

# Reading Body Language

## Janine Driver Summary

Honest Answers - Lena Sisco  
2022-11-15

**BECOME A MASTER AT NEGOTIATION AND COMMUNICATION** Never go into an important conversation feeling unheard, unprepared, or uninformed again—apply the proven SISCO method for communication to become a master negotiator, trusted interviewer, and engaging conversationalist. No matter the conversation, detecting honesty and persuading others to be honest are some of the most valuable skills you can learn. With these skills, you can master your daily conversations and interactions with others. The Strategic Interviewing Skills and Competencies (SISCO) Method will help you see the full picture, have all the facts, and make effective decisions.

Former Navy interrogator, Lena Sisco, created this method during challenging investigative and information-gathering interviews. Her 5-step program focuses human-to-human interaction. When you can gain someone's trust you can get truth in any scenario. She teaches readers how to validate their gut feeling when they think someone is lying, unassumingly control a conversation, and persuade others to be honest. These skills are not only applicable in an interrogation room, but they can be relevant in everyday life. In this book, you will learn how to: Apply the strategic interviewing skills behind the SISCO method to your everyday life to discover the information and the honest answers you need. Create an environment of trust that will

facilitate the fact finding necessary to be more effective at your job while encouraging others to be more accountable. Control the signals you may or may not be inadvertently sending to others. Know the right words to say during a disagreement in order to de-escalate conflict, gain respect, and create a win-win situation. Not only does she teach you techniques and methods to negotiate and interview with confidence, she shares the neuroscience behind why they are effective. You will be able to interpret patterns of behavior and influence positive behaviors in others, as well as enhancing the effectiveness of your communication practices; both verbal and nonverbal.

5 Chairs 5 Choices - Louise Evans 2020-05-08

This book is a call to action. We spend about eighty percent of our day at work, the rest is at home. If we have a bad day at work we are likely to take that negativity home with us and vice versa. It is of paramount importance that we create healthy environments in the

spaces that most affect our lives by giving of our best and receiving the like in return. The 5 Chairs is a powerful and systematic method which helps us master our own behaviours and manage the behaviours of others. To be a good leader is to contribute to the success and happiness of everyone, at work and at home, on a conscious level. The 5 Chairs offer 5 Choices. Which will you choose?"One of the most practical books on emotional intelligence that I have ever read."Richard Barrett, Chairman and Founder of the Barrett Values Centre."Louise's work is for people with the intelligence and humility to believe that in life one can always improve, one can try to understand before judging and one can listen to other people's convictions no matter how diverse. In an increasingly multicultural, globalised world where managing diversity is key to success, Louise's guidelines should be a moral obligation."Franco Moschetti CEO, Axel Global Business, previously CEO of Amplifon

Ltd"The 5 Chair experience is powerful. After reading the book you feel more equipped, excited even, to manage your daily behaviours and conversations in a completely new way, both at work and at home. It's a real game changer."David Trickey CEO at TCO International and Partner at Viral Change TM"Louise's groundbreaking book is for anyone who is interested in bringing more empathy, emotional intelligence and consciousness into their career (and into their daily life). The examples in this insightful book are practical and easy to integrate, and it's a must-read for anyone who wants to be an inspiring and more effective Leader."Ellen Looyen, Bestselling Author, "Branded for Life!"

Human Lie Detection and Body Language 101 - Vanessa Van Edwards 2013-02-12

"Do you want to know when someone is lying to you? In this book, you will learn both body language and lie detection. In a ten minute conversation you are likely to be lied to two to

three times. Learn how to spot those lies. If you have ever interacted with another person, this book will be useful to you because our everyday interactions are filled with secret nonverbal cues just waiting to be uncovered. Whether you are a business owner, parent, spouse, employee, human resources director, teacher or student, this book will change the way you interact with those around you"--Amazon.com.

