The Monarch's Mate - Miranda Bridges 2019-11-11

My life sucks. All the other human breeders have males who are head over heels for them, but do I get that? Nope. Not even close. My alien is the future king of the Dravian race and believe me, he acts like a royal jerk. Yeah, sure, he's hot as hell, but that is not the point. Anyway, I'm still trying to figure out how to get him to do what I want when I stumble onto plans for an assassination. I decide to get involved because if anyone is going to kill the sexy prince it's going to be me. Especially if he calls me his "namori" one more time. Whatever that means. So now I'm trying to keep us alive, but he's making everything difficult with his kisses and his... well let's just say I better keep my mind focused and my legs, er... mouth closed. 1001 Dark Nights: Bundle Twenty-Nine - Shayla Black 2020-12-08  
From New York Times and USA Today bestselling authors Shayla Black, Jennifer Probst, Kristen Proby, and Gena Showalter. Four Dark Tales. Four Sensual Stories. Four Page Turners. More Than Pleasure You by Shayla Black I'm Stephen Lund, confirmed bachelor...and son of a successful billionaire whose sins I can't forget—or forgive. Though he insisted I get over his transgressions, I can't. So I put space between us with a temporary getaway to Maui. My rental's sexy caretaker, Skye Ingram, is a beautiful distraction. When Skye needs a date to her ex-boyfriend's wedding, I'm game to play her pretend fiancé. But our pretend engagement begins to feel real. Our passion certainly is. So are the consequences. When I'm confronted with the reality that our lives are now irrevocably entwined, I have to choose between leaving Skye to return to the life I've always known or abandoning everything familiar to start over with the woman who awakened my heart. Something Just Like This by Jennifer Probst Jonathan Lake is the beloved NYC mayor who's making a run for governor. His widowed status and close relationship with his daughter casts him as the darling of the press, and the candidate to beat, but behind the flash of the cameras, things are spinning out of control. It all has to do with his strait laced, ruthlessly organized assistant, Alyssa Block. Her skills and reserved demeanor are perfect to run his campaign, but her brilliant brain has become a temptation he's been fighting for too long. Can he convince her to take a chance on a long-term campaign for love or will his efforts end up in scandal? Wonder With Me by Kristen Proby Reed Taylor doesn't pay much attention to the holidays—until he receives a surprise present. Four-year-old Piper is the daughter he never knew about, and with the death of her mother, is also now the roommate he never expected. He's determined to make their first Christmas together one she'll never forget. Noel Thompson has

gotten her share of strange requests in her career as an interior designer. The call to design a beautiful home for Christmas is more like a dream come true. And that was before she met her new employer—sexy and mysterious, he's everything she ever hoped Santa would bring her. The Darkest Assassin by Gena Showalter Fox is a demon-possessed immortal with many talents. Now, the keeper of Distrust has been marked for death, a winged assassin with rainbow-colored eyes tracking her every move, determined to avenge the males she accidentally decimated. If only she could control the desire to rip off his clothes... Bjorn is a fierce warrior with many complications. Never has he hesitated to exterminate an evil being. Until now. The sharp-tongued female with a shockingly vulnerable heart tempts him in ways no one else ever has, threatening his iron control. But, as Fate itself seems to conspire against the unlikely pair, both old and new enemies emerge. And Fox and Bjorn must fight to survive. And learn to love... \*\*Every 1001 Dark Nights novella is a standalone story. For new readers, it's an introduction to an author's world. And for fans, it's a bonus book in the author's series. We hope you'll enjoy each one as much as we do.\*\*

With Delta's focus on the road out of town, Calder scrambles to discover what, if anything, could make her stay. He's willing to use all means of pleasure at his disposal to convince his mate that Folk Haven is the perfect place to call home. Especially if you're a mythical creature. This guy could offer me the moon, and I'd hand it right back. Never in a million years did I expect to run into the biggest crush of my childhood. But, of course, I have. And I'm reporting to him at the new company I landed a big-time job at. Arrogant. Hot as hell. Total jackass. Why he's still single is no mystery to me. He's not willing to settle down. He's always been that way, and as far as I'm concerned, he always will be. But, boy, is he beautiful to look at. Every part of me screams "run" as my insides turn to mush. No. Not me too... Not again. I should be immune by now. I know him far too well to fall into this hopeless pit of adoration again. But maybe there's a way around it. It's his power that drives me over the edge of insanity. If I were the boss instead of him, I'd hold all the cards. Good thing I'm always up for a challenge. Funnily enough, this guy thinks he's going to score. He might have to redefine what getting lucky looks like after me. At least, that's the plan. This is book 3 of a 3 book series. HEA Guaranteed.

*Charmed by the Alien Playboy* - Skyla Stone

Ambrose is the last man—or alien—in the galaxy I could ever want. But sometimes fate has other ideas. My match with Jace Kairos might not have been a successful one, but that doesn't mean I want him dead. When I find out that he's still alive and potentially as stranded as I am, I devote myself to the one task I could still succeed at—finding him and bringing him back to safety. Unfortunately, when I cross paths with his best friend Ambrose Drake, he refuses to be left behind as I continue my search. **First Love** - Hazel Kelly 2016-10-16

They say you'll never forget your first love, and that's definitely true in my case. I think that's because he was my first everything. My first crush, my first kiss, my first... home run. Unfortunately, the only predictable thing about our relationship was that we never seemed to have enough time together. On the one hand, that was a blessing. It meant I never had to deal with the pain of watching the spark between us fizzle as we grew up and grew apart. Then again, maybe it wouldn't have. Maybe it would've ignited further and turned into something... more. Not that it mattered. The past was the past, and I needed to put my teenage

daydreams behind me. After all, so many years had gone by since I'd seen my perfect summer crush that he'd become nothing but a string of scattered, faded flashbacks that seemed too good to be true and too old to keep on such a dusty pedestal. Of course, as soon as I was ready to forgive and forget, he walked back into my life out of the blue—sexier, bolder, and more unattainable than ever. If only I knew whether he planned to stay.
