*Changes* - Ama Ata Aidoo 2015-04-25

A Commonwealth Prize-winning novel of "intense power . . . examining the role of women in modern African society" by the acclaimed Ghanaian author (Publishers Weekly). Living in Ghana's capital city of Accra with a postgraduate degree and a career in data analysis, Esi Sekyi is a thoroughly modern African woman. Perhaps that is why she decides to divorce her husband after enduring yet another morning's marital rape. Though her friends and family are baffled by her decision (after all, he doesn't beat her!), Esi holds fast. When she falls in love with a married man—wealthy, and able to arrange a polygamous marriage—the modern woman finds herself trapped in a new set of problems. Witty and compelling, Aidoo's novel, according to Manthia Diawara, "inaugurates a new realist style in African literature." In an afterword to this edition, Tuzyline Jita Allan "places Aidoo's work in a historical context and helps introduce this remarkable writer [who] sheds light on women's problems around the globe" (Publishers Weekly).

*Relationship Greatest Quotes - Quick, Short, Medium Or Long Quotes. Find the Perfect Relationship Quotations for All Occasions - Spicing Up Letters, S* - Paisley Guerra 2016-02-08

This book is the outcome of an idea, and the idea is very simple. It is that the best way to understand the dramatic transformation any idea can bring and to successfully bring ideas across, is to think of them as profound insights and moments of clarity often disguised as wit, captured in one single Quote. Ideas and products and messages and behaviors spread faster when they carry your message in a single line or paragraph: a Quote. To feel the impact a Quote can have, here are three Relationship Quotes from this book: 'Love is never lost. If not reciprocated, it will flow back and soften and purify the heart. - Washington Irving' 'You can discover more about a person in an hour of play than in a year of conversation. - Plato' 'Yet, taught by time, my heart has learned to glow for other's good, and melt at other's woe. - Homer' Three characteristics-one, contagiousness; two, the fact that little words can have big effects; and three, that insight happens not gradually but at one dramatic moment, using the right profound words-are the same three principles that define how an idea takes off, or a product goes viral. Of the three, the third, profound, trait... is the most important, because it is the principle that makes sense of the first two and that permits the greatest insight into why some ideas stick, some changes last, some words leave an impression, and others don't. This book will give you the opportunity to find that right Quote that can change it all.

**All About Love** - bell hooks 2018-01-30

A New York Times bestseller and enduring classic, All About Love is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. All About Love reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in All About Love. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The Utne Reader declared bell hooks one of the "100 Visionaries Who Can Change Your Life." All About Love is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

**The Will to Change** - bell hooks 2004-01-06

From the New York Times bestselling author of All About Love, a brave and astonishing work that challenges patriarchal culture and encourages men to reclaim the best part of themselves. Everyone needs to love and be loved—even men. But to know love, men must be able to look at the ways that patriarchal culture keeps them from knowing themselves, from being in touch with their feelings, from loving. In The Will to Change, bell hooks gets to the heart of the matter and shows men how to express the emotions that are a fundamental part of who they are—whatever their age, marital status, ethnicity, or sexual orientation. But toxic masculinity punishes those fundamental emotions, and it's so deeply ingrained in our society that it's hard for men to not comply—but hooks wants to help change that. With trademark candor and fierce intelligence, hooks addresses the most common concerns of men, such as fear of intimacy and loss of their

patriarchal place in society, in new and challenging ways. She believes men can find the way to spiritual unity by getting back in touch with the emotionally open part of themselves—and lay claim to the rich and rewarding inner lives that have historically been the exclusive province of women.

120 Inspirational Quotes on Love - K. Klooper 2018-06-23

"I challenge you to try to read no more than just one of these quotes a day. It is impossible!" K. Klooper,

creator of [www.Quotes.how](http://www.Quotes.how) presents an amazing set of heartwarming love quotes in "120 Inspirational Love Quotes" . He has limited this book to 120 of some of the most inspirational and transformational love quotes available. The book prioritizes quotes that are informational, actionable, and easy to remember. A quote you do not remember is of little benefit, and so is a quote that is not actionable. A few powerful quotes are all you need to start seeing tangible changes in your life. The book contains great inspirational quotes for women as well as for men. Almost all of the quotes are positive quotes, several are funny quotes and a handful qualify as both love and life quotes. Love is the greatest force in our universe. The human heart is the instrument by which we harness the power of love. The motivational quotes in this book will open your heart and increase its capacity for love. The book will cause you to pause and ponder long-held assumptions that are inherently selfish and self-serving. It will challenge your views on love and improve all your love relationships both at home and at work. "Love is patient, love is kind. It does not envy, it does not boast, it is not proud. It does not dishonor others, it is not self-seeking, it is not easily angered, it keeps no record of wrongs. Love does not delight in evil but rejoices with the truth. It always protects, always trusts, always hopes, always perseveres." -- Paul (Saul of Tarsus) "Love comes when manipulation stops, when you think more about the other person than about his or her reactions to you. When you dare to reveal yourself fully. When you dare to be vulnerable."-- Joyce Brothers "A strong man doesn't have to be dominant toward a woman. He doesn't match his strength against a woman weak with love for him. He matches it against the world."-- Marilyn Monroe
