

# Sex Education Cast Father

## **The Daddy Shift** - Jeremy Adam Smith 2009

A revealing look at stay-at-home fatherhood—for men, their families, and for American society. It's a growing phenomenon among American families: fathers who cut back on paid work to focus on raising children. But what happens when dads stay home? What do stay-at-home fathers struggle with—and what do they rejoice in? How does taking up the mother's traditional role affect a father's relationship with his partner, children, and extended family? And what does stay-at-home fatherhood mean for the larger society? In chapters that alternate between large-scale analysis and intimate portraits of men and their families, journalist Jeremy Adam Smith traces the complications, myths, psychology, sociology, and history of a new set of social relationships with far-reaching implications. As the American economy faces its greatest crisis since the Great Depression, Smith reveals that many mothers today have the ability to support families and fathers are no longer narrowly defined by their ability to make money—they have the capacity to be caregivers as well. The result, Smith argues, is a startling evolutionary advance in the American family, one that will help families better survive the twenty-first century. As Smith explains, stay-at-home dads represent a logical culmination of fifty years of family change, from a time when the idea of men caring for children was literally inconceivable, to a new era when at-home dads are a small but growing part of the landscape. Their numbers and cultural importance will continue to rise—and Smith argues that they must rise, as the unstable, global, creative, technological economy makes flexible gender roles both more possible and more desirable. But the stories of real people form the heart of this book: couples from every part of the country and every walk of life. They range from working class to affluent, and they are black, white, Asian, and Latino. We meet Chien, who came to Kansas City as a refugee from the Vietnam War and today takes care of a growing family; Kent, a midwestern dad who nursed his son through life-threatening disabilities (and Kent's wife, Misun, who has never doubted for a moment that breadwinning is the best thing she can do for her family); Ta-Nehisi, a writer in Harlem who sees involved fatherhood as "the ultimate service to black people"; Michael, a gay stay-at-home dad in Oakland who enjoys a profoundly loving and egalitarian partnership with his husband and many others. Through their stories, we discover that as America has evolved and diversified, so has fatherhood.

*Soul on the Street* - William Roache 2008-10-01

William Roache has been an actor on Britain's best-loved soap opera, *Coronation Street*, for over 50 years - making him the world's longest-serving soap star. As a young actor William auditioned for a TV drama that was likely to be running for only a few weeks. Now, almost 50 years later, he is the only original cast member and the soap's success has established him as a household name. Over the course of that time, William's character Ken Barlow has been married four times, twice to Deirdre, and had a series of tumultuous affairs. This gripping autobiography will appeal to fans of 'The Street' and is an exciting insight into the spiritual influences that have shaped this much-loved actor. It will make inspiring reading for anyone interested in personal development.

## Holistic Approaches to Brand Culture and Communication Across Industries - Dasgupta, Sabyasachi 2017-12-15

The world of brands is undergoing a sea of change in the domain of consumer culture and it has become a challenge to cater to the minds of audiences. As such, effective branding has moved from being product- and service-oriented to organizational- and social movement-oriented. *Holistic Approaches to Brand Culture and Communication Across Industries* is a pivotal reference source for the latest research findings on the use of theoretical and applied frameworks of brand awareness and culture. Featuring extensive coverage on relevant areas such as consumer behavior, observational research, and brand equity, this publication is an ideal resource for professionals, researchers, academics, students, managers, and practitioners actively involved in the marketing industry.

**Amendments to the Economic Opportunity Act of 1964** - United States. Congress. Senate. Committee on Labor and Public Welfare. Subcommittee on Employment, Manpower, and Poverty 1966  
Considers. S. 3164, to amend the Equal Opportunity Act to increase authorizations, tighten community action program grant criteria,

improve agency management program control, and encourage volunteer service in War on Poverty programs. S. 2908, to extend prohibition of political activities by community action agency and VISTA employees and volunteers. S. 3139, to amend the Equal Opportunity Act to reorganize community action programs under HUD, establish community action citizens advisory boards, and prohibit political activities by program workers.

**Father Power** - Henry B. Biller 1975

## **Founding the Fathers** - Elizabeth A. Clark 2011-04-12

Through their teaching of early Christian history and theology, Elizabeth A. Clark contends, Princeton Theological Seminary, Harvard Divinity School, Yale Divinity School, and Union Theological Seminary functioned as America's closest equivalents to graduate schools in the humanities during the nineteenth century. These four Protestant institutions, founded to train clergy, later became the cradles for the nonsectarian study of religion at secular colleges and universities. Clark, one of the world's most eminent scholars of early Christianity, explores this development in *Founding the Fathers: Early Church History and Protestant Professors in Nineteenth-Century America*. Based on voluminous archival materials, the book charts how American theologians traveled to Europe to study in Germany and confronted intellectual currents that were invigorating but potentially threatening to their faith. The Union and Yale professors in particular struggled to tame German biblical and philosophical criticism to fit American evangelical convictions. German models that encouraged a positive view of early and medieval Christianity collided with Protestant assumptions that the church had declined grievously between the Apostolic and Reformation eras. Trying to reconcile these views, the Americans came to offer some counterbalance to traditional Protestant hostility both to contemporary Roman Catholicism and to those historical periods that had been perceived as Catholic, especially the patristic era.

