I Quit Sugar - Sarah Wilson 2014-01-30

'I lost weight and my skin changed, it cleared.

But when I quit the white stuff, I also started to

heal. I found wellness and the kind of energy

and sparkle I had as a kid. I don't believe in diets

or in making eating miserable. This plan and the

recipes are designed for lasting wellness.' Sarah

Wilson was a self-confessed sugar addict, eating

the equivalent of twenty-five teaspoons of sugar

every day, before making the link between her sugar consumption and a lifetime of mood disorders, fluctuating weight issues, sleep problems and thyroid disease. She knew she had to make a change. What started as an experiment soon became a way of life, then a campaign to alert others to the health dangers of sugar. I Quit Sugar uses Sarah's personal experience to help you: · beat the sugar habit with a tested eight week plan · overcome cravings via proven and easy tricks · find healthy sugar substitutes · cook sugar-free: over a hundred desserts, cakes, chocolate, kids' treats, snacks and easy detox meals 'Sarah's down-to-earth, practical approach makes the sugar-

Improving the Measurement of Late-Life Disability in Population Surveys - National Research Council 2009-11-29

Improving the Measurement of Late-Life Disability in Population Surveys summarizes a workshop organized to draw upon recent advances to improve the measurement of physical and cognitive disability in population surveys of the elderly population. The book questions whether or not the measures of activities of daily living and instrumental activities of daily living used in many population surveys are sufficient as the primary survey-based indicators of late-life disability. If not, should they be refined or should they be supplemented by other measures of disability in

surveys? If yes, in what ways should disability measures be changed or modified to produce population estimates of late-life disability and to monitor trends? The book also discusses what further research is needed to advance this effort.

Women in Buddhism - Diana Y. Paul
1985-04-23

"In seeking to explore the interrelationships between, and mutual influence of, varieties of sexual stereotypes and religious views of the Mahayana Buddhist tradition, Women in Buddhism succeeds in drawing our attention to matters of philosophical importance. Paul examines the 'image' of women which arise in a number of Buddhist texts associated with Mahayana and finds that, while ideally the tradition purports to be egalitarian, in actual practice it often betrayed a strong misogynist prejudice. Sanskrit and Chinese texts are organized by theme and type, progressing from those which treat the traditionally orthodox and negative to those which set forth a positive

Pool of Life - Kailāsha Jī Purī 2013

This life story of Kailash Puri, a Punjabi author and advice columnist, connects the narrative of her life to the history of Punjabi diaspora and themes in Sikh studies. Beginning with her memories of childhood in West Punjab, the work evokes the rural customs and religious practices consistent with recent scholarship on Punjabi religion rather than with the currently dominant Sikh discourse of a religion sharply distinguished from Hindu society. An arranged marriage at the age of 15 to scientist Gopal Puri brought Kailash ever-widening horizons as they moved from India to London. Through such life experiences, and with her husband's constant encouragement, Kailash gained the confidence to begin writing and publishing numerous stories and articles. As her name recognition

Straight from the Horse's Mouth - Meryem Alaoui 2020-09-15

Named a Best Book of the Year by the Los Angeles Public Library This hilarious, colorful portrait of a sex worker navigating life in modern Morocco introduces a promising new literary voice. Thirty-four-year-old prostitute Jmiaa reflects on the bustling world around her with a brutal honesty, but also a quick wit that cuts through the drudgery. Like many of the women in her working-class Casablanca neighborhood, Jmiaa struggles to earn enough money to support herself and her family—often

including the deadbeat husband who walked out on her and their young daughter. While she doesn't despair about her profession like her roommate, Halima, who reads the Quran between clients, she still has to maintain a delicate balance between her reality and the "respectable" one she paints for her own more conservative mother. This daily grind is interrupted by the arrival of an aspiring young director, Chadlia, whom Jmiaa takes to calling "Horse Mouth." Chadlia enlists Jmiaa's help on a film project, initially just to make sure the plot and dialogue are authentic. But when she's unable to find an actress who's right for the starring role, she turns again to Jmiaa, giving the latter an incredible opportunity for a better life. In her breakout debut novel, Meryem Alaoui creates a vibrant picture of the day-to-day challenges faced by working people in Casablanca, which they meet head-on with resourcefulness and resilience.
