone expects, and her limo ends up careening off the road. She isn't hurt in the crash, but when a wolf shows up on her hood and changes into a very naked, very hot man who isn't Dalton, her night takes another unexpected turn. Cole Marsten is a werewolf, and he has no time for foolishness. Despite her protests, the sexy, rugged stranger insists on rescuing her from the powerful storm and carries her off to his cabin. She's busy giving him a piece of her mind for being manhandled when Dalton shows up at the cabin to help her...and sparks really begin to fly. Cole Marsten doesn't understand what's wrong with this stubborn, beautiful human. He lives out in the wilderness by himself to avoid pack politics and the noise of city living, but he's always willing to help a lady. Only his wolf is telling him this headstrong human is his mate. When an

alpha wolf shows up on his doorstep, looking to help Cindy too, he doesn't know whether he wants to fight the guy for her...or kiss him. His wolf insists the rich city slicker is also his mate. All three are trapped by the storm, and passions soon burn hotter than the fire in the hearth. But Cole certainly isn't beta, and he'll never submit to any arrogant alpha, no matter how handsome the guy might be. Billionaire Dalton Kincaid never expected problems when he jumped out of a helicopter to ski, but then a blizzard blew in and his ride never showed up. Nothing stops a determined alpha wolf, so he sets off for help. Instead of help, he finds more problems. The sight of the human chauffeur stirs all kinds of desires within him, driving his wolf wild. And it's hard to be jealous of Cole, the sexy werewolf who saved her from the storm, because Cole also turns out to be Dalton's mate, complicating things even further. But Cole is a fiercely independent wolf who wants nothing to do with a pack or submission to an alpha. And Cindy

might believe the night feels like magic, but she's afraid to trust...and afraid of being hurt. How is an alpha to convince his two mates that the three of them really do have a shot at happiness before that chance is lost forever? Reader note: contains mmf bisexual menage romance and hot romance elements, BBW and billionaires, lone-wolf cowboys, shifters, and male male love. A complete, stand-alone story with a happily ever after

Company for Three: MMF Menage Romance

- Zoey Thames 2019-07-29

Two billionaire rivals and the woman who stands between them... Cara Ross is the manager of a non-profit ranch specializing in horse rescues. When she attends a fancy New York fundraiser, she meets the sexy James Lebray and the

handsome Deacon Frost. Both men are interested in becoming donors, so Cara invites them to the ranch for a tour, and things only heat up from there. But Cara's self-doubt haunts her. She's not rich, not famous, and she certainly can't fit into any of those size-zero dresses that the New York models wear. So why would two scorching-hot billionaires be interested in a plus-sized girl more comfortable wearing jeans and rescuing horses? And why does she suddenly feel like a prize they're battling each other to win—and she's cheering for them both? Deacon Frost has been wildly successful since leaving the military and starting his company years ago. These days, the biggest thorn in his side is billionaire James Lebray, a competitor who's as driven to win as he is handsome. James Lebray is a man who smiles too much and looks too good doing it—and he's a problem. Not only is James locked in a bidding war with Deacon for a company they each want for very different reasons, but he's also moving in on the

fascinating Cara Ross. And Deacon isn't going to let her go without a fight. James always plays to win. Cara's a pretty puzzle that immediately fascinates him, but his biggest rival, Deacon Frost, is clearly interested in the curvy woman too. Normally, James would be confident in his chances to win Cara's heart, but he's always had a thing for Deacon. The man is drop-dead gorgeous, and that alpha military bearing of his has sparked many a fantasy. Clearly, the only thing a sane man can do is kiss the guy and see what happens. He intends to win both Cara and Deacon. But emotions run hot and competition runs deep, threatening any chance the three of them have at happiness. Can enemies truly become lovers? Cara might be the one who bound them together, but will she be the thing that forever drives them apart? Reader note: contains MMF menage, BBW and billionaires, hot romance elements, enemies to lovers, male male love, and a happily ever after

Over the past year, Travis Coleman lost the two people he allowed closest to his heart. Both gave him ultimatums—then left. Hell if he needs that kind of pain again. Time to move forward without the friends he thought might save him from his dangerous cravings. When Ashley Sims returns to Rocky Mountain House, her rambling lifestyle isn't all she's hoping to change. Ruth, a curvy, good-hearted Oklahoma girl, drives limos for Mirage Confidential, a company that specializes in chauffeuring wealthy paranormals around New York City. round between the attractive Brian and his equally hot MMA trainer, the sight of the two half-naked men has her imagination in erotic overdrive. And that was before she accidentally stumbles upon both men locked in passion in the back of the gym. She's going to need a miracle to survive this pair of clients, who already have her internal thermostat dangerously close to overheating... Brian might be one of the world's richest and most powerful werewolves, but that doesn't mean he's let it go to his head. In his downtime, he trains as a mixed martial artist with his best friend and fellow shifter, Dominic. Being bisexual, they enjoy each other's company in every way possible, but what they really enjoy is sharing a woman between them. And the sweet little BBW in the chauffeur uniform is already setting them both on fire. Trouble is, winning the trust of the fascinating human woman is trickier than either of them imagined. Both men agree, she's one worth fighting for, but are they ready for a no-nonsense, full-bodied

country girl with curves that have them ready to beg for mercy? Reader note: contains mmf bisexual menage, BBW and billionaires, male male love, and a happily ever after
Sugar Daddies - Jade West 2016-07-12

Two hot guys seeking their Little Miss Right. Someone who can entertain them, amuse them, fit in with their corporate schedule. And sex. They want sex. Lots of sex. Bonus, right? although we seldom recognize them. Our body expresses its unmet needs and calls for attention in many ways. And so it is with weight. This is a puzzling matter only because some pieces of the puzzle are not in the box you were handed. Your weight is not a body issue. Excess weight is really a multi-dimensional problem showing up as an oversized body. Popular media is still full of diet and exercise advice that is based on sacrifice and punishment. Too few books use this research to show how weight can be reduced in a happier and healthier way. The Body Nirvana is about gradually letting go of everything that literally and metaphorically weighs you down. It is time to rejoice in your body's vitality and its capacity to take you towards your life's goals!