*You Say More Than You Think* - Janine Driver 2011-01-04

Now You're Talking! Do you want to be bulletproof at work, secure in your relationship, and content in your own skin? If so, it's more important than ever to be aware of what your body is saying to the outside world. Unfortunately, most of what you've heard from other body language experts is wrong, and, as a result, your actions may be hurting, not helping, you. With sass and a keen eye, media favorite Janine Driver teaches you the skills she used every day to stay alive during her fifteen years as a body-

language expert at the ATF. Janine's 7-day plan and her 7-second solutions teach you dozens of body language fixes to turn any interpersonal situation to your advantage. She reveals methods here that other experts refuse to share with the public, and she debunks major myths other experts swear are fact: Giving more eye contact is key when you're trying to impress someone. Not necessarily true. It's actually more important where you point your belly button. This small body shift communicates true interest more powerfully than constant eye contact. The "steeple" hand gesture will give you the upper hand during negotiations and business meetings. Wrong. Driver has seen this overbearing gesture backfire more often than not. Instead, she suggests two new steeples that give you power without making you seem overly aggressive: the Basketball Steeple and the A-OK Two-Fingered Steeple. Happy people command power and attention by smiling just before

they meet new people. Studies have shown that people who do this are viewed as Beta Leaders. Alpha leaders smile once they shake your hand and hear your name. At a time when every advantage counts—and first impressions matter more than ever—this is the book to help you really get your message across.

*Girls Are Coming Out of the Woods* - Tishani Doshi 2018  
*Girls Are Coming Out of the Woods* is Tishani Doshi's third collection, following two earlier, highly praised collections, *Everything Belongs Elsewhere*, published by Bloodaxe in 2012, and her debut, *Countries of the Body*, winner of the Forward Prize for best first collection. Poetry Book Society Recommendation shortlisted for the Ted Hughes Prize.

*Truth and Lies* - Mark Bowden  
2018-02-06

National bestseller A fresh, insightful guide to reading body language in the post-digital age Whether you're at a job interview or a cocktail party, searching LinkedIn or

swiping right on a dating site, you want (no—need) to understand what people are really thinking, regardless of what they're saying. Understanding what others are trying to tell you with their posture, hand gestures, eye contact (or lack thereof) or incessant fiddling with their iPhone might all be even more important than what you're projecting yourself. Do they plan on making a deal with your company? Are they lying to you? Can you trust this person with your most intimate secrets? Knowing what others are thinking can tell you when to run with an opportunity and when not to waste your time, whether at work, in a crucial negotiation or on a promising first date. Bestselling authors Mark Bowden and Tracey Thomson, principals at the communications company Truthplane, illustrate the essential points of body language with examples from everyday life, leavened with humour and insights that you can use to your advantage in virtually any situation.

*You Can't Lie to Me* - Janine Driver 2012-08-28

Janine Driver was trained as a lie detection expert for the ATF, FBI, and the CIA and is a New York Times bestselling author (*You Say More Than You Think*). Now she makes a powerful and incontrovertible declaration: *You Can't Lie to Me*. Driver—who is known in professional circles as “the Lyin’ Tamer” and has demonstrated her world-renowned expertise on such programs as *The Today Show*, *The Dr. Oz Show*, and *Nancy Grace*—now offers readers essential tools that will enable them to detect deceptions, recognize a liar, and ultimately improve their lives. For readers of *Never Be Lied to Again* by David Lieberman and anyone worried about the possibility of cheating partners, devious co-workers, lying employees, or ubiquitous con men, *You Can't Lie to Me* will help you uncover the truth in any situation while giving you the skills you need to keep yourself happy, your family safe, and your business protected.

When God Talks Back - T.M.

Luhrmann 2012-03-27

How does God become and remain real for modern evangelicals? How are rational, sensible people of faith able to experience the presence of a powerful yet invisible being and sustain that belief in an environment of overwhelming skepticism? T. M. Luhrmann, an anthropologist trained in psychology and the acclaimed author of *Of Two Minds*, explores the extraordinary process that leads some believers to a place where God is profoundly real and his voice can be heard amid the clutter of everyday thoughts. While attending services and various small group meetings at her local branch of the Vineyard, an evangelical church with hundreds of congregations across the country, Luhrmann sought to understand how some members were able to communicate with God, not just through one-sided prayers but with discernable feedback. Some saw visions, while others claimed to hear the voice of God himself. For these

congregants and many other Christians, God was intensely alive. After holding a series of honest, personal interviews with Vineyard members who claimed to have had isolated or ongoing supernatural experiences with God, Luhrmann hypothesized that the practice of prayer could train a person to hear God's voice—to use one's mind differently and focus on God's voice until it became clear. A subsequent experiment conducted between people who were and weren't practiced in prayer further illuminated her conclusion. For those who have trained themselves to concentrate on their inner experiences, God is experienced in the brain as an actual social relationship: his voice was identified, and that identification was trusted and regarded as real and interactive. Astute, deeply intelligent, and sensitive, *When God Talks Back* is a remarkable approach to the intersection of religion, psychology, and science, and the effect it has on the daily practices of the

faithful.

