Excuse Me, My Brains Have Stepped Out - Pandora Poikilos 2011-04-12

The Game Changer - Franklin Veaux 2015-09

To make an open marriage work, Franklin and Celeste knew they needed to make sure no one ever came between them. That meant no overnights, no falling in love, and either one of them could ask the other to end an outside relationship if it became too much to deal with. It worked for nearly two decades--and their relentless focus on their own relationship let them turn a blind eye to the emotional wreckage they were leaving behind.

The Guyde - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. *The Guyde* is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of *The Guyde* deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face

that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

A Look Inside My Heart - Essence Hunter 2012-02-17

A Look Inside My Heart presents a collection of poetry offering a glimpse into one woman's perspective on many of life's vital experiences. It is a powerful and joyous volume of poetry inspired by everyday struggles regarding relationships, sex, family, and self-worth. Author Essence Hunter has been writing poetry since her teen years. Each poem in this collection is preceded by a quote that sets the tone for the poem to come. Every person has a voice, everyone has something to say, and there are many ways in which to express those emotions. With *A Look Inside My Heart*, Hunter offers others a glimpse of herself to enjoy, to empathize with, and to help them find their true voices—the voices of honesty and raw emotion. -- Forever we will be he said Forever till the end of time Who have thought he start pulling away from me Who have thought we start to lose our bind Sitting in silence every night As if we were running out of things to say Knowing it was time to let go Knowing he was slowly slipping away No more I love yous I guess he ran out Maybe I should have left a long time ago I guess I really didnt know how