## **The Encyclopedia of LGBTQIA+ Portrayals in American Film** -

Erica Joan Dymond 2022-10-15

"This fascinating reference explores the depiction of the LGBTQIA+ community in over 200 works from the past fifty years of American film history. It will not only educate and inform, but also help guide readers to see injustice more clearly and to inspire art that is both inclusive and thoughtful"--

[Readings on Teenagers and Sex Education](#) - 2004

## Notes From a Wayfarer - Helmut Thielicke 2016-12-31

Helmut Thielicke was one of the most read and most listened to theologians of the twentieth century. Like few others, he repeatedly came down from the ivory tower of academic religion in order to build bridges between the church and the world. In his autobiography, written in 1983, Thielicke sets forth his memoirs from a long and full life. His narrative is filled with deeply thoughtful reflections about the poignancy of life, told with a delightful humour that invites us into every story and encounter. Thielicke also introduces us to the figures he counted among his friends and acquaintances: Karl Barth, Konrad Adenauer, Dietrich Bonhoeffer, Dwight Eisenhower, Helmut Kohl and Jimmy Carter. Thielicke was a witness to many of the most significant events of our century; his life history is interwoven with the imperial era, the Weimar Republic, the rise of the Third Reich, a divided Germany, and the tumultuous 1960s. From the perspective of this single life we are afforded a broad and clear vision of the moments that have shaped the generation leading us into the twenty-first century..

*Hearings, Reports and Prints of the Senate Committee on Labor and Public Welfare* - United States. Congress. Senate. Committee on Labor and Public Welfare 1966

## *Fascist in the Family* - Francis Beckett 2016-10-04

John Beckett was a rising political star. Elected as Labour's youngest M.P. in 1924, he was constantly in the news and tipped for greatness. But ten years later he was propaganda chief for Mosley's fascists, and one of Britain's three best known anti-Semites. Yet his mother, whom he

loved, was a Jew. Her ancestors were Solomons, Isaacs and Jacobsons, originally from Prussia. He successfully hid his Jewish ancestry all his life - he said his mother's family were "fisher folk from the east coast." His son, the author of this book, acclaimed political biographer and journalist Francis Beckett, did not discover the truth until John Beckett had been dead for years. He left Mosley and founded the National Socialist League with William Joyce, later Lord Haw Haw, and spent the war years in prison, considered a danger to the war effort. For the rest of his life, and all of Francis Beckett's childhood, John Beckett and his family were closely watched by the security services. Their devious machinations, traced in records only recently released, damaged chiefly his young family. This is a fascinating and brutally honest account of a troubled man in turbulent times.

**Classroom Wars** - Natalia Mehlman Petrzela 2015

Natalia Petrzela explores how in the late 1960s and 1970s, a growing number of Americans fused conventional values about family and personal morality with an Anglo jingoism, specifically marrying concerns about sexuality and language and blurring the distinction between public and private. Focusing on Spanish-bilingual and sex education in California, this book charts how during a time of extraordinary social change, grass-roots citizens defined the schoolhouse and family as politicized sites.

*Grendon Tales* - Ursula Smartt 2001

A definitive account of the UK's first - and until recently only - therapeutic community prison that deals with some of the most serious violent and sexual offenders in the UK - based upon unprecedented access to the prison that was granted to Waterside Press and Professor Ursula Smartt of Thames Valley University UK. An innovative and acclaimed account based on one-to-one interviews with staff and inmates - and 'living with' prisoners through their daily lives.

**Amendments to the Economic Opportunity Act of 1964, Hearings Before the Subcommittee on Employment, Manpower, and Poverty...89-2, on S. 3164, S. 2908, S. 3139, June 21, 22, 23, 24, 1966** - United States. Congress. Senate. Labor and Public Welfare 1966

*NFB Kids* - Brian J. Low 2006-01-01

Imagine a society that exists solely in cinema — this book explores exactly that. Using a half-century of films from the archival collection of the National Film Board, *NFB Kids: Portrayals of Children* by the National Film Board of Canada, 1939-1989 overcomes a long-standing impasse about what films may be credibly said to document. Here they document not "reality," but social images preserved over time — the "NFB Society" — an evolving, cinematic representation of Canadian

families, schools and communities. During the postwar era, this society-in-cinema underwent a profound change in its child rearing and schooling philosophies, embracing "modern" notions based upon principles espoused by the American mental hygiene movement. Soon after the introduction of these psychological principles into NFB homes in 1946 and schools in 1956, there was a subtle transformation in adult-child relations, which progressively, over time, narrowed the gulf of power between generations and diminished the socializing roles of the NFB parents and teachers. *NFB Kids* is a pioneering study within a new field of academic research — "cinema ethnography." It adds to the growing body of knowledge about the function, and the considerable impact of, psychiatry and psychology in the post-war social reconstruction of Canadian society and social history. It will be of interest to academics over a broad spectrum of disciplines and to anyone thinking about the advancing arbitrary power of the cinematic state.

**The Transformation of American Sex Education** - Ellen S. More 2022-01-11

"This book examines Americans' attempts to come to terms with the vexed subject of sex education in the schools from the late 1940s to the early 21st century. Using Mary Calderone's life and career as a touchstone, it traces the origins of modern sex education in the United States from the work of a group of reformers who coalesced around Calderone to create SIECUS in 1964 through the development and use of the competing approaches known as 'abstinence-based' and 'comprehensive' sex education from the 1980s into the 21st century"--

**Learning with the Lights Off** - Devin Orgeron 2011-11-25

A vastly influential form of filmmaking seen by millions of people, educational films provide a catalog of twentieth century preoccupations and values. As a medium of instruction and guidance, they held a powerful cultural position, producing knowledge both inside and outside the classroom. This is the first collection of essays to address this vital phenomenon. The book provides an ambitious overview of educational film practices, while each essay analyzes a crucial aspect of educational film history, ranging from case studies of films and filmmakers to broader generic and historical assessments. Offering links to many of the films, *Learning With the Lights Off* provides readers the context and access needed to develop a sophisticated understanding of, and a new appreciation for, a much overlooked film legacy.