**Liespotting** - Pamela Meyer

2010-07-20

GET TO THE TRUTH People--friends, family members, work colleagues, salespeople--lie to us all the time. Daily, hourly, constantly. None of us is immune, and all of us are victims. According to studies by several different researchers, most of us encounter nearly 200 lies a day. Now there's something we can do about it. Pamela Meyer's Liespotting links three disciplines--facial recognition training, interrogation training, and a comprehensive survey of research in the field--into a specialized body of information developed specifically to help business leaders detect deception and get the information they need to successfully conduct their most important interactions and transactions. Some of the nation's leading business executives have learned to use these methods to root out lies in high stakes situations. Liespotting for the first time brings years of knowledge--

previously found only in the intelligence community, police training academies, and universities--into the corporate boardroom, the manager's meeting, the job interview, the legal proceeding, and the deal negotiation. WHAT'S IN THE BOOK? Learn communication secrets previously known only to a handful of scientists, interrogators and intelligence specialists. Liespotting reveals what's hiding in plain sight in every business meeting, job interview and negotiation: - The single most dangerous facial expression to watch out for in business & personal relationships - 10 questions that get people to tell you anything - A simple 5-step method for spotting and stopping the lies told in nearly every high-stakes business negotiation and interview - Dozens of postures and facial expressions that should instantly put you on Red Alert for deception - The telltale phrases and verbal responses that separate truthful stories from deceitful ones - How to create a circle of advisers who

will guarantee your success

**This Lie Will Kill You -**

Chelsea Pitcher 2019-12-10

“Will keep readers on edge from start to finish.” —Kirkus Reviews Tell the truth. Or face the consequences. Clue meets Riverdale in this page-turning thriller that exposes the lies five teens tell about a deadly night one year ago. One year ago, there was a party. At the party, someone died. Five teens each played a part and up until now, no one has told the truth. But tonight, the five survivors arrive at an isolated mansion in the hills, expecting to compete in a contest with a \$50,000 grand prize. Of course...some things are too good to be true. Now, they realize they’ve been lured together by a person bent on revenge, a person who will stop at nothing to uncover what actually happened on that deadly night, one year ago. Five arrived, but not all can leave. Will the truth set them free? Or will their lies destroy them all?

*Black Box Thinking* - Matthew Syed 2016-04-07

What links the Mercedes

Formula One team with Google? What links Dave Braisford's Team Sky and the aviation industry? What is the connection between the inventor James Dyson and the footballer David Beckham? They are all Black Box Thinkers. Whether developing a new product, honing a core skill or just trying to get a critical decision right, Black Box Thinkers aren't afraid to face up to mistakes. In fact, they see failure as the very best way to learn. Rather than denying their mistakes, blaming others or attempting to spin their way out of trouble, these institutions and individuals interrogate errors as part of their future strategy for success. How many of us, hand on heart, can say that we have such a healthy relationship with failure? Learning from failure has the status of a cliché, but this book reveals the astonishing story behind the most powerful method of learning known to mankind, and reveals the arsenal of techniques wielded by some of the world's most

innovative organizations. Their lessons can be applied across every field - from sport to education, from business to health. Using gripping case studies, exclusive interviews and really practical takeaways, Matthew Syed - the award-winning journalist and best-selling author of *Bounce* - explains how to turn failure into success, and shows us how we can all become better Black Box Thinkers.

*Good Girls Die First* - Kathryn Foxfield 2020-07-02

Welcome to the most gripping thriller of the year: hugely entertaining, high-octane and read-in-a-single-sitting. Mind games. Murder. Mayhem. How far would you go to survive the night? Blackmail lures sixteen-year-old Ava to the derelict carnival on Portgrave Pier. She is one of ten teenagers, all with secrets they intend to protect whatever the cost. When fog and magic swallow the pier, the group find themselves cut off from the real world and from their morals. As the teenagers turn on each other, Ava will have to face up to the

secret that brought her to the pier and decide how far she's willing to go to survive. For fans of Karen McManus' *One of Us is Lying*, Agatha Christie's *And Then There Were None* and films like *I Know What You Did Last Summer*.

**TED TALKS: The Official TED Guide to Public Speaking** - Chris J. Anderson 2017-05-09

From the head of TED and based on expertise drawn from the best TED Talks, an entertaining and practical guide to speaking, pitching and telling stories, filled with valuable insight for salespeople, leaders, teachers and writers. Amid today's proliferating instant-communication channels, one form has emerged as the most effective way to communicate—a brief, polished, live-audience video talk. Since taking over TED in the early 2000s, Chris Anderson has tapped the world's most brilliant minds to share their expertise on myriad subjects. Anderson discovered early on that the keys to

getting an audience to sit up and pay attention are to condense a presentation into 18 minutes or less and to heighten its impact with a powerful narrative: in other words, to tell a terrific story. TED Talks is chock full of personal presentation suggestions from such TED notables as Sir Ken Robinson, Mary Roach, Amy Cuddy, Bill Gates, Elizabeth Gilbert, Dan Gilbert, Matt Ridley and dozens more—everything from how to focus your speech's content to what you should wear onstage. This is a lively, fun read with great practical value, from the man who knows what goes into a great speech. In TED Talks, Anderson pulls back the TED curtain for anyone who wants to learn from the world's best on how to prepare a top-notch presentation.

**Be Exceptional: Master the Five Traits that Set Extraordinary People Apart -**

Joe Navarro 2021-07-08

From internationally bestselling author and retired FBI agent Joe Navarro, a ground-breaking look at the

five powerful principles that set exceptional individuals apart

**Summary of Janine Driver & Mariska van Aalst's You Say More Than You Think -**

Everest Media,  
2022-04-04T22:59:00Z

Please note: This is a companion version & not the original book. Sample Book Insights: #1 The investigator brought in J. J. Newberry, Truth Wizard, to analyze the young woman's interview. He asked her if she'd sensed a pending fear of danger when she saw her cousin at the hamburger stand. She confidently replied that she hadn't. #2 The New Body Language is a process that allows you to get to the truth of any situation, stay in control of any situation, and influence people to do what you'd like them to do. You will not memorize a series of positions and gestures. #3 The insert signal A into situation B approach is not effective. Every body language rule has exceptions. You must learn to interpret and execute body

language signals smoothly and naturally, without any awkward robotics. #4 The Old Body Language model is based on the idea that certain nonverbal signals mean what we want them to mean. However, this is not always the case. Nonverbal communication does not mean what we want it to mean. It is defined by how others perceive it and then react to it.

*The Power of Body Language* -

Tonya Reiman 2008-03-01

Nationally renowned body language expert Tonya Reiman illuminates what until now has been a gray area in interpersonal communication: harnessing the power of your nonverbal cues to get what you want out of every aspect of life, from professional encounters to personal relationships.

Unlike other books on this fascinating topic, *The Power of Body Language* is your practical, personal playbook for getting what you desire from others -- and zoning in on what others are saying to you without words. Once you know the hidden meaning behind specific gestures, facial cues,

stances, and body movements, you will possess a sixth sense that can be a life-changing, career-saving, trouble-shooting skill you will never leave home without! Learn how to: Take control of your own secret signals Gain trust -- and detect untrustworthiness Ace a job interview Shake hands (the right way) Make a dazzling first impression Exude confidence -- even when you're not feeling it Recognize if someone is lying Understand why men and women "speak" a different language Read a face to know a person's inner emotional state...and much more. In an insightful and engaging narrative, Tonya Reiman analyzes all of the components of body language - the languages of the face, the body, space and touch, and sound. She shows you how to become a Master Communicator with The Reiman Rapport Method, a surefire system for building an instant connection with anyone, in any situation. And she shares the experiences of her clients, from executives to

politicians to relationship seekers: Learn from Cindy, a confident and ambitious manager who turned her career around by altering the subconscious messages she was sending her male colleagues...and Peter, the wedding DJ whose client list blossomed as soon as he practiced the art of social smiling! Peppered with photos and fun facts, *The Power of Body Language* is as entertaining as it is instructive. Get the power to send and receive the messages you want -- and never be left in the dark again.

**Beauty Sick** - Renee Engeln, PhD 2017-04-18  
"[Beauty Sick] will blow the top off the body image movement...provocative and necessary." — *Rebellious Magazine*  
An award-winning psychology professor reveals how the cultural obsession with women's appearance is an epidemic that harms women's ability to get ahead and to live happy, meaningful lives, in this powerful, eye-opening work in the vein of Peggy Orenstein

and Sheryl Sandberg. Today's young women face a bewildering set of contradictions when it comes to beauty. They don't want to be Barbie dolls but, like generations of women before them, are told they must look like them. They're angry about the media's treatment of women but hungrily consume the outlets that belittle them. They mock modern culture's absurd beauty ideal and make videos exposing Photoshopping tricks, but feel pressured to emulate the same images they criticize by posing with a "skinny arm." They understand that what they see isn't real but still download apps to airbrush their selfies. Yet these same young women are fierce fighters for the issues they care about. They are ready to fight back against their beauty-sick culture and create a different world for themselves, but they need a way forward. In *Beauty Sick*, Dr. Renee Engeln, whose TEDx talk on beauty sickness has received more than 250,000 views, reveals the shocking consequences of our

obsession with girls' appearance on their emotional and physical health and their wallets and ambitions, including depression, eating disorders, disruptions in cognitive processing, and lost money and time. Combining scientific studies with the voices of real women of all ages, she makes clear that to truly fulfill their potential, we must break free from cultural forces that feed destructive desires, attitudes, and words—from fat-shaming to denigrating commentary about other women. She provides inspiration and workable solutions to help girls and women overcome negative attitudes and embrace their whole selves, to transform their lives, claim the futures they deserve, and, ultimately, change their world.

**Unmasking the Face** - Paul Ekman 2003

Can you tell when someone who is actually afraid is trying to look angry? Can you tell when someone is feigning surprise? With the help of *Unmasking the Face*, you will

be able to improve your recognition of the facial clues to emotion, increase your ability to detect "facial deceit," and develop a keener awareness of the way your own face reflects your emotions. Using scores of photographs of faces that reflect the emotions of surprise, fear, disgust, anger, happiness, and sadness, the

*The Silent Language of Leaders* - Carol Kinsey Goman, Ph.D. 2011-04-19

A guide for using body language to lead more effectively. Aspiring and seasoned leaders have been trained to manage their leadership communication in many important ways. And yet, all their efforts to communicate effectively can be derailed by even the smallest nonverbal gestures such as the way they sit in a business meeting, or stand at the podium at a speaking engagement. In *The Silent Language of Leaders*, Goman explains that personal space, physical gestures, posture, facial expressions, and eye contact communicate

louder than words and, thus, can be used strategically to help leaders manage, motivate, lead global teams, and communicate clearly in the digital age. Draws on compelling psychological and neuroscience research to show leaders how to adjust their body language for maximum effect. Stands out as the only book to address specifically how leaders can use body language to increase their effectiveness Goman, a respected management coach, is widely considered as the expert in body language issues in the workplace The Silent Language of Leaders will show readers how to take advantage of the most underused skills in the leadership toolkit—nonverbal skills—to improve their credibility and stay ahead of the curve. Summary of Janine Driver's You Can't Lie to Me - Everest Media, 2022-05-19T22:59:00Z Please note: This is a

companion version & not the original book. Sample Book Insights: #1 Lying is a major contributor to drama and heartache in relationships. But when you start to see the truth, you'll instinctively surround yourself with more genuine, authentic, and honest people. #2 Lying is a way to protect others' feelings, but it can also be used to protect your own. People in power are able to lie without ever getting caught, because they enjoy the positive effects that come with power. #3 Power appears to give its owners a physical and cognitive high that completely blunts and disguises any negative effects of lying. Lie, get away with it, get what you want, and don't feel a thing. #4 Lying, cheating, and manipulating are not the sole purview of the powerful. Desperate times call for desperate measures, and for many, these are quite desperate times.
